SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In provisions requiring the Department of Human Services to develop an employment plan for recipients of public aid who participate in the Department's education, training, and employment program, provides that the Department shall treat participation in high school and high school equivalency programs as a core activity and count participation in high school and high school equivalency programs toward the first 20 hours per week of participation. Requires the

Department to approve participation in high school or high school equivalency programs upon written or oral request of the participant if he or she has not already earned a high school diploma or a high school equivalency certificate. Requires the Department to treat such activities as a core activity as long as satisfactory progress is made, as determined by the high school or high school equivalency program.

Amends the Uniform Penalty and Interest Act. SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

35 ILCS 735/3-9 from Ch. 120, par. 2603-9

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: provides that the penalty shall be abated (in the introduced bill, rescinded) if the taxpayer pays to the Department at least 95% of the total tax liability for the filing period, including any additional liability resulting from the audit or investigation, prior to the initiation of the audit or investigation; provides that no claim for credit or refund is allowed for any penalty paid prior to the effective date of the amendatory Act based on the changes made by the amendatory Act. Effective January 1, 2017.

SENATE FLOOR AMENDMENT NO. 2

 20 ILCS 515/45 rep.

Replaces everything after the enacting clause with provisions similar to those of Senate Amendment No. 1, but with the following changes to the Children and Family Services Act: Requires the Child Death Investigation Task Force to develop and implement a plan for the investigation of sudden, unexpected, or unexplained child fatalities or near fatalities for children under 18 years of age (rather than a plan for the investigation of (i) sudden, unexpected, or unexplained deaths of children under 18 years of the age and (ii) missing and runaway children and children who are victims of sex trafficking). Requires the plan to include provisions that require specified entities to promptly notify the Task Force of a sudden, unexpected, or unexplained child fatality or near fatality of a child (rather than a death or serious life

threatening injury to a child). Requires the Task Force to recommend statewide implementation of a protocol for the investigation of all sudden, unexpected, or unexplained child fatalities or near fatalities (rather than all sudden, unexpected, or unexplained child deaths and all cases involving missing and runaway children and children who are victims of sex trafficking).

Creates penalties for violation of the Act. Provides that an entity that violates the provisions of the act or any rule adopted under the Act shall be subject to a civil penalty not to exceed \$1,000 for each violation found in the first audit by the Department of Labor. New Act

Creates the Tuition Reduction Act. Beginning with the 2016-2017 academic year, requires each public university located in this State to reimburse its full-time resident undergraduate students a portion of the tuition charged in the form of a grant applied directly to a student's financial aid account. Provides that to determine the per-pupil grant amount, the university shall calculate the difference, if any, between the current fiscal year's aggregate appropriations to the university and the previous fiscal year's aggregate appropriations to the university and divide that amount by the number of students enrolled in the previous academic year. Provides that 50% of this calculation then equals the per-pupil grant amount, to be awarded to currently enrolled students to reduce their tuition costs (unless the current fiscal year's aggregate appropriations to the university are equal to or less than the previous fiscal year's aggregate appropriations). Requires each university to annually report updated estimates of the total amount in grants awarded in an academic year to the Governor and the appropriate committees of the General Assembly. Effective immediately.

Provides that in imposing a sentence of imprisonment or periodic imprisonment for an offense for which a sentence of probation or conditional discharge is an available sentence, if the defendant has no prior sentence of probation or conditional discharge and no prior conviction for a violent crime, the defendant shall not be sentenced to imprisonment before review and consideration of a presentence report and determination and explanation of why the particular evidence, information, factor in

aggravation, factual finding, or other reasons support a sentencing determination that one or more of specified statutory aggravating factors apply and that probation or conditional discharge is not an appropriate sentence. Provides that the Sentencing Policy Advisory Council shall publish a report on the trends in sentencing for these offenders, the impact of the trends on the prison and probation populations, and any changes in the racial composition of the prison and probation populations that can be attributed to the changes made to sentencing by the amendatory Act.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the amendatory changes apply only to sentences for Class 3 or Class 4 felonies (rather than for any offense) for which a sentence of probation or conditional discharge is an available sentence.

