RECALL

HOUSE BILL ON SECOND READING

HOUSE BILL 988. Having been recalled on May 3, 2007, the same was again taken up. Representative Phelps offered the following amendment and moved its adoption.

AMENDMENT NO. 1. Amend House Bill 988 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Municipal Code is amended by changing Sections 10-1-14 and 10-2.1-4 as follows:

(65 ILCS 5/10-1-14) (from Ch. 24, par. 10-1-14)

Sec. 10-1-14. The head of the department or office in which a position classified under this Division 1 is to be filled shall notify the commission of that fact, and the commission shall certify to the appointing officer the name and address of the candidate standing highest upon the register for the class or grade to which the position belongs. However, in cases of laborers where a choice by competition is impracticable, the commission may provide by its rules that the selections shall be made by lot from among those candidates proved fit by examination, but laborers who have previously been in the service and were removed because their services were no longer required, shall be preferred, and be reinstated before other laborers are given positions, preference being given to those who have had the longest term of service, and laborers in the employ of the municipality on July 1, 1949, who, as of such date, have been employed under temporary authority for 3 years or more or during parts of 3 or more calendar years, shall be preferred also, and shall be placed upon the register for such positions without examination and shall be certified before other laborers are given positions, preference being given to those laborers under temporary authority who have had the longest term of service in such positions. In making such certification, sex shall be disregarded. The appointing officer shall notify the commission of each position to be filled, separately, and shall fill such place by the appointment of the person certified to him or her by the commission therefor. Original appointment shall be on probation for a period not to exceed 6 months to be fixed by the rules but all time spent in attending training schools and seminars, except on-the-job training conducted by local Fire Department personnel, shall be excluded in calculating the probation period; provided that in municipalities with a population of more than 500,000 inhabitants, original appointment to the police department shall be on probation for a period not to exceed 9 months to be fixed by the rules of the department. The commission may strike off names of candidates from the register after they have remained thereon more than 2 years. At or before the expiration of the period of probation, the head of the department or office in which a candidate is employed may, by and with the consent of the commission, discharge him or her upon assigning in writing his or her reason therefor to the commission. If he or she is not then discharged, his or her appointment shall be deemed complete. To prevent the stoppage of public business, or to meet extraordinary exigencies, the head of any department or office may, with the approval

of the commission, make temporary appointment to remain in force not exceeding 120 days, and only until regular appointments under the provisions of this Division 1 can be made. In any municipal fire department that employs full time firefighters and is subject to a collective bargaining agreement, a person who has not qualified for regular appointment under the provisions of this Division 1 shall not be used as a temporary or permanent substitute for classified members of a municipality's fire department or for regular appointment as a classified member of a municipality's fire department unless mutually agreed to by the employee's certified bargaining agent. Such agreement shall be considered a permissive subject of bargaining. Municipal fire departments covered by the changes made by this amendatory Act of the 95th General Assembly that are using non-certificated employees as substitutes immediately prior to the effective date of this amendatory Act of the 95th General Assembly may, by mutual agreement with the certified bargaining agent, continue the existing practice or a modified practice and that agreement shall be considered a permissive subject of bargaining. A home rule unit may not regulate the hiring of temporary or substitute members of the municipality's fire department in a manner that is inconsistent with this Section. This Section is limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State. (Source: P.A. 80-1364.)

(65 ILCS 5/10-2.1-4) (from Ch. 24, par. 10-2.1-4)

Sec. 10-2.1-4. Fire and police departments; Appointment of members; Certificates of appointments.

The board of fire and police commissioners shall appoint all officers and members of the fire and police departments of the municipality, including the chief of police and the chief of the fire department, unless the council or board of trustees shall by ordinance as to them otherwise provide; except as otherwise provided in this Section, and except that in any municipality which adopts or has adopted this Division 2.1 and also adopts or has adopted Article 5 of this Code, the chief of police and the chief of the fire department shall be appointed by the municipal manager, if it is provided by ordinance in such municipality that such chiefs, or either of them, shall not be appointed by the board of fire and police commissioners.

If the chief of the fire department or the chief of the police department or both of them are appointed in the manner provided by ordinance, they may be removed or discharged by the appointing authority. In such case the appointing authority shall file with the corporate authorities the reasons for such removal or discharge, which removal or discharge shall not become effective unless confirmed by a majority vote of the corporate authorities.

