### **LETTERS OF TRANSMITTAL**

May 30, 2008

My vote on Senate Bill 2860 was predicated upon our inconsistency in dealing with contaminants that may be ingested by our citizens. I was prohibited from expressing my comments due to a parliamentary procedure which cut off debate. This bill, Senate Bill 2860, requires a warning label to be affixed to children's jewelry, toys, etc. if lead is contained in the product, despite the fact that the levels of lead are within the acceptable federal levels and safe. This concern arises if and only if a child ingests paint on a toy or other product defined in the legislation.

Recently, the City of Chicago disclosed that its water supply contains DEET, an insect repellent; a drug called gemfibrozil, which is used to treat blood triglycerides; and a drug called carbamazepine, which treats seizures. In 2003 the environmental advocacy group NRDC revealed that lead was found in Chicago's water system but at low levels. Recently, the commissioner of the city's water management department, John Spatz, stated that "research out here shows no harmful effect from the components we found at the very low levels."

The City of Chicago supplies water to its citizens and others throughout this state. Despite the proven fact that its water contains levels of lead and various other contaminants, the City of Chicago provides no warning on its bills to consumers. Water is obviously ingested daily by adults and children and is a necessity of life. Studies have shown that urban households use an average of 43 cubic meters per person annually and, by 2025, that individual consumption will increase to 48 cubic meters. My vote reflects the inconsistent policies we have imposed to warn our citizens of containments in our every day life.

Sincerely,  
s/Jim Durkin  
State Representative  
82<sup>nd</sup> District

AMENDMENT NO. 1. Amend House Bill 1141 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by adding Section 21-30 as follows:  
(105 ILCS 5/21-30 new)

AMENDMENT NO. 2. Amend House Bill 1141, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by changing Section 21-29 as follows:  
(105 ILCS 5/21-29)

Sec. 21-29. Salary Incentive Program for Hard-to-Staff Schools.

(a) The Salary Incentive Program for Hard-to-Staff Schools is established to provide categorical funding

for monetary incentives and bonuses for teachers and school administrators who are employed by school districts in schools designated as hard-to-staff by the State Board of Education.

For the purposes of this Section, "hard-to-staff school" means an elementary, middle, or high school that is operated by a school district and that ranks in the top 5% of schools in this State in the average rate of teacher attrition over a 5-year period. The State Board of Education shall allocate and distribute to qualifying schools ~~school districts~~ an amount as annually appropriated by the General Assembly for the Salary Incentive Program for Hard-to-Staff Schools. The State Board of Education's annual budget must set out by separate line item the appropriation for the program. Only teachers and principals who work full time and for a full school year are eligible for the incentives and bonuses.

(b) Unless otherwise provided by appropriation, each school's ~~school district's~~ annual allocation under the Salary Incentive Program for Hard-to-Staff Schools shall be the sum of the following incentives and bonuses:

(1) An annual payment of \$3,000 to be paid to each certificated teacher employed as a school teacher by the ~~a~~ school district. The school ~~district~~ shall distribute this payment to each eligible teacher as a single payment or in not more than 3 payments.

(2) An annual payment of \$5,000 to each certificated principal that is employed as a school principal by the ~~a~~ school district. The school ~~district~~ shall distribute this payment to each eligible principal as a single payment or in not more than 3 payments.

If the appropriation in a given fiscal year is insufficient to meet all needs under this Section, then claims under this Section must be prorated proportionally.

(c) Each regional superintendent of schools shall provide information about the Salary Incentive Program for Hard-to-Staff Schools to each individual seeking to register or renew a certificate.

(d) The State Board of Education, the Teachers' Retirement System of the State of Illinois, and the Public School Teachers' Pension and Retirement Fund of Chicago shall work together to validate data for the purposes of this Section as necessary.

(Source: P.A. 95-707, eff. 1-11-08.)

Section 10. If and only if Senate Bill 2042 of the 95th General Assembly becomes law, the School Code is amended by changing Sections 10-20.12a and 14-7.05 as follows:

(105 ILCS 5/10-20.12a) (from Ch. 122, par. 10-20.12a)

Sec. 10-20.12a. Tuition for non-resident pupils.

(a) To charge non-resident pupils who attend the schools of the district tuition in an amount not exceeding 110% of the per capita cost of maintaining the schools of the district for the preceding school year.

Such per capita cost shall be computed by dividing the total cost of conducting and maintaining the schools of the district by the average daily attendance, including tuition pupils. Depreciation on the buildings and equipment of the schools of the district, and the amount of annual depreciation on such buildings and equipment shall be dependent upon the useful life of such property.

The tuition charged shall in no case exceed 110% of the per capita cost of conducting and maintaining the schools of the district attended, as determined with reference to the most recent audit prepared under Section 3-7 which is available at the commencement of the current school year. Non-resident pupils attending the schools of the district for less than the school term shall have their tuition apportioned, however pupils who become non-resident during a school term shall not be charged tuition for the remainder of the school term in which they became non-resident pupils.

(b) Unless otherwise agreed to by the parties involved and where the educational services are not otherwise provided for, educational services for an Illinois student under the age of 21 (and not eligible for services pursuant to Article 14 of this Code) in any residential program shall be provided by the district in which the facility is located and financed as follows. The cost of educational services shall be paid by the district in which the student resides in an amount equal to the cost of providing educational services in the residential facility. Payments shall be made by the district of the student's residence and shall be made to the district wherein the facility is located no less than once per month unless otherwise agreed to by the parties.

The funding provision of this subsection (b) applies to all Illinois students under the age of 21 (and not eligible for services pursuant to Article 14 of this Code) receiving educational services in residential facilities, irrespective of whether the student was placed therein pursuant to this Code or the Juvenile Court Act of 1987 or by an Illinois public agency or a court. ~~Nothing in this Section shall be construed to relieve the district of the student's residence of financial responsibility based on the manner in which the student was placed at the facility.~~ The changes to this subsection (b) made by this amendatory Act of the 95th

General Assembly apply to all placements in effect on July 1, 2007 and all placements thereafter. For purposes of this subsection (b), a student's district of residence shall be determined in accordance with subsection (a) of Section 10-20.12b of this Code. The placement of a student in a residential facility shall not affect the residency of the student. When a dispute arises over the determination of the district of residence under this subsection (b), any person or entity, including without limitation a school district or residential facility, may make a written request for a residency decision to the State Superintendent of Education, who, upon review of materials submitted and any other items or information he or she may request for submission, shall issue his or her decision in writing. The decision of the State Superintendent of Education is final.

(105 ILCS 5/14-7.05)

Sec. 14-7.05. Placement in residential facility; payment of educational costs. For any student with a disability in a residential facility placement made or paid for by an Illinois public State agency or made by any court in this State, the school district of residence as determined pursuant to this Article is responsible for the costs of educating the child and shall be reimbursed for those costs in accordance with this Code. Subject to the this Section and relevant State appropriation, the resident district's financial responsibility and reimbursement must be calculated in accordance with the provisions of Section 14-7.02 of this Code. In those instances in which a district receives a block grant pursuant to Article 1D of this Code, the district's financial responsibility is limited to the actual educational costs of the placement, which must be paid by the district from its block grant appropriation. Resident district financial responsibility and reimbursement applies for both residential facilities that are approved by the State Board of Education and non-approved facilities, subject to the requirements of this Section. The Illinois placing agency or court remains responsible for funding the residential portion of the placement and for notifying the resident district prior to the placement, except in emergency situations. The residential facility in which the student is placed shall notify the resident district of the student's enrollment as soon as practicable after the placement. Failure of the placing agency or court to notify the resident district prior to the placement does not absolve the resident district of financial responsibility for the educational costs of the placement; however, the resident district shall not become financially responsible unless and until it receives written notice of the placement by either the placing agency, court, or residential facility. The placing agency or parent shall request an individualized education program (IEP) meeting from the resident district if the placement would entail additional educational services beyond the student's current IEP. The district of residence shall retain control of the IEP process, and any changes to the IEP must be done in compliance with the federal Individuals with Disabilities Education Act.

Payments shall be made by the resident district to the entity providing the educational services, whether the entity is the residential facility or the school district wherein the facility is located, no less than once per quarter unless otherwise agreed to in writing by the parties.

A residential facility providing educational services within the facility, but not approved by the State Board of Education, is required to demonstrate proof to the State Board of (i) appropriate certification of teachers for the student population, (ii) age-appropriate curriculum, (iii) enrollment and attendance data, and (iv) the ability to implement the child's IEP. A school district is under no obligation to pay such a residential facility unless and until such proof is provided to the State Board's satisfaction.

When a dispute arises over the determination of the district of residence under this Section, any person or entity, including without limitation a school district or residential facility, may make a written request for a residency decision to the State Superintendent of Education, who, upon review of materials submitted and any other items of information he or she may request for submission, shall issue his or her decision in writing. The decision of the State Superintendent of Education is final.

Section 10. Purpose. The express purpose of this legislation is to establish a method of enabling the creation of a locally customized program to utilize a palette of economic development incentives already in wide use throughout the State but organized in a unique, locally established district to attract businesses and tourism-related activity to provide stimulation of the local economies of the areas where these districts are formed in order to increase economic development, including jobs and tax revenues of every type, and to improve the quality of life in the areas affected by the unemployment, disinvestment, and population losses that characterize these areas and thereby increase the opportunities for rural Illinois families to remain intact and prosper.

Section 45. General fund; investments. Each District established pursuant to this Act shall maintain a general fund and may establish accounts and subaccounts within the general fund as necessary and convenient. All revenues and moneys received by the District shall be deposited in the general fund. The District may invest any unexpended moneys in the fund as provided by State law governing investments by public entities. Interest and other income from investments of monies in any account shall be credited to that account except as otherwise provided by law.

The District's investments must mature when the fund assets will be required for the purposes of this Section. If the liquid assets in the fund become insufficient to meet the District's obligations, the Board shall direct the fiscal agent to liquidate sufficient securities to meet all of the current obligations and immediately notify the Auditor General of the insufficiency. The Auditor General shall investigate and audit the circumstances surrounding the depletion of the fund and report the findings to the Board.

Section 60. The Counties Code is amended by changing Section 5-1062.3 as follows:

(55 ILCS 5/5-1062.3 new)

Sec. 5-1062.3. Stormwater management; Peoria.

(a) The purpose of this Section is to allow management and mitigation of the effects of urbanization on stormwater drainage in Peoria County and references to "county" in this Section apply only to that county. The purpose of this Section shall be achieved by:

(1) Consolidating the existing stormwater management framework into a united, countywide structure.

(2) Setting minimum standards for floodplain and stormwater management.

(3) Preparing a countywide plan for the management of stormwater runoff, including the management of natural and man-made drainageways. The countywide plan may incorporate watershed plans.

(b) A stormwater management planning committee may be established by county board resolution, with its membership consisting of equal numbers of county board and municipal representatives from each county board district, and such other members as may be determined by the county and municipal members. The county board may by ordinance divide the county into not less than 6 areas of approximately equal population, to be used instead of county board districts for the purpose of determining representation on the stormwater management planning committee.

The county board members shall be appointed by the chairman of the county board. Municipal members from each county board district or other represented area shall be appointed by a majority vote of the mayors of those municipalities that have the greatest percentage of their respective populations residing in that county board district or other represented area. All municipal and county board representatives shall be entitled to a vote; the other members shall be nonvoting members, unless authorized to vote by the unanimous consent of the municipal and county board representatives. A municipality that is located in more than one county may choose, at the time of formation of the stormwater management planning committee and based on watershed boundaries, to participate in the stormwater management planning program of either or both of the counties. Subcommittees of the stormwater management planning committee may be established to serve a portion of the county or a particular drainage basin that has similar stormwater management needs. The stormwater management planning committee shall adopt bylaws, by a majority vote of the county and municipal members, to govern the functions of the committee and its subcommittees. Officers of the committee shall include a chair and vice chair, one of whom shall be a county representative and one a municipal representative.

The principal duties of the committee shall be to develop a stormwater management plan for presentation to and approval by the county board, and to direct the plan's implementation and revision. The committee may retain engineering, legal, and financial advisors and inspection personnel. The committee shall meet at least quarterly and shall hold at least one public meeting during the preparation of the plan and prior to its submittal to the county board. The committee may make grants to units of local government that have adopted an ordinance requiring actions consistent with the stormwater management plan and to landowners for the purposes of stormwater management, including special projects; use of the grant money must be consistent with the stormwater management plan.

The committee shall not have or exercise any power of eminent domain.

(c) In the preparation of a stormwater management plan, a county stormwater management planning committee shall coordinate the planning process with each adjoining county to ensure that recommended stormwater projects will have no significant impact on the levels or flows of stormwaters in inter-county watersheds or on the capacity of existing and planned stormwater retention facilities. An adopted stormwater management plan shall identify steps taken by the county to coordinate the development of plan recommendations with adjoining counties.

(d) The stormwater management committee may not enforce any rules or regulations that would interfere with (i) any power granted by the Illinois Drainage Code (70 ILCS 605/) to operate, construct, maintain, or improve drainage systems or (ii) the ability to operate, maintain, or improve the drainage systems used on or by land or a facility used for production agriculture purposes, as defined in the Use Tax Act (35 ILCS 105/), except newly constructed buildings and newly installed impervious paved surfaces. Disputes regarding an exception shall be determined by a mutually agreed upon arbitrator paid by the disputing party or parties.

(e) Before the stormwater management planning committee recommends to the county board a stormwater management plan for the county or a portion thereof, it shall submit the plan to the Office of Water Resources of the Department of Natural Resources for review and recommendations. The Office, in reviewing the plan, shall consider such factors as impacts on the levels or flows in rivers and streams and the cumulative effects of stormwater discharges on flood levels. The Office of Water Resources shall determine whether the plan or ordinances enacted to implement the plan complies with the requirements of subsection (f). Within a period not to exceed 60 days, the review comments and recommendations shall be submitted to the stormwater management planning committee for consideration. Any amendments to the plan shall be submitted to the Office for review.

(f) Prior to recommending the plan to the county board, the stormwater management planning committee shall hold at least one public hearing thereon and shall afford interested persons an opportunity to be heard. The hearing shall be held in the county seat. Notice of the hearing shall be published at least once no less than 15 days in advance of the hearing in a newspaper of general circulation published in the county. The notice shall state the time and place of the hearing and the place where copies of the proposed plan will be accessible for examination by interested parties. If an affected municipality having a stormwater management plan adopted by ordinance wishes to protest the proposed county plan provisions, it shall appear at the hearing and submit in writing specific proposals to the stormwater management planning committee. After consideration of the matters raised at the hearing, the committee may amend or approve the plan and recommend it to the county board for adoption.

The county board may enact the proposed plan by ordinance. If the proposals for modification of the plan made by an affected municipality having a stormwater management plan are not included in the proposed county plan, and the municipality affected by the plan opposes adoption of the county plan by resolution of its corporate authorities, approval of the county plan shall require an affirmative vote of at least two-thirds of the county board members present and voting. If the county board wishes to amend the county plan, it shall submit in writing specific proposals to the stormwater management planning committee. If the proposals are not approved by the committee, or are opposed by resolution of the corporate authorities of an affected municipality having a municipal stormwater management plan, amendment of the plan shall require an affirmative vote of at least two-thirds of the county board members present and voting.

(g) The county board may prescribe by ordinance reasonable rules and regulations for floodplain management and for governing the location, width, course, and release rate of all stormwater runoff channels, streams, and basins in the county, in accordance with the adopted stormwater management plan. Land, facilities, and drainage district facilities used for production agriculture as defined in subsection (d) shall not be subjected to regulation by the county board or stormwater management committee under this Section for floodplain management and for governing location, width, course, maintenance, and release rate

of stormwater runoff channels, streams and basins, or water discharged from a drainage district. These rules and regulations shall, at a minimum, meet the standards for floodplain management established by the Office of Water Resources and the requirements of the Federal Emergency Management Agency for participation in the National Flood Insurance Program. The Commission may not impose more stringent regulations regarding water quality on entities discharging in accordance with a valid National Pollution Discharge Elimination System permit issued under the Environmental Protection Act.

(h) In accordance with, and if recommended in, the adopted stormwater management plan, the county board may adopt a schedule of fees as may be necessary to mitigate the effects of stormwater runoff based on actual costs. The fees shall not exceed the cost of satisfying the onsite stormwater retention or detention requirements of the adopted stormwater management plan. The fees shall be used to finance activities undertaken by the county or its included municipalities to mitigate the effects of urban stormwater runoff by providing regional stormwater retention or detention facilities, as identified in the county plan. The county board shall provide for a credit or reduction in fees for any onsite retention, detention, drainage district assessments, or other similar stormwater facility consistent with the stormwater management ordinance. Developers are exempt from any fees under this Section if the new development satisfies onsite retention or detention pursuant to any other local ordinance addressing erosion, sediment, or stormwater control and Illinois Environmental Protection Agency regulations that place the development into compliance with the National Pollutant Discharge Elimination System (NPDES) permit program at the time of the dedication of public infrastructure. All these fees collected by the county shall be held in a separate fund, and shall be expended only in the watershed within which they were collected.

(i) For the purpose of implementing this Section and for the development, design, planning, construction, operation, and maintenance of stormwater facilities provided for in the stormwater management plan, a county board that has established a stormwater management planning committee pursuant to this Section may cause an annual tax of not to exceed 0.20% of the value, as equalized or assessed by the Department of Revenue, of all taxable property in the county to be levied upon all the taxable property in the county or occupation and use taxes of 1/10 of one cent. The property tax shall be in addition to all other taxes authorized by law to be levied and collected in the county and shall be in addition to the maximum tax rate authorized by law for general county purposes. The 0.20% limitation provided in this Section may be increased or decreased by referendum in accordance with the provisions of Sections 18-120, 18-125, and 18-130 of the Property Tax Code (35 ILCS 200/).

Any revenues generated as a result of ownership or operation of facilities or land acquired with the tax funds collected pursuant to this subsection shall be held in a separate fund and be used either to abate such property tax or for implementing this Section.