705 ILCS 405/5-745

Amends the Juvenile Court Act of 1987. Provides that the Department of Juvenile Justice shall file a critical incident report with the court within 10 days of the occurrence of a critical incident involving a youth committed to the Department. Provides that critical incidents are incidents that involve a serious risk to the life, health, or wellbeing of the youth, including, but not limited to, accidents or suicide attempts resulting in serious bodily harm or hospitalization, psychiatric hospitalization, alleged or suspected abuse, or escape or attempted escape from custody. Provides that the report shall contain a brief description of the incident, a summary of the actions the Department took as a result of the incident, and relevant information regarding the youth's current physical, mental, and emotional health. Provides that if the minor is in the physical custody of the Department of Juvenile Justice, the Department shall file updated case plans with the court every 6 months.

HOUSE COMMITTEE AMENDMENT NO. 1

Eliminates provision that a guardian or legal custodian appointed by the court under the Act shall file updated case plans with the court every 6 months. Provides that commitments to the Department of Juvenile Justice are indeterminate commitments, with time in a Department of Juvenile Justice facility intended to be a last resort for as short a time as possible. Provides that the Department of Juvenile Justice shall file a written report with the court when a minor who has been committed to the Department: (A) is in a Department of Juvenile Justice facility solely because the agency cannot find a placement for the minor, or (B) is in a Department of Juvenile Justice facility for over one year. Provides that when the minor has been in the custody of the Department of Juvenile Justice for more than a year, but is not in a Department facility solely because the agency cannot find a placement for the minor, the initial report shall be filed on the later of the following dates: (i) March 1, 2016 or (ii) the 13 month anniversary of the court order placing the minor in the custody of the Department; and supplemental reports shall be filed every 6 months thereafter. Provides that the report shall include the individual placement plan for the minor, as well as a detailed report of services and planning provided by the Department, and the steps the Department is taking to place the minor in a less restrictive setting. Provides that a copy of the report shall be provided to the minor's parents and guardian, if the Department has a record of the address of the parents and guardian. Provides that a copy of the report shall be provided to the minor's guardian ad litem and attorney.

Provides that upon receipt of the report, the court shall review the report and determine whether a hearing would serve the minor's best interests. Provides that the minor's parents or guardian or attorney may request that the court conduct a hearing. Provides that the decision as to whether a hearing is to be conducted shall be in the sound discretion of the court. Notice of the hearing shall be provided to the Director of Juvenile Justice and the minor's parent and guardian and attorney. Provides that if the court determines that a hearing would serve the minor's best interests and the minor does not have an attorney, an attorney shall be appointed for the minor. Provides that if after receiving evidence, the court determines that the services contained in the placement plan are not reasonably calculated to prepare the minor for reentry into the community, the court shall put into writing the factual basis supporting the determination and enter specific findings based on the evidence. Provides that the court also shall enter an order for the Department to develop and implement a new placement plan or to implement changes in the current placement plan consistent with the court's findings. Provides that the new placement plan shall be filed with the court and served on all parties within 45 days of the order. Provides that the court shall continue the matter until the new placement plan is filed.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that if the minor is committed to the Department of Juvenile Justice, the Department shall notify the court in writing within 10 days of the occurrence of any of the following: (1) a critical incident involving a youth committed to the Department. "Critical incident" means any incident that involves a serious risk to the life, health, or wellbeing of the youth, the incident may include, but is not limited to, an accident or suicide attempt resulting in serious bodily harm or hospitalization, psychiatric hospitalization, alleged or suspected abuse, or escape or attempted escape from custody; (2) a youth who has been released by the Prisoner Review Board but remains in a Department facility solely because the youth does not have an approved aftercare release host site; or (3) a youth, except a youth who has been adjudicated a habitual or violent juvenile offender or committed for first degree murder, who has been held in a Department facility for over one consecutive year. Provides that the notification shall contain a brief description of the incident or situation and a summary of the youth's current physical, mental, and emotional health and the actions the Department took in response to the incident or to identify an aftercare release host site, as applicable. Provides that upon receipt of the notification, the court may require the Department to make a full report. Deletes provision that a guardian or legal custodian appointed by the court under the Act shall file updated case plans with the court every 6 months. Provides that the initial report shall be filed on or before the later of the following dates: (1) March 1, 2016 or (2) the date of the 13 month anniversary of the entry of the court order placing the minor in the custody of the Department. Supplemental reports shall be filed every 6 months thereafter. Provides that with respect to any report required be filed with the court under this Section, the Independent Juvenile Ombudsman shall provide a copy to the minor's court appointed guardian ad litem, if the Department has received written notice of the appointment, and to the minor's attorney, when the Department has received written notice of representation from the attorney. If the Department's has a record that a guardian has been appointed for the minor and a record of the last known address of the minor's court appointed guardian, the Independent Juvenile Ombudsman shall send a notice to the guardian that the report is available and will be provided by the Independent Juvenile Ombudsman, upon request. When the Department has no record that a guardian has not been appointed for the minor, and the Department's records include the last known addresses of the minor's parents, the Independent Juvenile Ombudsman shall send a notice to the parents that the report is available and will be provided by the Independent Juvenile Ombudsman, upon request.

