Subject: Regarding IL-03
Date: Monday, October 25, 2021 9:58:23 AM
Attachments: IL-03map.png

Hi there,

I am writing to request a consideration of the attached proposed redistricted map, as I am hoping to stay within my current district, IL-03, under Congresswoman Newman. It is unfair to redraw a newly elected official out of the community that worked very hard to elect more progressive representation after decades of grift, nepotism and machine politics.

Thank you.
