New Act
430 ILCS 65/8.2
430 ILCS 66/70

Creates the Lethal Violence Order of Protection Act. Provides that a petitioner may request an emergency lethal violence order of protection by filing an affidavit or verified pleading alleging that the respondent poses an immediate and present danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Provides that the petition shall also describe the type, and location of any firearm or firearms presently believed by the petitioner to be possessed or controlled by the respondent. Provides that the petitioner may be a family member of the respondent or a law enforcement officer, who files a petition alleging that the respondent poses a danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Establishes factors that the court must consider before issuing a lethal violence order of protection. Provides for the issuance of ex parte orders and one year orders. Provides that if the court issues the order the respondent must: (1) refrain from having in his or her custody or control, owning, purchasing, possessing, or receiving additional firearms for the duration of the order; and (2) turn over to the local law enforcement agency any firearm, Firearm Owner's Identification Card, or concealed carry license in his or her possession. Establishes factors for renewing and terminating lethal violence orders of protection. Amends the Firearm Owners Identification Card Act and the Firearm Concealed Carry Act to make conforming changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill. Provides that if the respondent is alleged to pose an immediate and present danger of causing personal injury to an intimate partner, or an intimate partner is alleged to have been the target of a threat or act of violence by the respondent, petitioner shall make a good faith effort to provide notice to any and all intimate partners of the respondent. Provides that the notice must include that the petitioner intends to petition the court for an emergency lethal violence order, and, if petitioner is a law enforcement officer, referral to relevant domestic violence or stalking advocacy or counseling resources, if appropriate. Provides that petitioner shall attest to having provided the notice in the filed affidavit or verified pleading. Provides that if after making a good faith effort petitioner is unable to provide notice to any or all intimate partners, the affidavit or verified pleading should describe what efforts were made. Provides that every person who files a petition for an emergency lethal violence order, knowing the information provided to the court at any hearing or in the affidavit or verified pleading to be false, is guilty of perjury. Adds definition of "intimate partner".

HOUSE COMMITTEE AMENDMENT NO. 2

In the new Lethal Violence Order of Protection Act, defines "family member of the respondent" as a spouse, parent, child, or step-child of the respondent, any other person related by blood or present marriage to the respondent, or a person who shares a common dwelling

with the respondent (rather than as defined in the Illinois Domestic Violence Act of 1986).

105 ILCS 5/27A-5.5 new

Amends the Charter Schools Law of the School Code. Requires a charter school to comply with all applicable absenteeism and truancy policies and requirements applicable to public schools under the laws of the State of Illinois. Sets forth how a charter school must define a truant, chronic or habitual truant, truant minor, and dropout. Effective immediately.

FISCAL NOTE (IL State Board of Education)

HB 3199 will not likely have a significant fiscal impact to the State. The legislation will require charter schools to comply with truancy and absenteeism policies applicable to public schools in Illinois. Charter school students are countered in the Average Daily Attendance of the local school district when calculating the district's General State Aid entitlement, so to the extent that new truancy and absenteeism policies increase attendance at charter schools, this could increase the overall GSA claim to the State in an unknown amount. In addition, there may be an unknown cost to charter schools to adopt and comply with these policies.

105 ILCS 5/34-2.1 from Ch. 122, par. 34-2.1

Amends the Chicago School District Article of the School Code. With respect to the student member of a local school council for a secondary attendance center, provides for his or her election by 10th and 11th grade students (instead of being appointed by the Chicago Board of Education after a non-binding, advisory poll of student preferences); makes related changes. Requires a person to be in the 12th grade at the beginning of the school year coinciding with his or her term in order to be eligible to be a student member. Allows 10th and 11th grade students to vote for parent and community resident members of a high school council.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. In provisions concerning local school councils, defines "community resident" to mean a person, 17 years of age or older, residing within an attendance area served by a school, excluding any person who is a parent of a student enrolled in that school; provided that with respect to any multi-area school, community resident means any person, 17 years of age or older, residing within the voting district established for that school, excluding any person who is a parent of a student enrolled in that school. Provides that if a community resident member of the local school council attends a secondary attendance center, the student may only be a member of the local school council for the secondary attendance center he or she attends.

HOUSE FLOOR AMENDMENT NO. 3

Removes the requirement that if the community resident member of the local school council attends a secondary attendance center, the student may only be a member of the local school council for the secondary attendance center he or she attends.

