Amends the Illinois Act on the Aging. In a provision concerning the Community Care Program, establishes the following rate increases for the purpose of increasing the wages paid by vendors to their employees who provide homemaker services: on July 1, 2016, rates shall be increased to \$19.27, for the purpose of increasing wages by at least \$1.25 per hour; on July 1, 2017, rates shall be increased to \$21.39, for the purpose of increasing wages by at least \$1.25 per hour; on July 1, 2018, rates shall be increased to \$23.52, for the purpose of increasing wages by at least \$1.25 per hour; and on July 1, 2019, rates shall be increased to \$25.22, for the purpose of increasing wages by at least \$1 per hour. Requires the Department to pay an enhanced rate under the Community Care Program to those in-home service provider agencies that offer health insurance coverage as a benefit to their direct service worker employees consistent with the mandates of Public Act 95-713; and that for State fiscal year 2017, the enhanced rate shall be \$1.77 per hour and shall be adjusted using actuarial analysis based on the cost of care. Effective July 1, 2016.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging. In a provision concerning the Community Care Program, establishes the following rate increases for the purpose of increasing the wages paid by vendors to their employees who provide homemaker services: on July 1, 2016, rates shall be increased to \$19.23 per hour, for the purpose of increasing wages by at least \$1.25 per hour; on July 1, 2017, rates shall be increased to \$21.32 per hour, for the purpose of increasing wages by at least \$1.25 per hour; on July 1, 2018, rates shall be increased to \$23.41 per hour, for the purpose of increasing wages by at least \$1.25 per hour; and on July 1, 2019, rates shall be increased to \$25.08 per hour, for the purpose of increasing wages by at least \$1 per hour. Requires the Department to pay an enhanced rate under the Community Care Program to those in-home service provider agencies that offer health insurance coverage as a benefit to their direct service worker employees consistent with the mandates of Public Act 95-713; and that for State fiscal year 2017, the enhanced rate shall be \$1.77 per hour and shall be adjusted using actuarial analysis based on the cost of care, but shall not be set below \$1.77 per hour. Effective July 1, 2016.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. on Aging)

Under both proposed changes, the cost of providing services to the aging population will rise significantly. During the next four fiscal years, the proposed rate increase is estimated to result in \$1.1 billion in additional program and administrative costs. This estimate is predicated upon projected homemaker hours during the specified fiscal years. The costs incurred by this bill are not included in the Governor's introduced budget and are not in keeping with what the state can currently afford. Should the increases take effect, the sustainability of programs reliant upon Homemaker hours will be directly impacted.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 5764 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This bill will have a fiscal impact on the Department in term of both internal administrative costs and program operating costs. During the next four fiscal years, the proposed rate increase is estimated to result in \$1.1 billion in additional program and administrative costs. This increase in costs is not included in the Governor's FY17 proposed budget and there are no other proposals to reduce spending or increase revenues to offset these increased costs. Should the increases take effect, the sustainability of programs reliant upon Homemaker hours will be directly impacted.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this legislation, therefore, there are no appraisals to be filed.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

HB 5785 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5785 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

BALANCED BUDGET NOTE (Office of Management and Budget)

House Bill 5785 will have a negative fiscal impact as it relates to bond sales and additional debt service. It will open up the Department of Commerce and Economic Opportunity to the risk of higher expenditures from the Build Illinois Bond Fund. This would require the Governor's Office of Management and Budget to sell more bonds,

which would require additional debt service. This additional debt service will have a negative impact on the General Revenue Fund.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect to the homeowner on the cost of owning a single-family residence. However, the federal prevailing wage requirement, the increase in maximum grant award will cause fewer homes to be assisted under these programs.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not pre-empt home authority.

FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Assuming a capital re-appropriation, use of Urban Weatherization Initiative (UWI) funding would require the sale of Build Illinois Bonds. This would increase the debt service of the State of Illinois and result in a negative impact on GRF funds.

