625 ILCS 5/1-100

from Ch. 95 1/2, par. 1-100

Amends the Illinois Vehicle Code. Makes a technical change in a Section concerning the

short title.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

625 ILCS 5/1-100

Adds reference to:

625 ILCS 5/12-707.01

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that the minimum amount of \$2,000,000 of liability insurance required for a vehicle with a school bus driver permit may be satisfied by either (i) a \$2 million combined single limit primary commercial automobile policy; or (ii) a \$1 million primary commercial automobile policy and a minimum \$5 million excess or umbrella liability policy. Provides that excess or umbrella liability coverage requirements may be met by securing surplus line insurance. Provides that if the excess or umbrella liability coverage requirement is met by securing surplus line insurance, that coverage must be effected through a licensed surplus line producer acting under the surplus line insurance laws and regulations of this State. Provides that nothing shall be construed as prohibiting a licensed and admitted insurance carrier, an intergovernmental cooperative, or a certified self-insurer from retaining risk or issuing a single primary policy meeting the requirements under certain provisions. Provides that each owner of a vehicle required to obtain the minimum liability requirements under certain provisions shall attest that the vehicle meets the minimum insurance requirements. Provides that the Secretary of State shall create a form for each owner of a vehicle to attest that the owner meets the minimum insurance requirements and the owner of the vehicle shall submit the form with each registration application. Provides that the form shall be valid for the full registration period, but if at any time the Secretary has reason to believe that the owner does not have the minimum required amount of insurance for a vehicle, the Secretary may require a certificate of insurance, or its equivalent, to ensure the vehicle is insured. Provides that if the owner fails to produce a certificate of insurance, or its equivalent, within 2 calendar days after the request was made, then the Secretary may revoke the vehicle owner's registration until the Secretary is assured the vehicle meets the minimum insurance requirements. Provides that if the owner of a vehicle participates in an intergovernmental cooperative or is self-insured, then the owner shall attest that the insurance is equivalent to or greater than the insurance required under certain provisions. Allows the Secretary to adopt any rules necessary to enforce certain specified provisions.

225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set

forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

765 ILCS 605/27 from Ch. 30, par. 327

Amends the Condominium Property Act. Provides that the condominium instruments may be amended with the approval of, or notice to, any mortgagee or other lienholder of record, if required under the provisions of the instruments (instead of "with the approval of any mortgagees required under the provisions of the condominium instruments"). Deletes language allowing such corrections to be adopted by a majority vote of the unit owners at a special meeting, unless the instruments provide for greater percentages or different procedures. Provides that a provision in a condominium instrument requiring or allowing unit owners, mortgagees, or other lienholders of record to vote to approve an amendment to a condominium instrument, or for the mortgagees or other lienholders of record to be given notice of an amendment to a condominium instrument, is not applicable to an amendment to the extent that the amendment corrects an omission, error, or inconsistency to conform the condominium instrument to the law.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Central Management Services)

The Department of Central Management Services has contacted the vendor, CVS Caremark to conduct the financial analysis. CMS does not retain that level of detail. The following is the summary of impact from CVS: (1) The annualized cost impact if 10% of non-abuse deterrent prescriptions move to the abuse-deterrent formulation is estimated at \$6.005.041; (2) The annualized cost impact if 35% of non-abuse deterrent prescriptions move to the abuse-deterrent formulation is estimated at \$21.017.646; (3) The annualized cost impact if 50% of non-abuse deterrent prescriptions move to the abuse-deterrent formulation is estimated at \$30.025.209.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Healthcare & Family Services)

Providing coverage for these abuse-deterrent drugs to the managed care population will have a fiscal impact between \$69 million (with 25% of users shifting to abuse-deterrent formulations) and \$217 million (with a 100% shift to abuse-deterrent formulations). This cost would be added to the MCO capitation payments; however not eligible for federal matching funds.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