However, the tax authorized by this subsection shall not be levied until the question of its adoption, either for a specified period or indefinitely, has been submitted to the electors thereof and approved by a majority of those voting on the question. This question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the question to the electors of the county. The county board shall certify the resolution and proposition to the proper election officials, who shall submit the proposition at an election in accordance with the general election law. If a majority of the votes cast on the question is in favor of the levy of the tax, it may thereafter be levied in the county for the specified period or indefinitely, as provided in the proposition. The question shall be put in substantially the following form:

Shall an annual tax be levied for stormwater management purposes (for a period of not more than ..... years) at a rate not exceeding .....% of the equalized assessed value of the taxable property of Peoria County?

Or this question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the question to the electors of the county to authorize use and occupation taxes of 1/10 of one cent:

Shall use and occupation taxes be raised for stormwater management purposes (for a period of not more than ..... years) at a rate of 1/10 of one cent for taxable goods in Peoria County?

Votes shall be recorded as Yes or No.

(j) If the county adopts a property tax in accordance with the provisions in this Section, the stormwater management committee shall offer property tax abatements or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. If the county adopts use and occupation taxes in accordance with the provisions of this Section, the stormwater management committee may offer tax rebates or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. The stormwater management committee is authorized to offer credits to

the property tax, if applicable, based on authorized practices consistent with the stormwater management plan and approved by the committee. Expenses of staff of a stormwater management committee that are expended on regulatory project review may be no more than 20% of the annual budget of the committee, including funds raised under subsections (h) and (i).

(k) If the county has adopted a county stormwater management plan under this Section it may, after 10 days written notice receiving consent of the owner or occupant, enter upon any lands or waters within the county for the purpose of inspecting stormwater facilities or causing the removal of any obstruction to an affected watercourse. If consent is denied or cannot be reasonably obtained, the county ordinance shall provide a process or procedure for an administrative warrant to be obtained. The county shall be responsible for any damages occasioned thereby.

(l) Upon petition of the municipality, and based on a finding of the stormwater management planning committee, the county shall not enforce rules and regulations adopted by the county in any municipality located wholly or partly within the county that has a municipal stormwater management ordinance that is consistent with and at least as stringent as the county plan and ordinance, and is being enforced by the municipal authorities. On issues that the county ordinance is more stringent as deemed by the committee, the county shall only enforce rules and regulations adopted by the county on the more stringent issues and accept municipal permits. The county shall have no more than 60 days to review permits or the permits shall be deemed approved.

(m) The county may issue general obligation bonds for implementing any stormwater plan adopted under this Section in the manner prescribed in Section 5-1012; except that the referendum requirement of Section 5-1012 does not apply to bonds issued pursuant to this Section on which the principal and interest are to be paid entirely out of funds generated by the taxes and fees authorized by this Section.

(n) The powers authorized by this Section may be implemented by the county board for a portion of the county subject to similar stormwater management needs.

(o) The powers and taxes authorized by this Section are in addition to the powers and taxes authorized by Division 5-15; in exercising its powers under this Section, a county shall not be subject to the restrictions and requirements of that Division.

(p) A home rule municipality may opt out of this Section by a majority vote of that municipality's governing body.

Written reports of joint review boards may include information and advisory, nonbinding recommendations provided by a minority of the members thereof. Any joint review board which does not provide such written report within such 30-day period shall be deemed to have recommended that the county proceed with a proposal to approve an economic development plan and economic development project and to designate an economic development project area.

(c) Notice of the public hearing shall be given by publication and mailing.

(1) Notice by publication shall be given by publication at least twice, the first publication to be not more than 30 nor less than 10 days prior to the hearing in a newspaper of general circulation within the taxing districts having property in the proposed economic development project area. In addition to the other requirements under this subsection (c), the notice shall include an invitation to the Department and each taxing district to submit comments to the county concerning the subject matter of the hearing prior to the date of the hearing.

(d) At the public hearing any interested person, the Department or any affected taxing district may file written objections with the county clerk and may be heard orally with respect to any issues embodied in the notice. Such notice by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such changes.

(f) At any time within 90 days of the final adjournment of the public hearing, a county may, by ordinance, approve the economic development plan, establish the economic development project area, and authorize property tax allocation financing for such economic development project area.

Any ordinance adopted by Whiteside County which approves the economic development plan shall contain findings that the economic development project is reasonably expected to create or retain not less than 500 full-time equivalent jobs, that private investment in an amount not less than \$25,000,000 is reasonably expected to occur in the economic development project area, that the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income, and that the economic development project will increase or maintain the property, sales and income tax bases of the county and of the State.

Any ordinance adopted by Grundy County that approves the economic development plan shall contain findings that the economic development project is reasonably expected to create or retain not less than 250 full-time equivalent jobs, that private investment in an amount not less than \$50,000,000 is reasonably expected to occur in the economic development project area, that the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income, and that the economic development project will increase or maintain the property, sales, and income tax bases of the county and of the State.

Any ordinance adopted by Stephenson County that approves an economic development plan shall contain findings that (i) the economic development project is reasonably expected to create or retain not less than 500 full-time equivalent jobs; (ii) private investment in an amount not less than \$10,000,000 is reasonably expected to occur in the economic development area; (iii) the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income; and (iv) the economic development project will increase or maintain the property, sales, and income tax bases of the county and of the State. Before the economic development project area is established by Stephenson County, the following additional conditions must be included in an intergovernmental agreement approved by both the Stephenson County Board and the corporate authorities of the City of Freeport: (i) the corporate authorities of the City of Freeport must concur by resolution with the findings of Stephenson County; (ii) both the corporate authorities of the City of Freeport and the Stephenson County Board shall approve any and all economic or redevelopment agreements and incentives for any economic development project within the economic development area; (iii) any economic development project that receives funds under this Act, except for any economic development project specifically excluded from annexation in the provisions of the intergovernmental agreement, shall agree to and must enter into an annexation agreement with the City

of Freeport to annex property included in the economic development project area to the City of Freeport at the first point in time that the property becomes contiguous to the City of Freeport; (iv) the local share of all State occupation and use taxes allocable to the City of Freeport and Stephenson County and derived from commercial projects within the economic development project area shall be equally shared by and between the City of Freeport and Stephenson County for the duration of the economic development project; and (v) any development in the economic development project area shall be built in accordance with the building and related codes of both the City of Freeport and Stephenson County and the City of Freeport shall approve all provisions for water and sewer service.

Any ordinance adopted by Peoria County that approves an economic development plan shall contain findings that (i) the economic development project is reasonably expected to create or retain not less than 250 full-time equivalent jobs; (ii) private investment in an amount not less than \$15,000,000 is reasonably expected to occur in the economic development project area; (iii) the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income; and (iv) the economic development project will increase or maintain the property, sales, and income tax bases of the county and of the State.

Any ordinance adopted which authorizes property tax allocation financing shall provide that the ad valorem taxes, if any, arising from the levies upon taxable real property in such economic development project area by taxing districts and tax rates determined in the manner provided in subsection (b) of Section 6 of this Act each year after the effective date of the ordinance until economic development project costs and all county obligations financing economic development project costs incurred under this Act have been paid shall be divided as follows:

(1) That portion of taxes levied upon each taxable lot, block, tract or parcel of real property which is attributable to the lower of the current equalized assessed value or the initial equalized assessed value of each such taxable lot, block, tract or parcel of real property in the economic development project area shall be allocated to, and when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of property tax allocation financing.

(2) That portion, if any, of such taxes which is attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the economic development project area over and above the initial equalized assessed value of each property in the economic development project area shall be allocated to and when collected shall be paid to the county treasurer who shall deposit those taxes into a special fund called the special tax allocation fund of the county for the purpose of paying economic development project costs and obligations incurred in the payment thereof.

(g) After a county has by ordinance approved an economic development plan and established an economic development project area, the plan may be amended and the boundaries of the area may be altered only as herein provided. Amendments which (1) alter the exterior boundaries of an economic development project area, (2) substantially affect the general land uses established pursuant to the economic development plan, (3) substantially change the nature of the economic development plan, (4) change the general description of any proposed developer, user, or tenant of any property to be located or improved within the economic development project area, or (5) change the description of the type, class and number of employees to be employed in the operation of the facilities to be developed or improved shall be made only after review by a joint review board, notice and hearing pursuant to the procedures set forth in this Section. Amendments which do not (1) alter the exterior boundaries of an economic development project area, (2) substantially affect the general land uses established in the economic development plan, (3) substantially change the nature of the economic development plan, (4) change the description of any proposed developer, user, or tenant of any property to be located or improved within the economic development project area, or (5) change the description of the type, class and number of employees to be employed in the operation of the facilities to be developed or improved within the economic development project area may be made without further hearing or notice, provided that the county shall give notice of any amendment by mail to the Department and to each taxing district and by publication in a newspaper or newspapers of general circulation within the affected taxing districts. (i) The county shall give notice by mail as provided in this Section and shall reconvene the joint review board not less than annually for each of the 2 years following its adoption of an ordinance adopting property tax allocation financing for an economic development project area and not less than once in each 3-year period thereafter. Sec. 5. Submission to Department; certification by Department.

(a) The county shall submit certified copies of any ordinances adopted approving a proposed economic development plan, establishing an economic development project area, and authorizing tax increment allocation financing to the Department, together with (1) a map of the economic development project area, (2) a copy of the economic development plan as approved, (3) an analysis, and any supporting documents and statistics, demonstrating (i) that the economic development project is reasonably expected to create or retain not less than 500 full-time equivalent jobs and (ii) that private investment in the amount of not less than \$25,000,000 for all ordinances adopted by Whiteside County, ~~and~~ in the amount of not less than \$10,000,000 for any ordinance adopted by Stephenson County, and in the amount of not less than \$15,000,000 for any ordinance adopted by Peoria County is reasonably expected to occur in the economic development project area, (4) an estimate of the economic impact of the economic development plan and the use of property tax allocation financing upon the revenues of the county and the affected taxing districts, (5) a record of all public hearings held in connection with the establishment of the economic development project area, and (6) such other information as the Department by regulation may require.

(b) Upon receipt of an application from a county the Department shall review the application to determine whether the economic development project area qualifies as an economic development project area under this Act. At its discretion, the Department may accept or reject the application or may request such additional information as it deems necessary or advisable to aid its review. If any such area is found to be qualified to be an economic development project area, the Department shall approve and certify such economic development project area and shall provide written notice of its approval and certification to the county and to the county clerk. In determining whether an economic development project area shall be approved and certified, the Department shall consider (1) whether, without public intervention, the State would suffer substantial economic dislocation, such as relocation of a commercial business or industrial or manufacturing facility to another state, territory or country, or would not otherwise benefit from private investment offering substantial employment opportunities and economic growth, and (2) the impact on the revenues of the county and the affected taxing districts of the use of tax increment allocation financing in connection with the economic development project.

Section 99. Effective date. This Act takes effect upon becoming law."

AMENDMENT NO. 2. Amend House Bill 4545, AS AMENDED, with reference to page and line

numbers of Senate Amendment No. 1, on page 9, by replacing line 5 with the following:

"Sections 5-1006.5 and 5-1062.3 as follows:

(55 ILCS 5/5-1006.5)

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facility purposes shall be in substantially the following form:

"To pay for public facility purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facility purposes shall be in substantially the following form:

"To pay for public facility purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves

for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county and (ii) any amount that the Department determines is necessary to offset any amounts that were

payable to a different taxing body but were erroneously paid to the county. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

Sec. 1A-4. Powers and duties of the Board.

A. (Blank).

B. The Board shall determine the qualifications of and appoint a chief education officer, to be known as the State Superintendent of Education, who may be proposed by the Governor and who shall serve at the pleasure of the Board and pursuant to a performance-based contract linked to statewide student performance and academic improvement within Illinois schools. Upon expiration or buyout of the contract of the State Superintendent of Education in office on the effective date of this amendatory Act of the 93rd General Assembly, a State Superintendent of Education shall be appointed by a State Board of Education that includes the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory Act of the 93rd General Assembly. Thereafter, a State Superintendent of Education must, at a minimum, be appointed at the beginning of each term of a Governor after that Governor has made appointments to the Board. A performance-based contract issued for the employment of a State Superintendent of Education entered into on or after the effective date of this amendatory Act of the 93rd General Assembly must expire no later than February 1, 2007, and subsequent contracts must expire no later than February 1 each 4 years thereafter. No contract shall be extended or renewed beyond February 1, 2007 and February 1 each 4 years thereafter, but a State Superintendent of Education shall serve until his or her successor is appointed. Each contract entered into on or before January 8, 2007 with a State Superintendent of Education must provide that the State Board of Education may terminate the contract for cause, and the State Board of Education shall not thereafter be liable for further payments under the contract. With regard to this amendatory Act of the 93rd General Assembly, it is the intent of the General Assembly that, beginning with the Governor who takes office on the second Monday of January, 2007, a State Superintendent of Education be appointed at the beginning of each term of a Governor after that Governor has made appointments to the Board. The State Superintendent of Education shall not serve as a member of the State Board of Education. The Board shall set the compensation of the State Superintendent of Education who shall serve as the Board's chief executive officer. The Board shall also establish the duties, powers and responsibilities of the State Superintendent, which shall be included in the State Superintendent's performance-based contract along with the goals and indicators of student performance and academic improvement used to measure the performance and effectiveness of the State Superintendent. The State Board of Education may delegate to the State Superintendent of Education the authority to act on the Board's behalf, provided such delegation is made pursuant to adopted board policy or the powers delegated are ministerial in nature. The State Board may not delegate authority under this Section to the State Superintendent to (1) nonrecognize school districts, (2) withhold State payments as a penalty, or (3) make final decisions under the contested case provisions of the Illinois Administrative Procedure Act unless otherwise provided by law.

C. The powers and duties of the State Board of Education shall encompass all duties delegated to the Office of Superintendent of Public Instruction on January 12, 1975, except as the law providing for such powers and duties is thereafter amended, and such other powers and duties as the General Assembly shall designate. The Board shall be responsible for the educational policies and guidelines for public schools, pre-school through grade 12 and Vocational Education in the State of Illinois. The Board shall analyze the present and future aims, needs, and requirements of education in the State of Illinois and recommend to the General Assembly the powers which should be exercised by the Board. The Board shall recommend the passage and the legislation necessary to determine the appropriate relationship between the Board and local boards of education and the various State agencies and shall recommend desirable modifications in the laws which affect schools.

D. Two members of the Board shall be appointed by the chairperson to serve on a standing joint Education Committee, 2 others shall be appointed from the Board of Higher Education, 2 others shall be appointed by the chairperson of the Illinois Community College Board, and 2 others shall be appointed by the chairperson of the Human Resource Investment Council. The Committee shall be responsible for making recommendations concerning the submission of any workforce development plan or workforce training program required by federal law or under any block grant authority. The Committee will be responsible for developing policy on matters of mutual concern to elementary, secondary and higher education such as Occupational and Career Education, Teacher Preparation and Certification, Educational Finance, Articulation between Elementary, Secondary and Higher Education and Research and Planning. The joint Education Committee shall meet at least quarterly and submit an annual report of its findings,

conclusions, and recommendations to the State Board of Education, the Board of Higher Education, the Illinois Community College Board, the Human Resource Investment Council, the Governor, and the General Assembly. All meetings of this Committee shall be official meetings for reimbursement under this Act.

E. Five members of the Board shall constitute a quorum. A majority vote of the members appointed, confirmed and serving on the Board is required to approve any action, except that the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory act of the 93rd General Assembly may vote to approve actions when appointed and serving.

Using the most recently available data, the ~~The~~ Board shall prepare and submit to the General Assembly and the Governor on or before January 14, 1976 and annually thereafter a report or reports of its findings and recommendations. Such annual report shall contain a separate section which provides a critique and analysis of the status of education in Illinois and which identifies its specific problems and recommends express solutions therefor. Such annual report also shall contain the following information for the preceding year ending on June 30: each act or omission of a school district of which the State Board of Education has knowledge as a consequence of scheduled, approved visits and which constituted a failure by the district to comply with applicable State or federal laws or regulations relating to public education, the name of such district, the date or dates on which the State Board of Education notified the school district of such act or omission, and what action, if any, the school district took with respect thereto after being notified thereof by the State Board of Education. The report shall also include the statewide high school dropout rate by grade level, sex and race and the annual student dropout rate of and the number of students who graduate from, transfer from or otherwise leave bilingual programs. The Auditor General shall annually perform a compliance audit of the State Board of Education's performance of the reporting duty imposed by this amendatory Act of 1986. A regular system of communication with other directly related State agencies shall be implemented.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Council, as required by Section 3.1 of the General Assembly Organization Act, and filing such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act.

F. Upon appointment of the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory Act of the 93rd General Assembly, the Board shall review all of its current rules in an effort to streamline procedures, improve efficiency, and eliminate unnecessary forms and paperwork.

Sec. 14-8.03. Transition goals, supports, and services.

(a) A school district shall consider, and develop when needed, the transition goals and supports for eligible students with disabilities not later than the school year in which the student reaches age 14 1/2 at the individualized education plan meeting and provide services as identified on the student's individualized education plan. Transition goals shall be based on appropriate evaluation procedures and information, take into consideration the preferences of the student and his or her parents or guardian, be outcome-oriented, and include employment, post-secondary education, and community living alternatives. Consideration of these goals shall result in the clarification of a school district's responsibility to deliver specific educational services such as vocational training and community living skills instruction.

(b) To appropriately assess and plan for the student's transition needs, additional individualized education plan team members may be necessary and may be asked by the school district to assist in the planning process. Additional individualized education plan team members may include a representative from the Department of Human Services, a case coordinator, or persons representing other community agencies or services. The individualized education plan shall specify each person responsible for coordinating and delivering transition services. The public school's responsibility for delivering educational services does not extend beyond the time the student leaves school or when the student reaches age 21 inclusive, which for purposes of this Article means the day before the student's 22nd birthday.

