AMENDMENT TO SENATE BILL 59

AMENDMENT NO. _____. Amend Senate Bill 59 on page 3, line 22, by replacing "request" with "request, without any information identifying a patient, employee, or licensed professional"; and

on page 5, line 34, by replacing "patient-identifiable information" with "information identifying a patient, employee, or licensed professional"; and

on page 6, immediately below line 27, by inserting the following:

"(h) No hospital report or Department disclosure may contain information identifying a patient, employee, or licensed professional.".