105 ILCS 5/22-82 new

Amends the School Code. Provides that, before the 30th day of each school year, beginning with the 2016-2017 school year, the principal of each public school shall report to the State Board of Education certain information concerning the administration of assessments to students. Requires the State Board of Education to compile the reported information and make that information available to the public. Requires each school to make that information publicly available to the parents and guardians of its students. Effective January 1, 2016.

HOUSE COMMITTEE AMENDMENT NO. 1

Requires every school district, for each of its schools, to report the assessment information (instead of the principal of each public school reporting the information). Requires the reporting of every reliable assessment that measures a certain group or subset of students in the same manner with the same potential assessment items, is scored by a non-district entity, is administered either statewide or beyond Illinois, and will be administered by each school that school year (instead of reporting every Type I and Type II assessment, as defined by rule of the State Board of Education, the school will be administering that school year).

New Act

Creates the Speech Rights of Student Journalists Act. Defines "student journalist" as a public high school student. Provides that a student journalist has the right to exercise freedom of speech and of the press in school-sponsored media, regardless of whether the media is supported financially by the school district or by use of school facilities or produced in conjunction with a class in which the student is enrolled. Provides that a student journalist is responsible for determining the news, opinion, feature, and advertising content of school-sponsored media. Provides that the Act does not authorize or protect expression by a student journalist that (1) is libelous or slanderous; (2) constitutes an unwarranted invasion of privacy; (3) violates federal or State law; or (4) so incites students as to create a clear and present danger of the commission of an unlawful act, the violation of policies of the school district, or the material and substantial disruption of the orderly operation of the school. Provides that an employee of a school district shall not be dismissed, suspended, disciplined, reassigned, transferred, or otherwise retaliated against solely for acting to protect a student journalist engaged in conduct authorized under the Act. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Provides that the appropriate student journalist (rather than a student journalist) shall be responsible for determining the content of school-sponsored media. Sets forth provisions concerning the prior restraint of material. Provides that the Act does not authorize or protect expression by a student journalist that is libelous, slanderous, or obscene (rather than libelous or slanderous). Removes provisions concerning protections for authorized conduct. Provides that no expression made by students in the exercise of freedom of speech or freedom of the press shall be deemed to be an expression of school policy, and no school district or employee or parent, legal guardian, or official of the school district shall be held liable in any civil or criminal action for any expression made or published by students.

SENATE COMMITTEE AMENDMENT NO. 1

20 ILCS 1705/55.5 new
 305 ILCS 5/5-5.4i new

Amends the Mental Health and Developmental Disabilities Administrative Act and the Illinois Public Aid Code. Provides that the Department of Human Services shall establish reimbursement rates which build toward livable wages for front line personnel in residential and day programs serving persons with intellectual and developmental disabilities, including but not limited to intermediate care facilities for persons with developmental disabilities, community integrated living arrangements, developmental training programs, employment, and other residential and day programs for persons with intellectual and developmental disabilities supported by State funds or funding under Title XIX of the federal Social Security Act. Provides that the Department shall increase rates and reimbursements so that direct support persons earn a base wage of not less than \$15 per hour and so that other front line personnel earn a commensurate wage. Defines "front line personnel". Effective immediately.

FISCAL NOTE (Dept. of Human Services)

Fiscal Impact Supplement: The DSP rate increase to \$15/hour will cost the state an estimated annual increase of \$3301M. (1) The current CILA rate model includes \$10.71/hour for DSP wage rates. The proposed legislation would increase the DSP rates by 40.1%, increasing from \$10.71 to \$15.00. ICF/DD DSP current wage is \$11.05/hour, an increase to \$15 would be a 35.7% cost to the program liability. (2) The legislation does not only impact DSP, also requires commensurate rate increases across all staffing levels within the affected categories. As a result, all Community Integrated Living Arrangements (CILA) and Developmental Training (DT) staffing categories would increase by 40.1% above current rates. Categories impacted by the proposed rate increase include DSP, Supervisors, Qualified Intellectual Disabilities Professional Course Coordinator (QIDP), Licensed Practical Nurses (LPN), and registered Nurses (RN). These amounts total an estimated \$330M annual increase in costs that are not included in the Governor's FY17 proposed budget.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

PENSION NOTE (Government Forecasting & Accountability)

