HOUSE RESOLUTION 123

Offered by Representative Chapa LaVia:

WHEREAS, On June 22, 1944, President Franklin D. Roosevelt signed the "Servicemen's Readjustment Act of 1944", better known as the "GI Bill of Rights"; and

WHEREAS, The bill at first was the subject of intense debate and parliamentary maneuvering, but has since been recognized as one of Congress' most important acts; and

WHEREAS, During the past five decades, the law has made possible the investment of billions of dollars in education and training for millions of veterans, and the nation has in return earned many times that investment in increased taxes and a dramatically changed society; and

WHEREAS, The law also made possible the loan of billions of dollars to purchase homes for millions of veterans and helped to transform the majority of Americans from renters to homeowners; and

WHEREAS, The 1944 GI Bill provided six benefits: education and training; loan guarantees for a home, farm, or business; unemployment pay; job-finding assistance; top priority for building materials for VA hospitals; and military review of dishonorable discharges; the home loan program is the only feature of the original bill that is still in force; and

WHEREAS, The original GI Bill ended in 1956, but subsequent GI Bills have continued the original bill's education and training benefits; the bill currently in effect is the Montgomery GI Bill, which provides benefits for veterans who served after July 1, 1985, and for military reservists; and

WHEREAS, In signing the original GI Bill, President Roosevelt stated that the Bill "gives emphatic notice to the men and women in our armed forces that the American people do not intend to let them down"; and

HOUSE JOINT RESOLUTION 27

Offered by Representative Yarbrough:

WHEREAS, The State of Illinois recognizes the Constitution of the United States as our charter of liberty and that the Bill of Rights enshrines the fundamental and inalienable rights of Americans, including the freedoms of privacy and from unreasonable searches; and

WHEREAS, Each of Illinois' duly elected public servants has sworn to defend and uphold the United States Constitution and the Constitution of the State of Illinois; and

WHEREAS, The State of Illinois denounces and condemns all acts of terrorism by any entity, wherever the acts occur; and

WHEREAS, Terrorist attacks against Americans, such as those that occurred on September 11, 2001, have necessitated the crafting of effective laws to protect citizens of the United States and others from terrorist attacks; and

WHEREAS, Any new security measures of federal, state, and local governments should be carefully designed and employed to enhance public safety without infringing on the civil liberties and rights of innocent citizens of Illinois and the United States; and

WHEREAS, The federal Real ID Act of 2005 creates a national identification card by requiring uniform information be placed on every state drivers' license, requiring this information to be machine-readable in a standard format and requiring this card for any federal purpose including air travel; and

WHEREAS, Real ID will be a costly unfunded mandate on the State with the National Governors' Association, the National Conference of State Legislators, and the American Association of Motor Vehicle Administrators estimating that Real ID will cost at least \$11 billion nationally over the next 5 years; and

WHEREAS, Real ID requires the creation of a massive public sector database containing the drivers' license information on every American, accessible to every state motor vehicle employee and state and federal law enforcement officer; and

WHEREAS, Real ID enables the creation of an additional massive private sector database of drivers' license information gained from scanning the machine-readable information contained on every drivers' license; and

WHEREAS, These public and private databases are certain to contain numerous errors and false information, creating significant hardship for Americans attempting to verify their identity in order to fly, open a bank account, or perform any of the numerous functions required to live in the United States today; and

WHEREAS, The Federal Trade Commission estimates that 10 million Americans are victims of identity theft annually and these thieves are increasingly targeting motor vehicle departments, Real ID will enable the crime of identity theft by making the personal information of all Americans including name, date of birth, gender, driver's license or identification card number, digital photograph, address, and signature accessible from tens of thousands of locations; and

WHEREAS, Real ID requires the drivers' licenses to contain actual home addresses in all cases and makes no provision for securing personal information for individuals in potential danger such as undercover police officers and victims of stalking or criminal harassment; and