Provides that, except for certain annuitants who have 30 years of service credit, an annuitant shall not receive an automatic increase in retirement annuity. Provides that the Division's schedule shall also provide for the adjustment of minimum retirement ages using a matrix that (i) takes into account the current statutory retirement age for various classes of persons and service credit accrued by those persons and (ii) proportionally discounts the increase in statutory retirement ages based on proximity to the currently established minimum retirement age. Requires a participant, except for a participant who is a covered employee under the State Employee Article, to contribute 8% of his or her compensation to the plan and requires the employer to contribute 7% of the participant's compensation to the plan. Establishes a schedule for vesting in employer contributions. Beginning State fiscal year 2016, makes changes to the prescribed funding formulas for the 5 State-funded retirement systems.

This bill does not create a State mandate.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The Department of Central Management Services is unable to project a fiscal impact associated with this proposed legislation due to the following factors: (A) The rapid change of the automobile industry; (1) Which manufacturers offer VIN numbers 1/2/4/5 may change frequently; (2) Each vehicle purchase is unique in the type of vehicle that is needed - pickup truck versus a sedan versus economy car versus a hybrid, etc; (B) The amount of vehicles purchased in any given fiscal year is dependent upon need and adequate cash flow, which is especially unpredictable. (C) In general, any limitation on the potential universe of bidders will serve over time to increase costs.

Amends the Illinois Pension Code. With respect to the 5 State-funded Retirement Systems: requires each System to prepare and implement a Tier 3 plan by July 1, 2016 that aggregates State and employee contributions in individual participant accounts which are used for payouts after retirement. Provides that a Tier 1 or Tier 2 participant may irrevocably elect to participate in the Tier 3 plan instead of the defined benefit plan; makes conforming changes. Authorizes a Tier 1 or Tier 2 participant who elects to participate in the Tier 3 plan to elect to terminate all participation in the defined benefit plan and to have a specified amount credited to his or her account under the Tier 3 plan. Provides that the Tier 3 plan supersedes the defined contribution

plan created under P.A. 98-599 for certain Tier 1 participants. Requires each System to report on its progress in establishing the Tier 3 plan to the Governor and the General Assembly by January 15, 2016. Provides that "new benefit increase" does not include any benefit increase resulting from the changes made by the amendatory Act. In the Downstate Teachers, State Employees, and State Universities Articles, authorizes a person to elect not to participate or to terminate his or her participation in those Systems. In the General Assembly and Judges Articles, authorizes a participant to terminate his or her participation in the System. Makes related changes in the Retirement Systems Reciprocal Act (Article 20 of the Code) and the State Employees Group Insurance Act of 1971. Makes other changes. Effective immediately.

Requires each manufacturer to develop, and submit to the Agency, a plan to support the collection and recycling of plastic carryout bags and plastic film product wrap. Prohibits retailers from purchasing plastic carryout bags from manufacturers under certain circumstances. Sets forth duties of the Agency. Creates penalties for violations of the Act. Encourages manufacturers to include recycled content in the plastic carryout bags that they produce. Requires certain reports to be filed with the General Assembly. Makes the Act inapplicable in units of local government with a population of over 2,000,000. Specifies that the Plastic Bag and Film Recycling Act controls in the event of a conflict with another Act. Denies home rule powers. Amends the Regulatory Sunset Act to provide for the repeal of the Plastic Bag and Film Recycling Act on October 1, 2020. Effective immediately.

HB-4205 FORD - FLOWERS.

110 ILCS 947/65.47 new

Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to award grants to applicants who are teachers licensed under the School Code and are employed by a school district within an area designated as a poverty area by the Department of Commerce and Economic Opportunity to obtain additional course credit or an additional degree at a public university located in this State. Provides that the amount of the grant shall equal 50% of the tuition and other necessary fees required of the teacher by the public university at which the teacher enrolls. Requires grant recipients to contract with the Commission to teach for an additional 2 years in the school district in which they were employed at the time of application for the grant. Sets forth provisions concerning this commitment.