(c) A school district shall submit annually a summary of each eligible student's transition goals and needed supports resulting from the individualized education plan team meeting to the appropriate local Transition Planning Committee. If students with disabilities who are ineligible for special education services request transition services, local public school districts shall assist those students by identifying post-secondary school goals, delivering appropriate education services, and coordinating with other agencies and services for assistance.

(105 ILCS 5/17-2.11) (from Ch. 122, par. 17-2.11)

Sec. 17-2.11. School board power to levy a tax or to borrow money and issue bonds for fire prevention, safety, energy conservation, disabled accessibility, school security, and specified repair purposes.

(a) Whenever, as a result of any lawful order of any agency, other than a school board, having authority to enforce any school building code applicable to any facility that houses students, or any law or regulation for the protection and safety of the environment, pursuant to the Environmental Protection Act, any school district having a population of less than 500,000 inhabitants is required to alter or reconstruct any school building or permanent, fixed equipment; the district may, by proper resolution, levy a tax for the purpose of making such alteration or reconstruction, based on a survey report by an architect or engineer licensed in this State, upon all of the taxable property of the district at the value as assessed by the Department of Revenue and at a rate not to exceed 0.05% per year for a period sufficient to finance such alteration or reconstruction, upon the following conditions:

(1) When there are not sufficient funds available in the operations and maintenance fund of the school district, the school facility occupation tax fund of the district, or the fire prevention and safety fund of the district, as determined by the district on the basis of rules adopted by the State Board of Education, to make such alteration or reconstruction or to purchase and install such permanent, fixed equipment so ordered or determined as necessary. Appropriate school district records must be made available to the State Superintendent of Education, upon request, to confirm this insufficiency.

(2) When a certified estimate of an architect or engineer licensed in this State stating the estimated amount necessary to make the alteration or reconstruction or to purchase and install the equipment so ordered has been secured by the school district, and the estimate has been approved by the regional superintendent of schools having jurisdiction over the district and the State Superintendent of Education. Approval must not be granted for any work that has already started without the prior express authorization of the State Superintendent of Education. If the estimate is not approved or is denied approval by the regional superintendent of schools within 3 months after the date on which it is submitted to him or her, the school board of the district may submit the estimate directly to the State Superintendent of Education for approval or denial.

(b) Whenever ~~or whenever~~ any such district determines that it is necessary for energy conservation purposes that

any school building or permanent, fixed equipment should be altered or reconstructed and that such alterations or reconstruction will be made with funds not necessary for the completion of approved and recommended projects contained in any safety survey report or amendments thereto authorized by Section 2-3.12 of this Act; the district may levy a tax or issue bonds as provided in subsection (a) of this Section.

(c) Whenever ~~or whenever~~ any such district determines that it is necessary for disabled accessibility purposes and to comply with the school building code that any school building or equipment should be

altered or reconstructed and that such alterations or reconstruction will be made with funds not necessary for the completion of approved and recommended projects contained in any safety survey report or amendments thereto authorized under Section 2-3.12 of this Act, the district may levy a tax or issue bonds as provided in subsection (a) of this Section. ~~; or whenever~~

(d) Whenever any such district determines that it is necessary for school security purposes and the related protection and safety of pupils and school personnel that any school building or property should be altered or reconstructed or that security systems and equipment (including but not limited to intercom, early detection and warning, access control and television monitoring systems) should be purchased and installed, and that such alterations, reconstruction or purchase and installation of equipment will be made with funds not necessary for the completion of approved and recommended projects contained in any safety survey report or amendment thereto authorized by Section 2-3.12 of this Act and will deter and prevent unauthorized entry or activities upon school property by unknown or dangerous persons, assure early detection and advance warning of any such actual or attempted unauthorized entry or activities and help assure the continued safety of pupils and school staff if any such unauthorized entry or activity is attempted or occurs; the district may levy a tax or issue bonds as provided in subsection (a) of this Section.

(e) If ~~or if~~ a school district does not need funds for other fire prevention and safety projects, including the completion of approved and recommended projects contained in any safety survey report or amendments thereto authorized by Section 2-3.12 of this Act, and it is determined after a public hearing (which is preceded by at least one published notice (i) occurring at least 7 days prior to the hearing in a newspaper of general circulation within the school district and (ii) setting forth the time, date, place, and general subject matter of the hearing) that there is a substantial, immediate, and otherwise unavoidable threat to the health, safety, or welfare of pupils due to disrepair of school sidewalks, playgrounds, parking lots, or school bus turnarounds and repairs must be made; then the district may levy a tax or issue bonds as provided in subsection (a) of this Section. ~~; then in any such event, such district may, by proper resolution, levy a tax for the purpose of making such alteration or reconstruction, based on a survey report by an architect or engineer licensed in the State of Illinois, upon all the taxable property of the district at the value as assessed by the Department of Revenue at a rate not to exceed .05% per year for a period sufficient to finance such alterations, repairs, or reconstruction, upon the following conditions:~~

~~(a) When there are not sufficient funds available in the operations and maintenance fund of the district, the school facility occupation tax fund of the district, or the fire prevention and safety fund of the district as determined by the district on the basis of regulations adopted by the State Board of Education to make such alterations, repairs, or reconstruction, or to purchase and install such permanent fixed equipment so ordered or determined as necessary. Appropriate school district records shall be made available to the State Superintendent of Education upon request to confirm such insufficiency.~~

~~(b) When a certified estimate of an architect or engineer licensed in the State of Illinois stating the estimated amount necessary to make the alterations or repairs, or to purchase and install such equipment so ordered has been secured by the district, and the estimate has been approved by the regional superintendent of schools, having jurisdiction of the district, and the State Superintendent of Education. Approval shall not be granted for any work that has already started without the prior express authorization of the State Superintendent of Education. If such estimate is not approved or denied approval by the regional superintendent of schools within 3 months after the date on which it is submitted to him or her, the school board of the district may submit such estimate directly to the State Superintendent of Education for approval or denial.~~

(f) For purposes of this Section a school district may replace a school building or build additions to replace portions of a building when it is determined that the effectuation of the recommendations for the existing building will cost more than the replacement costs. Such determination shall be based on a comparison of estimated costs made by an architect or engineer licensed in the State of Illinois. The new building or addition shall be equivalent in area (square feet) and comparable in purpose and grades served and may be on the same site or another site. Such replacement may only be done upon order of the regional superintendent of schools and the approval of the State Superintendent of Education.

(g) The filing of a certified copy of the resolution levying the tax when accompanied by the certificates of the regional superintendent of schools and State Superintendent of Education shall be the authority of the county clerk to extend such tax.

(h) The county clerk of the county in which any school district levying a tax under the authority of this Section is located, in reducing raised levies, shall not consider any such tax as a part of the general levy for school purposes and shall not include the same in the limitation of any other tax rate which may be extended.

Such tax shall be levied and collected in like manner as all other taxes of school districts, subject to the provisions contained in this Section.

(i) The tax rate limit specified in this Section may be increased to .10% upon the approval of a proposition to effect such increase by a majority of the electors voting on that proposition at a regular scheduled election. Such proposition may be initiated by resolution of the school board and shall be certified by the secretary to the proper election authorities for submission in accordance with the general election law.

(j) When taxes are levied by any school district for fire prevention, safety, energy conservation, and school security purposes as specified in this Section, and the purposes for which the taxes have been levied are accomplished and paid in full, and there remain funds on hand in the Fire Prevention and Safety Fund from the proceeds of the taxes levied, including interest earnings thereon, the school board by resolution shall use such excess and other board restricted funds, excluding bond proceeds and earnings from such proceeds, as follows:

- (1) for other authorized fire prevention, safety, energy conservation, and school security purposes; or
- (2) for transfer to the Operations and Maintenance Fund for the purpose of abating an equal amount of operations and maintenance purposes taxes.

(k) If any transfer is made to the Operation and Maintenance Fund, the secretary of the school board shall within 30 days notify the county clerk of the amount of that transfer and direct the clerk to abate the taxes to be extended for the purposes of operations and maintenance authorized under Section 17-2 of this Act by an amount equal to such transfer.

(l) If the proceeds from the tax levy authorized by this Section are insufficient to complete the work approved under this Section, the school board is authorized to sell bonds without referendum under the provisions of this Section in an amount that, when added to the proceeds of the tax levy authorized by this Section, will allow completion of the approved work.

(m) Any Such bonds issued pursuant to this Section shall bear interest at a rate not to exceed the maximum rate authorized by law at the time of the making of the contract, shall mature within 20 years from date, and shall be signed by the president of the school board and the treasurer of the school district.

(n) In order to authorize and issue such bonds, the school board shall adopt a resolution fixing the amount of bonds, the date thereof, the maturities thereof, rates of interest thereof, place of payment and denomination, which shall be in denominations of not less than \$100 and not more than \$5,000, and provide for the levy and collection of a direct annual tax upon all the taxable property in the school district sufficient to pay the principal and interest on such bonds to maturity. Upon the filing in the office of the county clerk of the county in which the school district is located of a certified copy of the resolution, it is the duty of the county clerk to extend the tax therefor in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by such school district.

(o) After the time such bonds are issued as provided for by this Section, if additional alterations or reconstructions are required to be made because of surveys conducted by an architect or engineer licensed in the State of Illinois, the district may levy a tax at a rate not to exceed .05% per year upon all the taxable property of the district or issue additional bonds, whichever action shall be the most feasible.

(p) This Section is cumulative and constitutes complete authority for the issuance of bonds as provided in this Section notwithstanding any other statute or law to the contrary.

(q) With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of Public Act 86-004 (June 6, 1989), it is, and always has been, the intention of the General Assembly (i) that the Omnibus Bond Acts are, and always have been, supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

(r) When the purposes for which the bonds are issued have been accomplished and paid for in full and there remain funds on hand from the proceeds of the bond sale and interest earnings therefrom, the board shall, by resolution, use such excess funds in accordance with the provisions of Section 10-22.14 of this Act.

(s) Whenever any tax is levied or bonds issued for fire prevention, safety, energy conservation, and school security purposes, such proceeds shall be deposited and accounted for separately within the Fire

## Prevention and Safety Fund.

(105 ILCS 5/18-3) (from Ch. 122, par. 18-3)

Sec. 18-3. Tuition of children from orphanages and children's homes.

When the children from any home for orphans, dependent, abandoned or maladjusted children maintained by any organization or association admitting to such home children from the State in general or when children residing in a school district wherein the State of Illinois maintains and operates any welfare or penal institution on property owned by the State of Illinois, which contains houses, housing units or housing accommodations within a school district, attend grades kindergarten through 12 of the public schools maintained by that school district, the State Superintendent of Education shall direct the State Comptroller to pay a specified amount sufficient to pay the annual tuition cost of such children who attended such public schools during the regular school year ending on June 30. ~~The or the summer term for that school year, and the~~ Comptroller shall pay the amount after receipt of a voucher submitted by the State Superintendent of Education.

The amount of the tuition for such children attending the public schools of the district shall be determined by the State Superintendent of Education by multiplying the number of such children in average daily attendance in such schools by 1.2 times the total annual per capita cost of administering the schools of the district. Such total annual per capita cost shall be determined by totaling all expenses of the school district in the educational, operations and maintenance, bond and interest, transportation, Illinois municipal retirement, and rent funds for the school year preceding the filing of such tuition claims less expenditures not applicable to the regular K-12 program, less offsetting revenues from State sources except those from the common school fund, less offsetting revenues from federal sources except those from federal impaction aid, less student and community service revenues, plus a depreciation allowance; and dividing such total by the average daily attendance for the year.

Annually on or before ~~July 15 June 30~~ the superintendent of the district ~~shall certify to upon forms prepared by the State Superintendent of Education shall certify to the regional superintendent~~ the following:

1. The name of the home and of the organization or association maintaining it; or the legal description of the real estate upon which the house, housing units, or housing accommodations are located and that no taxes or service charges or other payments authorized by law to be made in lieu of taxes were collected therefrom or on account thereof during either of the calendar years included in the school year for which claim is being made;
2. The number of children from the home or living in such houses, housing units or housing accommodations and attending the schools of the district;
3. The total number of children attending the schools of the district;
4. The per capita tuition charge of the district; and
5. The computed amount of the tuition payment claimed as due.

Whenever the persons in charge of such home for orphans, dependent, abandoned or maladjusted children have received from the parent or guardian of any such child or by virtue of an order of court a specific allowance for educating such child, such persons shall pay to the school board in the district where the child attends school such amount of the allowance as is necessary to pay the tuition required by such district for the education of the child. If the allowance is insufficient to pay the tuition in full the State Superintendent of Education shall direct the Comptroller to pay to the district the difference between the total tuition charged and the amount of the allowance.

Whenever the facilities of a school district in which such house, housing units or housing accommodations are located, are limited, pupils may be assigned by that district to the schools of any adjacent district to the limit of the facilities of the adjacent district to properly educate such pupils as shall be determined by the school board of the adjacent district, and the State Superintendent of Education shall direct the Comptroller to pay a specified amount sufficient to pay the annual tuition of the children so assigned to and attending public schools in the adjacent districts and the Comptroller shall draw his warrant upon the State Treasurer for the payment of such amount for the benefit of the adjacent school districts in the same manner as for districts in which the houses, housing units or housing accommodations are located.

The school district shall certify to the State Superintendent of Education the report of claims due for such tuition payments on or before July ~~15 31~~. ~~Failure on the part of the school board to certify its claim on July 31 shall constitute a forfeiture by the district of its right to the payment of any such tuition claim for the school year.~~ The State Superintendent of Education shall direct the Comptroller to pay to the district, on or before August 15, the amount due the district for the school year in accordance with the calculation of the

claim as set forth in this Section.

Summer session costs shall be reimbursed based on the actual expenditures for providing these services. On or before November 1 of each year, the superintendent of each eligible school district shall certify to the State Superintendent of Education the claim of the district for the summer session following the regular school year just ended. The State Superintendent of Education shall transmit to the Comptroller no later than December 15th of each year vouchers for payment of amounts due to school districts for summer session.

Claims for tuition for children from any home for orphans or dependent, abandoned, or maladjusted children beginning with the 1993-1994 school year shall be paid on a current year basis. On September 30, December 31, and March 31, the State Board of Education shall voucher payments for districts with those students based on an estimated cost calculated from the prior year's claim. Final claims for those students for the regular school term ~~and summer term~~ must be received at the State Board of Education by July 15 ~~31~~ following the end of the regular school year. Final claims for those students shall be vouchered by August 15. During fiscal year 1994 both the 1992-1993 school year and the 1993-1994 school year shall be paid in order to change the cycle of payment from a reimbursement basis to a current year funding basis of payment. However, notwithstanding any other provisions of this Section or the School Code, beginning with fiscal year 1994 and each fiscal year thereafter, if the amount appropriated for any fiscal year is less than the amount required for purposes of this Section, the amount required to eliminate any insufficient reimbursement for each district claim under this Section shall be reimbursed on August 30 of the next fiscal year. Payments required to eliminate any insufficiency for prior fiscal year claims shall be made before any claims are paid for the current fiscal year.

If a school district makes a claim for reimbursement under Section 18-4 or 14-7.03 it shall not include in any claim filed under this Section children residing on the property of State institutions included in its claim under Section 18-4 or 14-7.03.

Any child who is not a resident of Illinois who is placed in a child welfare institution, private facility, State operated program, orphanage or children's home shall have the payment for his educational tuition and any related services assured by the placing agent.

In order to provide services appropriate to allow a student under the legal guardianship or custodianship of the State to participate in local school district educational programs, costs may be incurred in appropriate cases by the district that are in excess of 1.2 times the district per capita tuition charge allowed under the provisions of this Section. In the event such excess costs are incurred, they must be documented in accordance with cost rules established under the authority of this Section and may then be claimed for reimbursement under this Section.

Planned services for students eligible for this funding must be a collaborative effort between the appropriate State agency or the student's group home or institution and the local school district.

(A) Completion of a program of induction and mentoring for new teachers that is based upon a specific plan approved by the State Board of Education, in consultation with the State Teacher Certification Board. Nothing in this Section, however, prohibits an induction or mentoring program from operating prior to approval. Holders of Initial Certificates issued before September 1, 2007 must complete, at a minimum, an approved one-year induction and mentoring program. Holders of Initial Certificates issued on or after September 1, 2007 must complete an approved 2-year induction and mentoring program. The plan must describe the role of mentor teachers, the criteria and process for their selection, and how all the following components are to be provided:

(i) Assignment of a formally trained mentor teacher to each new teacher for a specified period of time, which shall be established by the employing school or school district, provided that a mentor teacher may not directly or indirectly participate in the evaluation of a new teacher pursuant to Article 24A of this Code or the evaluation procedure of the school.

(ii) Formal mentoring for each new teacher.

(iii) Support for each new teacher in relation to the Illinois Professional

(v) Formative assessment that is based on the Illinois Professional Teaching Standards and designed to provide feedback to the new teacher and opportunities for reflection on his or her performance, which must not be used directly or indirectly in any evaluation of a new teacher pursuant to Article 24A of this Code or the evaluation procedure of the school and which must include the activities specified in clauses (B)(i), (B)(ii), and (B)(iii) of this paragraph (2).

(vi) Assignment of responsibility for coordination of the induction and mentoring program within each school district participating in the program.

(i) Observation, by the course instructor or another experienced teacher, of the new teacher's classroom practice (the observation may be recorded for later viewing) for the purpose of identifying and describing how the new teacher made content meaningful for students; how the teacher motivated individuals and the group and created an environment conducive to positive social interactions, active learning, and self-motivation; what instructional strategies the teacher used to encourage students' development of critical thinking, problem solving, and performance; how the teacher communicated using written, verbal, nonverbal, and visual communication techniques; and how the teacher maintained standards of professional conduct and provided leadership to improve students' learning.