HB 5931 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5931 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

No fiscal or population impact on the Department.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling

a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have an extraordinary fiscal impact to the State of Illinois. The Governor's Office of Management and Budget estimates that this bill could potentially increase state spending for services to the developmentally disabled by \$330 million. This increase in costs is not included in the Governor's FY17 proposed budget. There are no proposed revenues or offsetting budget reductions to support these increased costs.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

FISCAL NOTE (Financial & Professional Regulation)

Illinois Department of Financial and Professional Regulation (IDFPR) anticipates HB5957 to result in approximately \$250,000 less in average annual revenue collected in variable quarterly fees and exam fees charged to Savings Banks. This \$250,000 annual loss in quarterly and exam fee revenue would then be offset by the contingent fee charged by IDFPR in the subsequent fiscal year. Due to the offsetting nature of the contingent fee/ credit back charge, net fiscal impact to IDFPR will be minimal and IDFPR would only be affected by the timing of cash flows which would provide more consistent quarterly fees to Savings Banks.

Provides that the Department shall adopt rules for the administration of the program, but shall not require any certificate of competency or other trapping education as a condition of the Youth Trapping License. Amends the Funeral Directors and Embalmers Licensing Code, the Illinois Roofing Industry Licensing Act, the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985, the Illinois Public Accounting Act, and the Real Estate License Act of 2000. Allows the Department of Financial and Professional Regulation to consider an applicant's prior conviction or convictions, but provides that the conviction or convictions may not be the sole basis for refusing to issue a license unless the crime substantially and directly relates to the occupation for which the license is sought. Requires that if the conviction is used as a basis for rejection, the rejection must be in writing and specifically state the evidence presented and reasons for rejection, which must be substantially and directly related to the licensed activity. Provides specific considerations the Department must use in making its decision for rejection. Provides what the Department shall use as evidence of rehabilitation so that all license rights and privileges granted under the Act, under consideration for issuance or formerly revoked or suspended because of conviction of an offense, are automatically restored unless the Department finds that restoration is not in the public interest. Requires that the Department not consider non-conviction records, convictions that did not result in incarceration, or convictions unrelated to the capacity to serve the public. In provisions concerning grounds for discipline, makes changes concerning disqualifying criminal penalties and delinquent child support.

HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:

- 20 ILCS 2105/2105-205 was 20 ILCS 2105/60.3

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Provides that with respect to licensees and applicants under specified occupational Acts, the Department of Financial and Professional Regulation shall include formal complaints, including a refusal to issue a potential licensee with a positive conviction history for professions covered by the license, in its publication of disciplinary actions. Provides that the publication of disciplinary actions shall include a summary of the number of potential licensees with a positive conviction history, the rate of refusal to issue

licenses for all applicants with a positive conviction history, the average time elapsed since the latest conviction of potential licensees who were refused a license and of potential licensees with a positive conviction history who were issued a license, the number of potential licensees who had a Certificate of Relief from Disabilities, and the number of potential licensees with a Certificate of Relief from Disabilities who were refused a license. In provisions amending the Funeral Directors and Embalmers Licensing Code, makes changes concerning grounds for disciplinary actions. Provides that the Department shall not deny a license to a potential licensee whose conviction history is directly related to the profession for which a license is sought if the Department has not considered mitigating factors provided in the Act. Provides that when issuing a license, the Department may not consider a prior conviction or conviction alone as the sole basis for refusing to issue a license unless the crime for which he or she was convicted directly (rather than substantially and directly) relates to the occupation or which the license is sought. Removes a potential licensee that the Department of Healthcare and Family Services has previously determined is more than 30 days delinquent in the payment of child support as an individual the Department of Financial and Professional Regulation may refuse to renew or may revoke or suspend that person's license or may take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Healthcare and Family Services. Provides that the Department of Financial and Professional Regulation may not refuse to issue a license to a potential licensee who is an obligor because the obligor's child support arrearage equals or exceeds the amount of child support payable for 12 (rather than 6) months. Makes similar changes for licenses issued under the Illinois Roofing Industry Licensing Act, the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985, the Illinois Public Accounting Act, and the Real Estate License Act of 2000. Makes other changes.