WHEREAS, Real ID contains no exemption for religion, limits religious liberty, and tramples the beliefs of groups such as the Amish and some Evangelical Christians; and

WHEREAS, Real ID contains onerous record verification and retention provisions that place unreasonable burdens on both state Driver Services offices and on third parties required to verify records; and

WHEREAS, Real ID will likely place enormous burdens on consumers seeking a new drivers' license including longer lines, higher costs, increased document requests, and a waiting period; and

WHEREAS, Real ID will put under-resourced motor vehicle administration staff on the front lines of immigration enforcement by forcing them to determine citizenship status, increasing the potential for discrimination based on race and ethnicity, and placing an excessive burden on foreign-born license applicants and motor vehicle staff; and

WHEREAS, Real ID was passed without sufficient deliberation by Congress and never received a hearing by any Congressional committee or any vote solely on its own merits; and

WHEREAS, Real ID eliminated a process of negotiated rulemaking initiated under the Intelligence Reform and Terrorism Prevention Act of 2004, which had convened federal, state, and local policy makers, privacy advocates, and industry experts to solve the problem of misuse in identity documents; and

WHEREAS, More than 600 organizations opposed the passage of Real ID including the American Civil Liberties Union of Illinois; and

WHEREAS, Real ID would provide little security benefit and still leave identification systems open to insider fraud, counterfeit documentation, and database failures; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the Illinois General Assembly supports the government of the United States in its campaign against terrorism and affirms the commitment of the United States that the campaign not be waged at the expense of essential civil rights and liberties of citizens of this country that are protected in the United States Constitution and the Bill of Rights; and be it further

RESOLVED, That the members of the Illinois General Assembly oppose any portion of the Real ID Act that violates the rights and liberties guaranteed under the Illinois Constitution or the United States Constitution, including the Bill of Rights; and be it further

RESOLVED, That the Illinois General Assembly urges the Illinois Congressional delegation in the United States Congress to support measures to repeal the Real ID Act of 2005; and be it further

RESOLVED, That a copy of this resolution be delivered to President George W. Bush, Attorney General Alberto R. Gonzales, Governor Rod R. Blagojevich, Senator Richard Durbin, Senator Barack Obama, and each of the members of the Illinois Congressional delegation.

WHEREAS, They served in expanding positions of responsibility from laundresses and cooks to

administrators, from medical and technical personnel to full combatants; and

WHEREAS, Illinois State women contributed to establishing and maintaining our independence, preserving the Union, abolishing slavery, and advancing the cause of freedom and democracy around the world; and

WHEREAS, In times of conflict, State of Illinois women served the military as society permitted or as the situation demanded; and

WHEREAS, Women came forward to replace men as battlefield emergencies demanded and some even disguised their gender in order to serve; others masked their identity, risking their lives as couriers and intelligence agents; and

WHEREAS, The value of their contributions has finally been recognized by their ever-increasing integration and opportunities in the Armed Forces; and

WHEREAS, Women now make up over 15% of the active duty force and about 23% of the reserve force, totaling over 203,000 women soldiers; and

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the General Assembly authorize the construction of a memorial honoring women in military service on a portion of the State-owned property in Oak Ridge Cemetery in Springfield, Illinois.

HOUSE JOINT RESOLUTION 29

Offered by Representative Black:

WHEREAS, President George W. Bush established the Security and Prosperity Partnership (SPP) of North America, with the nations of Mexico and Canada on March 23, 2005; and

WHEREAS, A TV reporter asked President Bush on March 23, 2005, whether in light of the European Union the SPP was a step towards continental integration and he responded, "...So that the vision that you asked about in your question as to what kind of union might there be, I see one based upon free trade, that would then entail commitment to markets and democracy, transparency, rule of law..."; and

WHEREAS, The gradual creation of such a North American Union from a merger of the U.S., Mexico, and Canada would be a direct threat to the Constitution and national independence of the U.S., and imply an eventual end to national borders within North America; and