(ii) Review and analysis, by the course instructor or another experienced teacher, of written documentation (i.e., lesson plans, assignments, assessment instruments, and samples of students' work) prepared by the new teacher for at least 2 lessons. (C) Successful completion of a minimum of 4 semester hours of graduate-level coursework addressing preparation to meet the requirements for certification by the National Board for Professional Teaching Standards (NBPTS). The coursework must be approved by the State Board of Education, in consultation with the State Teacher Certification Board, and must be offered either by an institution of higher education, by such an institution in partnership with a teachers' association or union or with a regional office of education, or by another entity authorized to issue college credit. The course must address the 5 NBPTS Core Propositions and relevant standards through such means as the following:

(i) Observation, by the course instructor or another experienced teacher, of the new teacher's classroom practice (the observation may be recorded for later viewing) for the purpose of identifying and describing how the new teacher made content meaningful for students; how the teacher motivated individuals and the group and created an environment conducive to positive social interactions, active learning, and self-motivation; what instructional strategies the teacher used to encourage students' development of critical thinking, problem solving, and performance; how the teacher communicated using written, verbal, nonverbal, and visual communication techniques; and how the teacher maintained standards of professional conduct and provided leadership to improve students' learning.

(ii) Review and analysis, by the course instructor or another experienced teacher,

(iii) Demonstration of professional expertise on the part of the new teacher in reflecting on his or her practice, which was observed under clause (C)(i) of this paragraph (2) and documented under clause (C)(ii) of this paragraph (2), in terms of teaching strengths, weaknesses, and implications for improvement.

(C-5) Satisfactory completion of a minimum of 12 semester hours of graduate credit towards an advanced degree in an education-related field from an accredited institution of higher education.

(D) Receipt of an advanced degree from an accredited institution of higher education in an education-related field that is earned by a person either while he or she holds an Initial Teaching Certificate or prior to his or her receipt of that certificate.

(E) Accumulation of 60 continuing professional development units (CPDUs), earned by completing selected activities that comply with paragraphs (3) and (4) of this subsection (c). However, for an individual who holds an Initial Teaching Certificate on the effective date of this amendatory Act of the 92nd General Assembly, the number of CPDUs shall be reduced to reflect the teaching time remaining on the Initial Teaching Certificate.

(F) Completion of a nationally normed, performance-based assessment, if made available by the State Board of Education in consultation with the State Teacher Certification Board, provided that the cost to the person shall not exceed the cost of the coursework described in clause (B) of this paragraph (2).

These activities must meet all of the following requirements:

(A) Each activity must be designed to advance a person's knowledge and skills in relation to one or more of the Illinois Professional Teaching Standards or in relation to the content-area standards applicable to the teacher's field of certification.

(B) Taken together, the activities completed must address each of the Illinois Professional Teaching Standards as provided in clauses (B)(i), (B)(ii), and (B)(iii) of paragraph (2) of this subsection (c).

(C) Each activity must be provided by an entity approved by the State Board of Education, in consultation with the State Teacher Certification Board, for this purpose.

(D) Each activity, integral to its successful completion, must require participants to demonstrate the degree to which they have acquired new knowledge or skills, such as through performance, through preparation of a written product, through assembling samples of students' or teachers' work, or by some other means that is appropriate to the subject matter of the activity.

(E) One CPDU shall be available for each hour of direct participation by a holder of an Initial Teaching Certificate in a qualifying activity. An activity may be attributed to more than one of the Illinois Professional Teaching Standards, but credit for any activity shall be counted only once.

(105 ILCS 5/21-14) (from Ch. 122, par. 21-14)

Sec. 21-14. Registration and renewal of certificates.

(a) A limited four-year certificate or a certificate issued after July 1, 1955, shall be renewable at its expiration or within 60 days thereafter by the county superintendent of schools having supervision and control over the school where the teacher is teaching upon certified evidence of meeting the requirements for renewal as required by this Act and prescribed by the State Board of Education in consultation with the State Teacher Certification Board. An elementary supervisory certificate shall not be renewed at the end of the first four-year period covered by the certificate unless the holder thereof has filed certified evidence with the State Teacher Certification Board that he has a master's degree or that he has earned 8 semester hours of credit in the field of educational administration and supervision in a recognized institution of higher learning. The holder shall continue to earn 8 semester hours of credit each four-year period until such time as he has earned a master's degree.

All certificates not renewed or registered as herein provided shall lapse after a period of 5 years from the expiration of the last year of registration. Such certificates may be reinstated for a one year period upon payment of all accumulated registration fees. Such reinstated certificates shall only be renewed: (1) by earning 5 semester hours of credit in a recognized institution of higher learning in the field of professional education or in courses related to the holder's contractual teaching duties; or (2) by presenting evidence of

holding a valid regular certificate of some other type. Any certificate may be voluntarily surrendered by the certificate holder. A voluntarily surrendered certificate shall be treated as a revoked certificate.

(b) When those teaching certificates issued before February 15, 2000 are renewed for the first time after February 15, 2000, all such teaching certificates shall be exchanged for Standard Teaching Certificates as provided in subsection (c) of Section 21-2. All Initial and Standard Teaching Certificates, including those issued to persons who previously held teaching certificates issued before February 15, 2000, shall be renewable under the conditions set forth in this subsection (b).

Initial Teaching Certificates are valid for 4 years of teaching, as provided in subsection (b) of Section 21-2 of this Code, and are renewable every 4 years until the person completes 4 years of teaching. If the holder of an Initial Certificate has completed 4 years of teaching but has not completed the requirements set forth in paragraph (2) of subsection (c) of Section 21-2 of this Code, then the Initial Certificate may be reinstated for one year, during which the requirements must be met. A holder of an Initial Certificate who has not completed 4 years of teaching may continuously register the certificate for additional 4-year periods without penalty. Initial Certificates that are not registered shall lapse consistent with subsection (a) of this Section and may be reinstated only in accordance with subsection (a). Standard Teaching Certificates are renewable every 5 years as provided in subsection (c) of Section 21-2 and subsection (c) of this Section. For purposes of this Section, "teaching" is defined as employment and performance of services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, in a certificated teaching position, or a charter school operating in compliance with the Charter Schools Law.

(c) In compliance with subsection (c) of Section 21-2 of this Code, which provides that a Standard Teaching Certificate may be renewed by the State Teacher Certification Board based upon proof of continuing professional development, the State Board of Education and the State Teacher Certification Board shall jointly:

- (1) establish a procedure for renewing Standard Teaching Certificates, which shall include but not be limited to annual timelines for the renewal process and the components set forth in subsections (d) through (k) of this Section;
- (2) establish the standards for certificate renewal;
- (3) approve or disapprove the providers of continuing professional development activities;
- (4) determine the maximum credit for each category of continuing professional development activities, based upon recommendations submitted by a continuing professional development activity task force, which shall consist of 6 staff members from the State Board of Education, appointed by the State Superintendent of Education, and 6 teacher representatives, 3 of whom are selected by the Illinois Education Association and 3 of whom are selected by the Illinois Federation of Teachers;
- (5) designate the type and amount of documentation required to show that continuing professional development activities have been completed; and
- (6) provide, on a timely basis to all Illinois teachers, certificate holders, regional superintendents of schools, school districts, and others with an interest in continuing professional development, information about the standards and requirements established pursuant to this subsection (c).

(d) Any Standard Teaching Certificate held by an individual employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control in a certificated teaching position or a charter school in compliance with the Charter Schools Law must be maintained Valid and Active through certificate renewal activities specified in the certificate renewal procedure established pursuant to subsection (c) of this Section, provided that a holder of a Valid and Active certificate who is only employed on either a part-time basis or day-to-day basis as a substitute teacher shall pay only the required registration fee to renew his or her certificate and maintain it as Valid and Active. All other Standard Teaching Certificates held may be maintained as Valid and Exempt through the registration process provided for in the certificate renewal procedure established pursuant to subsection (c) of this Section. A Valid and Exempt certificate must be immediately activated, through procedures developed jointly by the State Board of Education and the State Teacher Certification Board, upon the certificate holder becoming employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control in a certificated teaching position or a charter school operating in compliance with the Charter Schools Law. A holder of a Valid and Exempt certificate may activate his or

her certificate through procedures provided for in the certificate renewal procedure established pursuant to subsection (c) of this Section.

The maximum continuing professional development units for each continuing professional development activity identified in subdivisions (F) through (J) of paragraph (3) of this subsection (e) shall be jointly determined by the State Board of Education and the State Teacher Certification Board. If, however, the certificate holder has maintained the certificate as Valid and Exempt for a portion of the 5-year period of validity, the number of continuing professional development units needed to renew the certificate as Valid and Active shall be proportionately reduced by the amount of time the certificate was Valid and Exempt. Furthermore, if a certificate holder is employed and performs teaching services on a part-time basis for all or a portion of the certificate's 5-year period of validity, the number of continuing professional development units needed to renew the certificate as Valid and Active shall be reduced by 50% for the amount of time the certificate holder has been employed and performed teaching services on a part-time basis. Part-time shall be defined as less than 50% of the school day or school term.

Notwithstanding any other requirements to the contrary, if a Standard Teaching Certificate has been maintained as Valid and Active for the 5 years of the certificate's validity and the certificate holder has completed his or her certificate renewal plan before July 1, 2002, the certificate shall be renewed as Valid and Active.

(B) Develop the certificate holder's knowledge and skills in areas determined to be critical for all Illinois teachers, as defined by the State Board of Education, known as "State priorities".

(C) Address the knowledge, skills, and goals of the certificate holder's local school improvement plan, if the teacher is employed in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control.

Teachers who hold certificates endorsed for special education must devote at least 50% of their continuing professional development activities to this purpose. Teachers holding other certificates must devote at least 20% of their activities to this purpose.

Provisions regarding LPDCs contained in a collective bargaining agreement in existence on the effective date of this amendatory Act of the 93rd General Assembly between a school district and the exclusive bargaining representative shall remain in full force and effect for the term of the agreement, unless terminated by mutual agreement. The LPDC shall make recommendations to the regional superintendent of schools on renewal of teaching certificates. The regional superintendent of schools for each region shall perform the following functions:

- (1) review recommendations for certificate renewal, if any, received from LPDCs;

If the notice required by this subsection (g) includes a recommendation of certificate nonrenewal, then, at the same time the regional superintendent of schools provides the State Teacher Certification Board with the notice, he or she shall also notify the certificate holder in writing, by certified mail, return receipt requested, that this notice has been provided to the State Teacher Certification Board.

(2) Each certificate holder shall have the right to appeal his or her local professional development committee's recommendation of nonrenewal, if any, to the regional professional development review committee, within 14 days of receipt of notice that the recommendation has been sent to the regional superintendent of schools. The teacher and non-administrative certificated educational employee members of the review committee shall be selected by their exclusive representative, if any, and the administrators and at-large member shall be selected by the regional superintendent of schools. A regional superintendent of schools may add additional members to the committee, provided that the same proportion of teachers to administrators and at-large members on the committee is maintained. Any additional teacher and non-administrative certificated educational employee members shall be selected by their exclusive representative, if any. Vacancies in positions on a regional professional development review committee shall be filled in the same manner as the original selections. Committee members shall serve staggered 3-year terms. All individuals selected to serve on regional professional development review committees must be known to demonstrate the best practices in teaching or their respective field of practice.

(2) Each certificate holder shall have the right to appeal a regional superintendent of school's recommendation to nonrenew his or her Standard Teaching Certificate to the State Teacher Certification Board, within 14 days of receipt of notice that the decision has been sent to the State Teacher Certification Board, which shall hold an appeal hearing within 60 days of receipt of the appeal. When such an appeal is taken, the certificate holder's Standard Teaching Certificate shall continue to be valid until the appeal is finally determined. The State Teacher Certification Board shall review the regional superintendent of school's recommendation, the regional professional development review committee's recommendation, if any, and the local professional development committee's recommendation, if any, and all relevant documentation to verify whether the certificate holder has met the renewal criteria set forth in paragraph (1) of subsection (g) of this Section. All certificate renewal or nonrenewal decisions of the State Teacher Certification Board are final and subject to administrative review, as set forth in Section 21-24 of this Code.

(i) Holders of Master Teaching Certificates shall meet the same requirements and follow the same procedures as holders of Standard Teaching Certificates, except that their renewal cycle shall be as set forth in subsection (d) of Section 21-2 of this Code and their renewal requirements shall be subject to paragraph (8) of subsection (c) of Section 21-2 of this Code.

(j) Holders of Valid and Exempt Standard and Master Teaching Certificates who are not employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, in a certificated teaching position, may voluntarily activate their certificates through the regional superintendent of schools of the regional office of education for the geographic area where their teaching is done. These certificate holders shall follow the same renewal criteria and procedures as all other Standard and Master Teaching Certificate holders, except that their continuing professional development activities need not reflect or address the knowledge, skills, and goals of a local school improvement plan.

(k) (Blank).

(l) (Blank).

(m) The changes made to this Section by this amendatory Act of the 93rd General Assembly that affect renewal of Standard and Master Certificates shall apply to those persons who hold Standard or Master Certificates on or after the effective date of this amendatory Act of the 93rd General Assembly and shall be given effect upon renewal of those certificates.

The total amount from driver education fees and reimbursement from the State for driver education must not exceed the total cost of the driver education program in any year and must be deposited into the school district's driver education fund as a separate line item budget entry. All moneys deposited into the school district's driver education fund must be used solely for the funding of a high school driver education program approved by the State Board of Education that uses instructors certified by the State Board of Education. Sec. 27-24.4. Reimbursement amount. Each school district shall be entitled to reimbursement, for each pupil, excluding each resident of the district over age 55, who finishes either the classroom instruction part or the practice driving part of a driver education course that meets the minimum requirements of this Act. ~~However, if a school district has adopted a policy to permit proficiency examinations for the practice driving part of the driver education course as provided under Section 27-24.3, then the school district is entitled to only one-half of the reimbursement amount for the practice driving part for each pupil who has passed the proficiency examination, and the State Board of Education shall adjust the reimbursement formula accordingly.~~ Reimbursement under this Act is payable from the Drivers Education Fund in the

State treasury.

Each year all funds appropriated from the Drivers Education Fund to the State Board of Education, with the exception of those funds necessary for administrative purposes of the State Board of Education, shall be distributed in the manner provided in this paragraph to school districts by the State Board of Education for reimbursement of claims from the previous school year. As soon as may be after each quarter of the year, if moneys are available in the Drivers Education Fund in the State treasury for payments under this Section, the State Comptroller shall draw his or her warrants upon the State Treasurer as directed by the State Board of Education. The warrant for each quarter shall be in an amount equal to one-fourth of the total amount to be distributed to school districts for the year. Payments shall be made to school districts as soon as may be after receipt of the warrants.

The base reimbursement amount shall be calculated by the State Board by dividing the total amount appropriated for distribution by the total of: (a) the number of students, excluding residents of the district over age 55, who have completed the classroom instruction part for whom valid claims have been made times 0.2; plus (b) the number of students, excluding residents of the district over age 55, who have completed the practice driving instruction part for whom valid claims have been made times 0.8.

The amount of reimbursement to be distributed on each claim shall be 0.2 times the base reimbursement amount for each validly claimed student, excluding residents of the district over age 55, who has completed the classroom instruction part, plus 0.8 times the base reimbursement amount for each validly claimed student, excluding residents of the district over age 55, who has completed the practice driving instruction part. The school district which is the residence of a pupil who attends a nonpublic school in another district that has furnished the driver education course shall reimburse the district offering the course, the difference between the actual per capita cost of giving the course the previous school year and the amount reimbursed by the State.

By April 1 the nonpublic school shall notify the district offering the course of the names and district numbers of the nonresident students desiring to take such course the next school year. The district offering such course shall notify the district of residence of those students affected by April 15. The school district furnishing the course may claim the nonresident pupil for the purpose of making a claim for State reimbursement under this Act.

AMENDMENT NO. 3. Amend Senate Bill 2677 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Municipal Code is amended by changing Sections 7-1-13, 10-2.1-6, 10-2.1-14, and 11-31-1 as follows:

(65 ILCS 5/7-1-13) (from Ch. 24, par. 7-1-13)

Sec. 7-1-13. Annexation.

(a) Whenever any unincorporated territory containing 60 acres or less, is wholly bounded by (a) one or more municipalities, (b) one or more municipalities and a creek in a county with a population of 400,000 or more, or one or more municipalities and a river or lake in any county, (c) one or more municipalities and the Illinois State boundary, (d) one or more municipalities and property owned by the State of Illinois, except highway right-of-way owned in fee by the State, (e) one or more municipalities and a forest preserve district or park district, or (f) if the territory is a triangular parcel of less than 10 acres, one or more municipalities and an interstate highway owned in fee by the State and bounded by a frontage road, that territory may be annexed by any municipality by which it is bounded in whole or in part, by the passage of an ordinance to that effect after notice is given as provided in subsection (b) of this Section. ~~The corporate authorities shall cause notice, stating that annexation of the territory described in the notice is contemplated under this Section, to be published once, in a newspaper of general circulation within the territory to be annexed, not less than 10 days before the passage of the annexation ordinance. When the territory to be annexed lies wholly or partially within a township other than that township where the municipality is situated, the annexing municipality shall give at least 10 days prior written notice of the time and place of the passage of the annexation ordinance to the township supervisor of the township where the territory to be annexed lies.~~ The ordinance shall describe the territory annexed and a copy thereof together with an accurate map of the annexed territory shall be recorded in the office of the recorder of the county wherein the annexed territory is situated and a document of annexation shall be filed with the county clerk and County Election Authority. Nothing in this Section shall be construed as permitting a municipality to annex territory of a forest preserve district in a county with a population of 3,000,000 or more without obtaining

the consent of the district pursuant to Section 8.3 of the Cook County Forest Preserve District Act nor shall anything in this Section be construed as permitting a municipality to annex territory owned by a park district without obtaining the consent of the district pursuant to Section 8-1.1 of the Park District Code.