PENSION NOTE (Government Forecasting & Accountability)

HB 4205 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4205 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Illinois Board of Higher Education)

The Illinois Student Assistance Commission estimate uses the percentage of the school eligible for Free or Reduced Lunch as a proxy, not knowing how The Department of Commerce and Economic Opportunity would define a poverty area. About 61,000 teachers work in schools with at least 40% of students eligible for free or reduced price lunch, and around half of teachers already hold a master's degree, leaving roughly 30,000 teachers who might be eligible for the program. According to College Navigator data, the weighted average tuition and fees for undergraduate school in Illinois is about

\$13,000. The weighted average for graduate school at Illinois public universities is about \$13,509. The bill proposes covering half the cost. If most teachers wanted to attend graduate school parttime, then the average cost per participant using graduate tuition and fees is $\$13,509 \times 0.5 \times 0.5$, or \$3,377 per participant. Determining participation is more complicated. If half of the eligible teachers chose to participate, the cost would be $15,000 \times \$3,377$, or about \$50 million. If 10% wanted to participate it would be $3,000 \times \$3,377$, or about \$10 million.

New Act

Creates the Universal Child Care Demonstration Program Act. Requires the Department of Human Services to establish and administer a 5-year statewide Universal Child Care Demonstration Program to provide grants to eligible entities to develop, expand, and provide high-quality and affordable child care services for children age 0 to 6 years old regardless of family income. Provides that grants awarded under the Demonstration may be used to renovate or convert existing child care facilities to meet the goals of the Demonstration Program; to construct and maintain child care facilities in geographical areas with a demonstrated need for safe, affordable, and high-quality child care services; to train and pay child care providers, teachers, and staff; and to provide meal services to children receiving child care services. Provides that the ultimate goal of the Demonstration shall be to develop and evaluate the costs, impact, and quality outcomes of child care services and programs in order to establish an effective expansion toward universal child care services for children from birth to 6 years of age. Contains provisions concerning eligible entities, funding, reporting requirements, defined terms, and Department rules.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB4217; therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

HB 4217 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4217 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have an extraordinary fiscal impact to the State of Illinois. The Governor's Office of Management and Budget estimates that this bill could potentially increase spending in the State's child care program in excess of \$8 Billion. This increase in spending will result in an unbalanced budget.

FISCAL NOTE (Dept. of Human Services)

Currently, the State does not have sufficient resources to fully fund existing programs. Expanding to families regardless of income is not aligned with the Department's mission

of serving those most in need. The number of children in Illinois ages 0-6 is approximately 800,000. The average cost of quality child care is \$10,000 annually. A universal program cost estimate, therefore, is \$8.0 billion.

CORRECTIONAL NOTE (Dept of Corrections)

HB 4217 has no fiscal impact or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch.

105 ILCS 5/10-23.8 from Ch. 122, par. 10-23.8

Amends the School Code. In provisions requiring a school board (other than the Chicago school district) to employ a superintendent, allows the school board in a school district with boundaries that lie in 3 counties, one county of which has a population exceeding 1,000,000 inhabitants, that has on staff properly licensed assistant superintendents or directors in the areas of instruction, finance, special education, assessments, and career and technology education, to instead appoint a chief executive officer to serve as its superintendent. Requires this chief executive officer to be a person of recognized administrative ability and management experience, hold a master's degree, have been employed with the school district for a minimum of 5 years in an administrative capacity, be responsible for the management of the district, and have all other powers and duties of a superintendent. Exempts the chief executive officer from provisions of the School Code concerning educator qualifications for a period of 5 years. Allows the school board to reappoint the chief executive officer after the 5-year period if the chief executive officer has made substantial progress towards a standard or alternative administrative license, if a program for such is available. Makes related changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced, but requires the school district to have an enrollment of more than 35,000 students in order for the school board to appoint a chief executive officer to serve as its superintendent and removes the amendatory language allowing a school board to reappoint the chief executive officer if the chief executive officer has made substantial progress towards a standard or alternative administrative license.

New Act

Creates the Heroes Way Designation Program Act. Allows a person who is related to a member of the United States Armed Forces who was killed in action while performing active military duty to apply for a designation allowing the placement of an honorary sign along designated Illinois roads. Provides that honorary signs may be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway on the State highway system. Provides requirements for petition and approval of applications by the General Assembly to designate a specified road. Provides that no interchange, bridge, or highway may be named or designated after more than one member of the United States Armed Forces killed in action, nor may a designated member of the United States Armed Forces be eligible for more than one interchange, bridge, or highway designation. Provides that any highway signs erected for any designation shall be erected and maintained for a 20-year period, after which the signs shall be subject to removal, and the interchange, bridge, or highway may be subject to a new designation, absent an application to retain designation. Defines "Department", "Secretary", and "United States Armed Forces".