New Act
430 ILCS 65/8.2
430 ILCS 66/70

Creates the Lethal Violence Order of Protection Act. Provides that a petitioner may request an emergency lethal violence order of protection by filing an affidavit or verified pleading alleging that the respondent poses an immediate and present danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Provides that the petition shall also describe the type, and location of any firearm or firearms presently believed by the petitioner to be possessed or controlled by the respondent. Provides that the petitioner may be a family member of the respondent or a law enforcement officer, who files a petition alleging that the respondent poses a danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Establishes factors

that the court must consider before issuing a lethal violence order of protection. Provides for the issuance of ex parte orders and one year orders. Provides that if the court issues the order the respondent must: (1) refrain from having in his or her custody or control, owning, purchasing, possessing, or receiving additional firearms for the duration of the order; and (2) turn over to the local law enforcement agency any firearm, Firearm Owner's Identification Card, or concealed carry license in his or her possession. Establishes factors for renewing and terminating lethal violence orders of protection. Amends the Firearm Owners Identification Card Act and the Firearm Concealed Carry Act to make conforming changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill. Provides that if the respondent is alleged to pose an immediate and present danger of causing personal injury to an intimate partner, or an intimate partner is alleged to have been the target of a threat or act of violence by the respondent, petitioner shall make a good faith effort to provide notice to any and all intimate partners of the respondent. Provides that the notice must include that the petitioner intends to petition the court for an emergency lethal violence order, and, if petitioner is a law enforcement officer, referral to relevant domestic violence or stalking advocacy or counseling resources, if appropriate. Provides that petitioner shall attest to having provided the notice in the filed affidavit or verified pleading. Provides that if after making a good faith effort petitioner is unable to provide notice to any or all intimate partners, the affidavit or verified pleading should describe what efforts were made. Provides that every person who files a petition for an emergency lethal violence order, knowing the information provided to the court at any hearing or in the affidavit or verified pleading to be false, is guilty of perjury. Adds definition of "intimate partner".

HOUSE COMMITTEE AMENDMENT NO. 2

In the new Lethal Violence Order of Protection Act, defines "family member of the respondent" as a spouse, parent, child, or step-child of the respondent, any other person related by blood or present marriage to the respondent, or a person who shares a common dwelling with the respondent (rather than as defined in the Illinois Domestic Violence Act of 1986).

105 ILCS 5/10-20.12b

Amends a Section of School Code concerning pupil residency. Provides that, for school districts having a population of less than 500,000, if a person attempts to enroll a pupil in a school district and the school board finds that the pupil is a non-resident of that district, the board must provide certain information to the person attempting to enroll the pupil, including referrals to free or reduced-cost legal help. Provides that, at a hearing to decide the issue of residency, the board has the burden of going forward with the evidence concerning the pupil's residency. Provides that if the school board determines the pupil is a non-resident, the person attempting to enroll the pupil may petition the regional superintendent of schools to review the decision. Establishes the procedure and timeframe for the petition. Provides that, for school districts having a population of 500,000 or more, if the board of education finds that a pupil enrolled in the school district is a nonresident of that district and that decision is under appeal, the pupil may, at the request of the person who enrolled the pupil, enroll and attend school without payment of tuition pending a final decision of the board of education. Provides that if the board of education finds that the pupil is a non-resident of the district after the hearing, the board shall refuse to permit the pupil to continue attending the schools of the district unless the required tuition is paid. Provides that references to days in the Section refer to calendar days. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 1

Removes the provision requiring the hearing notification that the school board of a school district with a population of less than 500,000 must mail to include referrals to free or reduced-cost legal help. In the provision allowing a pupil to continue or begin attendance at the schools of a school district with a population of less than 500,000 pending the decision of the school board or regional superintendent of schools, provides that the school district's payments under the Section of the School Code concerning the State aid formula shall not be adjusted due to tuition collection under the Section concerning pupil residency.

HB-3199 CHAPA LAVIA - GUZZARDI AND SIMS.

105 ILCS 5/27A-5.5 new

Amends the Charter Schools Law of the School Code. Requires a charter school to comply with all applicable absenteeism and truancy policies and requirements applicable to public schools under the laws of the State of Illinois. Sets forth how a charter school must define a truant, chronic or habitual truant, truant minor, and dropout. Effective immediately.