(b) The corporate authorities shall cause notice, stating that annexation of the territory described in the notice is contemplated under this Section, to be published once, in a newspaper of general circulation within the territory to be annexed, not less than 10 days before the passage of the annexation ordinance. The corporate authorities shall also, not less than 15 days before the passage of the annexation ordinance, serve written notice, either in person or, at a minimum, by certified mail, on the taxpayer of record of the proposed annexed territory as appears from the authentic tax records of the county. When the territory to be annexed lies wholly or partially within a township other than the township where the municipality is situated, the annexing municipality shall give at least 10 days prior written notice of the time and place of the passage of the annexation ordinance to the township supervisor of the township where the territory to be annexed lies.

(c) When notice is given as described in subsection (b) of this Section, no other municipality may annex the proposed territory for a period of 60 days from the date the notice is mailed or delivered to the taxpayer of record unless that other municipality has initiated annexation proceedings or a valid petition as described in Section 7-1-2, 7-1-8, 7-1-11 or 7-1-12 of this Code has been received by the municipality prior to the publication and mailing of the notices required in subsection (b).

Sec. 10-2.1-6. Examination of applicants; disqualifications.

(a) All applicants for a position in either the fire or police department of the municipality shall be under 35 years of age, shall be subject to an examination that shall be public, competitive, and open to all applicants (unless the council or board of trustees by ordinance limit applicants to electors of the municipality, county, state or nation) and shall be subject to reasonable limitations as to residence, health, habits, and moral character. The municipality may not charge or collect any fee from an applicant who has met all prequalification standards established by the municipality for any such position.

(b) Residency requirements in effect at the time an individual enters the fire or police service of a municipality (other than a municipality that has more than 1,000,000 inhabitants) cannot be made more restrictive for that individual during his period of service for that municipality, or be made a condition of promotion, except for the rank or position of Fire or Police Chief.

(c) No person with a record of misdemeanor convictions except those under Sections 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, 32-8, and subsections (1), (6) and (8) of Section 24-1 of the Criminal Code of 1961 or arrested for any cause but not convicted on that cause shall be disqualified from taking the examination to qualify for a position in the fire department on grounds of habits or moral character.

(d) The age limitation in subsection (a) does not apply (i) to any person previously employed as a policeman or fireman in a regularly constituted police or fire department of (I) any municipality, regardless of whether the municipality is located in Illinois or in another state, or (II) a fire protection district whose obligations were assumed by a municipality under Section 21 of the Fire Protection District Act, (ii) to any person who has served a municipality as a regularly enrolled volunteer fireman for 5 years immediately preceding the time that municipality begins to use full time firemen to provide all or part of its fire protection service, or (iii) to any person who has served as an auxiliary police officer under Section 3.1-30-20 for at least 5 years and is under 40 years of age, (iv) to any person who has served as a deputy under Section 3-6008 of the Counties Code and otherwise meets necessary training requirements, or (v) to any person who has served as a sworn officer as a member of the Illinois Department of State Police.

(e) Applicants who are 20 years of age and who have successfully completed 2 years of law enforcement studies at an accredited college or university may be considered for appointment to active duty with the police department. (f) Applicants who are 18 years of age and who have successfully completed 2 years of study in fire techniques, amounting to a total of 4 high school credits, within the cadet program of a municipality may be considered for appointment to active duty with the fire department of any municipality.

(g) The council or board of trustees may by ordinance provide that persons residing outside the municipality are eligible to take the examination.

No person shall be appointed to the police or fire department if he or she does not possess a high school diploma or an equivalent high school education. A board of fire and police commissioners may, by its rules, require police applicants to have obtained an associate's degree or a bachelor's degree as a prerequisite for employment. The examinations shall include tests of physical qualifications and health. A board of fire and police commissioners may, by its rules, waive portions of the required examination for police applicants who have previously been full-time sworn officers of a regular police department in any municipal, county, university, or State law enforcement agency, provided they are certified by the Illinois Law Enforcement Training Standards Board and have been with their respective law enforcement agency within the State for at least 2 years. No person shall be appointed to the police or fire department if he or she has suffered the amputation of any limb unless the applicant's duties will be only clerical or as a radio operator. No applicant shall be examined concerning his or her political or religious opinions or affiliations. The examinations shall be conducted by the board of fire and police commissioners of the municipality as provided in this Division 2.1.

Any such person who is in the department may be removed on charges brought and after a trial as provided in this Division 2.1.

(65 ILCS 5/10-2.1-14) (from Ch. 24, par. 10-2.1-14)

Sec. 10-2.1-14. Register of eligibles. The board of fire and police commissioners shall prepare and keep a register of persons whose general average standing, upon examination, is not less than the minimum fixed by the rules of the board, and who are otherwise eligible. These persons shall take rank upon the register as candidates in the order of their relative excellence as determined by examination, without reference to priority of time of examination. The board of fire and police commissioners may prepare and keep a second register of persons who have previously been full-time sworn officers of a regular police department in any municipal, county, university, or State law enforcement agency, provided they are certified by the Illinois Law Enforcement Training Standards Board and have been with their respective law enforcement agency within the State for at least 2 years. The persons on this list shall take rank upon the register as candidates in the order of their relative excellence as determined by members of the board of fire and police commissioners. Applicants who have been awarded a certificate attesting to their successful completion of the Minimum Standards Basic Law Enforcement Training Course, as provided in the Illinois Police Training Act, may be given preference in appointment over noncertified applicants. Applicants for appointment to fire departments who are licensed as an EMT-B, EMT-I, or EMT-P under the Emergency Medical Services (EMS) Systems Act, may be given preference in appointment over non-licensed applicants.

Within 60 days after each examination, an eligibility list shall be posted by the board, which shall show the final grades of the candidates without reference to priority of time of examination and subject to claim for military credit. Candidates who are eligible for military credit shall make a claim in writing within 10 days after the posting of the eligibility list or such claim shall be deemed waived. Appointment shall be subject to a final physical examination.

If a person is placed on an eligibility list and becomes overage before he or she is appointed to a police or fire department, the person remains eligible for appointment until the list is abolished pursuant to authorized procedures. Otherwise no person who has attained the age of 36 years shall be inducted as a member of a police department and no person who has attained the age of 35 years shall be inducted as a member of a fire department, except as otherwise provided in this division.

(65 ILCS 5/11-31-1) (from Ch. 24, par. 11-31-1)

Sec. 11-31-1. Demolition, repair, enclosure, or remediation.

(a) The corporate authorities of each municipality may demolish, repair, or enclose or cause the demolition, repair, or enclosure of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of the municipality and may remove or cause the removal of garbage, debris, and other hazardous, noxious, or unhealthy substances or materials from those buildings. In any county having adopted by referendum or otherwise a county health department as provided by Division 5-25 of the Counties Code or its predecessor, the county board of that county may exercise those powers with regard to dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of any city, village, or incorporated town having less than 50,000 population.

The corporate authorities shall apply to the circuit court of the county in which the building is located (i) for an order authorizing action to be taken with respect to a building if the owner or owners of the building, including the lien holders of record, after at least 15 days' written notice by mail so to do, have failed to put the building in a safe condition or to demolish it or (ii) for an order requiring the owner or owners of record to demolish, repair, or enclose the building or to remove garbage, debris, and other hazardous, noxious, or unhealthy substances or materials from the building. It is not a defense to the cause of action that the building is boarded up or otherwise enclosed, although the court may order the defendant to have the building boarded up or otherwise enclosed. Where, upon diligent search, the identity or whereabouts of the owner or owners of the building, including the lien holders of record, is not ascertainable, notice mailed to the person or persons in whose name the real estate was last assessed is sufficient notice under this Section.

The hearing upon the application to the circuit court shall be expedited by the court and shall be given precedence over all other suits. Any person entitled to bring an action under subsection (b) shall have the right to intervene in an action brought under this Section.

The cost of the demolition, repair, enclosure, or removal incurred by the municipality, by an intervenor, or by a lien holder of record, including court costs, attorney's fees, and other costs related to the enforcement of this Section, is recoverable from the owner or owners of the real estate or the previous owner or both if the property was transferred during the 15 day notice period and is a lien on the real estate; the lien is superior to all prior existing liens and encumbrances, except taxes, if, within 180 days after the repair, demolition, enclosure, or removal, the municipality, the lien holder of record, or the intervenor who incurred the cost and expense shall file a notice of lien for the cost and expense incurred in the office of the recorder in the county in which the real estate is located or in the office of the registrar of titles of the county if the real estate affected is registered under the Registered Titles (Torrens) Act.

The notice must consist of a sworn statement setting out (1) a description of the real estate sufficient for its identification, (2) the amount of money representing the cost and expense incurred, and (3) the date or dates when the cost and expense was incurred by the municipality, the lien holder of record, or the intervenor. Upon payment of the cost and expense by the owner or persons interested in the property after the notice of lien has been filed, the lien shall be released by the municipality, the person in whose name the lien has been filed, or the assignee of the lien, and the release may be filed of record as in the case of filing notice of lien. Unless the lien is enforced under subsection (c), the lien may be enforced by foreclosure proceedings as in the case of mortgage foreclosures under Article XV of the Code of Civil Procedure or mechanics' lien foreclosures. An action to foreclose this lien may be commenced at any time after the date of filing of the notice of lien. The costs of foreclosure incurred by the municipality, including court costs, reasonable attorney's fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the municipality from the owner or owners of the real estate.

All liens arising under this subsection (a) shall be assignable. The assignee of the lien shall have the same power to enforce the lien as the assigning party, except that the lien may not be enforced under subsection (c).

If the appropriate official of any municipality determines that any dangerous and unsafe building or uncompleted and abandoned building within its territory fulfills the requirements for an action by the municipality under the Abandoned Housing Rehabilitation Act, the municipality may petition under that Act in a proceeding brought under this subsection.

(b) Any owner or tenant of real property within 1200 feet in any direction of any dangerous or unsafe building located within the territory of a municipality with a population of 500,000 or more may file with the appropriate municipal authority a request that the municipality apply to the circuit court of the county in which the building is located for an order permitting the demolition, removal of garbage, debris, and other noxious or unhealthy substances and materials from, or repair or enclosure of the building in the manner prescribed in subsection (a) of this Section. If the municipality fails to institute an action in circuit court within 90 days after the filing of the request, the owner or tenant of real property within 1200 feet in any

direction of the building may institute an action in circuit court seeking an order compelling the owner or owners of record to demolish, remove garbage, debris, and other noxious or unhealthy substances and materials from, repair or enclose or to cause to be demolished, have garbage, debris, and other noxious or unhealthy substances and materials removed from, repaired, or enclosed the building in question. A private owner or tenant who institutes an action under the preceding sentence shall not be required to pay any fee to the clerk of the circuit court. The cost of repair, removal, demolition, or enclosure shall be borne by the owner or owners of record of the building. In the event the owner or owners of record fail to demolish, remove garbage, debris, and other noxious or unhealthy substances and materials from, repair, or enclose the building within 90 days of the date the court entered its order, the owner or tenant who instituted the action may request that the court join the municipality as a party to the action. The court may order the municipality to demolish, remove materials from, repair, or enclose the building, or cause that action to be taken upon the request of any owner or tenant who instituted the action or upon the municipality's request. The municipality may file, and the court may approve, a plan for rehabilitating the building in question. A court order authorizing the municipality to demolish, remove materials from, repair, or enclose a building, or cause that action to be taken, shall not preclude the court from adjudging the owner or owners of record of the building in contempt of court due to the failure to comply with the order to demolish, remove garbage, debris, and other noxious or unhealthy substances and materials from, repair, or enclose the building.

If a municipality or a person or persons other than the owner or owners of record pay the cost of demolition, removal of garbage, debris, and other noxious or unhealthy substances and materials, repair, or enclosure pursuant to a court order, the cost, including court costs, attorney's fees, and other costs related to the enforcement of this subsection, is recoverable from the owner or owners of the real estate and is a lien on the real estate; the lien is superior to all prior existing liens and encumbrances, except taxes, if, within 180 days after the repair, removal, demolition, or enclosure, the municipality or the person or persons who paid the costs of demolition, removal, repair, or enclosure shall file a notice of lien of the cost and expense incurred in the office of the recorder in the county in which the real estate is located or in the office of the registrar of the county if the real estate affected is registered under the Registered Titles (Torrens) Act. The notice shall be in a form as is provided in subsection (a). An owner or tenant who institutes an action in circuit court seeking an order to compel the owner or owners of record to demolish, remove materials from, repair, or enclose any dangerous or unsafe building, or to cause that action to be taken under this subsection may recover court costs and reasonable attorney's fees for instituting the action from the owner or owners of record of the building. Upon payment of the costs and expenses by the owner of or a person interested in the property after the notice of lien has been filed, the lien shall be released by the municipality or the person in whose name the lien has been filed or his or her assignee, and the release may be filed of record as in the case of filing a notice of lien. Unless the lien is enforced under subsection (c), the lien may be enforced by foreclosure proceedings as in the case of mortgage foreclosures under Article XV of the Code of Civil Procedure or mechanics' lien foreclosures. An action to foreclose this lien may be commenced at any time after the date of filing of the notice of lien. The costs of foreclosure incurred by the municipality, including court costs, reasonable attorneys' fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the municipality from the owner or owners of the real estate.

All liens arising under the terms of this subsection (b) shall be assignable. The assignee of the lien shall have the same power to enforce the lien as the assigning party, except that the lien may not be enforced under subsection (c).

(c) In any case where a municipality has obtained a lien under subsection (a), (b), or (f), the municipality may enforce the lien under this subsection (c) in the same proceeding in which the lien is authorized.

A municipality desiring to enforce a lien under this subsection (c) shall petition the court to retain jurisdiction for foreclosure proceedings under this subsection. Notice of the petition shall be served, by certified or registered mail, on all persons who were served notice under subsection (a), (b), or (f). The court shall conduct a hearing on the petition not less than 15 days after the notice is served. If the court determines that the requirements of this subsection (c) have been satisfied, it shall grant the petition and retain jurisdiction over the matter until the foreclosure proceeding is completed. The costs of foreclosure incurred by the municipality, including court costs, reasonable attorneys' fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the municipality from the owner or owners of the real estate. If the court denies the petition, the municipality may enforce the lien in a separate action as provided in subsection (a), (b), or (f).

All persons designated in Section 15-1501 of the Code of Civil Procedure as necessary parties in a mortgage foreclosure action shall be joined as parties before issuance of an order of foreclosure. Persons designated in Section 15-1501 of the Code of Civil Procedure as permissible parties may also be joined as parties in the action.

The provisions of Article XV of the Code of Civil Procedure applicable to mortgage foreclosures shall apply to the foreclosure of a lien under this subsection (c), except to the extent that those provisions are inconsistent with this subsection. For purposes of foreclosures of liens under this subsection, however, the redemption period described in subsection (b) of Section 15-1603 of the Code of Civil Procedure shall end 60 days after the date of entry of the order of foreclosure.

(d) In addition to any other remedy provided by law, the corporate authorities of any municipality may petition the circuit court to have property declared abandoned under this subsection (d) if:

- (1) the property has been tax delinquent for 2 or more years or bills for water service for the property have been outstanding for 2 or more years;
- (2) the property is unoccupied by persons legally in possession; and
- (3) the property contains a dangerous or unsafe building for reasons specified in the petition.

All persons having an interest of record in the property, including tax purchasers and beneficial owners of any Illinois land trust having title to the property, shall be named as defendants in the petition and shall be served with process. In addition, service shall be had under Section 2-206 of the Code of Civil Procedure as in other cases affecting property.

The municipality, however, may proceed under this subsection in a proceeding brought under subsection (a) or (b). Notice of the petition shall be served in person or by certified or registered mail on all persons who were served notice under subsection (a) or (b).

If the municipality proves that the conditions described in this subsection exist and (i) the owner of record of the property does not enter an appearance in the action, or, if title to the property is held by an Illinois land trust, if neither the owner of record nor the owner of the beneficial interest of the trust enters an appearance, or (ii) if the owner of record or the beneficiary of a land trust, if title to the property is held by an Illinois land trust, enters an appearance and specifically waives his or her rights under this subsection (d), the court shall declare the property abandoned. Notwithstanding any waiver, the municipality may move to dismiss its petition at any time. In addition, any waiver in a proceeding under this subsection (d) does not serve as a waiver for any other proceeding under law or equity.

If that determination is made, notice shall be sent in person or by certified or registered mail to all persons having an interest of record in the property, including tax purchasers and beneficial owners of any Illinois land trust having title to the property, stating that title to the property will be transferred to the municipality unless, within 30 days of the notice, the owner of record ~~or enters an appearance in the action, or unless~~ any other person having an interest in the property files with the court a request to demolish the dangerous or unsafe building or to put the building in safe condition , or unless the owner of record enters an appearance and proves that the owner does not intend to abandon the property.

If the owner of record enters an appearance in the action within the 30 day period, but does not at that time file with the court a request to demolish the dangerous or unsafe building or to put the building in safe condition, or specifically waive his or her rights under this subsection (d), the court shall vacate its order declaring the property abandoned if it determines that the owner of record does not intend to abandon the property. In that case, the municipality may amend its complaint in order to initiate proceedings under subsection (a), or it may request that the court order the owner to demolish the building or repair the dangerous or unsafe conditions of the building alleged in the petition or seek the appointment of a receiver or other equitable relief to correct the conditions at the property. The powers and rights of a receiver appointed under this subsection (d) shall include all of the powers and rights of a receiver appointed under Section 11-31-2 of this Code.

If a request to demolish or repair the building is filed within the 30 day period, the court shall grant permission to the requesting party to demolish the building within 30 days or to restore the building to safe condition within 60 days after the request is granted. An extension of that period for up to 60 additional days may be given for good cause. If more than one person with an interest in the property files a timely request, preference shall be given to the owner of record if the owner filed a request or, if the owner did not, the person with the lien or other interest of the highest priority.