WHEREAS, A White House news release confirmed the continuing existence of the SPP and its "ongoing process of cooperation" on March 31, 2006; and

WHEREAS, Congressman Ron Paul has written that a key to the SPP plan is an extensive new NAFTA superhighway under this new "partnership," a massive highway is being planned to stretch from Canada into Mexico, through the state of Texas; and

WHEREAS, This trilateral partnership to develop a North American Union has never been presented to Congress as an agreement or treaty, and has had virtually no congressional oversight; and

WHEREAS, State and local governments throughout the United States would be negatively impacted by the SPP/North American Union process, such as the "open borders" vision of the SPP, eminent domain takings of private property along the planned superhighways, and increased law enforcement problems along those same superhighways; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the Congress of the United States, and particularly, the legislative delegation to congress of the State of Illinois, are hereby urged and petitioned to use all of their efforts, energies and diligence to withdraw the U.S. from any further participation in the Security and Prosperity Partnership of North America and any other bilateral or multilateral activity however named which seeks to advance, authorize, fund, or in any way promote the creation of any structure to accomplish any form of North American Union as herein described; and be it further

RESOLVED, That copies of this resolution be sent to the President pro tempore and the minority leader of the U.S. Senate, the Speaker and minority leader of the U.S. House of Representatives, and to each member of the Illinois congressional delegation.

For fiscal year 2005 through fiscal year 2007, no amounts may be transferred under this Section from the Road Fund, the State Construction Account Fund, the Criminal Justice Information Systems Trust Fund, the Wireless Service Emergency Fund, or the Mandatory Arbitration Fund.

In determining the available balance in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(a-5) Transfers directed to be made under this Section on or before February 28, 2006 that are still pending on May 19, 2006 (the effective date of Public Act 94-774) ~~this amendatory Act of the 94th General Assembly~~ shall be redirected as provided in Section 8n of this Act.

The following amendment was offered in the Committee on Electric Utility Oversight, adopted and
 reproduced:

AMENDMENT NO. 1. Amend House Bill 351 by replacing everything after the enacting clause
 with the following:

"Section 5. The Public Utilities Act is amended by adding Section 17-800 as follows:
 (220 ILCS 5/17-800 new)

Sec. 17-800. Aggregation of electrical load by municipalities and counties. The corporate authorities of a
 municipality or county board of a county may adopt an ordinance, under which it may aggregate in
 accordance with this Section residential retail electrical loads located, respectively, within the municipality
 or county and, for that purpose, may solicit bids and enter into service agreements to facilitate for those
 loads the sale and purchase of electricity and related services and equipment. The corporate authorities or
 county board also may exercise such authority jointly with any other municipality or county. An ordinance
 under this Section shall specify whether the aggregation will occur only with the prior consent of each
 person owning, occupying, controlling, or using an electric load center proposed to be aggregated. Nothing
 in this Section, however, authorizes the aggregation of electric loads that are served or authorized to be
 served by an electric cooperative as defined by and pursuant to the Electric Supplier Act or loads served by
 a municipality that owns and operates its own electric distribution system. No aggregation pursuant to an
 ordinance adopted under this Section that provides for an election under this Section shall take effect unless
 approved by a majority of the electors voting upon the ordinance at the election held pursuant to this
 Section.

A governmental aggregator under this Section is not a public utility or an alternative retail electric
 supplier and shall be subject to supervision and regulation by the Commission only to the extent provided
 in this Section.

A municipality may initiate a process to authorize aggregation by a majority vote of the municipal council, with the approval of the mayor. A county may initiate the process to authorize aggregation by a majority vote of the county board. Two or more municipalities or counties, or a combination of both, may initiate a process jointly to authorize aggregation by a majority vote of each particular municipality or county as herein required.