FISCAL NOTE (IL State Board of Education)

HB 3199 will not likely have a significant fiscal impact to the State. The legislation will require charter schools to comply with truancy and absenteeism policies applicable to public schools in Illinois. Charter school students are counted in the Average Daily Attendance of the local school district when calculating the district's General State Aid entitlement, so to the extent that new truancy and absenteeism policies increase attendance at charter schools, this could increase the overall GSA claim to the State in an unknown amount. In addition, there may be an unknown cost to charter schools to adopt and comply with these policies.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The Department of Central Management Services is unable to project a fiscal impact associated with this proposed legislation due to the following factors: (A) The rapid change of the automobile industry; (1) Which manufacturers offer VIN numbers 1/2/4/5 may change frequently; (2) Each vehicle purchase is unique in the type of vehicle that is needed - pickup truck versus a sedan versus economy car versus a hybrid, etc; (B) The amount of vehicles purchased in any given fiscal year is dependent upon need and adequate cash flow, which is especially unpredictable. (C) In general, any limitation on the potential universe of bidders will serve over time to increase costs.

Provides that the State Long Term Care Ombudsman shall be appointed for a term of 4 years and shall function within the Department on Aging and shall report to the Director and the Governor. HB-4205 FORD - FLOWERS.

110 ILCS 947/65.47 new

Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to award grants to applicants who are teachers licensed under the School Code and are employed by a school district within an area designated as a poverty area by the Department of Commerce and Economic Opportunity to obtain additional course credit or an additional degree at a public university located in this State. Provides that the amount of the grant shall equal 50% of the tuition and other necessary fees required of the teacher by the public university at which the teacher enrolls. Requires grant recipients to contract with the Commission to teach for an additional 2 years in the school district in which they were employed at the time of application for the grant. Sets forth provisions concerning this commitment.

PENSION NOTE (Government Forecasting & Accountability)

HB 4205 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4205 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Illinois Board of Higher Education)

The Illinois Student Assistance Commission estimate uses the percentage of the school eligible for Free or Reduced Lunch as a proxy, not knowing how The Department of Commerce and Economic Opportunity would define a poverty area. About 61,000 teachers work in schools with at least 40% of students eligible for free or reduced price lunch, and around half of teachers already hold a master's degree, leaving roughly 30,000 teachers who might be eligible for the program. According to College Navigator data, the weighted average tuition and fees for undergraduate school in Illinois is about \$13,000. The weighted average for graduate school at Illinois public universities is about \$13,509. The bill proposes covering half the cost. If most teachers wanted to attend graduate school parttime, then the average cost per participant using graduate tuition and fees is $\$13,509 \times 0.5 \times 0.5$, or \$3,377 per participant. Determining participation is more complicated. If half of the eligible teachers chose to participate, the cost would be $15,000 \times \$3,377$, or about \$50 million. If 10% wanted to participate it would be $3,000 \times \$3,377$, or about \$10 million.

Creates the Universal Child Care Demonstration Program Act. Requires the Department of Human Services to establish and administer a 5-year statewide Universal Child Care Demonstration Program to provide grants to eligible entities to develop, expand, and provide high-quality and affordable child care services for children age 0 to 6 years old regardless of family income. Provides that grants awarded under the Demonstration may be used to renovate or convert existing child care facilities to meet the goals of the Demonstration Program; to construct and maintain child care facilities in geographical areas with a demonstrated need for safe, affordable, and high-quality child care services; to train and pay child care providers, teachers, and staff; and to provide meal services to children receiving child care services. Provides that the ultimate goal of the Demonstration shall be to develop and evaluate the costs, impact, and quality outcomes of child care services and programs in order to establish an effective expansion toward universal child care services for children from birth to 6 years of age. Contains provisions concerning eligible entities, funding, reporting requirements, defined terms, and Department rules.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB4217; therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

HB 4217 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4217 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have an extraordinary fiscal impact to the State of Illinois. The Governor's Office of Management and Budget estimates that this bill could potentially increase spending in the State's child care program in excess of \$8 Billion. This increase in spending will result in an unbalanced budget.

FISCAL NOTE (Dept. of Human Services)

Currently, the State does not have sufficient resources to fully fund existing programs. Expanding to families regardless of income is not aligned with the Department's mission of serving those most in need. The number of children in Illinois ages 0-6 is approximately 800,000. The average cost of quality child care is \$10,000 annually. A universal program cost estimate, therefore, is \$8.0 billion.

CORRECTIONAL NOTE (Dept of Corrections)

HB 4217 has no fiscal impact or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch.