If the requesting party (other than the owner of record) proves to the court that the building has been demolished or put in a safe condition in accordance with the local safety codes within the period of time granted by the court, the court shall issue a quitclaim judicial deed for the property to the requesting party, conveying only the interest of the owner of record, upon proof of payment to the municipality of all costs

incurred by the municipality in connection with the action, including but not limited to court costs, attorney's fees, administrative costs, the costs, if any, associated with building enclosure or removal, and receiver's certificates. The interest in the property so conveyed shall be subject to all liens and encumbrances on the property. In addition, if the interest is conveyed to a person holding a certificate of purchase for the property under the Property Tax Code, the conveyance shall be subject to the rights of redemption of all persons entitled to redeem under that Act, including the original owner of record. If the requesting party is the owner of record and proves to the court that the building has been demolished or put in a safe condition in accordance with the local safety codes within the period of time granted by the court, the court shall dismiss the proceeding under this subsection (d).

If the owner of record has not entered an appearance and proven that the owner did not intend to abandon the property, and if If no person with an interest in the property files a timely request or if the requesting party fails to demolish the building or put the building in safe condition within the time specified by the court, the municipality may petition the court to issue a judicial deed for the property to the municipality. A conveyance by judicial deed shall operate to extinguish all existing ownership interests in, liens on, and other interest in the property, including tax liens, and shall extinguish the rights and interests of any and all holders of a bona fide certificate of purchase of the property for delinquent taxes. Any such bona fide certificate of purchase holder shall be entitled to a sale in error as prescribed under Section 21-310 of the Property Tax Code.

(e) Each municipality may use the provisions of this subsection to expedite the removal of certain buildings that are a continuing hazard to the community in which they are located.

If a residential or commercial building is 3 stories or less in height as defined by the municipality's building code, and the corporate official designated to be in charge of enforcing the municipality's building code determines that the building is open and vacant and an immediate and continuing hazard to the community in which the building is located, then the official shall be authorized to post a notice not less than 2 feet by 2 feet in size on the front of the building. The notice shall be dated as of the date of the posting and shall state that unless the building is demolished, repaired, or enclosed, and unless any garbage, debris, and other hazardous, noxious, or unhealthy substances or materials are removed so that an immediate and continuing hazard to the community no longer exists, then the building may be demolished, repaired, or enclosed, or any garbage, debris, and other hazardous, noxious, or unhealthy substances or materials may be removed, by the municipality.

Not later than 30 days following the posting of the notice, the municipality shall do all of the following:

(1) Cause to be sent, by certified mail, return receipt requested, a Notice to Remediate to all owners of record of the property, the beneficial owners of any Illinois land trust having title to the property, and all lienholders of record in the property, stating the intent of the municipality to demolish, repair, or enclose the building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials if that action is not taken by the owner or owners.

(2) Cause to be published, in a newspaper published or circulated in the municipality where the building is located, a notice setting forth (i) the permanent tax index number and the address of the building, (ii) a statement that the property is open and vacant and constitutes an immediate and continuing hazard to the community, and (iii) a statement that the municipality intends to demolish, repair, or enclose the building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials if the owner or owners or lienholders of record fail to do so. This notice shall be published for 3 consecutive days.

(3) Cause to be recorded the Notice to Remediate mailed under paragraph (1) in the office of the recorder in the county in which the real estate is located or in the office of the registrar of titles of the county if the real estate is registered under the Registered Title (Torrens) Act.

Any person or persons with a current legal or equitable interest in the property objecting to the proposed actions of the corporate authorities may file his or her objection in an appropriate form in a court of competent jurisdiction.

If the building is not demolished, repaired, or enclosed, or the garbage, debris, or other hazardous, noxious, or unhealthy substances or materials are not removed, within 30 days of mailing the notice to the owners of record, the beneficial owners of any Illinois land trust having title to the property, and all lienholders of record in the property, or within 30 days of the last day of publication of the notice, whichever is later, the corporate authorities shall have the power to demolish, repair, or enclose the building or to remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials.

The municipality may proceed to demolish, repair, or enclose a building or remove any garbage, debris,

or other hazardous, noxious, or unhealthy substances or materials under this subsection within a 120-day period following the date of the mailing of the notice if the appropriate official determines that the demolition, repair, enclosure, or removal of any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials is necessary to remedy the immediate and continuing hazard. If, however, before the municipality proceeds with any of the actions authorized by this subsection, any person with a legal or equitable interest in the property has sought a hearing under this subsection before a court and has served a copy of the complaint on the chief executive officer of the municipality, then the municipality shall not proceed with the demolition, repair, enclosure, or removal of garbage, debris, or other substances until the court determines that that action is necessary to remedy the hazard and issues an order authorizing the municipality to do so. If the court dismisses the action for want of prosecution, the municipality must send the objector a copy of the dismissal order and a letter stating that the demolition, repair, enclosure, or removal of garbage, debris, or other substances will proceed unless, within 30 days after the copy of the order and the letter are mailed, the objector moves to vacate the dismissal and serves a copy of the motion on the chief executive officer of the municipality. Notwithstanding any other law to the contrary, if the objector does not file a motion and give the required notice, if the motion is denied by the court, or if the action is again dismissed for want of prosecution, then the dismissal is with prejudice and the demolition, repair, enclosure, or removal may proceed forthwith.

Following the demolition, repair, or enclosure of a building, or the removal of garbage, debris, or other hazardous, noxious, or unhealthy substances or materials under this subsection, the municipality may file a notice of lien against the real estate for the cost of the demolition, repair, enclosure, or removal within 180 days after the repair, demolition, enclosure, or removal occurred, for the cost and expense incurred, in the office of the recorder in the county in which the real estate is located or in the office of the registrar of titles of the county if the real estate affected is registered under the Registered Titles (Torrens) Act; this lien has priority over the interests of those parties named in the Notice to Remediate mailed under paragraph (1), but not over the interests of third party purchasers or encumbrancers for value who obtained their interests in the property before obtaining actual or constructive notice of the lien. The notice of lien shall consist of a sworn statement setting forth (i) a description of the real estate, such as the address or other description of the property, sufficient for its identification; (ii) the expenses incurred by the municipality in undertaking the remedial actions authorized under this subsection; (iii) the date or dates the expenses were incurred by the municipality; (iv) a statement by the corporate official responsible for enforcing the building code that the building was open and vacant and constituted an immediate and continuing hazard to the community; (v) a statement by the corporate official that the required sign was posted on the building, that notice was sent by certified mail to the owners of record, and that notice was published in accordance with this subsection; and (vi) a statement as to when and where the notice was published. The lien authorized by this subsection may thereafter be released or enforced by the municipality as provided in subsection (a).

(f) The corporate authorities of each municipality may remove or cause the removal of, or otherwise environmentally remediate hazardous substances and petroleum products on, in, or under any abandoned and unsafe property within the territory of a municipality. In addition, where preliminary evidence indicates the presence or likely presence of a hazardous substance or a petroleum product or a release or a substantial threat of a release of a hazardous substance or a petroleum product on, in, or under the property, the corporate authorities of the municipality may inspect the property and test for the presence or release of hazardous substances and petroleum products. In any county having adopted by referendum or otherwise a county health department as provided by Division 5-25 of the Counties Code or its predecessor, the county board of that county may exercise the above-described powers with regard to property within the territory of any city, village, or incorporated town having less than 50,000 population.

For purposes of this subsection (f):

- (1) "property" or "real estate" means all real property, whether or not improved by a structure;
- (2) "abandoned" means;
  - (A) the property has been tax delinquent for 2 or more years;
  - (B) the property is unoccupied by persons legally in possession; and
- (3) "unsafe" means property that presents an actual or imminent threat to public health and safety caused by the release of hazardous substances; and
- (4) "hazardous substances" means the same as in Section 3.215 of the Environmental Protection Act.

The corporate authorities shall apply to the circuit court of the county in which the property is located (i) for an order allowing the municipality to enter the property and inspect and test substances on, in, or under

the property; or (ii) for an order authorizing the corporate authorities to take action with respect to remediation of the property if conditions on the property, based on the inspection and testing authorized in paragraph (i), indicate the presence of hazardous substances or petroleum products. Remediation shall be deemed complete for purposes of paragraph (ii) above when the property satisfies Tier I, II, or III remediation objectives for the property's most recent usage, as established by the Environmental Protection Act, and the rules and regulations promulgated thereunder. Where, upon diligent search, the identity or whereabouts of the owner or owners of the property, including the lien holders of record, is not ascertainable, notice mailed to the person or persons in whose name the real estate was last assessed is sufficient notice under this Section.

The court shall grant an order authorizing testing under paragraph (i) above upon a showing of preliminary evidence indicating the presence or likely presence of a hazardous substance or a petroleum product or a release of or a substantial threat of a release of a hazardous substance or a petroleum product on, in, or under abandoned property. The preliminary evidence may include, but is not limited to, evidence of prior use, visual site inspection, or records of prior environmental investigations. The testing authorized by paragraph (i) above shall include any type of investigation which is necessary for an environmental professional to determine the environmental condition of the property, including but not limited to performance of soil borings and groundwater monitoring. The court shall grant a remediation order under paragraph (ii) above where testing of the property indicates that it fails to meet the applicable remediation objectives. The hearing upon the application to the circuit court shall be expedited by the court and shall be given precedence over all other suits.

The cost of the inspection, testing, or remediation incurred by the municipality or by a lien holder of record, including court costs, attorney's fees, and other costs related to the enforcement of this Section, is a lien on the real estate; except that in any instances where a municipality incurs costs of inspection and testing but finds no hazardous substances or petroleum products on the property that present an actual or imminent threat to public health and safety, such costs are not recoverable from the owners nor are such costs a lien on the real estate. The lien is superior to all prior existing liens and encumbrances, except taxes and any lien obtained under subsection (a) or (e), if, within 180 days after the completion of the inspection, testing, or remediation, the municipality or the lien holder of record who incurred the cost and expense shall file a notice of lien for the cost and expense incurred in the office of the recorder in the county in which the real estate is located or in the office of the registrar of titles of the county if the real estate affected is registered under the Registered Titles (Torrens) Act.

The notice must consist of a sworn statement setting out (i) a description of the real estate sufficient for its identification, (ii) the amount of money representing the cost and expense incurred, and (iii) the date or dates when the cost and expense was incurred by the municipality or the lien holder of record. Upon payment of the lien amount by the owner of or persons interested in the property after the notice of lien has been filed, a release of lien shall be issued by the municipality, the person in whose name the lien has been filed, or the assignee of the lien, and the release may be filed of record as in the case of filing notice of lien.

The lien may be enforced under subsection (c) or by foreclosure proceedings as in the case of mortgage foreclosures under Article XV of the Code of Civil Procedure or mechanics' lien foreclosures; provided that where the lien is enforced by foreclosure under subsection (c) or under either statute, the municipality may not proceed against the other assets of the owner or owners of the real estate for any costs that otherwise would be recoverable under this Section but that remain unsatisfied after foreclosure except where such additional recovery is authorized by separate environmental laws. An action to foreclose this lien may be commenced at any time after the date of filing of the notice of lien. The costs of foreclosure incurred by the municipality, including court costs, reasonable attorney's fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate.

All liens arising under this subsection (f) shall be assignable. The assignee of the lien shall have the same power to enforce the lien as the assigning party, except that the lien may not be enforced under subsection (c).

(g) In any case where a municipality has obtained a lien under subsection (a), the municipality may also bring an action for a money judgment against the owner or owners of the real estate in the amount of the lien in the same manner as provided for bringing causes of action in Article II of the Code of Civil Procedure and, upon obtaining a judgment, file a judgment lien against all of the real estate of the owner or owners and enforce that lien as provided for in Article XII of the Code of Civil Procedure.

SENATE BILL 326. Having been read by title a second time on May 28, 2008, and held on the order of Second Reading, the same was again taken up.

The following amendment was offered in the Committee on Elementary & Secondary Education, adopted and reproduced.

AMENDMENT NO. 1. Amend Senate Bill 326 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Transparency in College Textbook Publishing Practices Act.

Section 5. Definitions. In this Act:

SENATE BILL 526. Having been recalled on May 28, 2008, and held on the order of Second Reading, the same was again taken up.

Representative Hamos offered the following amendment and moved its adoption.

AMENDMENT NO. 4. Amend Senate Bill 526, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Homeowners' Solar Rights Act.

Section 5. Legislative intent. The legislative intent in enacting this Act is to protect the public health, safety, and welfare by encouraging the development and use of renewable resources in order to conserve and protect the value of land, buildings, and resources by preventing the adoption of measures which will have the ultimate effect, however unintended, of increasing the costs of owning and operating commercial or residential property beyond the capacity of private owners to maintain.

Section 10. Associations; prohibitions. Notwithstanding any provision of this Act or other provision of law, the adoption of a bylaw or exercise of any power by the governing entity of a homeowners' association, property owners' association, or condominium unit owners' association which prohibits or has the effect of prohibiting the installation of a solar energy system or other energy device based on a renewable resource is expressly prohibited.

Section 15. Deed restrictions; covenants. No deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting a solar energy system or other energy device based on a renewable resource from being installed on a building erected on a lot or parcel covered by the deed restrictions, covenants, or binding agreements. A property owner may not be denied permission to install a solar energy system or other energy device based on a renewable resource by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property. However, for purposes of this Act, the entity may determine the specific location where a solar energy system or other energy device may be installed on the roof within an orientation to the south or within 45 degrees east or west of due south provided that the determination does

not impair the effective operation of the solar energy system or other energy device. Each homeowners' association and condominium unit owners' association shall adopt an energy policy statement regarding the location, design, and architectural requirements of solar energy systems or other energy devices. An association shall disclose, upon request, its energy policy statement and shall include the statement in its homeowners' or condominium unit owners' association declaration.

Section 20. Standards and requirements. A solar energy system or other energy device based on a renewable resource shall meet applicable standards and requirements imposed by State and local permitting authorities. A solar energy system shall be certified by the Solar Rating and Certification Corporation (SRCC) or another similar nationally recognized certification entity.

Section 25. Application for approval. Whenever approval is required for the installation or use of a solar energy system or other energy device, the application for approval shall be processed and approved by the appropriate approving entity in the same manner as an application for approval of an architectural modification to the property, and the application shall not be willfully avoided or delayed.

Section 30. Violations. Any entity, other than a public entity, that willfully violates this Act shall be liable to the applicant or any other party affected by a willful violation of this Act for actual damages occasioned thereby and for any other consequential damages. Any entity that complies with the requirements of this Act shall not be liable to any other resident or third party for such compliance.

Section 35. Costs; attorney's fees. In any litigation arising under this Act, the prevailing party shall be entitled to costs and reasonable attorney's fees.

Section 40. Inapplicability. This Act shall not apply to any building which is greater than 30 feet in height.

Section 90. The Energy Efficient Commercial Building Act is amended by changing Sections 1, 5, 10, 15, 20, and 45 as follows:

(20 ILCS 3125/1)

(Source: P.A. 93-936, eff. 8-13-04.)

(20 ILCS 3125/5)

Sec. 5. Findings.

(a) The legislature finds that an effective energy efficient ~~commercial~~ building code is essential to:

- (1) reduce the air pollutant emissions from energy consumption that are affecting the health of residents of this State;
- (2) moderate future peak electric power demand;
- (3) assure the reliability of the electrical grid and an adequate supply of heating oil and natural gas; and
- (4) control energy costs for residents and businesses in this State.

(b) The legislature further finds that this State has a number of different climate types, all of which require energy for both cooling and heating, and that there are many cost-effective measures that can reduce peak energy use and reduce cooling, heating, lighting, and other energy costs in ~~commercial~~ buildings.

(Source: P.A. 93-936, eff. 8-13-04.)

(20 ILCS 3125/10)

Sec. 15. Energy Efficient Building Code. The Board, in consultation with the Department, shall adopt the Code as minimum requirements for commercial buildings, applying to the construction of, renovations to, and additions to all commercial buildings in the State. With respect to commercial buildings, the ~~The~~ Board may appropriately adapt the International Energy Conservation Code to apply to the particular economy, population distribution, geography, and climate of the State and construction therein, consistent with the public policy objectives of this Act.

The Board, in consultation with the Department, shall adopt the Code as the minimum and maximum requirements for residential buildings, applying to the construction of all residential buildings in the State. The Board, in consultation with the Department, shall also have the authority to promulgate rules only to the extent that the Board adopts the Code as the minimum and maximum requirements for residential buildings, applying to the construction of all residential buildings in the State. In addition, if the Board desires to appropriately adapt the Energy Conservation Code with respect to residential buildings to apply to the particular economy, population distribution, geography, and climate of the State and construction therein, consistent with the public policy objectives of this Act, it shall suggest rules to the General Assembly and request that the General Assembly authorize such rulemaking by law.

(Source: P.A. 93-936, eff. 8-13-04.)

(20 ILCS 3125/20)

Sec. 20. Applicability.

(a) The Code shall take effect one year after it is adopted by the Board and shall apply to any ~~new commercial~~ building or structure in this State for which a building permit application is received by a municipality or county, except as otherwise provided by this Act. In the case of any addition, alteration, renovation, or repair to an existing commercial structure, the Code adopted under this Act applies only to the portions of that structure that are being added, altered, renovated, or repaired.

(b) The following buildings shall be exempt from the Code:

(1) Buildings otherwise exempt from the provisions of a locally adopted building code and buildings that do not contain a conditioned space.

(2) Buildings that do not use either electricity or fossil fuel for comfort conditioning. For purposes of determining whether this exemption applies, a building will be presumed to be heated by electricity, even in the absence of equipment used for electric comfort heating, whenever the building is provided with electrical service in excess of 100 amps, unless the code enforcement official determines that this electrical service is necessary for purposes other than providing electric comfort heating.

(3) Historic buildings. This exemption shall apply to those buildings that are listed on the National Register of Historic Places or the Illinois Register of Historic Places, and to those buildings that have been designated as historically significant by a local governing body that is authorized to make such designations.

(4) ~~Additions, alterations, renovations, or repairs to existing residential structures~~ Residential buildings.