Amends the Illinois Pension Code. Creates a Tier III benefit package applicable to persons who first begin participating in one of the State-funded retirement systems on or after July 1, 2015. Provides for retirement benefits and certain employee contribution changes that supersede the corresponding provisions of the applicable retirement system. Provides that those retirement benefits may be annually increased or decreased in response to the retirement system's investment earnings. Changes the amount of the required State contributions and, in the State Universities and Downstate Teacher Articles, requires the actual employers to make contributions to amortize any unfunded liabilities arising out of their employees who are Tier III participants. Provides that, when the State's total debt service obligation for certain pension bonds has ended,

any funds remaining available for the payment of that debt service shall be distributed to the 5 State-funded retirement systems, to be used to reduce their unfunded actuarial liabilities. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

As of June 30, 2014, the 5 State Retirement Systems have \$104.619 billion in combined unfunded liabilities at Market Value, making for a cumulative funded ratio of 42.9%. Unfortunately, the fiscal impact on HB 134 is presently indeterminable. This impact note will be updated when an actuarial cost study becomes available.

40 ILCS 5/2-124 from Ch. 108 1/2, par. 2-124
 40 ILCS 5/2-167 new

Amends the General Assembly Article of the Illinois Pension Code. Requires the General Assembly Retirement System to establish a self-directed retirement plan. Provides that on and after the effective date of the amendatory Act, an active participant's participation in the System shall be limited to participation in the self-directed retirement plan. Provides that an annuitant shall not receive an automatic increase in retirement annuity on or after the effective date of the amendatory Act unless, according to the most recent actuarial valuations, the total assets of the System are equal to or greater than 100% of the total actuarial liabilities of the System. Establishes a schedule for vesting in the self-directed retirement plan. Requires the Public Pension Division of the Department of Insurance to develop a schedule that, subject to certain requirements, increases the retirement age of active participants who are ineligible to retire as of the effective date of the amendatory Act. Provides that the Division's schedule shall also provide for the adjustment of retirement ages using a matrix that (i) takes into account the current statutory retirement age for various classes of persons and service credit accrued by those persons and (ii) proportionally discounts the increase in statutory retirement ages based on proximity to the currently established retirement age. Provides a new funding formula for State contributions, with a 100% funding goal through 2045 (determined using the projected unit credit actuarial cost method) and a 100% funding goal thereafter.

New Act

30 ILCS 105/5.866 new

Creates the Family Leave Insurance Program Act. Requires the Department of Labor to establish and administer a Family Leave Insurance Program that provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health

condition. Sets forth eligibility requirements for benefits under the Act including that the employee must (i) establish that he or she has been employed for at least 680 hours in employment during the employee's qualifying year and (ii) document that he or she has provided the employer with written notice of the employee's intention to take family leave. Defines "employer" to mean (a) any person, partnership, corporation, association, or other business entity that employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the year in which the leave is to be taken or in the year immediately preceding the year in which the leave is to be taken; and (b) the State of Illinois and any other unit of local government. Contains provisions concerning disqualification from benefits; premium payments; the amount and duration of benefits; the recovery of erroneous payments; hearings; defaulted premium payments; elective coverage; employment protection; coordination of family leave; defined terms; and other matters. Amends the State Finance Act. Creates the Family Leave Insurance Account Fund.