105 ILCS 5/10-21.4 from Ch. 122, par. 10-21.4
 105 ILCS 5/10-23.8 from Ch. 122, par. 10-23.8

Amends the School Code. In provisions requiring a school board (other than the Chicago school district) to employ a superintendent, allows the school board in a school district with boundaries that lie in 3 counties, one county of which has a population exceeding 1,000,000 inhabitants, that has on staff properly licensed assistant superintendents or directors in the areas of instruction, finance, special education, assessments, and career and technology education, to instead appoint a chief executive officer to serve as its superintendent. Requires this chief executive officer to be a person of recognized administrative ability and management experience, hold a master's degree, have been employed with the school district for a minimum of 5 years in an administrative capacity, be responsible for the management of the district, and have all other powers and duties of a superintendent. Exempts the chief executive officer from provisions of the School Code concerning educator qualifications for a period of 5 years. Allows the school board to reappoint the chief executive officer after the 5-year period if the chief executive officer has made substantial progress towards a standard or alternative administrative license, if a program for such is available. Makes related changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced, but requires the school district to have an enrollment of more than 35,000 students in order for the school board to appoint a chief executive officer to serve as its superintendent and removes the amendatory language allowing a school board to reappoint the chief executive officer if the chief executive officer has made substantial progress towards a standard or alternative administrative license.

New Act

Creates the Heroes Way Designation Program Act. Allows a person who is related to a member of the United States Armed Forces who was killed in action while performing active military duty to apply for a designation allowing the placement of an honorary sign along designated Illinois roads. Provides that honorary signs may be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway on the State highway system. Provides requirements for petition and approval of applications by the General Assembly to designate a specified road. Provides that no interchange, bridge, or highway may be named or designated after more than one member of the United States Armed Forces killed in action, nor may a designated member of the United States Armed Forces be eligible for more than one interchange, bridge, or highway designation. Provides that any highway signs erected for any designation shall be erected and maintained for a 20-year period, after which the signs shall be subject to removal, and the interchange, bridge, or highway may be subject to a new

designation, absent an application to retain designation. Defines "Department", "Secretary", and "United States Armed Forces".

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced with changes. Provides that honorary signs may be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway under the jurisdiction of the Department of Transportation (rather than on the State highway system). Modifies the requirements for petition, approval of applications, and notice by the General Assembly to designate a specified road. Provides that no interchange, bridge, or segment of highway may be named or designated if it carries an existing designation (rather than being named or designated after more than one member of the United States Armed Forces killed in action). Removes language requiring that any highway signs erected for any designation be erected and maintained for a 20-year period, after which the signs shall be subject to removal, and the interchange, bridge, or highway may be subject to a new designation.

Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool are eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to promulgate rules regarding the updated assessment tool, but prohibits those Departments from promulgating emergency rules regarding the updated assessment tool. Provides that the State shall not implement an updated assessment tool that causes more than 1% of then-current recipients to lose eligibility; and that anyone determined to be ineligible for services due to the updated assessment tool shall continue to be eligible for services for at least one year following that determination and must be reassessed no earlier than 11 months after that determination. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Further amends the Illinois Act on the Aging. Removes a provision requiring the Department on Aging to establish eligibility standards for services provided under the Community Care Program and instead sets forth the criteria individuals must meet to have equal access to services under the Community Care Program. Makes changes to provisions added to the Act concerning the eligibility of individuals with a determination of need score of 29 or higher for institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool; and adds a provision requiring service cost maximums to be set at levels no lower than the service cost maximums that were in effect as of January 1, 2016 and to be increased accordingly to reflect any rate increases. Makes changes to provisions added to the Rehabilitation of Persons with Disabilities Act and the Illinois Public Aid Code concerning the eligibility of individuals with a determination of need score of 29 or higher for institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool. Further amends the Illinois Public Aid Code by providing that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. on Aging)

This cost estimate is predicated upon an unaltered continuation of the current service structure under CCP, which would result from the enactment of HB 4351 into law. In its proposed FY17 budget, Illinois Department on Aging seeks to secure considerable cost savings by creating a new program, the Community Reinvestment Program (CAP), designed to provide a multitude of flexible services for non-Medicaid individuals currently being served under CCP. The estimated cost of \$200 million is in addition to the Governor's introduced budget for CAP and CCP. These savings amount to \$197 million during the next fiscal year. The program will ensure sustainable spending levels and that essential community services remain available for the approximately 44,000 non-

- Medicaid persons now served by CCP.