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced with changes. Provides that honorary signs may be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway under the jurisdiction of the Department of Transportation (rather than on the State highway system). Modifies the requirements for petition, approval of applications, and notice by the General Assembly to designate a specified road. Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool are eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to promulgate rules regarding the updated assessment tool, but prohibits those Departments from promulgating emergency rules regarding the updated assessment tool. Provides that the State shall not implement an updated assessment tool that causes more than 1% of then-current recipients to lose eligibility; and that anyone determined to be ineligible for services due to the updated assessment tool shall continue to be eligible for services for at least one year following that determination and must be reassessed no earlier than 11 months after that determination. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Further amends the Illinois Act on the Aging. Removes a provision requiring the Department on Aging to establish eligibility standards for services provided under the Community Care Program and instead sets forth the criteria individuals must meet to have equal access to services under the Community Care Program. Makes changes to provisions added to the Act concerning the eligibility of individuals with a determination of need score of 29 or higher for institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool; and adds a provision requiring service cost maximums to be set at levels no lower than the service cost maximums that were in effect as of January 1, 2016 and to be increased accordingly to reflect any rate increases. Makes changes to provisions added to the Rehabilitation of Persons with Disabilities Act and the Illinois Public Aid Code concerning the eligibility of individuals with a determination of need score of 29 or higher for institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool. Further amends the Illinois Public Aid Code by providing that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. on Aging)

This cost estimate is predicated upon an unaltered continuation of the current service structure under CCP, which would result from the enactment of HB 4351 into law. In its proposed FY17 budget, Illinois Department on Aging seeks to secure considerable cost savings by creating a new program, the Community Reinvestment Program (CAP), designed to provide a multitude of flexible services for non-Medicaid individuals currently being served under CCP. The estimated cost of \$200 million is in addition to the Governor's introduced budget for CAP and CCP. These savings amount to \$197 million during the next fiscal year. The program will ensure sustainable spending levels and that essential community services remain available for the approximately 44,000 non-Medicaid persons now served by CCP.

Reinserts the introduced bill with the following changes: Provides that any retail sale of a used motor vehicle made to a consumer by a licensed vehicle dealer within the meaning of certain provisions of the Illinois Vehicle Code or by an auction company at an auction that is open to the general public (instead of any retail sale of a motor vehicle made to a consumer by a used motor vehicle dealer within the meaning of certain provisions of the Illinois Vehicle Code) is made subject to the provisions limiting modifications to or a disclaimer of an implied warranty of merchantability. Provides that if the implied warranty of merchantability is breached, the consumer shall give reasonable notice to the seller no later than 5 business days after the end of the statutory warranty period (instead of if the implied warranty of merchantability is breached, the consumer shall give reasonable notice to the seller within 15 days after the date of the breach). Provides that an implied warranty of merchantability is met if a used motor vehicle functions free of a defect in a Power Train component (instead of an implied warranty of merchantability is met if a used motor vehicle functions substantially free of a defect that significantly limits the use of the used motor vehicle for the ordinary purpose of transportation on any public highway). Defines "Power Train component". Makes changes to provisions concerning: (i) the language required in a disclosure statement within an agreement for the sale of a used motor vehicle and (ii) express or implied warranties other than the 15 day, 500 mile implied warranty of merchantability. Removes a provision concerning remedies for an aggrieved consumer or seller.

