New Act

Creates the High School State Tournaments, Competitions, and Fairness Act. Provides that the Act applies to competitions run by any person, corporation, organization, or association in this State purporting to award a State championship, State title, or the like and involving the publicly funded high schools of this State. In competitions, prohibits distinctions between schools based on race, religion, creed, or nation of origin. Prohibits barring parochial, private, charter, and magnet schools from competition or placing them at a competitive disadvantage. Provides that no publicly funded high school may participate in any State tournament or State title competition if the organizer seeks by use of a multiplier or like device to move any school that has selective enrollment based upon entrance exam scores into a higher class. Allows a tournament organizer to organize classes based on the actual number of students attending a school.

Replaces everything after the enacting clause. Amends the Law Enforcement Disposition of Property Act. Provides that the Act is applicable to all personal property coming into the

Adds an exception for property seized during a search that is retained and ultimately returned, destroyed or otherwise disposed of pursuant to a local ordinance of a county or city with a population of more than 2,000,000 persons. Provides that weapons that have been confiscated may be destroyed by the confiscating authority. Provides that in a county or city with a population of more than 2,000,000 persons, property may be auctioned off if a person entitled to possession is not located within 60 days (rather than 6 months). Replaces everything after the enacting clause. Amends the Court of Claims Act. Increases the maximum amount of certain claims sounding in tort or arising due to lapsed appropriations. Provides that the signature of one judge is binding if a decision is entered in a lapsed appropriation claim in which a motion or stipulation has been filed or a decision is entered on a Crime Victims Compensation Act claim. Deletes language providing that in matters involving the award of emergency funds under the Crime Victims Compensation Act, the decision of one judge is necessary to award emergency funds. Provides that from funds appropriated by the General Assembly, the court may direct immediate payment of claims against the State for unjust imprisonment. Provides that the court may direct payment of claims founded upon a contract entered into with the State without regard to whether sufficient funds remained available in the appropriation by which the contract was originally to be paid; however, the new provision does not apply to claims arising solely as a result of the lapsing of an appropriation out of which the obligation could have been paid. Adds applicability language and makes other changes.

Amends the Illinois Insurance Code. Provides that an insurer may not deny or refuse to provide covered services, or refuse to renew, refuse to reissue, or otherwise terminate or restrict coverage under an individual contract, for a person diagnosed with an autism spectrum disorder on the basis that the individual declined an alternative medication or covered service when the individual's health care provider determined that such medication or covered service may exacerbate clinical symptomatology and is medically contraindicated for the individual and the individual has requested and received a medical exception as provided under a provision of the Managed Care Reform and Patient Rights Act. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed after the effective date of the amendatory Act may not allow for the delay, discontinuation, or interruption of immune gamma globulin therapy for persons who are diagnosed with a primary immunodeficiency when prescribed immune gamma globulin therapy by a physician licensed to practice medicine in all of its branches if provided as a covered benefit under the plan. SENATE FLOOR AMENDMENT NO. 5

Deletes reference to:

25 ILCS 5/3

Adds reference to:

105 ILCS 5/27-8.1 from Ch. 122, par. 27-8.1

Replaces everything after the enacting clause. Amends the School Code. In provisions concerning health examinations and immunizations, requires an age-appropriate and developmentally appropriate social and emotional screening to be included as part of the examinations and procedures that constitute a health examination under rules of the Department of Public Health. Sets forth requirements with respect to the rules concerning social and emotional screening. With respect to the social and emotional screening portion of the health examination, requires each child to present proof before October 15th of the school year of having been examined by a physician licensed to practice medicine in all of its branches within the previous year; provides for a waiver and notice. Regarding social and emotional functioning, requires information to be shared in a manner consistent with laws and policies governing health care confidentiality.

SENATE FLOOR AMENDMENT NO. 6

Requires an age-appropriate developmental and social and emotional screening (instead of an age-appropriate and developmentally appropriate social and emotional screening) to be included as part of the examinations and procedures that constitute a health examination.

HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:
105 ILCS 5/27A-5

Replaces everything after the enacting clause with provisions of the engrossed bill with the following changes: Provides that the health examination for school children shall include an age-appropriate developmental screening and a social and emotional screening (rather than an age-appropriate developmental and social and emotional screening). Requires the Department of Public Health to develop rules and appropriate revisions to the Child Health Examination form in conjunction with certain organizations and other individuals. Includes more items that rules must address. Allows physicians licensed to practice medicine in all of its branches, licensed advanced practice nurses, licensed physician assistants, and other professionals determined by rule to conduct the screenings (rather than just physicians licensed to practice medicine in all of its branches). Allows qualified school support personnel to offer, with the parent's or guardian's consent, the required screenings if a child fails to present proof of undergoing the screenings by October 15th of the school year. Allows schools to offer appropriate school personnel to work with parents and guardians regarding the screening. Provides that the confidentiality of the information and records relating to the developmental screening and the social and emotional screening shall be determined by the statutes, rules, and professional ethics governing the type of provider conducting the screening (rather than requiring that information must be shared in a manner consistent with laws and policies governing health care confidentiality). Makes other changes. Further amends the School Code. In the Charter Schools Law of the School Code, requires charter schools to require certain health examinations and immunizations.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to develop and implement an algorithm that is based on quality scores and other operational proficiency criteria developed, defined, and adopted by the Department, by rule, to automatically assign Medicaid enrollees served under the Family Health Plan and the Integrated Care Program and those Medicaid enrollees eligible for medical assistance pursuant to the Patient Protection and Affordable Care Act into managed care entities, including Accountable Care Entities, Care Coordination Entities, Children with Special Needs Care Coordination Entities, Managed Care Community Networks, and Managed Care

Organizations. Provides that the algorithm developed and implemented shall favor assignment into managed care entities with the highest quality scores and levels of compliance with the operational proficiency criteria established.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall, within a reasonable period of time after relevant data from managed care entities has been collected and analyzed, but no earlier than January 1, 2017, develop and implement within each enrollment region an algorithm that takes into account quality scores and other operational proficiency criteria developed, defined, and adopted by the Department, to automatically assign Medicaid enrollees served under the Family Health Plan and the Integrated Care Program and those Medicaid enrollees eligible for medical assistance pursuant to the Patient Protection and Affordable Care Act (Public Law 111-148) into managed care entities, including Accountable Care Entities, Managed Care Community Networks, and Managed Care Organizations. Provides that the quality metrics used shall be measurable for all entities; that the algorithm shall not use the quality and proficiency metrics to reassign enrollees out of any plan that they are enrolled with at the time and shall only be used if the client has not voluntarily selected a primary care physician and a managed care entity; that clients will have one opportunity within 90 calendar days after auto assignment by algorithm to select a different managed care entity; and that the algorithm developed and implemented shall favor assignment into managed care entities with the highest quality scores and levels of compliance with the operational proficiency criteria established.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, but with the following changes: Amends the Emergency Medical Services (EMS) Systems Act. Requires the Department of Public Health to issue an annual Freestanding Emergency Center (FEC) license to a facility located within a municipality with a population in excess of 1,000,000 inhabitants if the facility has, by January 1, 2016, filed a letter of intent to establish a Freestanding Emergency Center and meets certain requirements. Adds provisions concerning transfer agreements; observation beds; and other matters. Further amends the Illinois Public Aid Code. Adds services delivered by facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 to the list of services covered under the Medical Assistance Program. Permits the Department to contract with a third-party vendor to supply durable medical equipment in a more cost effective manner. In provisions concerning kidney transplantation coverage for noncitizens with end-stage renal disease, restricts coverage to persons receiving emergency renal dialysis services covered by the Department for at least 2 years. In a provision concerning payments to nursing facilities, permits the Department to contract with a third-party auditor to perform auditing to determine the accuracy of resident assessment information transmitted in the MDS that is relevant to the determination of reimbursement rates. In a provision concerning care coordination, provides that for Accountable Care Entities (ACEs) with a contract with the Department as of January 1, 2015, their 18 month period of operation shall