105 ILCS 5/2-3.64a-5

Amends the School Code with respect to State goals and assessment. Provides that the provision requiring the State Board of Education to administer no more than 3 assessments, per student, of English language arts and mathematics for students in a secondary education program applies until the expiration of any contracts entered into before the effective date of the amendatory Act between the State Board and the company or companies that operate the PARCC (Partnership for Assessment of Readiness for College and Careers) tests. Provides that after the expiration of any such contracts, the State Board shall enter into 2 separate contracts to administer 2 college and career ready determination examinations, including, but not limited to, one that is accepted by all of this State's public and private institutions of higher education, for the purpose of student application or admissions consideration. Specifies that each student must be offered the opportunity to choose between the 2 examinations. Sets forth provisions providing that the State Board is required to cover all expenses for each student to take one of the 2 examinations for the purpose of college application or admissions consideration. Provides that no State assessments other than these 2 examinations may be administered to students in a secondary education program after the expiration of any contracts entered into before the effective date of the amendatory Act between the State Board and the company or companies that operate the PARCC tests. Effective July 1, 2016.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Requires the State Board of Education to enter into 2 separate contracts, one to administer the ACT and one to administer the SAT (instead of entering into 2 separate contracts to administer 2 college and career ready determination examinations). Specifies that each school district (instead of each student) must be offered the opportunity to choose between the 2 examinations. Provides that this examination shall constitute a secondary education program annual assessment for the purpose of implementing State assessments. Provides that the State Board shall take whatever may be appropriate ways and means, including a request for a federal waiver or waivers if required, to ensure that, should a waiver or waivers be granted pursuant to this request, no State assessments other than these 2 examinations may be administered to students in a secondary education program (instead of just providing that no State assessments other than these 2 examinations may be administered to students in a secondary education program). Provides that, notwithstanding the mandate to administer these 2 examinations, should the PARCC test continue to be required of Illinois high schools by federal mandate, the PARCC test shall continue to be administered to students in a secondary education program. Effective July 1, 2016.

Provides that the automatic annual increase is not subject to the 30% maximum. Provides that beginning January 1, 2017, the minimum widow's annuity and minimum retirement annuity payable to any person who has retired from service at age 50 or over with 20 or more years of service and is entitled to receive a retirement annuity under this Article on that date, or who retires from service at age 50 or over with 20 or more years of service after that date, shall be no less than 125% of the Federal Poverty Level. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

According to a cost study performed by the fund's actuary, HB 4553 will result in an increase in Unfunded Liability of \$165 million, as well as an increase in the City's Contribution of \$13 million by 2017. However, the long-term impact of HB 4553 is significantly smaller. By 2056, Unfunded Liability for the Fund will have only increased by less than \$11 million, and the City's Contribution will have increased by approximately \$1.6 million. See Appendix A at the end of this note, for a detailed breakdown of the fiscal effects of HB 4553.

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university or satisfied the ACT's College Readiness Benchmarks on the ACT college admission assessment applicable to the applicant or earned on the SAT college admission assessment a score of at least 1,500 out of 2,400; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

FISCAL NOTE (IL Board of Higher Education)

Assuming the provisions of House Bill 4565 would operate under existing capacity levels, it appears that the increased number of mandated entering freshmen students would off-set other eligible entering freshmen and the cost of instruction would generally remain the same. However, depending on the financial profile of the freshmen included under the guidelines presented in House Bill 4565, financial aid costs could increase, although specific estimates are undeterminable at this time. Illinois Board of Higher Education's FY 2016 Weighted Average Tuition report indicated an entering freshmen class of 34,760 for the current academic year.

215 ILCS 5/424 from Ch. 73, par. 1031

Creates the Unclaimed Life Insurance Benefits Act. Provides that the purpose of the Act is to require all authorized insurers regulated by the Department of Insurance to undertake good faith efforts, as specified in the Act, to locate and pay beneficiaries' proceeds under unclaimed life insurance policies, annuity contracts, and retained asset accounts issued in the State or remit such proceeds as unclaimed property to the appropriate jurisdiction if the beneficiaries are unable to be located or paid. Requires insurers to implement the certain policies and procedures for performing a comparison of its policies, annuity contracts, and retained asset accounts against the United States Social Security Administration's Death Master File. Provides that failure to meet any requirement of the Act is an unfair trade practice under the Illinois Insurance Code, and amends the Illinois Insurance Code to make a corresponding change.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Makes changes to provisions setting forth the purpose of the Act. Requires insurers to complete an initial comparison of its records with the Death Master File by December 31, 2017 and then on a semi-annual basis thereafter. Provides that in the event that one of the insurer's lines of business conducts a search for matches more frequently than semi-annually, then all lines of the insurer's business shall conduct searches for matches with the same frequency. Removes provisions concerning partial matches. Makes changes to the procedure