105 ILCS 5/2-3.64a-5

Amends the School Code with respect to State goals and assessment. Provides that the provision requiring the State Board of Education to administer no more than 3 assessments, per student, of English language arts and mathematics for students in a secondary education program applies until the expiration of any contracts entered into before the effective date of the amendatory Act between the State Board and the company or companies that operate the

PARCC (Partnership for Assessment of Readiness for College and Careers) tests. Provides that after the expiration of any such contracts, the State Board shall enter into 2 separate contracts to administer 2 college and career ready determination examinations, including, but not limited to, one that is accepted by all of this State's public and private institutions of higher education, for the purpose of student application or admissions consideration. Specifies that each student must be offered the opportunity to choose between the 2 examinations. Sets forth provisions providing that the State Board is required to cover all expenses for each student to take one of the 2 examinations for the purpose of college application or admissions consideration. Provides that no State assessments other than these 2 examinations may be administered to students in a secondary education program after the expiration of any contracts entered into before the effective date of the amendatory Act between the State Board and the company or companies that operate the PARCC tests. Effective July 1, 2016.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Requires the State Board of Education to enter into 2 separate contracts, one to administer the ACT and one to administer the SAT (instead of entering into 2 separate contracts to administer 2 college and career ready determination examinations). Specifies that each school district (instead of each student) must be offered the opportunity to choose between the 2 examinations. Provides that this examination shall constitute a secondary education program annual assessment for the purpose of implementing State assessments. Provides that the State Board shall take whatever may be appropriate ways and means, including a request for a federal waiver or waivers if required, to ensure that, should a waiver or waivers be granted pursuant to this request, no State assessments other than these 2 examinations may be administered to students in a secondary education program (instead of just providing that no State assessments other than these 2 examinations may be administered to students in a secondary education program). Provides that, notwithstanding the mandate to administer these 2 examinations, should the PARCC test continue to be required of Illinois high schools by federal mandate, the PARCC test shall continue to be administered to students in a secondary education program. Effective July 1, 2016.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes: In provisions amending the Nursing Home Care Act, removes provisions prohibiting the Department of Financial and Professional Regulation from posting specific information regarding disqualifying offenses, including the charge or date of an offense, on the Health Care Worker Registry. In provisions amending the Health Care Worker Background Check Act, provides that the Department of Public Health may, at the discretion of the Director of Public Health, grant a waiver to an applicant, student, or employee listed on the registry. In provisions concerning an applicant receiving a written notification by the Department of its decision on whether to grant a waiver, removes the exception in cases where a rehabilitation waiver is granted. In provisions concerning the Health Care Worker Registry working group, provides that the Department of Public Health and the Governor's Office shall provide the working group with any relevant aggregate data currently available that is related to the waiver process and its effectiveness. Provides that the working group shall identify any gaps in information currently collected that would inform the working group's efforts and make recommendations to the Governor's Office and the General Assembly about what additional data should be collected to evaluate and monitor the success of the waiver process by July 1, 2017. Removes provisions requiring the Department of Public Health to identify ways to analyze information regarding the employment of people with waivers and report the information to the working group. Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

In provisions amending the Health Care Worker Background Check Act, provides that when the Department of Public Health sends an applicant, student, or employee written notification of its decision whether to grant a waiver, the written notification shall include a list of the specific disqualifying offense for which the waiver is being granted not denied. Provides that the Department shall issue additional copies of the written notification upon the applicant's, student's, or employee's request.

SENATE COMMITTEE AMENDMENT NO. 1

In provisions amending the Nursing Home Care Act, provides that after January 1, 2017 (rather than June 30, 2016) the publicly accessible Health Care Worker Registry shall report if an individual is ineligible because of a disqualifying offense and has not received a waiver. Changes the effective date to January 1, 2017 (rather than upon becoming law).

PENSION NOTE (Government Forecasting & Accountability)

According to a cost study performed by the fund's actuary, HB 4553 will result in an increase in Unfunded Liability of \$165 million, as well as an increase in the City's Contribution of \$13 million by 2017. However, the long-term impact of HB 4553 is significantly smaller. By 2056, Unfunded Liability for the Fund will have only increased by less than \$11 million, and the City's Contribution will have increased by approximately \$1.6 million. See Appendix A at the end of this note, for a detailed breakdown of the fiscal effects of HB 4553.

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university or satisfied the ACT's College Readiness Benchmarks on the ACT college admission assessment applicable to the applicant or earned on the SAT college admission assessment a score of at least 1,500 out of 2,400; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

FISCAL NOTE (IL Board of Higher Education)

Assuming the provisions of House Bill 4565 would operate under existing capacity levels, it appears that the increased number of mandated entering freshmen students would off-set other eligible entering freshmen and the cost of instruction would generally remain the same. However, depending on the financial profile of the freshmen included under the guidelines presented in House Bill 4565, financial aid costs could increase, although specific estimates are undeterminable at this time. Illinois Board of Higher Education's FY 2016 Weighted Average Tuition report indicated an entering freshmen class of 34,760 for the current academic year.