begin on January 1, 2015 and the Department shall pay a care coordination fee on a per member per month basis at a rate no less than the amount paid as of January 1, 2015. Requires the Department to evaluate the ACE readiness to accept capitation. Adds provisions concerning care coordination enrollment choices for children with complex medical needs; and care coordination fees for care coordination entities for seniors and persons with disabilities and for pediatric care coordination entities for children with complex medical needs. Provides that notwithstanding any other provision of the Code to the contrary, and subject to rescission if not federally approved, providers of certain services shall have their reimbursement rates or dispensing fees reduced for State fiscal year 2016 by an amount no greater than the equivalent to a 2.25% reduction in State fiscal year 2015 appropriations from the General Revenue Fund, with certain exceptions. Requires the Department to seek a waiver from the federal Centers for Medicare and Medicaid Services to allow wards of the Department of Children and Family Services access to mandatory Medicaid managed care. Provides that services delivered by facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 shall be a covered Medicaid service for eligible Medicaid enrollees; and that the Department shall ensure that all residents of facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 who are eligible for Medicaid are enrolled in Medicaid managed care. Requires the Department to, by January 1, 2016, make available on its website a managed care policy manual for providers that must be updated no less than annually. In a provision concerning certain annual assessments on inpatient services, provides that in lieu of a reduction in the reimbursement rates paid to hospitals, for State fiscal year 2016, the amount of \$218.38 used to calculate a specified assessment shall, by emergency rule, be increased by a uniform percentage to generate \$20,250,000 annually in the aggregate from all hospitals subject to the annual assessment. Makes other changes to provisions concerning hospital access payments; the aggregate amount of all increased capitation payments to managed care organizations (MCOs); adjustments to the capitation payments made to MCOs for adults eligible for medical assistance pursuant to the Affordable Care Act; and emergency rules. In a provision concerning an annual assessment imposed on supportive living facilities, provides that the Department must contest the interpretation of federal regulations on permissible provider taxes made by the federal Centers for Medicare and Medicaid Services as stated in correspondence dated January 20, 2015 and that the Department shall submit a report to the General Assembly no later than January 1, 2016 detailing all actions taken. In a provision concerning the Inspector General, provides that the Office of Inspector General must realign its resources toward activities with the greatest potential to reduce or avoid unnecessary, wasteful, or fraudulent expenditures. Changes a provision concerning the recoupment of advance payments made to nursing facilities with significant outstanding Medicaid liability. Adds a provision concerning temporary medical assistance coverage for long-term care services when an individual's application for such services is not timely processed under State and federal law and the individual did not cause the delay. Adds a provision requiring the Department to convene a working group in consultation with the Office of the Governor to discuss the development of a revised proposal for the research and demonstration project waiver proposal submitted to the U.S. Department of Health and Human Services on June 4, 2014. Makes changes to a provision concerning payments authorized under the Illinois Administrative Code and initially paid out to hospitals in State fiscal year 2015. Provides that the Governor's Office shall direct the Department of Healthcare and Family Services, in conjunction with other specified agencies, to initiate a review of all case management, care coordination programs, and public health programs for potential duplication of services; that each agency shall provide the Department with a copy of its internal review by October 1, 2015; that the Department shall provide the Governor and the General Assembly with a report of its findings by January 1, 2016; and that if duplicative services are identified, the Department shall work in conjunction with the agencies providing duplicative services to develop a policy or policies to ensure efficient expenditure of State resources, to be completed by December 31, 2016. 225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

745 ILCS 70/3	from Ch. 111 1/2, par. 5303
745 ILCS 70/6.1 new	
745 ILCS 70/6.2 new	
745 ILCS 70/7	from Ch. 111 1/2, par. 5307
745 ILCS 70/9	from Ch. 111 1/2, par. 5309

Amends the Health Care Right of Conscience Act. Makes changes in the Section concerning findings and policy. Defines "access to care and information protocols" and "material information". Provides that notwithstanding any other law, a health care facility, or any physician or health care personnel working in the facility, may refuse to permit, perform, assist in, counsel about, suggest, recommend, refer for, or participate in health care services because of a conscience-based objection only if the refusal occurs in accordance with written access to care and information protocols designed to ensure that (1) the patient receives material information in a timely fashion; and (2) the refusal will not impair the patient's health by causing delay of or inability to access the refused health care service. Provides that nothing in the Act shall be construed to prevent a health care facility from requiring that physicians or health care personnel working in the facility comply with access to care and information protocols. Makes other changes in Sections concerning: (i) discrimination by employers or institutions; and (ii) liability.

