Issue 19

*Illinois Regulation is a summary of the weekly regulatory decisions of State agencies published in the Illinois Register and action taken by the Illinois General Assembly's Joint Committee on Administrative Rules. ## New Rules

### VOTER REGISTRATION

The DEPARTMENT OF HUMAN SERVICES adopted amendments to Voter Registration Program (89 IAC 512; 41 Ill Reg 782), effective 4/25/17, clarifying certain aspects of procedures through which DHS staff, in accordance with federal law, must offer clients of public assistance or disability programs the opportunity to register to vote if they are not already registered. DHS staff must inform clients of their right to complete, or decline to complete, a voter registration application and offer clients assistance in completing the form if they desire it. No action may be taken to encourage or discourage a client from registering, and clients must not be led to believe that their decision for or against registering will affect the availability of services or benefits. Voter registration applications sent from DHS

offices will be identified by a confidential office number assigned by a deputy registrar, in order to preserve the privacy of persons who register to vote in this manner. Clients of State-operated residential mental health facilities must register using their last address prior to admission (not the address of the facility). Clients who miss the traditional registration deadline (28 days prior to an election) may still register through election day utilizing the grace period provided in the Election Code.