for potential matches and searches an insurer must perform. Provides that nothing in the Act shall be construed to amend, modify, or supersede the Uniform Disposition of Unclaimed Property Act. Requires the Department of Insurance to develop and implement a lost policy finder to assist requesters with locating unclaimed life insurance benefits. Provides that the Department may limit an insurer's Death Master File comparisons to the insurer's electronic searchable files or approve a plan and timeline for conversion of the insurer's files to searchable electronic files upon a demonstration of hardship by the insurer. Removes and makes changes to certain definitions. Changes various references from "insureds" to "insureds, annuitants, and retained asset account holders." Makes other changes.

Adds reference to:

- 510 ILCS 5/11 from Ch. 8, par. 361

Replaces everything after the enacting clause with the introduced bill with the following changes: Removes provisions amending the Animal Welfare Act. In provisions amending the Animal Control Act, provides that if no placement of a dog or cat is made by an animal control facility, the animal may be (rather than shall) dispatched pursuant to the Humane Euthanasia in Animal Shelters Act. Provides that nothing in the Act shall be construed or interpreted to place a limitation on the time frame that an animal pound or animal shelter may humanely house an animal prior to placement. In provisions concerning dog or other animal bites, provides that when evidence is presented that the animal was inoculated against rabies within the time prescribed by law, it may (rather than shall) be confined in a house, or in a manner which will prohibit it from biting any person for a period of not less than 10 days from the date the bite occurred, if the Administrator, Deputy Administrator, or his or her authorized representative adjudges such confinement satisfactory (rather than a licensed veterinarian adjudging such confinement satisfactory). Provides that at the end of the confinement period, the animal shall be examined by a licensed veterinarian and microchipped, if not already, at the expense of the owner. Provides that it is also unlawful for the owner of the animal to conceal the whereabouts of any animal known to have bitten a person, until it is released by the Administrator or, if the Administrator is not a veterinarian, the Deputy Administrator, or his or her authorized representative. In provisions amending the Illinois Public Health and Safety Animal Population Control Act, provides that an animal control facility, animal shelter, organization, or resident of the State who humanely traps feral cats for spaying or neutering and return is eligible to participate in the program if recognized (instead of provided the program is recognized) by the municipality or county, if it is located in an unincorporated area. Makes other changes. Adds an immediate effective date.