Amends the Illinois Municipal Retirement Fund (IMRF), State Universities, and Downstate Teacher Articles of the Illinois Pension Code. Provides that certain annuitants who received a refund of contributions for survivor benefits may elect to repay the refund, with interest, and have their survivor benefit rights reinstated. Specifies the required time and manner of repayment. In the IMRF and State Universities Articles, requires that the annuitant (1) retired prior to June 1, 2011, and (2) is a party to a civil union, marriage, or other legal relationship that is recognized as a civil union or marriage under the Illinois Religious Freedom Protection and Civil Union Act or the Illinois Marriage and Dissolution of Marriage Act on or after certain specified dates. Also, in the IMRF Article, extends application of a provision added by Public Act 87-850 to spouses of annuitants who die on or after the effective date of this amendatory Act. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB 6021; therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill has no fiscal effect on constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 6021 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

40 ILCS 5/15-139 from Ch. 108 1/2, par. 15-139

Deletes everything after the enacting clause and reinserts similar provisions. Changes the period during which the election may be made, from calendar year 2016 to a period of one year beginning 5 months after the effective date of the amendatory Act. In the State Universities Article of the Illinois Pension Code, adds an additional reference to repayment of the survivors insurance contribution refund or additional annuity payments. Effective immediately.

FISCAL NOTE (Teachers' Retirement System)

Administrative cost impact - Administering the provisions of this bill would not increase the administrative costs of TRS. Actuarial cost impact - No increase in State funding requirements is expected if this bill becomes law. The costs of the survivor benefit program are covered by the member's 1 percent survivor benefit contribution.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this legislation, therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

The net cost of House Bill 6021 (H-AM 1) to TRS or SURS cannot be determined at this time. IMRF could experience additional cost, but since IMRF receives no state funding, this portion of the bill has no impact on the state budget.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

The fiscal impact of HB 6021 (H-AM 1) cannot be determined as the precise number of members who would be impacted by this proposal is difficult to discern because it is not known how many qualified members would make this election. The Teachers' Retirement System stated that the survivor contribution should cover the cost of the benefit program, and should not result in an increased cost. However, the Illinois Municipal Retirement Fund foresees a minimal fiscal impact, and the State Universities Retirement System stated that it is not possible to measure the extent of a fiscal impact from this bill.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 6021 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HB-6028 MOYLAN.

- 430 ILCS 65/1.1 from Ch. 38, par. 83-1.1
- 430 ILCS 65/8 from Ch. 38, par. 83-8
- 430 ILCS 65/8.3 new

Amends the Firearm Owners Identification Card Act. Provides that an immediate family

State Mandates Act to require implementation without reimbursement. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

30 ILCS 805/8.39 new

Adds reference to:

30 ILCS 805/8.40 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes pension funds established under the Downstate Police or Downstate Firefighter Articles of the Illinois Pension Code from the requirement of developing and implementing a process to identify annuitants who are deceased. Provides that the information contained in the vital records shall be made available at no cost to the pension fund or retirement system. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Retirement Systems)

HB 6030 (H-AM 1) has no impact on the 3 retirement systems administered by our organization. The primary reason for no impact is due to the fact that we are currently in compliance with such provisions.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this legislation, therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 6030 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Universities Retirement System)

HB 6030 (H-AM 1) does not impose any additional costs on the State Universities Retirement System, as the System already complies with the requirements of the legislation. Further, to the extent that access to the State vital records granted in HB 6030 (H-AM1) enables the System to better identify and recoup overpaid amounts, it will result in a net positive impact to the System.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

The fiscal impact of HB 6030 (H-AM 1) would be presumably minimal but confined to administrative expenses as every pension fund or retirement system implements a process to track down deceased annuitants.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

40 ILCS 5/9-179.1 from Ch. 108 1/2, par. 9-179.1
 30 ILCS 805/8.40 new

Amends the Illinois Pension Code. In the Cook County Article, deletes a restrictive date in a provision concerning establishing credit for military service. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

The fiscal impact of HB 6130 cannot be determined as the number of employees who will apply for the military service offered by this bill is unknown. According to officials with Cook County, as many as 30% of recently hired employees at the Cook County Jail have military service that would allow them to qualify for the additional service credit under the provisions of this bill, provided they work the requisite number of years and make the required payments. Higher rates of participation than those outlined in the Comments Section below could lead to additional costs to the pension fund. An actuarial cost study that contemplates several different rates of participation would be needed to assess the potential fiscal impact of HB 6130.