(5) Other buildings specified as exempt by the International Energy Conservation Code.

(c) A unit of local government that does not regulate energy efficient building standards is not required to adopt, enforce, or administer the Code; however any energy efficient building standards adopted by a unit of local government must comply with this Act. If a unit of local government does not regulate energy efficient building standards, any construction, renovation, or addition to buildings or structures is subject to the provisions contained in this Act.

(Source: P.A. 93-936, eff. 8-13-04.)

(20 ILCS 3125/45)

Sec. 45. Home rule. Except as otherwise provided in this Section, no ~~No~~ unit of local government, including any home rule unit, may regulate energy efficient building standards for commercial buildings in a manner that is less stringent than the provisions contained in this Act.

Except as otherwise provided in this Section, no unit of local government, including any home rule unit, may regulate energy efficient building standards for residential buildings in a manner that is either less or more stringent than the standards established pursuant to this Act.

Except as otherwise provided in this Section, no unit of local government, including any home rule unit, may hereafter enact any annexation ordinance or resolution, or require or enter into any annexation agreement, that imposes energy efficiency building standards for residential buildings that are either less or more stringent than the energy efficiency standards in effect throughout the unit of local government, including a unit of local government that is subject to State regulation under the Code as provided in

Section 15 of this Act, at the time of construction.

Any unit of local government that has adopted any previously published editions of the International Energy Conservation Code on or before May 1, 2008, may continue to regulate energy efficient building standards under that Code and any supplements the unit of local government has adopted prior to May 1, 2008.

This Section is a denial and limitation of home rule powers and functions under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State. Nothing in this Section, however, prevents a unit of local government from adopting an energy efficiency code or standards for commercial buildings that are more stringent than the Code under this Act.

SENATE BILL 2857. Having been recalled on May 30, 2008, the same was again taken up. Representative Currie offered the following amendments and moved their adoption.

AMENDMENT NO. 1. Amend Senate Bill 2857 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Administrative Procedure Act is amended by changing Section 5-50 as follows:  
(5 ILCS 100/5-50) (from Ch. 127, par. 1005-50)

Sec. 5-50. Peremptory rulemaking. "Peremptory rulemaking" means any rulemaking that is required as a result of federal law, federal rules and regulations, an order of a court, or a collective bargaining agreement pursuant to subsection (d) of Section 1-5, under conditions that preclude compliance with the general rulemaking requirements imposed by Section 5-40 and that preclude the exercise of discretion by the agency as to the content of the rule it is required to adopt. Peremptory rulemaking shall not be used to implement consent orders or other court orders adopting settlements negotiated by the agency. If any agency finds that peremptory rulemaking is necessary and states in writing its reasons for that finding, the agency may adopt peremptory rulemaking upon filing a notice of rulemaking with the Secretary of State under Section 5-70. The notice shall be published in the Illinois Register. A rule adopted under the peremptory rulemaking provisions of this Section becomes effective immediately upon filing with the Secretary of State and in the agency's principal office, or at a date required or authorized by the relevant federal law, federal rules and regulations, or court order, as stated in the notice of rulemaking. Notice of rulemaking under this Section shall be published in the Illinois Register, shall specifically refer to the appropriate State or federal court order or federal law, rules, and regulations, and shall be in a form as the Secretary of State may reasonably prescribe by rule. The agency shall file the notice of peremptory rulemaking within 30 days after a change in rules is required.

The Department of Healthcare and Family Services may adopt peremptory rulemaking under the terms and conditions of this Section to implement final payments included in a State Medicaid Plan Amendment approved by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services and authorized under Section 5A-12.2 of the Illinois Public Aid Code, and to adjust hospital provider assessments as Medicaid Provider-Specific Taxes permitted by Title XIX of the federal Social Security Act and authorized under Section 5A-2 of the Illinois Public Aid Code.

Section 15. The Illinois Public Aid Code is amended by changing Sections 5A-1, 5A-2, 5A-3, 5A-4, 5A-5, 5A-8, 5A-10, 5A-14, 15-2, 15-3, 15-5, and 15-8 and by adding Sections 5A-12.2, 15-10, and 15-11 as follows:

(305 ILCS 5/5A-1) (from Ch. 23, par. 5A-1)

Sec. 5A-1. Definitions. As used in this Article, unless the context requires otherwise:

"Adjusted gross hospital revenue" shall be determined separately for inpatient and outpatient services for each hospital conducted, operated or maintained by a hospital provider, and means the hospital provider's total gross revenues less: (i) gross revenue attributable to non-hospital based services including home dialysis services, durable medical equipment, ambulance services, outpatient clinics and any other non-hospital based services as determined by the Illinois Department by rule; and (ii) gross revenues attributable to the routine services provided to persons receiving skilled or intermediate long-term care services within the meaning of Title XVIII or XIX of the Social Security Act; and (iii) Medicare gross revenue (excluding the Medicare gross revenue attributable to clauses (i) and (ii) of this paragraph and the Medicare gross revenue attributable to the routine services provided to patients in a psychiatric hospital, a rehabilitation hospital, a distinct part psychiatric unit, a distinct part rehabilitation unit, or swing beds). Adjusted gross hospital revenue shall be determined using the most recent data available from each hospital's 2003 Medicare cost report as contained in the Healthcare Cost Report Information System file,

for the quarter ending on December 31, 2004, without regard to any subsequent adjustments or changes to such data. If a hospital's 2003 Medicare cost report is not contained in the Healthcare Cost Report Information System, the hospital provider shall furnish such cost report or the data necessary to determine its adjusted gross hospital revenue as required by rule by the Illinois Department.

"Fund" means the Hospital Provider Fund.

"Hospital" means an institution, place, building, or agency located in this State that is subject to licensure by the Illinois Department of Public Health under the Hospital Licensing Act, whether public or private and whether organized for profit or not-for-profit.

"Hospital provider" means a person licensed by the Department of Public Health to conduct, operate, or maintain a hospital, regardless of whether the person is a Medicaid provider. For purposes of this paragraph, "person" means any political subdivision of the State, municipal corporation, individual, firm, partnership, corporation, company, limited liability company, association, joint stock association, or trust, or a receiver, executor, trustee, guardian, or other representative appointed by order of any court.

"Medicare bed days" means, for each hospital, the sum of the number of days that each bed was occupied by a patient who was covered by Title XVIII of the Social Security Act, excluding days attributable to the routine services provided to persons receiving skilled or intermediate long term care services. Medicare bed days shall be computed separately for each hospital operated or maintained by a hospital provider.

"Occupied bed days" means the sum of the number of days that each bed was occupied by a patient for all beds, excluding days attributable to the routine services provided to persons receiving skilled or intermediate long term care services during calendar year 2004. Occupied bed days shall be computed separately for each hospital operated or maintained by a hospital provider.

"Proration factor" means a fraction, the numerator of which is 53 and the denominator of which is 365. (Source: P.A. 93-659, eff. 2-3-04; 93-1066, eff. 1-15-05; 94-242, eff. 7-18-05.)

(305 ILCS 5/5A-2) (from Ch. 23, par. 5A-2)

(Section scheduled to be repealed on July 1, 2008)

Sec. 5A-2. Assessment; ~~no local authorization to tax.~~

(a) Subject to Sections 5A-3 and 5A-10, an annual assessment on inpatient services is imposed on each hospital provider in an amount equal to the hospital's occupied bed days multiplied by \$84.19 multiplied by the proration factor for State fiscal year 2004 and the hospital's occupied bed days multiplied by \$84.19 for State fiscal year 2005.

For State fiscal years 2004 and 2005, the The Department of Healthcare and Family Services shall use the number of occupied bed days as reported by each hospital on the Annual Survey of Hospitals conducted by the Department of Public Health to calculate the hospital's annual assessment. If the sum of a hospital's occupied bed days is not reported on the Annual Survey of Hospitals or if there are data errors in the reported sum of a hospital's occupied bed days as determined by the Department of Healthcare and Family Services (formerly Department of Public Aid), then the Department of Healthcare and Family Services may obtain the sum of occupied bed days from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Department of Healthcare and Family Services or its duly authorized agents and employees.

Subject to Sections 5A-3 and 5A-10, for the privilege of engaging in the occupation of hospital provider, beginning August 1, 2005, an annual assessment is imposed on each hospital provider for State fiscal years 2006, 2007, and 2008, in an amount equal to 2.5835% of the hospital provider's adjusted gross hospital revenue for inpatient services and 2.5835% of the hospital provider's adjusted gross hospital revenue for outpatient services. If the hospital provider's adjusted gross hospital revenue is not available, then the Illinois Department may obtain the hospital provider's adjusted gross hospital revenue from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

Subject to Sections 5A-3 and 5A-10, for State fiscal years 2009 through 2013, an annual assessment on inpatient services is imposed on each hospital provider in an amount equal to \$218.38 multiplied by the difference of the hospital's occupied bed days less the hospital's Medicare bed days.

For State fiscal years 2009 through 2013, a hospital's occupied bed days and Medicare bed days shall be determined using the most recent data available from each hospital's 2005 Medicare cost report as contained in the Healthcare Cost Report Information System file, for the quarter ending on December 31, 2006, without regard to any subsequent adjustments or changes to such data. If a hospital's 2005 Medicare cost report is not contained in the Healthcare Cost Report Information System, then the Illinois Department may obtain the hospital provider's occupied bed days and Medicare bed days from any source available,

including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

(b) (Blank). Nothing in this Article shall be construed to authorize any home rule unit or other unit of local government to license for revenue or to impose a tax or assessment upon hospital providers or the occupation of hospital provider, or a tax or assessment measured by the income or earnings of a hospital provider.

(c) (Blank). As provided in Section 5A-14, this Section is repealed on July 1, 2008.

(d) Notwithstanding any of the other provisions of this Section, the Department is authorized, during this 94th General Assembly, to adopt rules to reduce the rate of any annual assessment imposed under this Section, as authorized by Section 5-46.2 of the Illinois Administrative Procedure Act.

(e) Notwithstanding any other provision of this Section, any plan providing for an assessment on a hospital provider as a permissible tax under Title XIX of the federal Social Security Act and Medicaid-eligible payments to hospital providers from the revenues derived from that assessment shall be reviewed by the Illinois Department of Healthcare and Family Services, as the Single State Medicaid Agency required by federal law, to determine whether those assessments and hospital provider payments meet federal Medicaid standards. If the Department determines that the elements of the plan may meet federal Medicaid standards and a related State Medicaid Plan Amendment is prepared in a manner and form suitable for submission, that State Plan Amendment shall be submitted in a timely manner for review by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services and subject to approval by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services. No such plan shall become effective without approval by the Illinois General Assembly by the enactment into law of related legislation. Notwithstanding any other provision of this Section, the Department is authorized to adopt rules to reduce the rate of any annual assessment imposed under this Section. Any such rules may be adopted by the Department under Section 5-50 of the Illinois Administrative Procedure Act.

(b-15) For State fiscal years 2004 and 2005, a hospital provider whose hospital is licensed by the Department of Public Health as a psychiatric hospital is exempt from the assessment imposed by Section 5A-2, unless the exemption is adjudged to be unconstitutional or otherwise invalid, in which case the hospital provider shall pay the assessment imposed by Section 5A-2.

(b-20) For State fiscal years 2004 and 2005, a hospital provider whose hospital is licensed by the Department of Public Health as a rehabilitation hospital is exempt from the assessment imposed by Section 5A-2, unless the exemption is adjudged to be unconstitutional or otherwise invalid, in which case the hospital provider shall pay the assessment imposed by Section 5A-2.

Sec. 5A-4. Payment of assessment; penalty.

(a) The annual assessment imposed by Section 5A-2 for State fiscal year 2004 shall be due and payable on June 18 of the year. The assessment imposed by Section 5A-2 for State fiscal year 2005 shall be due and payable in quarterly installments, each equalling one-fourth of the assessment for the year, on July 19, October 19, January 18, and April 19 of the year. The assessment imposed by Section 5A-2 for State fiscal years year 2006 through 2008 and each subsequent State fiscal year shall be due and payable in quarterly installments, each equaling one-fourth of the assessment for the year, on the fourteenth State business day of September, December, March, and May. The assessment imposed by Section 5A-2 for State fiscal year 2009 and each subsequent State fiscal year shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the fourteenth State business day of each month. No installment payment of an assessment imposed by Section 5A-2 shall be due and payable, however, until after: (i) the Department notifies the hospital provider, in writing, receives written notice from the Department of Healthcare and Family Services (formerly Department of Public Aid) that the payment methodologies to hospitals required under Section 5A-12, or Section 5A-12.1, or Section 5A-12.2, whichever is applicable for that fiscal year, have been approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services and the waiver under 42 CFR 433.68 for the assessment imposed by Section 5A-2, if necessary, has been granted by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services; and (ii) the Comptroller has issued the hospital has received the payments required under Section 5A-12, or Section 5A-12.1, or Section 5A-12.2, whichever is applicable for that fiscal year. Upon notification to the Department of approval of the payment methodologies required under Section 5A-12, or Section 5A-12.1, or Section 5A-12.2, whichever is applicable for that fiscal year, and the waiver granted under 42 CFR 433.68, all quarterly installments otherwise due under Section 5A-2 prior to the date of notification shall be due and payable to the Department upon written direction from the Department and issuance by the Comptroller receipt of the payments required under Section 5A-12.1 or Section 5A-12.2, whichever is applicable for that fiscal year.

(b) The Illinois Department is authorized to establish delayed payment schedules for hospital providers that are unable to make installment payments when due under this Section due to financial difficulties, as determined by the Illinois Department.

(c) If a hospital provider fails to pay the full amount of an installment when due (including any extensions granted under subsection (b)), there shall, unless waived by the Illinois Department for reasonable cause, be added to the assessment imposed by Section 5A-2 a penalty assessment equal to the lesser of (i) 5% of the amount of the installment not paid on or before the due date plus 5% of the portion thereof remaining unpaid on the last day of each 30-day period thereafter or (ii) 100% of the installment amount not paid on or before the due date. For purposes of this subsection, payments will be credited first to unpaid installment amounts (rather than to penalty or interest), beginning with the most delinquent installments.

(d) Any assessment amount that is due and payable to the Illinois Department more frequently than once per calendar quarter shall be remitted to the Illinois Department by the hospital provider by means of electronic funds transfer. The Illinois Department may provide for remittance by other means if (i) the amount due is less than \$10,000 or (ii) electronic funds transfer is unavailable for this purpose.

The notice of assessment shall notify the hospital of its assessment and shall be sent after receipt by the Department of notification from the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services that the payment methodologies required under Section 5A-12, or Section 5A-12.1, or Section 5A-12.2, whichever is applicable for that fiscal year, and, if necessary, the waiver granted under 42 CFR 433.68 have been approved. The notice shall be on a form prepared by the Illinois Department and shall state the following:

(1) The name of the hospital provider.

(2) The address of the hospital provider's principal place of business from which the provider engages in the occupation of hospital provider in this State, and the name and address of each hospital operated, conducted, or maintained by the provider in this State.

(whichever is applicable), the amount of assessment imposed under Section 5A-2 for the State fiscal year for which the notice is sent, and the amount of each ~~quarterly~~ installment to be paid during the State fiscal year.

(4) (Blank).

(5) Other reasonable information as determined by the Illinois Department.

(b) If a hospital provider conducts, operates, or maintains more than one hospital licensed by the Illinois Department of Public Health, the provider shall pay the assessment for each hospital separately.

(c) Notwithstanding any other provision in this Article, in the case of a person who ceases to conduct, operate, or maintain a hospital in respect of which the person is subject to assessment under this Article as a hospital provider, the assessment for the State fiscal year in which the cessation occurs shall be adjusted by multiplying the assessment computed under Section 5A-2 by a fraction, the numerator of which is the number of days in the year during which the provider conducts, operates, or maintains the hospital and the denominator of which is 365. Immediately upon ceasing to conduct, operate, or maintain a hospital, the person shall pay the assessment for the year as so adjusted (to the extent not previously paid).

(d) Notwithstanding any other provision in this Article, a provider who commences conducting, operating, or maintaining a hospital, upon notice by the Illinois Department, shall pay the assessment computed under Section 5A-2 and subsection (e) in installments on the due dates stated in the notice and on the regular installment due dates for the State fiscal year occurring after the due dates of the initial notice.

(e) Notwithstanding any other provision in this Article, for State fiscal years 2004 and 2005, in the case of a hospital provider that did not conduct, operate, or maintain a hospital throughout calendar year 2001, the assessment for that State fiscal year shall be computed on the basis of hypothetical occupied bed days for the full calendar year as determined by the Illinois Department. Notwithstanding any other provision in this Article, for State fiscal years ~~2006 through 2008 after 2005~~, in the case of a hospital provider that did not conduct, operate, or maintain a hospital in 2003, the assessment for that State fiscal year shall be computed on the basis of hypothetical adjusted gross hospital revenue for the hospital's first full fiscal year as determined by the Illinois Department (which may be based on annualization of the provider's actual revenues for a portion of the year, or revenues of a comparable hospital for the year, including revenues realized by a prior provider of the same hospital during the year). Notwithstanding any other provision in this Article, for State fiscal years 2009 through 2013, in the case of a hospital provider that did not conduct, operate, or maintain a hospital in 2005, the assessment for that State fiscal year shall be computed on the basis of hypothetical occupied bed days for the full calendar year as determined by the Illinois Department.

(f) Every hospital provider subject to assessment under this Article shall keep sufficient records to permit the determination of adjusted gross hospital revenue for the hospital's fiscal year. All such records shall be kept in the English language and shall, at all times during regular business hours of the day, be subject to inspection by the Illinois Department or its duly authorized agents and employees.

(g) The Illinois Department may, by rule, provide a hospital provider a reasonable opportunity to request a clarification or correction of any clerical or computational errors contained in the calculation of its assessment, but such corrections shall not extend to updating the cost report information used to calculate the assessment.

