## Emergency Rule

### ■ SEXUAL HARASSMENT

The SECRETARY OF STATE adopted an emergency amendment to Departmental Duties (2 IAC 552; 41 Ill Reg 14838) effective 11/20/17 for a maximum of 150 days. A companion proposed rule-making also appears in this week's *Illinois Register* at 41 Ill Reg 14432. These rulemakings implement Public Act 100-554, which imposes additional duties upon the SOS Office of Inspector General to review sexual harassment allegations against lobbyists required to register with SOS. The rule requires the SOS Deputy Inspector General to receive (in person or via telephone, letter, fax or e-mail) complaints regarding sexual harassment and evaluate all complaints to determine if they require further review. The Deputy IG will investigate only those sexual harassment

complaints that involve circumstances stemming from the alleged harasser's status as a registered lobbyist, rather than from an employer-employee relationship. Procedures and criteria for reviewing allegations and gathering evidence are included. A completed summary review of each allegation completed by the Deputy IG will be submitted to the IG for final approval, then forwarded to the Executive Ethics Commission. The complainant will be informed of this submission. Registered lobbyists are affected by this emergency rule.

Questions/requests for copies/comments on the proposed rulemaking through 1/16/18: Paul Thompson, Office of the SOS Inspector General, 342 W. Monroe St., Springfield IL 62704, 217/785-2012.

Other changes align the language of each Part more closely with the Nursing Home Care Act. Owners, investors and operators of nursing homes are affected.

## ■ TEACHER PREPARATION

The STATE BOARD OF EDUCATION proposed repeal of the Part titled Standards for Endorsements in Specific Teaching Fields (23 IAC 27; 41 Ill Reg 14434) and proposed a new Part with the same title and Part number (23 IAC 27; 41 Ill Reg 14797) that replaces current State-specific standards for endorsement in each subject with national standards established by professional education associations. The national standards will apply to all teachers in each subject area effective 10/1/24. Teachers, student teachers, and educator preparation programs are affected by these rulemakings.

## ■ OIL & GAS

The DEPARTMENT OF NATURAL RESOURCES proposed amendments to the Part titled The Illinois Oil and Gas Act (62 IAC 240; 41 Ill Reg 14368) concerning the permitting process for oil and gas wells. The rulemaking simplifies the process of certifying that a permit applicant has the right to drill for or operate a well at the proposed site; starts the 15-day public comment period for an application on either the date the

notice is published or the date the application is filed, whichever is later; allows for pooled units (a single lease or agreement that includes more than one well owner/operator); and allows wells to be spaced 330 feet (currently, 660 feet) apart, separated by no less than 10 feet from the nearest drilling unit boundary line. Petitions to modify existing drilling units will not be accepted from persons with a record of previous Oil and Gas Act violations, or financial or management interests in a company with a record of such violations; persons who are delinquent in payment of annual well fees; or persons who have falsified or misstated information contained in the petition. Public hearings on modification petitions must be held 30 to 60 days after DNR has accepted the petition. Other provisions set criteria for placing wells that have been inactive for at least 24 consecutive months in temporary abandonment status; establish public notice and hearing procedures; set a 20 working day timeframe for DNR to grant or deny a petition after a public hearing has taken place; set criteria for permit applications for special drilling units; and clarify the process for transferring a permit to a new owner. Oil and gas drilling businesses will be affected by this rulemaking.

Questions/requests for copies/comments through 1/16/18: John Heidinger, DNR, One Natural Resources Way, Springfield IL 62702-1271, 217/557-6379.