Adds reference to:

- 510 ILCS 5/11 from Ch. 8, par. 361

Replaces everything after the enacting clause with the introduced bill with the following changes: Removes provisions amending the Animal Welfare Act. In provisions amending the Animal Control Act, provides that if no placement of a dog or cat is made by an animal control facility, the animal may be (rather than shall) dispatched pursuant to the Humane Euthanasia in Animal Shelters Act. Provides that nothing in the Act shall be construed or interpreted to place a limitation on the time frame that an animal pound or animal shelter may humanely house an animal prior to placement. In provisions concerning dog or other animal bites, provides that when evidence is presented that the animal was inoculated against rabies within the time prescribed by law, it may (rather than shall) be confined in a house, or in a manner which will prohibit it from biting any person for a period of not less than 10 days from the date the bite occurred, if the Administrator, Deputy Administrator, or his or her authorized representative adjudges such confinement satisfactory (rather than a licensed veterinarian adjudging such confinement satisfactory). Provides that at the end of the confinement period, the animal shall be examined by a licensed veterinarian and microchipped, if not already, at the expense of the owner. Provides that it is also unlawful for the owner of the animal to conceal the whereabouts of any animal known to have bitten a person, until it is released by the Administrator or, if the Administrator is not a veterinarian, the Deputy Administrator, or his or her authorized representative. In provisions amending the Illinois Public Health and Safety Animal Population Control Act, provides that an animal control facility, animal shelter, organization, or resident of the State who humanely traps feral cats for spaying or neutering and return is eligible to participate in the program if recognized (instead of provided the program is recognized) by the municipality or county, if it is located in an unincorporated area. Makes other changes. Adds an immediate effective date.

Amends the Code of Criminal Procedure of 1963. Any party who learns of the death of a defendant in a criminal case that is pending on appeal shall promptly notify the other party and

file a certificate of notice of the defendant's death with the court before which the appeal is pending. If the appeal is by the State, upon the filing of the certificate, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated. If the appeal is by the defendant, upon the filing of the certificate, the court shall immediately stay further action in the proceeding for 28 days. During the stay, the executor or administrator of the defendant's estate, the defendant's attorney on appeal, the Office of the Appellate Defender, or the Public Defender in the county in which the defendant was convicted, or other successor in interest shall have standing to petition the court for leave to intervene in the appeal for the purpose of pursuing the appeal in place of the defendant. If the court receives a timely petition for leave to intervene, the court shall permit the petitioning party to intervene in the appeal in place of the defendant and the appeal shall proceed in the same manner as if the defendant were still alive. If, after intervention, the appeal results in: (1) the entry of an order affirming the decision of the trial court, the intervenor may continue to pursue the appeal on the behalf of the defendant or seek post-conviction relief to the extent that further appellate or post-conviction relief would have been available to the defendant were he or she still alive; (2) a finding of error by the court resulting in the reversal of a defendant's conviction, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated; or (3) a finding of error which would require the trial court to resentence the defendant, but does not require reversal of the defendant's sentence, the court shall vacate the sentence imposed by the trial court and the conviction shall stand. If no petition for leave of the court to intervene is filed, the court shall dismiss the appeal without disturbing the decision of the trial court or sentence it imposed.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill with the following changes. Removes the attorney for the defendant representing the defendant on an appeal, the Office of the State Appellate Defender, and the county public defender from any obligation to file a certificate of notice of the defendant's death in a pending criminal appeal of the defendant, and removes their standing to continue to pursue a criminal appeal on behalf of the deceased defendant. Provides an executor or administrator of the defendant's estate or other successor in interest shall have standing to file a certificate of notice of the defendant's death with the court before which the appeal is pending to initiate vacating an appeal brought by the State or obtain a stay for intervention or ultimate dismissal in an appeal brought by the defendant.

