Illinois Regulation is a summary of the weekly regulatory decisions of State agencies published in the Illinois Register and action taken by the Illinois General Assembly's Joint Committee on Administrative Rules. New Rules

■ CLINICAL PSYCHOLOGISTS

The DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION repealed the Part titled Clinical Psychologist Licensing Act (68 IAC 1400; 40 Ill Reg 14490) and adopted a new Part with the same title (68 IAC 1400; 40 Ill Reg 14519), both effective 10/6/17. The new Part implements provisions of Public Act 98-668, which created a new license for prescribing psychologists, specified educational requirements for licensure as a prescribing psychologist, and addressed the delegation of prescriptive authority by a physician through collaborative agreements. The rulemaking adds a new definitions Section; implements licensure requirements for initial licensure, licensure renewals and licensure restoration; and sets fees for prescribing psychologist

licensure applications, renewals, and restoration. The new Part also establishes continuing education requirements necessary prior to licensure renewals, prescribing psychologist licensure qualifications, and a licensure by examination application process. It includes clinical rotation training requirements for prescribing psychologists, a DFPR approval process for

clinical rotation programs, and statutory collaborative agreement and endorsement requirements for prescribing psychologists. An example of a collaborative agreement for prescribing psychologists and collaborating physicians is also included in an appendix. ■ REAL ESTATE & AUCTIONS

DFPR adopted amendments to the Parts titled Home Inspector License Act (68 IAC 1410; 41 Ill Reg 5845), Auction License Act (68 IAC 1440; 41 Ill Reg 5855), Real Estate License Act of 2000 (68 IAC 1450; 41 Ill Reg 5866), and Real Estate Appraiser Licensing (68 IAC 1455; 41 Ill Reg 5888), all effective 10/6/17. All four rulemakings abolish fees for issuance of duplicate or decorative licenses. Amendments to Part 1410 clarify that franchise fees paid by a home inspector licensee to a franchisor under a franchise agreement do not constitute compensation if the franchisor does not perform home

inspections. The Part 1440 rulemaking clarifies that individuals or entities that accept compensation for listing personal items for sale on a third party internet auction service on behalf of another are not auctioneers for the purposes of this Part. Amendments to Part 1450 clarify that, for the purposes of the Act, an electronic signature may be used for any application, affidavit, or other document that must be signed. Real estate licenses may also be surrendered, sent, obtained or issued electronically, and the requirement to make licenses readily available to the public may be fulfilled by using a copy of the license instead of the original. The rulemaking removes the requirement that an owner seeking an exemption set forth in Section 5-20(1) of the Act be the sole owner of the property. The Part 1455 rulemaking allows the Department to assess an administrative fee upon appraiser licensees of \$100 per credit hour for CE courses completed after the deadline, up to a maximum of \$2,000. Those affected by this rulemaking include real estate agents and appraisers, auctioneers, and their employers.