SENATE COMMITTEE AMENDMENT NO. 2

Makes a change in the Section concerning findings and policy. Provides that the amendatory provisions are applicable notwithstanding other provisions of the Health Care Right of Conscience Act or any other law (rather than "notwithstanding any other law").

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

745 ILCS 70/7

Adds reference to:

745 ILCS 70/6

from Ch. 111 1/2, par. 5306

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, but with the following changes: In a provision defining terms: (i) removes the terms "access to care and information protocols" and "material information" and their corresponding definitions; and (ii) defines "undue delay" as unreasonable delay that causes impairment of the patient's health. Makes changes to a provision concerning the duty of physicians and other health care personnel. Removes a provision concerning the duty to enact and comply with access to care and information protocols and instead provides that all health care facilities shall adopt written access to care and information protocols that are designed to ensure that conscience-based objections do not cause impairment of patients' health and that explain how conscience-based objections will be addressed in a timely manner to facilitate patient health care services. Provides that certain protections under the Act only apply if conscience-based refusals occur in accordance with these protocols. Provides that the protocols must, at a minimum, address certain matters. Removes changes made to a provision concerning discrimination by employers or institutions. Adds a January 1, 2016 effective date.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with SB 1564. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 1564; therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

SB 1564 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 1564 as Engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will not have a fiscal impact to the State.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Public Health)

SB 1564 has zero fiscal impact on the Department of Public Health.

FISCAL NOTE (Dept. of Healthcare & Family Services)

It is unclear if the passage of SB 1564 would jeopardize federal funding for the Illinois Medical Assistance Program. The Church Amendment codified at 42 U.S.C. § 300a-7, stipulates that for healthcare services funded in whole or in part by a program administered by the U.S. Department of Health and Human Services (HHS), no person may be required to "perform or assist in the performance of any sterilization procedure or abortion if his performance or assistance in the performance of such procedure or abortion would be contrary to his religious beliefs or moral convictions." The requirement in SB 1564 that the provider refer individuals to other providers who perform the procedure, especially if abortion or sterilization, violates the Church amendment; such referral could be interpreted as assistance with a morally objectionable procedure.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOUSE FLOOR AMENDMENT NO. 1

Removes the effective date Section.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1564 as amended by HA1; therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with SB 1564 HA#1. The bill would have no fiscal or population impact on the Department.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

Would not affect the affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1564 will not impact any public pension fund or retirement system in Illinois.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

This bill will not have a fiscal impact to the State.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Public Health)

SB 1564 has zero fiscal impact on the Department of Public Health.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This legislation does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This legislation does create a State mandate.

Amends the State Employees Group Insurance Act of 1971. Sets forth provisions regarding health benefits for TRS benefit recipients, TRS dependent beneficiaries, community college benefit recipients, and community college dependent beneficiaries. Permits eligible benefit recipients and dependent beneficiaries to elect not to participate in the program of health benefits during the benefit recipient's annual open enrollment period. Amends the Public Utilities Act. Requires the Illinois Commerce Commission to update its response presented in the report titled "Potential Nuclear Power Plant Closings in Illinois". Also requires the Commission to update, in conjunction with the Illinois Power Agency, the Illinois Environmental Protection Agency, and the Department of Commerce and Economic Opportunity, the report's findings regarding potential market-based solutions that will ensure the premature closure of these nuclear power plants does not occur and that the dire consequence to the economy, jobs, and the environment are averted. Provides that the provision is repealed on June 30, 2017. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the introduced bill with the following changes: In provisions concerning findings, removes language regarding addressing the threat of climate change. In a definition of "cost-effective", provides that the costs of procuring LCE credits do not cause the stated limit to exceed benchmarks based on market prices for renewable energy resources in the region, which shall be developed by the procurement administrator, in consultation with the Commission staff, Agency, and the procurement monitor and shall be subject to Commission review and approval (rather than exceed the Social Cost of Carbon equivalent as provided in the United States Interagency Working Group on Social Cost of Carbon). Provides that the result of the computation of the procurement of LCE credits shall apply to and reduce the procurement for all retail customers, and all such customers shall pay the same single, uniform cents per kilowatt-hour charge. Provides that, in the event more than one type of credit is issued for the same megawatt-hour of energy, only one credit can be used to satisfy the requirements of a single portfolio standard, and, after such use, the credit must be retired together with any other credits issued for the same megawatt-hour of energy. Effective immediately.