If a member of the department is appointed chief of police or chief of the fire department prior to being eligible to retire on pension, he shall be considered as on furlough from the rank he held immediately prior to his appointment as chief. If he resigns as chief or is discharged as chief prior to attaining eligibility to retire on pension, he shall revert to and be established in whatever rank he currently holds, except for previously appointed positions, and thereafter be entitled to all the benefits and emoluments of that rank, without regard as to whether a vacancy then exists in that rank.

All appointments to each department other than that of the lowest rank, however, shall be from the rank next below that to which the appointment is made except as otherwise provided in this Section, and except that the chief of police and the chief of the fire department may be appointed from among members of the police and fire departments, respectively, regardless of rank, unless the council or board of trustees shall have by ordinance as to them otherwise provided. A chief of police or the chief of the fire department, having been appointed from among members of the police or fire department, respectively, shall be permitted, regardless of rank, to take promotional exams and be promoted to a higher classified rank than he currently holds, without having to resign as chief of police or chief of the fire department.

The sole authority to issue certificates of appointment shall be vested in the Board of Fire and Police Commissioners and all certificates of appointments issued to any officer or member of the fire or police department of a municipality shall be signed by the chairman and secretary respectively of the board of fire and police commissioners of such municipality, upon appointment of such officer or member of the fire and police department of such municipality by action of the board of fire and police commissioners. In any municipal fire department that employs full time firefighters and is subject to a collective bargaining agreement, a person who has not qualified for regular appointment under the provisions of this Division 2.1 shall not be used as a temporary or permanent substitute for classified members of a municipality's fire department unless mutually agreed to by the employee's certified bargaining agent. Such agreement shall be considered a permissive subject of bargaining. Municipal fire departments covered by the changes made by this amendatory Act of the 95th General Assembly that are using non-certificated employees as substitutes immediately prior to the effective date of this amendatory Act of the 95th General Assembly may, by

mutual agreement with the certified bargaining agent, continue the existing practice or a modified practice and that agreement shall be considered a permissive subject of bargaining. A home rule unit may not regulate the hiring of temporary or substitute members of the municipality's fire department in a manner that is inconsistent with this Section. This Section is limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

The term "policemen" as used in this Division does not include auxiliary police officers except as provided for in Section 10-2.1-6.

Any full time member of a regular fire or police department of any municipality which comes under the provisions of this Division or adopts this Division 2.1 or which has adopted any of the prior Acts pertaining to fire and police commissioners, is a city officer.

Notwithstanding any other provision of this Section, the Chief of Police of a department in a non-homerule municipality of more than 130,000 inhabitants may, without the advice or consent of the Board of Fire and Police Commissioners, appoint up to 6 officers who shall be known as deputy chiefs or assistant deputy chiefs, and whose rank shall be immediately below that of Chief. The deputy or assistant deputy chiefs may be appointed from any rank of sworn officers of that municipality, but no person who is not such a sworn officer may be so appointed. Such deputy chief or assistant deputy chief shall have the authority to direct and issue orders to all employees of the Department holding the rank of captain or any lower rank. A deputy chief of police or assistant deputy chief of police, having been appointed from any rank of sworn officers of rank, to take promotional exams and be promoted to a higher classified rank than he currently holds, without having to resign as deputy chief of police or assistant deputy chief of police.

Notwithstanding any other provision of this Section, a non-homerule municipality of 130,000 or fewer inhabitants, through its council or board of trustees, may, by ordinance, provide for a position of deputy chief to be appointed by the chief of the police department. The ordinance shall provide for no more than one deputy chief position if the police department has fewer than 25 full-time police officers and for no more than 2 deputy chief position sif the police department has 25 or more full-time police officers. The deputy chief position shall be an exempt rank immediately below that of Chief. The deputy chief may be appointed from any rank of sworn, full-time officers of the municipality's police department, but must have at least 5 years of full-time service as a police officer in that department. A deputy chief shall serve at the discretion of the Chief and, if removed from the position, shall revert to the rank currently held, without regard as to whether a vacancy exists in that rank. A deputy chief of police, having been appointed from any rank of sworn full-time officers of that municipality's police department, shall be permitted, regardless of rank, to take promotional exams and be promoted to a higher classified rank than he currently holds, without having to resign as deputy chief of police.