HOUSE COMMITTEE AMENDMENT NO. 3

Excludes the State from the scope of the term "employer". Provides for the Act to be administered by only the Department of Employment Security.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3 (Dept. of Employment Security)

Initial Start-Up Costs: Estimated at \$75 million to \$100 million, based on startup experience of our IBIS (Illinois Benefit Information System) which serves as the Illinois Department of Employment Security's benefit management platform for unemployment insurance. IBIS took multiple years to set up at a total cost of \$125 million. It would be reasonable to expect a similar time frame for the UI-like benefit aspect of the FLIP program. Unlike the prior IBIS work, however, development of FLIP would also entail a revenue collection component. Cost incurred would also include the efforts of an estimated 5 to 10 full-time equivalents for the creation and establishment of rules, policies, procedures, etc. for reporting, claims-taking, adjudication and appeals. Ongoing Costs: Expected to be at least \$46 million annually. Roughly 400 full time equivalents would be needed to administer the program, based on the staffing levels for similar programs as reported by New Jersey and California. The vast majority of the ongoing costs would be for the salary, benefits and administrative overhead for these positions. A significant amount of these costs (\$6 million) are the estimated annual system-related costs. Two other cost categories of significance that are NOT included above are the costs of any new equipment and the postage costs for the program. Specific cost estimates for those components are difficult to estimate without a more specific program structure.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Commerce & Economic Opportunity)

Does not create a State Mandate under the State Mandates Act.

105 ILCS 5/2-3.64a-5

Amends the School Code. With respect to the administration of State assessments, provides that a student is not required to take a particular State assessment if that student's parent or guardian requests, in writing, that the student be excused from taking the State assessment. Requires the State Board of Education, by rule, to (i) determine the form of the request, (ii) ensure that no student, teacher, school, or school district is negatively impacted, through grades or evaluations, due to a student being excused from taking a State assessment, and (iii) ensure that students who are excused from taking a State assessment are offered supervised instructional or enrichment opportunities during the time the State assessment is being administered. Effective immediately.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (State Board of Education)

HB 306 will have a minimal fiscal impact to the State. Cost may include but are not limited to: staff time to develop a form, promulgate rules, and ensure that students who are excused are offered supervised instructional or enrichment opportunities. The legislation may cause the State to lose over \$1 billion in federal funds if less than 95% of students participate in State assessments.

PENSION NOTE (Government Forecasting & Accountability)

There is no discernible fiscal impact of any pension system associated with HB 306.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have minimal impact to the State of Illinois. There could be a potential loss in federal funds by not meeting certain requirements through State assessments.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes. Requires the State Board of Education to ensure that the State Board, regional superintendents of schools, and school boards take no negative action against a student, school, school district, or district employee (rather than ensuring that no student, teacher, school, or school district is negatively impacted), through grades or evaluations, due to a student being excused from taking a State assessment. Provides that once each school year, before any State assessments are administered, a school district shall communicate with the parents and guardians of students to explain the right to opt out of a particular State assessment and shall make opt-out forms available. Provides that neither the school district, nor any teacher or school in the district, may issue additional official correspondence to students or their parents or guardians about the right to opt out. Requires a school district to accept any letter expressing a parent's or guardian's intent for his or her child to be excused from taking a particular State assessment in lieu of the opt-out form as long as the letter is signed by the parent or guardian. Prohibits a school district and its teachers, principals, and other administrators from encouraging or discouraging students or their parents or guardians, either individually or collectively, to opt out of State assessments. Requires the State Board to determine appropriate sanctions for a violation of this prohibition. Effective immediately.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

This bill will have a minimal impact to the State of Illinois. There could be a potential loss in federal funds by not meeting certain requirements through State assessments.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois State Board of Education)

HB 306 (H-AM 2) will have an unknown fiscal impact to the State. Costs may include but are not limited to: staff time to develop a form, promulgate rules, and ensure that students who are excused are offered supervised instructional or enrichment opportunities and costs associated with enforcement and monitoring of the requirements. School districts will incur costs for supervision of students that opt-out and for providing supervised instruction and enrichment opportunities. Additionally, the legislation may

cause the State to lose over \$1 billion in federal funds if less than 95% of students participate in State assessments.

