"WHEREAS, There is clear evidence that quality after-school programs can achieve positive outcomes for children and youth in the areas of safety, academics, health and prevention, social and emotional skill building, civic engagement, and development of 21st century skills, making after-school programs a valuable and needed community service; and

WHEREAS, It is important for after-school programs to demonstrate characteristics of quality indicated by research to increase the likelihood of achieving positive outcomes for children and youth in their programs; and

WHEREAS, Illinois has multiple funding streams supporting after-school programs with distinct funding policies and priorities that are not coordinated across administering State agencies, resulting in gaps and overlaps of services; and

WHEREAS, The demonstrated need in communities for after-school services far outweighs the current available funding; and

WHEREAS, The majority of Illinois citizens report that there are not enough after-school opportunities in their communities; and

WHEREAS, Illinois has seen increasing investment in after-school programs by members of the General Assembly in response to the need for after-school programming; this increased funding needs to be strengthened with structures that ensure access, accountability, and sustainability and support the quality elements that are likely to result in positive youth outcomes; therefore, be it

RESOLVED, That this State has in place the Illinois After-School Partnership, which has over the past 3 years gathered data to support increased quality and availability of after-school programs and has access to State and national expertise on elements of a sound after-school system; these resources will be considered during the development of future funding policies; and be it further

RESOLVED, That the After-school Funding Policy Task Force shall undertake the following:

(2) develop policy recommendations that ensure adequate support for the administering agency to fund program monitoring, data collection, and accountability systems, professional development and technical assistance, and program evaluations for recipients of this funding and to provide technical assistance to organizations not previously funded by this State to increase their capacity to provide quality services; and be it further

RESOLVED, That the After-school Funding Policy Task Force shall produce a report outlining policy recommendations no later than October 1, 2007, which report must be presented to all appropriate House committees for approval; and upon presenting its report the Task Force is dissolved; and be it further