Upon the applicable requisite authority under this Section, the corporate authorities or the county board shall develop a plan of operation and governance for the aggregation program so authorized. Before adopting a plan under this Section, the corporate authorities or county board shall hold at least 2 public hearings on the plan. Before the first hearing, the corporate authorities or county board shall publish notice of the hearings once a week for 2 consecutive weeks in a newspaper of general circulation in the jurisdiction. The notice shall summarize the plan and state the date, time, and location of each hearing. Any load aggregation plan established pursuant to this Section shall:

(1) provide for universal access to all applicable residential customers and equitable treatment of applicable residential customers;

(2) describe demand management and energy efficiency services to be provided to each class of customers; and

(3) meet any requirements established by law or the Commission concerning aggregated service offered pursuant to this Section.

The plan shall be filed with the Commission for review and approval and shall include, without limitation, an organizational structure of the program, its operations, and funding; the methods of establishing rates and allocating costs among participants; the methods for entering and terminating agreements with other entities; the rights and responsibilities of program participants; and procedures for termination of the program. Within 120 days after receipt of the plan, the Commission shall issue an order either approving or rejecting the plan. If the Commission rejects the plan, it shall state detailed reasons for rejecting the plan in its order. Upon approval of the plan, the corporate authorities or county board may solicit bids for electricity and other related services pursuant to the methods established in the plan. The corporate authorities or county board shall report the results of this solicitation and proposed agreement awards to the Commission, which shall have 15 business days to suspend such awards if the solicitation or awards are not in conformance with the plan or if the cost for energy would in the first year exceed the cost of that energy if that energy was obtained from an electric utility under Section 16-103 of this Act by citizens in the municipality or county or group of municipalities and counties, unless the applicant can demonstrate that the cost for energy under the aggregation plan will be lower in the subsequent years or the applicant can demonstrate that such excess cost is due to the purchase of renewable energy. If the Commission does not suspend the proposed contract awards within 15 business days after filing, the corporate authorities or county board shall have the right to award the proposed agreements.

It shall be the duty of the aggregated entity to fully inform residential retail customers in advance that they have the right to opt in to the aggregation program. The disclosure shall prominently state all charges to be made and shall include full disclosure of the cost to obtain service pursuant to Section 16-103 of this Act, how to access it, and the fact that it is available to them without penalty, if they are currently receiving service under that Section. The Commission shall furnish, without charge, to any citizen a list of all supply options available to them in a format that allows comparison of prices and products."

(a) The Department shall be the sole agency responsible for receiving and investigating reports of child abuse or neglect made under this Act, except where investigations by other agencies may be required with respect to reports alleging the death of a child, serious injury to a child or sexual abuse to a child made pursuant to Sections 4.1 or 7 of this Act, and except that the Department may delegate the performance of the investigation to the Department of State Police, a law enforcement agency and to those private social service agencies which have been designated for this purpose by the Department prior to July 1, 1980.

(b) Notwithstanding any other provision of this Act, the Department shall adopt rules expressly allowing law enforcement personnel to investigate reports of suspected child abuse or neglect concurrently with the Department, without regard to whether the Department determines a report to be "indicated" or "unfounded" or deems a report to be "undetermined".

(105 ILCS 5/10-22.6) (from Ch. 122, par. 10-22.6)

Sec. 10-22.6. Suspension or expulsion of pupils; school searches.

(a) To expel pupils guilty of gross disobedience or misconduct, including gross disobedience or misconduct perpetuated by electronic means, and no action shall lie against them for such expulsion. Expulsion shall take place only after the parents have been requested to appear at a meeting of the board, or with a hearing officer appointed by it, to discuss their child's behavior. Such request shall be made by registered or certified mail and shall state the time, place and purpose of the meeting. The board, or a hearing officer appointed by it, at such meeting shall state the reasons for dismissal and the date on which the expulsion is to become effective. If a hearing officer is appointed by the board he shall report to the board a written summary of the evidence heard at the meeting and the board may take such action thereon as it finds appropriate.