Requires each MMCE to ensure that all information included in a print version of the provider directory is updated at least monthly and that the electronic provider directory is updated no later than 3 business days after the MMCE receives updated provider information. Provides that non-compliance with these and other specified requirements may subject the MMCE to certain sanctions. Requires the Department's client enrollment services broker to post certain information on the broker's website, including, information explaining the circumstances under which a Medicaid enrollee can file a grievance or request a hearing to appeal an adverse action by the Department or the MMCE; information on the Medicaid eligibility redetermination process; and information on Medicaid care coordination. Requires each Medicaid Managed Care Entity contracted by the Department of Healthcare and Family Services to: (i) make available on the entity's website a provider directory in a machine readable file and format; (ii) make provider directories publicly accessible without the necessity of providing a password, a username, or personally identifiable information; (iii) comply with all federal and State statutes and regulations pertaining to provider directories within Medicaid Managed Care; and (iv) request, at least annually, provider office hours for certain provider types, including hospitals and facilities, pharmacies, and durable medical equipment suppliers that are not hospitals. Requires the Department to make the consumer quality comparison tool available for consumer use no later than January 1, 2018. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, with the following changes: Removes the term "clinical interest" and its definition. Requires each Medicaid Managed Care Entity to comply with certain federal regulations pertaining to provider directories within Medicaid Managed Care. Requires the client enrollment services broker to have certain information available and searchable through the integrated provider directory on its website as soon as possible but no later than January 1, 2017. Provides that if the Department of Healthcare and Family Services (rather than the client enrollment services broker) receives a report that

identifies an inaccuracy in the integrated provider directory, the Department (rather than the client enrollment services broker) shall provide the information about the reported inaccuracy to the appropriate Medicaid Managed Care Entity within 3 business days after the reported inaccuracy is received. Requires a Medicaid Managed Care Entity that receives a report that certain formulary information is inaccurate to investigate the report and correct any inaccurate information displayed in the electronic formulary (rather than requiring the Medicaid Managed Care Entity to investigate and report any incorrect information, as necessary, no later than the third business day after the date the report is received). Provides that if a Medicaid enrollee calls the client enrollment services broker with questions regarding formularies, the client enrollment services broker shall offer a brief description of what a formulary is and shall refer the Medicaid enrollee to the appropriate Medicaid Managed Care Entity regarding his or her questions about a specific entity's formulary. 20 ILCS 2630/5.2

Amends the Criminal Identification Act. Permits the sealing of all felony convictions, except Class X felonies and except certain excluded offenses. Provides that the expungement of records that resulted in a successful completion of the supervision or qualified probation may be expunged after satisfactory termination of the supervision or probation (rather than after 2 or 5 years following satisfactory termination of the supervision or probation).

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Criminal Identification Act. Deletes provision that a petitioner who petitions the circuit court to expunge the records of his or her arrests and charges not initiated by arrest must have never been convicted of a criminal offense. Provides that no fee shall be required to be paid by the petitioner if the records sought to be expunged or sealed were arrests resulting in release without charging or arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, except the sealing or expungement of records of minor traffic offenses.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 ()

House Bill 6328 (H-AM 1) would eliminate fees for expungements and sealing of records. Also, approximately 1.14 million additional people would become eligible to expunge their records under this bill. In FY15, \$527,880 in revenue was collected from associated fees. As written, this bill would eliminate that revenue stream which partially funds the personal services of ten employees, a total cost of approximately \$1.015 million when benefits are included. Due to the increase in eligibility, an additional ten employees would be necessary at an approximate cost of \$1.015 million. These services would be performed with no identified funding source, requiring the allocation of additional General Revenue funds annually in order to support the unit and related operations (approximate \$2.03 million recurring annual impact to GRF).