 105 ILCS 5/27A-9

Amends the Charter Schools Law of the School Code. Removes provisions allowing the State Charter School Commission to reverse a school board's decision to deny, revoke, or not renew a charter; makes related changes. In a provision concerning a charter school proposed to be jointly authorized by 2 or more school districts and the school boards unanimously denying the charter school proposal with a statement that the school boards are not opposed to the charter school, but that they yield to the Commission in light of the complexities of joint administration, allows the charter applicant to submit the proposal to the Commission and requires the Commission to follow the same process and be subject to the same timelines for review as a school board.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced, with the following changes. Provides that if a charter school applicant submits a proposal to a school board outside of the process adopted by that school board for receiving charter school proposals on an annual basis, the applicant shall not have any right to submit its proposal to the State Charter School Commission as otherwise authorized. Allows the Commission to approve a charter school proposal or application for a charter if certain conditions are met. Provide that the Commission may condition approval of an application on the acceptance of funding in an amount less than requested. Provides that final decisions of the Commission are subject to judicial review under the Administrative Review Law. Provides that if the Commission approves an application for a charter, then the Commission shall act as the authorized chartering entity. Provides that if the Commission is the authorized chartering entity, then the Commission shall execute a charter agreement (instead of approve the charter agreement). Provides that the Commission has no authority to approve a charter school proposal that has been denied by a school board. Adds an immediate effective date.

15 ILCS 205/0.01

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Social Services Contract Notice Act. Provides that a grant agreement, service agreement, or contract between a State agency and an authorized service provider for the provision of social services may be terminated by either party to the agreement, contract, or grant for any or no reason upon 30 days' prior written notice to the other party. Provides that, unless the Illinois Grant Funds Recovery Act provides otherwise, a suspension or reduction in the estimated amount of the grant agreement, service agreement, or contract is subject to 30 days' prior written notice to the other party. Requires a written notice issued by a State agency to include the date upon which the authorized service provider must submit its final invoice to the State agency for payment for services rendered. Permits a State agency, upon written notice, to immediately terminate a grant agreement, service agreement, or contract for social services if the authorized service provider has made material misrepresentations or material omissions explicitly prohibited under the designated agreement or contract. Permits an authorized service provider, upon written notice, to immediately terminate or suspend a grant, contract, or agreement if the State agency owes the provider funds under the grant agreement, service agreement, or contract that are over 90 days past due. Provides that these provisions concerning the termination of the contract or agreement (i) do not affect the parties' ability to immediately terminate a grant agreement, service agreement, or contract for breach of contract and (ii) apply to agreements or contracts executed on or after the effective date of the Act. Requires a State agency to notify the Governor, the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, and the Minority Leader of the Senate in writing of its intent to suspend, terminate, or reduce the amount of a grant agreement, service agreement, or contract for a particular social services program due to the failure of appropriation or a reduction in the amount of available funds to support the program. Provides that such notice shall be provided no less than 120 days before the State agency suspends, terminates, or reduces the grant agreement, service agreement, or contract and must include the level of appropriations required to prevent the suspension, termination, or reduction. Provides that the provisions concerning notifications apply to agreements and contracts entered before, on, or after the effective date of the Act and that the requirements of the Act may not be waived by agreement. Provides that the failure of a State agency to submit notice to the General Assembly as required shall not prevent termination of a contract or agreement entered into prior to the effective date of the Act. Defines terms. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

105 ILCS 5/2-3.64a-5

Amends the School Code. Makes a technical change in a Section concerning State goals and assessment.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of Management and Budget)

This bill as amended, has a minimal fiscal impact to the State of Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Illinois State Board of Education)

HB 814 (H-AM 3) will have a minimal fiscal impact on the State. The legislation may increase the number of charter schools in the State, which may in turn increase the workload of the State Board of Education and/or the State Charter School Commission on charter certifications, processing of charter appeals, and technical assistance to constituents. Either or both agencies may have to hire additional staff and/or increase existing staff time on such work. The legislation may also have a fiscal impact on school districts where new charter schools locate. All charter schools have a financial impact on the local district. Specifically, charter schools receive both per pupil tuition and a proportionate share of federal and State categorical aid funding. Charter schools authorized by local school boards receive these funds through the local district, while charter schools authorized by the Commission receive these funds directly from the State Board. The State Board is required to withhold funds from the local district's General State Aid allocation to make tuition payments to Commission-authorized charter schools.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

