HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 927

Offered by Representative Stephens:

WHEREAS, Steel cable strung in highway medians is a low-cost safety device that is proving phenomenally effective at saving lives, perhaps more so than steel-beam or concrete barriers; and

WHEREAS, Steel-beam, concrete, and cable barriers all cut down on accidents in which cars cross over into oncoming traffic; cable, however, also cuts down on the number of rebound accidents in which a vehicle hits a barrier and bounces back into traffic; and cable performs better than other barriers when installed on the moderately sloping terrain common to many existing medians; and

WHEREAS, Because cable barriers are considerably cheaper, states can install them in medians where motorists had no protection before; cable costs about 30% less than steel and 50% less than concrete; and

WHEREAS, Several other states have installed cable barriers and have had dramatic drops in fatalities and injuries from crossover accidents; Missouri saw a 92% decrease, down to only 2 deaths, in 2006, after the state installed cable barriers along Interstate 70; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we request that the Department of Transportation conduct a study on the advisability of expanding the use of cable barriers in Illinois and report its findings and recommendations to the General Assembly no later than July 1, 2009; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Secretary of Transportation.

HOUSE RESOLUTION 929

WHEREAS, The Laborers' Union was started and built by immigrants and minorities; today, they continue to be the fastest growing segment of the Union's membership; and

WHEREAS, In 1965, the Laborers' Union officially changed its name to the "Laborers' International Union of North America" to better reflect the continual expansion of the union beyond the construction field; and

WHEREAS, For 80 years, Laborers' Local 751 has played a vital role in building the City of Kankakee by constructing highways, bridges, tunnels, dams, power plants, factories, office buildings, schools, churches, hospitals, houses, and apartment buildings; and

WHEREAS, Laborers' Local 751 is an extraordinary union whose leadership has worked hard for 80 years to protect its members' health and safety, to provide laborers a strong voice in the workplace and extensive skill training designed to empower its members to reach their potential, and, perhaps most important, to ensure the dignity, respect, and security of laborers in the workplace; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we congratulate the members and officers of the Laborers' Local 751 for its many achievements over the last 80 years, for the strength of its membership, and for enhancing the standard of living and work environments for future laborers; and be it further

RESOLVED, That we designate February 6, 2008 as Laborers' Local 751 Day in the State of Illinois in recognition of the 80 years of service provided by this extraordinary union; and be it further

WHEREAS, Young people are equipped with the confidence, intellectual capacity, and skills to explore the far reaches of the Internet, yet lack the savvy they need to be safe and protected from the Internet's many dangers; and

WHEREAS, Internet usage among young people is very prevalent with modern society; 87 percent of young people ages 12 to 17 use the Internet; 20 percent of young people ages 10 to 17 have received unwanted sexual solicitations; of those, 75 percent who received a sexual solicitation did not tell a parent; according to a recent study, 1 of 3 children admitted that they considered meeting face-to-face with people they met on the Internet; in January of 2007, 25 million people visited the popular website MySpace; and

WHEREAS, In this modern age, parents have to keep themselves up to date and educated with ever-changing information to protect their children from getting into trouble and away from danger on the Internet; and

WHEREAS, Unknowing of the potential dangers, teenagers post personal information online, such as posting pictures online or sending them to "friends" around the country; after developing an online relationship with another person, teenagers may consider that person a friend and give them phone numbers, class or activity schedules, or other identifying information, which could potentially lead to disastrous outcomes; and

WHEREAS, Concerned parents throughout the State of Illinois and the nation at large must encourage their children to use the Internet in a safe and responsible manner and to be aware of the dangers that present themselves with this powerful and useful, yet hazardous, tool; therefore, be it

HOUSE JOINT RESOLUTION 87

Offered by Representative Chapa LaVia:

WHEREAS, On June 22, 1944, President Franklin D. Roosevelt signed the "Servicemen's Readjustment Act of 1944", better known as the "GI Bill of Rights"; and

WHEREAS, The bill at first was the subject of intense debate and parliamentary maneuvering, but has since been recognized as one of Congress' most important acts; and

WHEREAS, During the past five decades, the law has made possible the investment of billions of dollars in education and training for millions of veterans, and the nation has in return earned many times that investment in increased taxes and a dramatically changed society; and

WHEREAS, The law also made possible the loan of billions of dollars to purchase homes for millions of veterans and helped to transform the majority of Americans from renters to homeowners; and