Amends the Sexual Assault Evidence Submission Act. When a consistent DNA profile has been identified from submitted sexual assault evidence, the Department of State Police shall notify the investigating law enforcement agency of the match, and the Department shall track and maintain a record of its notification of, and the follow up by, the investigating law enforcement agency. The record maintained by the Department shall also document any written request, from the Department to the investigating law enforcement agency, seeking the submission of an additional DNA standard for a comparison analysis or confirmatory forensic analysis, and whether the investigating law enforcement agency has complied with those requests. If, after 60 days, the investigating law enforcement agency fails to comply with any request for an additional DNA standard, then the Department shall send a second written request to both the investigating law enforcement agency and the county Sheriff of the county where the agency is located. The Department shall maintain a record of the percentage of cases in which an additional DNA standard is submitted by the investigating law enforcement agency for a comparison analysis or confirmatory forensic analysis. Beginning June 1, 2016, each law enforcement agency must conduct an annual inventory of all sexual assault cases in the custody of the law enforcement agency and provide written notice of its annual findings to the Department. The Department shall compile and report the findings of each inventory under the Act. Requires the Department of State Police to file annual and quarterly reports regarding sexual assault evidence submissions. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Replaces the provisions in the introduced bill with the following. Amends the Sexual Assault Evidence Submission Act. Provides if a consistent DNA profile has been identified in a sexual assault case by comparing the submitted sexual assault evidence with a known standard from a suspect or with DNA profiles in the CODIS database, the Department of State Police shall notify the investigating law enforcement agency of the results in writing, and the Department shall provide an automatic courtesy copy of the written notification to the appropriate State's Attorney's Office for tracking and further action, as necessary. Beginning June 1, 2016 or on and after the effective date of this amendatory Act, whichever is later, each law enforcement agency must conduct an annual inventory of all sexual assault cases in the custody of the law enforcement agency and provide written notice of its annual findings to the State's Attorney's Office having jurisdiction to ensure sexual assault cases are being submitted as provided by law. Beginning January 1, 2017 and

each year thereafter, the Department of State Police shall publish a quarterly report on its website, indicating a breakdown of the number of sexual assault case submissions from every law enforcement agency. Effective immediately.

Supports efforts: (i) to examine the existing landscape of local and State government to determine how more effective and efficient models can be developed; (ii) to improve the quality, cost, and accountability of government services at all levels through cooperation, collaboration, partnerships, shared services, and, if appropriate, through the consolidation or elimination of government agencies; and (iii) to eliminate the duplication of services and to enact measures that will streamline government operations across the State.

States the belief that O'Hare International Airport's noise monitoring technology should be coupled with artificial-intelligence software to match the noises perceived by each station at each time to specific individual flight operations and the operations of individual airlines and to gauge the compliance of each individual airline firm with the guidelines set down in the Fly Quiet Program. Calls for a measurable improvement in Fly Quiet compliance no later than January 1, 2017, with further improvements to follow. Urges the Aviation Department of the City of Chicago to select a trusted third party that represents the interests of O'Hare International Airport's noise neighbors and to share the information enumerated in this resolution with this third party. Urges Congress to direct the clarification of national food labeling standards. Shows support for meaningful consumer education and for measures that provide consumers with a reasonable means of identifying food products that may or may not have been developed using bioengineering. Encourages food manufacturers to further study ways to inform consumers about food choices, as long as the information provided is truthful and not misleading. Urges all Illinois State agencies to suspend any and all action with regards to state-specific food labeling requirements until guidance is received from the federal government.