(b) To suspend or by regulation to authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend pupils guilty of gross disobedience or misconduct, or to suspend pupils guilty of gross disobedience or misconduct on the school bus from riding the school bus, and no action shall lie against them for such suspension. The board may by regulation authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend pupils guilty of such acts for a period not to exceed 10 school days. If a pupil is suspended due to gross disobedience or misconduct on a school bus, the board may suspend the pupil in excess of 10 school days for safety reasons. Any suspension shall be reported immediately to the parents or guardian of such pupil along with a full statement of the reasons for such suspension and a notice of their right to a review, a copy of which shall be given to the school board. Upon request of the parents or guardian the school board or a hearing officer appointed by it shall review such action of the superintendent or principal, assistant principal, or dean of students. At such review the parents or guardian of the pupil may appear and discuss the suspension with the board or its hearing officer. If a hearing officer is appointed by the board he shall report to the board a written summary of the evidence heard at the meeting. After its hearing or upon receipt of the written report of its hearing officer, the board may take such action as it finds appropriate.

(c) The Department of Human Services shall be invited to send a representative to consult with the board at such meeting whenever there is evidence that mental illness may be the cause for expulsion or suspension.

(d) The board may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case by case basis. A student who is determined to have brought a weapon to school, any school-sponsored activity or event, or any activity or event which bears a reasonable relationship to school shall be expelled for a period of not less than one year, except that the expulsion period may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case by case basis. For the purpose of this Section, the term "weapon" means (1) possession, use, control, or transfer of any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18, United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Act, or use of a weapon as defined in Section 24-1 of the Criminal Code, (2) any other object if used or attempted to be used to cause bodily harm, including but not limited to, knives, brass knuckles, or billy clubs, or (3) "look alike" of any weapon as defined in this Section. Expulsion or suspension shall be construed in a manner consistent with the Federal Individuals with Disabilities Education Act. A student who is subject to suspension or expulsion as provided in this Section may be eligible for a transfer to an alternative school program in accordance with Article 13A of the School Code. The provisions of this subsection (d) apply in all school districts, including special charter districts and districts organized under Article 34.

(d-5) The board may suspend or by regulation authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend a student for a period not to exceed 10 school days or may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case by case basis, if (i) that student has been determined to have made an explicit threat on an Internet web site against a school employee, a student, or any school-related personnel, (ii) the Internet web site through which the threat was made is a site that was accessible within the school at the

time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, or (iii) the threat could be reasonably interpreted as bearing a reasonable relationship to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school. The provisions of this subsection (d-5) apply in all school districts, including special charter districts and districts organized under Article 34.

(e) To maintain order and security in the schools, school authorities may inspect and search places and areas such as lockers, desks, parking lots, and other school property and equipment owned or controlled by the school, as well as personal effects left in those places and areas by students, without notice to or the consent of the student, and without a search warrant. As a matter of public policy, the General Assembly finds that students have no reasonable expectation of privacy in these places and areas or in their personal effects left in these places and areas. School authorities may request the assistance of law enforcement officials for the purpose of conducting inspections and searches of lockers, desks, parking lots, and other school property and equipment owned or controlled by the school for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs. If a search conducted in accordance with this Section produces evidence that the student has violated or is violating either the law, local ordinance, or the school's policies or rules, such evidence may be seized by school authorities, and disciplinary action may be taken. School authorities may also turn over such evidence to law enforcement authorities. The provisions of this subsection (e) apply in all school districts, including special charter districts and districts organized under Article 34.

(f) Suspension or expulsion may include suspension or expulsion from school and all school activities and a prohibition from being present on school grounds.

(g) A school district may adopt a policy providing that if a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion before being admitted into the school district. This policy may allow placement of the student in an alternative school program established under Article 13A of this Code, if available, for the remainder of the suspension or expulsion. This subsection (g) applies to all school districts, including special charter districts and districts organized under Article 34 of this Code.