Provides that the appropriation authority granted in the Act shall be valid for costs incurred prior to July 1, 2016. Effective immediately.

authority is valid only for costs incurred before September 1, 2016. Effective immediately.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 2059 (H-AM 3) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 2059 (H-AM 3) will not impact any public pension fund or retirement system in Illinois.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of Management and Budget)

All appropriations in this bill are from the Education Assistance Fund and there are sufficient FY16 revenues for this fund to support these appropriations. The funds in the Education Assistance Fund can only be utilized for education funding and Senate Bill 2059 (H-AM 3) does not add to the FY16 budget deficit already projected by the Governor's Office of Management and Budget.

FISCAL NOTE (IL Board of Higher Education)

This amendment makes the following appropriations payable from the Education Assistance Fund (EAF) for costs incurred prior to September 1, 2016, as follows: (1) \$20,107,300 -Chicago State University; (2) \$6,974,400 - Governors State University; (3) \$74,142,300- Illinois Community College Board; (4) \$6,000,000 -Illinois Mathematics and Science Academy; (5) \$10,695,100 - Northeastern Illinois University; (6) \$57,482,200 - Southern Illinois University; (7) \$168,989,500 - University of Illinois; (8) \$11,104,600 - University of Illinois, Hospital; (9) \$12,456,500 - Eastern Illinois University; (10) \$20,934,900 - Illinois State University; (11) \$169,798,700 - Illinois Student Assistance Commission, MAP Awards; (12) \$26,403,200 - Northern Illinois University; (13) \$14,911,400 - Western Illinois University. In total, the amendment appropriates \$600,000,100 from the Education Assistance Fund. According to the State Comptroller's Ledger website, the "ending daily balance" in the Education Assistance Fund on April 19, 2016 was \$302.7 million. Since the Illinois Board of Higher Education is not privy to fiscal information regarding all obligations anticipated to be payable from the EAF for Fiscal Year 2016, a budgetary balance statement cannot therefore be provided. However, pursuant to the Balanced Budget Impact Note filed on April 21, 2016 by the Governor's Office of Management and Budget, the office responsible for such monitoring such of state funds and recording obligations to be drawn accordingly, reports there will be sufficient revenues in the EAF to meet the appropriations provided in this legislation. Specifically, the Note states: "All appropriations in this bill are from the Education Assistance Fund and there are sufficient FY16 revenues for this fund to support these appropriations. The funds in the Education Assistance Fund can only be utilized for education funding and Senate Bill 2059 (H-AM 3) does not add to the FY16 budget deficit already projected by the Governor's Office of Management and Budget."

Amends the University of Illinois Act, Southern Illinois University Management Act, Chicago State University Law, Eastern Illinois University Law, Governors State University Law, Illinois State University Law, Northeastern Illinois University Law, Northern Illinois University Law, and Western Illinois University Law. Provides that notwithstanding any other provision of law to the contrary, a student who meets the requisite requirements concerning being deemed an Illinois resident for tuition purposes is eligible to apply or receive consideration for any student aid or benefit funded or administered by the State, State agencies, public institutions, or the university, including scholarships, grants, awards, stipends, room and board, tuition waivers, or other financial or in-kind assistance, but excluding Monetary Award Program grants.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the amendatory language applies only to students who meet certain requirements for being a resident of Illinois but are not necessarily a citizen or permanent resident of the United States.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)

SB 2196 has no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

SB 2196 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 2196 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (IL Student Assistance Commission)