Commends the generation of new CNEL data as a way for the communities around O'Hare International Airport to better understand the impact of airport noise on their communities and quality of life. Commends the City of Chicago for supporting P.A. 99-202 and calls upon it to continue to take steps to implement the law and generate the data mandated by this Public Act. Calls upon the Federal Aviation Administration to assist the City of Chicago in the implementation of P.A. 99-202, including the siting, re-siting, and re-equipping of noise monitoring stations, and the generation and publication of data generated by these stations in conformity with CNEL professional standards. Re-affirms the noise contour maps that cover areas surrounding O'Hare Airport, and describes that the impacts of noise upon these communities, should be based upon the best and newest possible data and technology. Calls upon the FAA to use new CNEL data to revisit the existing noise contour maps that cover areas surrounding O'Hare Airport, and to promptly redraw these maps as new airport noise data is submitted.

Urges the Chicago Department of Aviation to develop a more comprehensive, aggressive Fly Quiet program, including the development of a Continuous Descent Approach, a review of Noise Abatement Department Procedures, the act of maintaining at least 2 operating runways and leaving a third runway open during Fly Quiet hours, including at least one diagonal runway, and the operating use of a Runway Rotation Plan, to disperse airport noise effects during Fly Quiet hours. Urges the Chicago Department of Aviation to revise and strengthen the Fly Quiet Program Manual and operating procedures to create a pathway toward partial compliance with Fly Quiet during non-optimal weather conditions, and better familiarity between air traffic controllers and Fly Quiet principles. Recommends that the Fly Quiet Program Manual should be studied and revised at regular, periodic intervals; these reviews should include, but not be limited to, the assessment of departure paths and headings from O'Hare's newest runways and determine the best runway configurations, with the goal of directing flights over less-populated areas and reducing population impacts. Urges that the stakeholders should work together to study and implement Fly Quiet Program Manual voluntary operating procedures outside of normal Fly Quiet hours. Urges the Chicago Department of Aviation to make every effort to work with its private partners to discourage and phase down the use of older and noisier aircraft, including but not limited to the MD-80 and DC-10 aircraft, on a 24/7 basis but especially during Fly Quiet hours. Urges the Chicago Department of Aviation to enhance the report card program to measure and publicly report on the noise mitigation performance metrics posted by airlines and air cargo operators throughout the 24/7 day, but especially with respect to operations during Fly Quiet hours.

SR-1753 COLLINS.

Commends the Rauner administration for closing the EDGE credit loophole. Urges the Governor and the Department of Commerce and Economic Development to continue working with the General Assembly to tighten accountability in all corporate incentive programs. Urges Mondelez International to reconsider its decision to move production lines out of Chicago and out of the United States, and instead to work fairly and in good faith with its loyal employees, the unions that represent them, and the State of Illinois in order to keep Oreos American-made and continue to invest in its human capital in a city that has supported its products' success for many decades.

Urges all federal, State, and county legislators and officials to consider and enact policies to

enhance access to mental health services at multiple levels in the criminal justice system which will create better results for both the individual and the system. Shows support for a wide range of programs to improve mental health treatment for individuals involved in the criminal justice system aimed to aid communities to end recidivism. Urges the law enforcement community to consider the integration of mental health treatment and services such as crisis intervention teams into the criminal justice system spectrum, in an effort to address mental health crisis situations and to reduce arrest rates. Calls upon all states and the federal government to examine the costs and benefits of suspending Medicaid coverage instead of termination of coverage for individuals in the criminal justice system and to allow Medicaid coverage to be suspended for incarcerated persons instead of being terminated. Calls upon the states and the federal government to consider promising criminal justice interventions and policies for mentally-ill offenders such as diversion programs and mental health courts to send seriously mentally ill offenders to community-based mental health treatment programs instead of prison or jail.

States the belief that O'Hare International Airport's noise monitoring technology should be coupled with artificial-intelligence software to match the noises perceived by each station at each time to specific individual flight operations and the operations of individual airlines and to gauge the compliance of each individual airline firm with the guidelines set down in the Fly Quiet Program. Urges the Aviation Department of the City of Chicago to select a trusted third party that represents the interests of O'Hare International Airport's noise neighbors and to share the information enumerated in this resolution with this third party. Urges the Aviation Department and the trusted third party to collaborate to develop a rank-ordered chart of each airline firm's compliance with Fly Quiet Program guidelines. Urges the Aviation Department and the trusted third party to give the charts explicit and formal consideration as elements in any decisions made, subsequent to the start of the generation of this data and these charts, on the reallocation of departure gates and support facilities at O'Hare International Airport.