Amends the Code of Criminal Procedure of 1963. Any party who learns of the death of a defendant in a criminal case that is pending on appeal shall promptly notify the other party and file a certificate of notice of the defendant's death with the court before which the appeal is pending. If the appeal is by the State, upon the filing of the certificate, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated. If the appeal is by the defendant, upon the filing of the certificate, the court shall immediately stay further action in the proceeding for 28 days. During the stay, the executor or administrator of the defendant's estate, the defendant's attorney on appeal, the Office of the Appellate Defender, or the Public Defender in the county in which the defendant was convicted, or other successor in interest shall have standing to petition the court for leave to intervene in the appeal for the purpose of pursuing the appeal in place of the defendant. If the court receives a timely petition for leave to intervene, the court shall permit the petitioning party to intervene in the appeal in place of the defendant and the appeal shall proceed in the same manner as if the defendant were still alive. If, after intervention, the appeal results in: (1) the entry of an order affirming the decision of the trial court, the intervenor may continue to pursue the appeal on the behalf of the defendant or seek post-conviction relief to the extent that further appellate or post-conviction relief would have been available to the defendant were he or she still alive; (2) a finding of error by the court resulting in the reversal of a defendant's conviction, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated; or (3) a finding of error which would require the trial court to resentence the defendant, but does not require reversal of the defendant's sentence, the court shall vacate the sentence imposed by the trial court and the conviction shall stand. If no petition for leave of the court to intervene is filed, the court shall dismiss the appeal without disturbing the decision of the trial court or sentence it imposed.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill with the following changes. Removes the attorney for the defendant representing the defendant on an appeal, the Office of the State Appellate Defender, and the county public defender from any obligation to file a certificate of notice of the defendant's death in a pending criminal appeal of the defendant, and removes their standing to continue to pursue a criminal appeal on behalf of the deceased defendant. Provides an executor or administrator of the defendant's estate or other successor in interest shall have standing to file a certificate of notice of the defendant's death with the court before which the appeal is pending to initiate vacating an appeal brought by the State or obtain a stay for intervention or ultimate dismissal in an appeal brought by the defendant.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Hearing Screening for Newborns Act. Changes the short title to the Early Hearing Detection and Intervention Act. Defines terms. Replaces current provisions related to mandatory hearing screening with provisions that provide each medical care facility shall conduct bilateral hearing screenings for each newborn infant prior to discharge unless there is a medical contraindication or the infant is transferred before a screening can be completed. Contains provisions concerning infants that are transferred, requiring all medical care facilities to make provisions for outpatient screenings for infants born outside medical care facilities, and reporting and follow-up requirements for hearing screenings. Provides that for infants born outside a medical care facility, the newborn's primary care provider shall make a referral to a medical care facility for a hearing screening. Provides that specified providers and programs (rather than hospitals) shall report all hearing testing, medical treatment, and intervention outcomes related to newborn hearing screening or newly identified hearing loss for children birth through 6 years of age (rather than positive hearing screening results) to the Department of Public Health. Provides that the Department shall maintain a registry documenting screening, diagnosis, and intervention of cases of positive hearing results. Adds provisions concerning information sharing. Repeals provisions concerning a hearing screening advisory committee. Effective immediately.

HB-4954 FORD - FLOWERS - WELCH - MAYFIELD.

20 ILCS 2630/5.2

Amends the Criminal Identification Act. Provides that records of charges that result in an acquittal or dismissal with prejudice, except for minor traffic offenses, may be immediately sealed after the final disposition of the case. Upon entry of judgment, the defendant shall be informed of this right and the proper procedures to follow to have records that are eligible be immediately sealed. A petition may be filed on behalf of the defendant by his or her attorney at the final disposition hearing, or by the defendant at any time. The State's Attorney may not object to an immediate sealing petition, and the presiding trial judge shall enter an order

granting or denying the petition during the hearing in which the petition is filed. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB4954; therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4954 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSE FLOOR AMENDMENT NO. 1

Deletes language providing that no fees shall be charged by the circuit court clerk or the Department of State Police for processing a sealing petition for an arrest or charge not initiated by arrest that resulted in acquittal, dismissal, or a conviction when the conviction was reversed or vacated. Deletes language providing that the State's Attorney may not object to an immediate sealing petition.

PENSION NOTE (Government Forecasting & Accountability)

HB 4954 will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE (Dept of Corrections)

HB 4954 has no fiscal or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Illinois State Police)

If HB 4954 were to become law, the estimated fiscal cost would be \$211,152 per fiscal year. This estimated loss of revenue is based upon Fiscal Year 2015 numbers. In Fiscal Year 2015 the Illinois State Police collected an estimated \$211,152 for seal orders. The Illinois State Police does not have a separate line item for expungements and seal orders. Illinois State Police collected a total of \$527,880 in sealing and expungement fees in Fiscal Year 2015. Seal orders average approximately 40 percent of the workload (\$527,880 x .40 = \$211,152). It should be noted, the \$527,880 collected in fees fund the salary of 10 of the 13 employees in this unit. These costs would no longer be supported by fee funds collected and would have to be shifted to General Revenue. The revenue stream that supports the functions of this unit would no longer exist. While preparing this fiscal note, House Amendment 1 was filed. House Amendment 1 would restore the Illinois State Police's ability to collect fees for most seal orders.

BALANCED BUDGET NOTE (Office of Management and Budget)

House Bill 4954 would eliminate the current process in which the Illinois State Police collect fees for processing petitions and orders to seal records. These fees are used to fund the technology and support staff that implement and maintain the expungement and sealing system. While any costs for implementing this new process would be minimal the Illinois State Police would lose revenue generated from the current process at an estimated \$211,000 per year into the State Police Services Fund.