The bill could have a small impact on the Illinois Veteran Grant (IVG) program. A federal pilot program has allowed some people with Deferred Action for Childhood Arrivals (DACA) status to enlist in the U.S. military. The Illinois Student Assistance Commission does not have information on how many, if any, Illinois residents have taken advantage of this option, but if so, and if SB 2196 were approved, these undocumented individuals might thereafter meet the requirements to qualify for IVG. If so, there could be a small increase in costs borne by public universities since they are

not currently reimbursed for the tuition and mandatory fees waived under IVG. The total impact from this change on public universities, if any, would be expected to be small.
BALANCED BUDGET NOTE (Office of Management and Budget)

The bill does not have an impact on a balanced budget based on the assumption that there will be no changes to the current state funding levels.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the Sexual Assault Evidence Submission Act. When a consistent DNA profile has been identified from submitted sexual assault evidence, the Department of State Police shall notify the investigating law enforcement agency of the match, and the Department shall track and maintain a record of its notification of, and the follow up by, the investigating law enforcement agency. The record maintained by the Department shall also document any written request, from the Department to the investigating law enforcement agency, seeking the submission of an additional DNA standard for a comparison analysis or confirmatory forensic analysis, and whether the investigating law enforcement agency has complied with those requests. If, after 60 days, the investigating law enforcement agency fails to comply with any request for an additional DNA standard, then the Department shall send a second written request to both the investigating law enforcement agency and the county Sheriff of the county where the agency is located. The Department shall maintain a record of the percentage of cases in which an additional DNA standard is submitted by the investigating law enforcement agency for a comparison analysis or confirmatory forensic analysis. Beginning June 1, 2016, each law enforcement agency must conduct an annual inventory of all sexual assault cases in the custody of the law enforcement agency and provide written notice of its annual findings to the Department. The Department shall compile and report the findings of each inventory under the Act. 110 ILCS 805/3-22.1 from Ch. 122, par. 103-22.1

Amends the Governmental Account Audit Act. Provides that units of local government (including school districts and public colleges and universities) shall limit contracts or appointments with auditors to 5 years and shall competitively bid auditor contracts or appointments. Provides that a unit of local government may not contract with or appoint an auditor or auditing firm who has done any audit of the unit of local government in the previous 5 fiscal years unless an auditing firm practices audit partner rotation. Allows the Comptroller to waive the limitation on the same auditor or auditing firm in certain circumstances. Amends the Counties Code, the Illinois Municipal Code, the Park District Code, the School Code, the Board of Higher Education Act, and the Public Community College Act making conforming changes.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the language of the introduced bill with the following changes: Deletes definitions for "licensed public accountant" and "licensed public accounting firm". Defines "audit partner", "CPA" or "C.P.A.", and "CPA firm". Changes references from "licensed public accountant" and "licensed public accounting firm" to "CPA" and "CPA firm", respectively. Provides for the appointment of auditors only after advertising for and following a competitive request for proposals process that solicits qualifications and proposals from interested parties (rather than appointing the lowest responsible bidder after advertising for bids). Makes corresponding changes. Changes the circumstances in which the Comptroller may waive the limitation on using the same auditor or auditing firm.

Adds the Interagency Committee as a member of the State Housing Task Force and removes the following State Departments or their designees from the State Housing Task Force: the Secretaries of Human Services and Transportation; the Directors of the State Departments of Aging, Children and Family Services, Commerce and Economic Opportunity, Financial and Professional Regulation, Healthcare and Family Services, Human Rights, Natural Resources, Public Health, and Veterans' Affairs; the Director of the Environmental Protection Agency; and a representative of the Governor's Office of Management and Budget. Removes a provision permitting the Governor to invite and appoint a representative of the Illinois Institute for Rural Affairs of Western Illinois University to the State Housing Task Force; and provides that the Governor may invite and appoint a representative of the U. Makes changes concerning certain duties of the Interagency Committee and repeals a provision requiring the Illinois Housing Development Authority to annually issue a joint Notice of Funding Availability to notify potential applicants of funding for specific programs expected to be available through State agencies to meet housing and supportive service needs identified in the Annual Comprehensive Housing Plan. New Act