No municipality having a population less than 1,000,000 shall require that any firefighter appointed to the lowest rank serve a probationary employment period of longer than one year. The limitation on periods of probationary employment provided in this amendatory Act of 1989 is an exclusive power and function of the State. Pursuant to subsection (h) of Section 6 of Article VII of the Illinois Constitution, a home rule municipality having a population less than 1,000,000 must comply with this limitation on periods of probationary employment, which is a denial and limitation of home rule powers. Notwithstanding anything to the contrary in this Section, the probationary employment, to be a certified paramedic, during which time the sole reason that a firefighter may be discharged without a hearing is for failing to meet the requirements for paramedic certification.

Section 10. The Fire Protection District Act is amended by changing Section 16.06 as follows:

(70 ILCS 705/16.06) (from Ch. 127 1/2, par. 37.06)

Sec. 16.06. Eligibility for positions in fire department; disqualifications.

(a) All applicants for a position in the fire department of the fire protection district shall be under 35 years of age and shall be subjected to examination, which shall be public, competitive, and free to all applicants, subject to reasonable limitations as to health, habits, and moral character; provided that the foregoing age limitation shall not apply in the case of any person having previous employment status as a fireman in a regularly constituted fire department of any fire protection district, and further provided that each fireman or fire chief who is a member in good standing in a regularly constituted fire department of any municipality which shall be or shall have subsequently been included within the boundaries of any fire protection district now or hereafter organized shall be given a preference for original appointment in the

The examinations shall include tests of physical qualifications and health. No applicant, however, shall be examined concerning his political or religious opinions or affiliations. The examinations shall be conducted by the board of fire commissioners.

Such agreement shall be considered a permissive subject of bargaining. Fire protection districts covered by the changes made by this amendatory Act of the 95th General Assembly that are using non-certificated employees as substitutes immediately prior to the effective date of this amendatory Act of the 95th General Assembly that agreement with the certified bargaining agent, continue the existing practice or a modified practice and that agreement shall be considered a permissive subject of bargaining.

(b) No person shall be appointed to the fire department unless he or she is a person of good character and not a person who has been convicted of a felony in Illinois or convicted in another jurisdiction for conduct that would be a felony under Illinois law, or convicted of a crime involving moral turpitude. No person, however, shall be disqualified from appointment to the fire department because of his or her record of misdemeanor convictions, except those under Sections 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, 32-8, and subsections (1), (6), and (8) of Section 24-1 of the Criminal Code of 1961. WHEREAS, A significant growth in Post-Traumatic Stress Disorder (PTSD) has been identified over the past few years with the escalation of combat veterans returning home from the Iraq and Afghanistan conflicts; nation-wide calls for more assistance for those returning with mental issues as a result of combat have been growing, and this resolution is in response to those calls; and

WHEREAS, As of January 2007, more than 1.6 million U.S. Servicemen and women had served in Afghanistan and Iraq; and

WHEREAS, In October 2005, the U.S. Department of Veterans Affairs reported that more than 430,000 U.S. soldiers have been discharged from the military following service in Afghanistan and Iraq; more than 119,000 have sought help for medical or mental health issues from the Department of Veterans Affairs to date; and

WHEREAS, In January 2006, the Journal of the American Medical Association reported that 35% of Iraq Veterans have already sought help for mental health concerns; a 2003 New England Journal of Medicine Study found that more than 60% of Operation Iraqi Freedom/Operation Enduring Freedom veterans showing symptoms of PTSD were unlikely to seek help due to fears of stigmatization or loss of career advancement opportunities; and

WHEREAS, In 2005, the Department of Veterans Affairs reported that 18% of Afghanistan Veterans and 20% of Iraq Veterans in their care were suffering from some type of service-connected psychological disorder; and

WHEREAS, The Department of Veterans Affairs has seen a tenfold increase in PTSD cases in 2006; according to the VA, more than 37,000 Vets of Iraq and Afghanistan are suffering from mental health disorders, and more than 16,000 have already been diagnosed with PTSD; and

WHEREAS, According to the Army, since March 2003, at least 45 U.S. soldiers and 9 Marines have committed suicide in Iraq; at least 20 soldiers and 23 Marines have committed suicide since returning home, though exact numbers are not available; and

WHEREAS, The United States Congress is currently considering H.R. 612, H.R. 1538, S. 713, and H.R. 1268, which address the tragic Post-Traumatic Stress Disorder situation among our returning veterans; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that our returning veterans deserve the very best in healthcare, including mental care, and that both the Federal Government and State Governments must work together to provide this healthcare; and be it further