concerning the short title.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Hearing Screening for Newborns Act. Changes the short title to the Early Hearing Detection and Intervention Act. Defines terms. Replaces current provisions related to mandatory hearing screening with provisions that provide each medical care facility shall conduct bilateral hearing screenings for each newborn infant prior to discharge unless there is a medical contraindication or the infant is transferred before a screening can be completed. Contains provisions concerning infants that are transferred, requiring all medical care facilities to make provisions for outpatient screenings for infants born outside medical care facilities, and reporting and follow-up requirements for hearing screenings. Provides that for infants born outside a medical care facility, the newborn's primary care provider shall make a referral to a medical care facility for a hearing screening. Provides that specified providers and programs (rather than hospitals) shall report all hearing testing, medical treatment, and intervention outcomes related to newborn hearing screening or newly identified hearing loss for children birth through 6 years of age (rather than positive hearing screening results) to the Department of Public Health. Provides that the Department shall maintain a registry documenting screening, diagnosis, and intervention of cases of positive hearing results. Adds provisions concerning information sharing. Repeals provisions concerning a hearing screening advisory committee. Effective immediately.

HB-4954 FORD - FLOWERS - WELCH - MAYFIELD.

20 ILCS 2630/5.2

Amends the Criminal Identification Act. Provides that records of charges that result in an acquittal or dismissal with prejudice, except for minor traffic offenses, may be immediately sealed after the final disposition of the case. Upon entry of judgment, the defendant shall be informed of this right and the proper procedures to follow to have records that are eligible be immediately sealed. A petition may be filed on behalf of the defendant by his or her attorney at the final disposition hearing, or by the defendant at any time. The State's Attorney may not object to an immediate sealing petition, and the presiding trial judge shall enter an order granting or denying the petition during the hearing in which the petition is filed. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB4954; therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4954 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSE FLOOR AMENDMENT NO. 1

Deletes language providing that no fees shall be charged by the circuit court clerk or the Department of State Police for processing a sealing petition for an arrest or charge not initiated by arrest that resulted in acquittal, dismissal, or a conviction when the conviction was reversed or vacated. Deletes language providing that the State's Attorney may not object to an immediate sealing petition.

PENSION NOTE (Government Forecasting & Accountability)

HB 4954 will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE (Dept of Corrections)

HB 4954 has no fiscal or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Illinois State Police)

If HB 4954 were to become law, the estimated fiscal cost would be \$211,152 per fiscal year. This estimated loss of revenue is based upon Fiscal Year 2015 numbers. In Fiscal

Year 2015 the Illinois State Police collected an estimated \$211,152 for seal orders. The Illinois State Police does not have a separate line item for expungements and seal orders. Illinois State Police collected a total of \$527,880 in sealing and expungement fees in Fiscal Year 2015. Seal orders average approximately 40 percent of the workload (\$527,880 x .40 = \$211,152). It should be noted, the \$527,880 collected in fees fund the salary of 10 of the 13 employees in this unit. These costs would no longer be supported by fee funds collected and would have to be shifted to General Revenue. The revenue stream that supports the functions of this unit would no longer exist. While preparing this fiscal note, House Amendment 1 was filed. House Amendment 1 would restore the Illinois State Police's ability to collect fees for most seal orders.

BALANCED BUDGET NOTE (Office of Management and Budget)

House Bill 4954 would eliminate the current process in which the Illinois State Police collect fees for processing petitions and orders to seal records. These fees are used to fund the technology and support staff that implement and maintain the expungement and sealing system. While any costs for implementing this new process would be minimal the Illinois State Police would lose revenue generated from the current process at an estimated \$211,000 per year into the State Police Services Fund.

New Act

730 ILCS 5/3-8-7 from Ch. 38, par. 1003-8-7

Replaces everything after the enacting clause. Creates the Isolated Confinement Restriction Act. Restricts the use of isolated confinement in correctional facilities in the State. Provides that a committed person shall not be placed in isolated confinement unless there is reasonable cause to believe that the committed person would create a substantial risk of immediate serious harm to himself, herself, or another, and a less restrictive intervention would be insufficient to reduce this risk and the correctional facility shall bear the burden of establishing this standard. Provides that a committed person shall not be placed in isolated confinement before receiving a personal and comprehensive medical and mental health examination conducted by a clinician. Defines "clinician" as: (1) a physician who is licensed to practice medicine in all of its branches and is certified in psychiatry by the American Board of Psychiatry and Neurology or the American Osteopathic Board of Neurology and Psychiatry, or has completed 4 years of an accredited post-graduate training program in psychiatry; or (2) a licensed clinical psychologist. Provides that a committed person held in emergency confinement shall receive an initial medical and mental health evaluation within 2 hours. Establishes conditions in which a committed person may be placed in protective custody. Amends the Unified Code of Corrections to make conforming changes. Effective January 1, 2017, except that the Department of Corrections rules provisions are effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