Creates the Citizen Privacy Protection Act. Provides that a law enforcement agency may not use a cell site simulator device, except to locate or track the location of a communications device or to identify a communications device. Except as provided in the Freedom From Location Surveillance Act, a court order based on probable cause that a person whose location information is sought has committed, is committing, or is about to commit a crime, is required for any permitted use of a cell site simulator device. Provides that an application for a court order to use a cell site simulator device, including an emergency application under the Freedom From Location Surveillance Act, must include a description of the nature and capabilities of the cell site simulator device to be used and the manner and method of its deployment, including whether the cell site simulator device will obtain data from non-target communications devices. Provides that an application for a court order to use a cell site simulator device, including an emergency application under the Freedom From Location Surveillance Act, must also include a description of the procedures that will be followed to protect the privacy of non-targets of the

investigation, including the immediate deletion of data obtained from non-target communications devices. Provides that if the court finds by a preponderance of the evidence that a law enforcement agency used a cell site simulator to gather information in violation of the limits in the Act, then the information shall be presumed to be inadmissible in any judicial or administrative proceeding. Defines "cell site simulator device", "communications device", and "law enforcement agency".

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the bill as introduced with the following changes. Provides that if the cell site simulator device is used to locate or track a known communications device, all non-target data must be deleted as soon as reasonably practicable, but no later than once every 24 hours. Provides that if the cell site simulator device is used to identify an unknown communications device, all non-target data must be deleted as soon as reasonably practicable, but no later than within 72 hours of the time that the unknown communications device is identified, absent a court order preserving the non-target data and directing that it be filed under seal with the court. Provides that the court may retain data obtained from a non-target communications device under a court order showing good cause for no longer than the period required under Supreme Court Rules. Provides that the law enforcement agency is prohibited from accessing data obtained from a non-target communications device for the purpose of any investigation not authorized by the original warrant. Provides that a court order issued may be sealed upon a showing of need, but for no more than 180 days, with any extensions to be granted upon a certification that an investigation remains active or a showing of exceptional circumstances.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that the law enforcement agency is prohibited from accessing data obtained from a non-target communications device for the purpose of any investigation not authorized by the original court order (rather than warrant).

Adds reference to:

105 ILCS 126/16 new

Replaces everything after the enacting clause. Amends the Childhood Hunger Relief Act. Creates the breakfast after the bell program. Requires the board of education of each school district in the State to implement and operate a breakfast after the bell program in the next academic year after the effective date of the amendatory Act, if a breakfast after the bell program does not already exist, in each school building (1) in which at least 70% or more of the students are eligible for free or reduced-price lunches based upon the current year's October claim (for those schools that participate in the National School Lunch Program); (2) in which at least 70% or more of the students are classified as low-income according to the Fall Housing Data from the previous year (for those schools that do not participate in the National School

Lunch Program); or (3) that has a claiming percentage for free or reduced-price meals of 70% or more (for those schools using Provision 2 under the federal Richard B. Russell National School Lunch Act or the Community Eligibility Provision under the federal Healthy, Hunger-Free Kids Act of 2010 to provide universal meals). Allows schools that fall below the threshold for 2 consecutive years to continue participating in the program, but does not require them to do so. Allows schools to determine the service model used. In provisions requiring the property owner to notify the chief county assessment officer if the property is not occupied by the property owner as a principal residence as of January 1, provides that the notice must be provided by March 1 of the next year (in the engrossed bill, April 1 of that year). Provides that, if the exemption is not removed upon timely receipt of the notice by the chief assessment officer, then the exemption is considered an erroneous homestead exemption granted as a result of a clerical error or omission on the part of the chief county assessment officer, and the property owner is not liable for the payment of interest and penalties (in the engrossed bill, the exemption is not considered an erroneous homestead exemption). Provides that the notice of discovery must contain language informing the taxpayer that, if the taxpayer provided timely notice to the chief county assessment officer, then the chief county assessment officer will withdraw the notice of discovery and reissue a notice of discovery in which the taxpayer is not liable for interest and penalties for the current tax year in which the notice was received. Effective immediately.