WHEREAS, The 1944 GI Bill provided six benefits: education and training; loan guarantees for a home, farm, or business; unemployment pay; job-finding assistance; top priority for building materials for VA hospitals; and military review of dishonorable discharges; the home loan program is the only feature of the original bill that is still in force; and

WHEREAS, The original GI Bill ended in 1956, but subsequent GI Bills have continued the original bill's education and training benefits; the bill currently in effect is the Montgomery GI Bill, which provides benefits for veterans who served after July 1, 1985, and for military reservists; and

WHEREAS, In signing the original GI Bill, President Roosevelt stated that the Bill "gives emphatic notice to the men and women in our armed forces that the American people do not intend to let them down"; and

WHEREAS, Our servicemen and women have sacrificed much for our country, and continued funding of GI Bill benefits is imperative to ensure that they are treated with the respect they deserve; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge the federal government to meet all of the financial obligations of the GI Bill; and be it further

RESOLVED, That copies of this resolution be sent to President George W. Bush, federal Secretary of Veterans Affairs James Peake, each member of the Illinois Congressional delegation, and the Director of the Illinois Department of Veterans' Affairs.

HOUSE JOINT RESOLUTION 88

Offered by Representative Tracy:

WHEREAS, In 1885, the 34th Illinois General Assembly passed legislation to establish a soldiers' and sailors' home for disabled Illinois veterans of the Mexican and Civil Wars; and

WHEREAS, On June 1, 1886, Governor Richard Oglesby decided on Quincy as the site of the new home; the home is the largest and oldest veterans home of the four located in Illinois, and one of the larger and older veterans homes in the country; and

WHEREAS, Originally named "Soldiers and Sailors Home" until 1974, it is currently home to nearly 600 veterans and their spouses; over 70 of the 102 counties in Illinois are represented within the current membership; and

WHEREAS, The Illinois Veterans' Home at Quincy is responsible for providing economical and quality long-term care for veterans and their spouses, which includes domiciliary care, intermediate care, and skilled care; and

WHEREAS, Sunset Cemetery is located on the grounds of the Illinois Veterans Home in Quincy; and

WHEREAS, Over 7,000 veterans and spouses are laid to rest at Sunset Cemetery, dating back to the Civil War, including a large number of Medal of Honor recipients; and

WHEREAS, A section of Interstate 172 extends around Quincy from Illinois Route 96 to U.S. Route 24; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the section of Interstate 172 between Illinois Route 96 and U.S. Route 24 be designated "The Veterans Medal of Honor Highway"; and be it further

RESOLVED, That the Department of Transportation is requested to erect at suitable locations, consistent with State regulations, appropriate signs giving notice of the name; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Secretary of the Illinois Department of Transportation, and to the Illinois Veterans Home in Quincy.

HOUSE JOINT RESOLUTION 89

Offered by Representative Moffitt:

WHEREAS, Many Illinois residents who are at risk of unnecessary or premature institutionalization receive in-home personal care services such as help with bathing, dressing, and personal hygiene; help with mobility, including help in getting to and from the bathroom; housekeeping and laundry; meal preparation; help in dealing with memory loss or confusion; and assistance with medications; these services enable them to remain in their homes instead of being placed in an institution; and

WHEREAS, There are many times when care, including in-home personal care, is most effective and

satisfying to the consumer if it is provided by the consumer's spouse; and

WHEREAS, Historically, federal funding was available to reimburse spouses for in-home personal care services they provided; in 1989, federal law was changed to prohibit the use of federal moneys to reimburse spouses for providing that care, and states accordingly changed their rules to contain a similar prohibition; two years ago, federal law was changed back to allow spousal reimbursement, but many states, including Illinois, have not changed their rules accordingly; and

WHEREAS, Frustrated spouses trying to care for their ailing partners while holding down a regular job should be allowed compensation for providing basic care such as bathing, meal preparation, and household chores; and

WHEREAS, It costs less money to care for someone in their home than to care for them in a facility; studies show that people respond better to treatment in their own homes; and with the State facing a critical shortage in health-care workers, paying spouses to provide in-home personal care services is a good way to alleviate the strain on the health care system; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge the Department of Human Services to consult with legislators, recipients of in-home personal care services, and caregivers in determining whether to change the Department's rules to allow payment to spouses for providing those services; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor and to the Secretary of Human Services.