705 ILCS 405/2-10.01 new

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: Requires the Department of Children and Family Services to make reasonable efforts and accommodations to provide for (rather than grant) visitation privileges to a non-custodial grandparent or great-grandparent of a child who is in the care and custody of the Department. Provides that any visitation privileges provided (rather than granted) shall be separate and apart from any visitation privileges provided (rather than granted) to a parent of the child. Requires the Department to provide visitation privileges only if doing so is in the child's best interest, taking into consideration certain factors set out in the Juvenile Court Act of 1987 and other additional factors as specified (rather than requiring the Department to consider, but not be limited to, the following criteria in determining whether to grant visitation: (i) the wishes of the child, taking into account the child's maturity and ability to express reasoned and independent preferences as to visitation; (ii) the mental and physical health of the child; and (iii) the length and quality of the prior relationship between the child and the grandparent or great-grandparent). Provides that any visitation privileges provided shall automatically terminate upon the child leaving the care or custody of the Department (rather than providing that any visitation privileges provided before the filing of a petition for adoption of the child shall automatically terminate upon the child leaving the care or custody of the Department). Provides that if the Department determines that a grandparent or great-grandparent is inappropriate to serve as a visitation resource and denies visitation, the Department shall: (i) document the basis of its determination and maintain the documentation in the child's case file and (ii) inform the grandparent or great-grandparent of his or her right to a clinical review in accordance with Department rules and procedures (rather than the Department shall inform the grandparent or great-grandparent of his or her right to appeal the decision to deny visitation in accordance with the appeals procedure established by the Department). Removes a provision requiring the Department to adopt rules concerning the procedure for appealing a decision to deny visitation

privileges for a non-custodial grandparent or great-grandparent and instead provides that the Department may adopt any rules necessary to implement the provisions of the bill.

HB-5671 HARRIS, GREG, AMMONS, SOTO, FINE, RILEY AND BEISER.

305 ILCS 5/5-30.1

Amends the Medical Assistance Article of the Illinois Public Aid Code. In a provision concerning network adequacy for managed care organizations (MCO) contracted with the Department of Healthcare and Family Services, provides that each MCO shall (i) on a monthly basis, jointly validate with contracted providers any changes in provider information, including, but not limited to, changes concerning new providers, terminated providers, updated address information, hours of operation, or other information that is material to a Medicaid beneficiary in the enrollment and provider selection process; and (ii) be required to produce system reports that validate that all MCO systems reflect updated provider information. Provides that in situations in which an enrolled Medicaid provider renders services based on information obtained after verifying a patient's eligibility and coverage plan through either the Department's current enrollment system or the coverage plan identified by the patient presenting for services, such services shall be considered rendered in good faith. Requires the Department to create and maintain a MCO Performance Metrics Comparison Tool that provides periodic reporting, on at least a quarterly basis, of each MCO's performance in various administrative measures. Requires the tool to be accessible in both a print and online format, with the online format allowing for Medicaid beneficiaries and providers to access additional detailed MCO performance information. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this legislation, therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE (Dept of Corrections)

HB 5671 has no fiscal or population impact on the Department.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

HB 5671 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5671 would not change the amount of authorization for any type of State-issued of State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Healthcare & Family Services)

It is estimated that the Client Enrollment Broker contract would need to be amended to

add an additional \$1.7 million in costs for this proposed legislation in FY17. These estimated costs account for the additional quarterly and annual call center staffing, training and monitoring needs, additional enrollment packet and open enrollment packet materials and postage, and program website and translation requirement that would result from this proposed legislation.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will likely have a negative fiscal impact to the state's Medicaid program. The Department of Healthcare and Family Services estimates a cost of \$1.7 million for printing the MCO Performance Metrics Comparison Tool, plus additional staffing costs related to creating and maintaining the tool. Medicaid MCOs could absorb additional costs due to the provider reimbursement provision; it is possible that such increased costs would be factored into future MCO capitation rates paid by the Department of Healthcare and Family Services. Passage of this bill without an accompanying source of revenue will result in an unbalanced budget.