Will not impact any public pension or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

HB 814, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HB-1290 CURRIE - HERNANDEZ - CASSIDY - GUZZARDI - SIMS, TABARES, SOTO, GABEL, WALSH, AMMONS, SMIDDY, JACKSON, HARRIS, GREG, FLOWERS, FORD, HURLEY, WELCH, THAPEDI, ANDRADE, MOYLAN, SCHERER, RILEY, WALLACE, EVANS, HOFFMAN, SKOOG, MITCHELL, CHRISTIAN, TURNER, REAVES-HARRIS, DAVIS, WILLIAM, ACEVEDO, BURKE, DANIEL AND ARROYO.

820 ILCS 112/15

Amends the Equal Pay Act of 2003. Makes a technical change in a Section concerning enforcement.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this legislation, therefore, there are no appraisals to be filed.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 1290 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 1290 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Labor)

The Department currently lacks expertise in the filing and enforcement of liens. With passage of this bill, the Department will need to add up to three full time staff to devise and implement new lien procedures, research, file, and process the liens. Also, two additional attorneys preferably with lien recovery experience are needed to review for enforcement sufficiency and to represent the Department at hearing. Additionally, two administrative law judges with lien recovery and or Uniform Commercial Code expertise would also be needed to handle the increase in administrative hearings. Administrative costs include postage, filing fees, office supplies and new employee IT equipment and licensing. Currently, according to the Cook County Recorder of Deeds, recording costs for liens range from \$25.00 to \$32.00. The Department would anticipate and be prepared to process roughly 1250 liens per year. (7 Headcount = \$972,336 + Administrative Costs = \$66,000 = Total Fiscal Impact \$1,038,336)

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The bill would require the Department to hire seven additional employees to handle the increased workload that would result from this legislation. The legislation would increase state spending across all funds by approximately \$1,300,000.

625 ILCS 5/1-100 from Ch. 95 1/2, par. 1-100

Amends the Illinois Vehicle Code. Makes a technical change in a Section concerning the short title.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

625 ILCS 5/1-100

Adds reference to:

625 ILCS 5/12-707.01

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that the minimum amount of \$2,000,000 of liability insurance required for a vehicle with a school bus driver permit may be satisfied by either (i) a \$2 million combined single limit primary commercial automobile policy; or (ii) a \$1 million primary commercial automobile policy and a minimum \$5 million excess or umbrella liability policy. Provides that excess or umbrella liability coverage requirements may be met by securing surplus line insurance. Provides that if the excess or umbrella liability coverage requirement is met by securing surplus line insurance, that coverage must be effected through a licensed surplus line producer acting under the surplus line insurance laws and regulations of this State. Provides that nothing shall be construed as prohibiting a licensed and admitted insurance carrier, an intergovernmental cooperative, or a certified self-insurer from retaining risk or issuing a single primary policy meeting the requirements under certain provisions. Provides that each owner of a vehicle required to obtain the minimum liability requirements under certain provisions shall attest that the vehicle meets the minimum insurance requirements. Provides that the Secretary of State shall create a form for each owner of a vehicle to attest that the owner meets the minimum insurance requirements and the owner of the vehicle shall submit the form with each registration application. Provides that the form shall be valid for the full registration period, but if at any time the Secretary has reason to believe that the owner does not have the minimum required amount of insurance for a vehicle, the Secretary may require a certificate of insurance, or its equivalent, to ensure the vehicle is insured. Provides that if the owner fails to produce a certificate of insurance, or its equivalent, within 2 calendar days after the request was made, then the Secretary may revoke the vehicle owner's registration until the Secretary is assured the vehicle meets the minimum insurance requirements. Provides that if the owner of a vehicle participates in an intergovernmental cooperative or is self-insured, then the owner shall attest that the insurance is equivalent to or greater than the insurance required under certain provisions. Allows the Secretary to adopt any rules necessary to enforce certain specified provisions.

225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development

and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.