Urges the General Assembly to implement numerous budgeting practices to standardize the annual budget process. Urges the General Assembly to not approve the expenditure of funds for new programs and services without providing an examination of the cost/benefit analysis of said program or service and a finding that the addition of the new program or service provides significant long-term benefit to the State's fiscal health by realizing cost savings or meets an overriding public policy need. Urges the General Assembly to conduct such an analysis at the committee level, with each substantive and appropriations committee creating a working subcommittee to consider such measures and evaluate the aforementioned criteria.

Urges the General Assembly to apply any revenues which exceed expenditures to the payment of any old bills that are more than 45 days past the due date, including General Revenue Fund and non-General Revenue Fund expenditures, at the close of each fiscal year and to direct such revenues to the Budget Stabilization Fund if there are no pending bills over 45 days past the due date. Urges the General Assembly to provide for the use and maintenance of the Budget Stabilization Fund by appropriating any excess amounts "off the top" of estimated available revenues to the Budget Stabilization Fund should the growth in the annual revenue estimate exceed 3% from the previous year's estimated revenues and applying any revenues which exceed expenditures to the Budget Stabilization Fund should no unpaid bills remain due over 45 days at the close of each fiscal year.

States the belief that it would be inappropriate for members of the General Assembly to receive their salaries in a timely manner when all other State employees are not being paid on time and that the expenditure of State funds for salaries to members of the General Assembly should not be made until such expenditure is made for the salaries for all State employees.

Applauds the nationwide effort of the #AutoErase Campaign to bring awareness to the fact that individuals wrongfully arrested may still have an arrest record even after they are released and to remove the burden from the individual of having that wrongful arrest record erased; calls on all local, state, and federal agencies to automatically erase and destroy all information pertaining to arrest records of individuals wrongfully arrested and to ensure the arrest record does not appear in any local, state, or federal agency's database; calls on the United States Congress, states, and localities to ensure that an innocent individual's record appears as it did before the wrongful arrest occurred, at no expense and with no action required by the individual; supports that the innocent individual can in the future be legally and factually

allowed to deny the arrest under all circumstances and on any local, state, federal, corporate, or private form, including, but not limited to, applying for a state-issued professional license, applying for a law enforcement job, applying for a federal or national security clearance, applying for a school-related job, buying a firearm or applying for a concealed carry permit, running for public office, or applying as a candidate for a state bar.

HR-1023 WINGER - MCAULIFFE AND LILLY.

Urges the Chicago Department of Aviation to develop a more comprehensive, aggressive Fly Quiet program, including the development of a Continuous Descent Approach, a review of Noise Abatement Department Procedures, the act of maintaining at least 2 operating runways and leaving a third runway open during Fly Quiet hours, including at least one diagonal runway, and the operating use of a Runway Rotation Plan, to disperse airport noise effects during Fly Quiet hours. Urges the Chicago Department of Aviation to revise and strengthen the Fly Quiet Program Manual and operating procedures to create a pathway toward partial compliance with Fly Quiet during non-optimal weather conditions, and better familiarity between air traffic controllers and Fly Quiet principles. Recommends that the Fly Quiet Program Manual should be studied and revised at regular, periodic intervals; these reviews should include, but not be limited to, the assessment of departure paths and headings from O'Hare's newest runways and determine the best runway configurations, with the goal of directing flights over less-populated areas and reducing population impacts. Urges that the stakeholders should work together to study and implement Fly Quiet Program Manual voluntary operating procedures outside of normal Fly Quiet hours. Urges the Chicago Department of Aviation to make every effort to work with its private partners to discourage and phase down the use of older and noisier aircraft, including but not limited to the MD-80 and DC-10 aircraft, on a 24/7 basis but especially during Fly Quiet hours. Urges the Chicago Department of Aviation to enhance the report card program to measure and publicly report on the noise mitigation performance metrics posted by airlines and air cargo operators throughout the 24/7 day, but especially with respect to operations during Fly Quiet hours.