(2) For State fiscal years prior to State fiscal year 2009, the Department of Healthcare and Family Services (formerly Department of Public Aid) makes changes in its rules that reduce the hospital inpatient or outpatient payment rates, including adjustment payment rates, in effect on October 1, 2004, except for hospitals described in subsection (b) of Section 5A-3 and except for changes in the methodology for calculating outlier payments to hospitals for exceptionally costly stays, so long as those changes do not reduce aggregate expenditures below the amount expended in State fiscal year 2005 for such services; or

(2.1) For State fiscal years 2009 through 2013, the Department of Healthcare and Family Services adopts any administrative rule change to reduce payment rates or alters any payment methodology that reduces any payment rates made to operating hospitals under the approved Title XIX or Title XXI State plan in effect January 1, 2008 except for:

(i) Crossover adjustment. In addition to rates paid for inpatient services, the Department shall pay each Illinois general acute care hospital that had a ratio of crossover days to total inpatient days for medical assistance programs administered by the Department (utilizing information from 2005 paid claims) greater than 50%, and a case mix index greater than the 65th percentile of case mix indices for all Illinois hospitals, a rate of \$1,125 for each Medicaid inpatient day including crossover days.

(j) Magnet hospital adjustment. In addition to rates paid for inpatient hospital services, the Department shall pay to each Illinois general acute care hospital and each Illinois freestanding children's hospital that, as of February 1, 2008, was recognized as a Magnet hospital by the American Nurses Credentialing Center and that had a case mix index greater than the 75th percentile of case mix indices for all Illinois hospitals amounts as follows:

(1) For hospitals located in a county whose eligibility growth factor is greater than the mean, \$450 multiplied by the eligibility growth factor for the county in which the hospital is located for each Medicaid inpatient day of care provided by the hospital during State fiscal year 2005.

(2) For hospitals located in a county whose eligibility growth factor is less than or equal to the mean, \$225 multiplied by the eligibility growth factor for the county in which the hospital is located for each Medicaid inpatient day of care provided by the hospital during State fiscal year 2005.

For purposes of this subsection, "eligibility growth factor" means the percentage by which the number of Medicaid recipients in the county increased from State fiscal year 1998 to State fiscal year 2005.

(k) For purposes of this Section, a hospital that is enrolled to provide Medicaid services during State fiscal year 2005 shall have its utilization and associated reimbursements annualized prior to the payment calculations being performed under this Section.

(l) For purposes of this Section, the terms "Medicaid days", "ambulatory procedure listing services", and "ambulatory procedure listing payments" do not include any days, charges, or services for which Medicare or a managed care organization reimbursed on a capitated basis was liable for payment, except where explicitly stated otherwise in this Section.

(m) For purposes of this Section, in determining the percentile ranking of an Illinois hospital's case mix index or capital costs, hospitals described in subsection (b) of Section 5A-3 shall be excluded from the ranking.

(n) Definitions. Unless the context requires otherwise or unless provided otherwise in this Section, the terms used in this Section for qualifying criteria and payment calculations shall have the same meanings as those terms have been given in the Illinois Department's administrative rules as in effect on March 1, 2008. Other terms shall be defined by the Illinois Department by rule.

As used in this Section, unless the context requires otherwise:

"Base inpatient payments" means, for a given hospital, the sum of base payments for inpatient services

made on a per diem or per admission (DRG) basis, excluding those portions of per admission payments that are classified as capital payments. Disproportionate share hospital adjustment payments, Medicaid Percentage Adjustments, Medicaid High Volume Adjustments, and outlier payments, as defined by rule by the Department as of January 1, 2008, are not base payments.

"Capital costs" means, for a given hospital, the total capital costs determined using the most recent 2005 Medicare cost report as contained in the Healthcare Cost Report Information System file, for the quarter ending on December 31, 2006, divided by the total inpatient days from the same cost report to calculate a capital cost per day. The resulting capital cost per day is inflated to the midpoint of State fiscal year 2009 utilizing the national hospital market price proxies (DRI) hospital cost index. If a hospital's 2005 Medicare cost report is not contained in the Healthcare Cost Report Information System, the Department may obtain the data necessary to compute the hospital's capital costs from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

"Case mix index" means, for a given hospital, the sum of the DRG relative weighting factors in effect on January 1, 2005, for all general acute care admissions for State fiscal year 2005, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82, divided by the total number of general acute care admissions for State fiscal year 2005, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82.

"Medicaid inpatient day" means, for a given hospital, the sum of days of inpatient hospital days provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding days for individuals eligible for Medicare under Title XVIII of that Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for admissions occurring during State fiscal year 2005 that was adjudicated by the Department through March 23, 2007.

"Medicaid obstetrical day" means, for a given hospital, the sum of days of inpatient hospital days grouped by the Department to DRGs of 370 through 375 provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding days for individuals eligible for Medicare under Title XVIII of that Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for admissions occurring during State fiscal year 2005 that was adjudicated by the Department through March 23, 2007.

"Outpatient ambulatory procedure listing payments" means, for a given hospital, the sum of payments for ambulatory procedure listing services, as described in 89 Ill. Adm. Code 148.140(b), provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding payments for individuals eligible for Medicare under Title XVIII of the Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for services occurring in State fiscal year 2005 that were adjudicated by the Department through March 23, 2007.

(o) The Department may adjust payments made under this Section 12.2 to comply with federal law or regulations regarding hospital-specific payment limitations on government-owned or government-operated hospitals.

(p) Notwithstanding any of the other provisions of this Section, the Department is authorized to adopt rules that change the hospital access improvement payments specified in this Section, but only to the extent necessary to conform to any federally approved amendment to the Title XIX State plan. Any such rules shall be adopted by the Department as authorized by Section 5-50 of the Illinois Administrative Procedure Act. Notwithstanding any other provision of law, any changes implemented as a result of this subsection (p) shall be given retroactive effect so that they shall be deemed to have taken effect as of the effective date of this Section.

(q) For State fiscal years 2012 and 2013, the Department may make recommendations to the General Assembly regarding the use of more recent data for purposes of calculating the assessment authorized under Section 5A-2 and the payments authorized under this Section 5A-12.2.

(b) The payment schedule for the intergovernmental transfer made hereunder shall be established by intergovernmental agreement between the Illinois Department and the applicable county, which agreement shall at a minimum provide:

(1) For periodic payments no less frequently than monthly to the county provider for inpatient and outpatient approved or adjudicated claims and for disproportionate share adjustment payments as may be specified in the Illinois Title XIX State plan, under Section 5-5.02 of this Code (in the initial year, for services after July 1, 1991, or such other date as an approved State Medical Assistance Plan shall provide).

Sec. 15-5. Disbursements from the Fund.

(a) The monies in the Fund shall be disbursed only as provided in Section 15-2 of this Code and as follows:

(1) To ~~the extent that such costs are reimbursable under federal law, to pay the county hospitals' inpatient reimbursement rates~~ rate based on actual costs incurred,

~~trended forward annually by an inflation index, and supplemented by teaching, capital, and other direct and indirect costs, according to a State plan approved by the federal government. Effective October 1, 1992, the inpatient reimbursement rate (including any disproportionate or supplemental disproportionate share payments) for hospital services provided by county operated facilities within the County shall be no less than the reimbursement rates in effect on June 1, 1992, except that this minimum shall be adjusted as of July 1, 1992 and each July 1 thereafter through July 1, 2002 by the annual percentage change in the per diem cost of inpatient hospital services as reported in the most recent annual Medicaid cost report. Effective July 1, 2003, the rate for hospital inpatient services provided by county hospitals shall be the rate in effect on January 1, 2003, except that this minimum may be adjusted by the Illinois Department to ensure compliance with aggregate and hospital specific federal payment limitations.~~

(2) To ~~the extent that such costs are reimbursable under federal law, to pay county hospitals and county operated outpatient facilities for outpatient~~

~~services based on a federally approved methodology to cover the maximum allowable costs, per patient visit. Effective October 1, 1992, the outpatient reimbursement rate for outpatient services provided by county hospitals and county operated outpatient facilities shall be no less than the reimbursement rates in effect on June 1, 1992, except that this minimum shall be adjusted as of July 1, 1992 and each July 1 thereafter through July 1, 2002 by the annual percentage change in the per diem cost of inpatient hospital services as reported in the most recent annual Medicaid cost report. Effective July 1, 2003, the Illinois Department shall by rule establish rates for outpatient services provided by county hospitals and other county operated facilities within the County that are in compliance with aggregate and hospital specific federal payment limitations.~~

(3) To pay the county ~~hospitals' disproportionate share~~ hospitals' disproportionate share hospital adjustment payments as may be specified in the Illinois Title XIX State plan, as established by the Illinois Department under Section 5-5.02 of this Code. (b) The Illinois Department shall promptly seek all appropriate amendments to the Illinois Title XIX State Plan to maximize reimbursement, including disproportionate share hospital adjustment payments, to the county providers effect the foregoing payment methodology.

~~(c) (Blank). The Illinois Department shall implement the changes made by Article 3 of this amendatory Act of 1992 beginning October 1, 1992. The foregoing filing obligations of the Illinois Department are informational only, to allow the Board and Council, respectively, to better perform their public roles, except that the Board or Council may, at its discretion, advise the Illinois Department in the case of the failure of the Illinois Department to reach agreement with any qualifying county by the required date.~~

(1) The federal government approves State Plan Amendment transmittal number 08-06 or a State Plan Amendment that permits disproportionate share hospital adjustment payments to be made to county hospitals.

(2) Proposed federal regulations, or other regulations or limitations driven by the federal government, negatively impact the net revenues realized by county providers from the Fund during a State fiscal year by more than 15%, as measured by the aggregate average net monthly payment received by the county providers from the Fund from July 2007 through May 2008.

(3) The county providers have in good faith submitted timely, complete, and accurate cost reports and supplemental documents as required by the Illinois Department.

(4) the county providers maintain and bill for service volumes to individuals eligible for medical assistance under this Code that are no lower than 85% of the volumes provided by and billed to the Illinois

Department by the county providers associated with payments received by the county providers from July 2007 through May 2008. Given the substantial financial burdens of the county associated with uncompensated care, the Illinois Department shall make good faith efforts to work with the county to maintain Medicaid volumes to the extent that the county has the adequate capacity to meet the obligations of patient volumes.

The Illinois Department and the county shall include in an intergovernmental agreement the process by which these conditions are assessed. The parties may, if necessary, contract with a large, nationally recognized public accounting firm to carry out this function.

(b) If the conditions of subsection (a) are met, and subject to appropriation or other available funding for such purpose, the Illinois Department shall make a payment or otherwise make funds available to the county hospitals, during the lapse period, that provides for total payments to be at least at a level that is equivalent to the total fee-for-service payments received by the county providers that are enrolled with the Illinois Department to provide services during the fiscal year of the payment from the Fund from July 2007 through May 2008 multiplied by twelve-elevenths.

(c) In addition, notwithstanding any provision in subsection (a), the Illinois Department shall maximize disproportionate share hospital adjustment payments to the county hospitals that, at a minimum, are 42% of the State's federal fiscal year 2007 disproportionate share allocation.

(d) For the purposes of this Section, "net revenues" means the difference between the total fee-for-service payments made by the Illinois Department to county providers less the intergovernmental transfer made by the county in support of those payments.

(e) If (i) the disproportionate share hospital adjustment State Plan Amendment referenced in subdivision (a)(1) is not approved, or (ii) any reconciliation of payments to costs incurred would require repayment to the federal government of at least \$2,500,000, or (iii) there is no funding available for the Illinois Department's obligations under subsection (b), the Illinois Department, the county, and the leadership of the General Assembly shall designate individuals to convene, within 30 days, to discuss how mutual funding goals for the county providers are to be achieved.

(305 ILCS 5/15-11 new)

Sec. 15-11. Uses of State funds.

(a) At any point, if State revenues referenced in subsection (b) or (c) of Section 15-10 or additional State grants are disbursed to the Cook County Health and Hospitals System, all funds may be used only for the following:

(1) medical services provided at hospitals or clinics owned and operated by the Cook County Bureau of Health Services; or

(2) information technology to enhance billing capabilities for medical claiming and reimbursement.

(b) State funds may not be used for the following:

(1) non-clinical services, except services that may be required by accreditation bodies or State or federal regulatory or licensing authorities;

(2) non-clinical support staff, except as pursuant to paragraph (1) of this subsection; or

(3) capital improvements, other than investments in medical technology, except for capital improvements that may be required by accreditation bodies or State or federal regulatory or licensing authorities.

"(p) Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this amendatory Act of the 95th General Assembly, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor."

Representative Leitch offered the following amendment and moved its adoption:

AMENDMENT NO. 4. Amend Senate Bill 2033, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 60. The Counties Code is amended by changing Section 5-1062.3 as follows:

(55 ILCS 5/5-1062.3 new)

Sec. 5-1062.3. Stormwater management; Peoria.

(a) The purpose of this Section is to allow management and mitigation of the effects of urbanization on stormwater drainage in Peoria County and references to "county" in this Section apply only to that county. The purpose of this Section shall be achieved by:

(1) Consolidating the existing stormwater management framework into a united, countywide structure.

(2) Setting minimum standards for floodplain and stormwater management.

(3) Preparing a countywide plan for the management of stormwater runoff, including the management of natural and man-made drainageways. The countywide plan may incorporate watershed plans.

(b) A stormwater management planning committee may be established by county board resolution, with its membership consisting of equal numbers of county board and municipal representatives from each county board district, and such other members as may be determined by the county and municipal members. The county board may by ordinance divide the county into not less than 6 areas of approximately equal population, to be used instead of county board districts for the purpose of determining representation on the stormwater management planning committee.

The county board members shall be appointed by the chairman of the county board. Municipal members from each county board district or other represented area shall be appointed by a majority vote of the mayors of those municipalities that have the greatest percentage of their respective populations residing in that county board district or other represented area. All municipal and county board representatives shall be entitled to a vote; the other members shall be nonvoting members, unless authorized to vote by the unanimous consent of the municipal and county board representatives. A municipality that is located in more than one county may choose, at the time of formation of the stormwater management planning committee and based on watershed boundaries, to participate in the stormwater management planning program of either or both of the counties. Subcommittees of the stormwater management planning committee may be established to serve a portion of the county or a particular drainage basin that has similar stormwater management needs. The stormwater management planning committee shall adopt bylaws, by a

majority vote of the county and municipal members, to govern the functions of the committee and its subcommittees. Officers of the committee shall include a chair and vice chair, one of whom shall be a county representative and one a municipal representative.

The principal duties of the committee shall be to develop a stormwater management plan for presentation to and approval by the county board, and to direct the plan's implementation and revision. The committee may retain engineering, legal, and financial advisors and inspection personnel. The committee shall meet at least quarterly and shall hold at least one public meeting during the preparation of the plan and prior to its submittal to the county board. The committee may make grants to units of local government that have adopted an ordinance requiring actions consistent with the stormwater management plan and to landowners for the purposes of stormwater management, including special projects; use of the grant money must be consistent with the stormwater management plan.

The committee shall not have or exercise any power of eminent domain.

(c) In the preparation of a stormwater management plan, a county stormwater management planning committee shall coordinate the planning process with each adjoining county to ensure that recommended stormwater projects will have no significant impact on the levels or flows of stormwaters in inter-county watersheds or on the capacity of existing and planned stormwater retention facilities. An adopted stormwater management plan shall identify steps taken by the county to coordinate the development of plan recommendations with adjoining counties.

(d) The stormwater management committee may not enforce any rules or regulations that would interfere with (i) any power granted by the Illinois Drainage Code (70 ILCS 605/) to operate, construct, maintain, or improve drainage systems or (ii) the ability to operate, maintain, or improve the drainage systems used on or by land or a facility used for production agriculture purposes, as defined in the Use Tax Act (35 ILCS 105/), except newly constructed buildings and newly installed impervious paved surfaces. Disputes regarding an exception shall be determined by a mutually agreed upon arbitrator paid by the disputing party or parties.

(e) Before the stormwater management planning committee recommends to the county board a stormwater management plan for the county or a portion thereof, it shall submit the plan to the Office of Water Resources of the Department of Natural Resources for review and recommendations. The Office, in reviewing the plan, shall consider such factors as impacts on the levels or flows in rivers and streams and the cumulative effects of stormwater discharges on flood levels. The Office of Water Resources shall determine whether the plan or ordinances enacted to implement the plan complies with the requirements of subsection (f). Within a period not to exceed 60 days, the review comments and recommendations shall be submitted to the stormwater management planning committee for consideration. Any amendments to the plan shall be submitted to the Office for review.

(f) Prior to recommending the plan to the county board, the stormwater management planning committee shall hold at least one public hearing thereon and shall afford interested persons an opportunity to be heard. The hearing shall be held in the county seat. Notice of the hearing shall be published at least once no less than 15 days in advance of the hearing in a newspaper of general circulation published in the county. The notice shall state the time and place of the hearing and the place where copies of the proposed plan will be accessible for examination by interested parties. If an affected municipality having a stormwater management plan adopted by ordinance wishes to protest the proposed county plan provisions, it shall appear at the hearing and submit in writing specific proposals to the stormwater management planning committee. After consideration of the matters raised at the hearing, the committee may amend or approve the plan and recommend it to the county board for adoption.

The county board may enact the proposed plan by ordinance. If the proposals for modification of the plan made by an affected municipality having a stormwater management plan are not included in the proposed county plan, and the municipality affected by the plan opposes adoption of the county plan by resolution of its corporate authorities, approval of the county plan shall require an affirmative vote of at least two-thirds of the county board members present and voting. If the county board wishes to amend the county plan, it shall submit in writing specific proposals to the stormwater management planning committee. If the proposals are not approved by the committee, or are opposed by resolution of the corporate authorities of an affected municipality having a municipal stormwater management plan, amendment of the plan shall require an affirmative vote of at least two-thirds of the county board members present and voting.

(g) The county board may prescribe by ordinance reasonable rules and regulations for floodplain management and for governing the location, width, course, and release rate of all stormwater runoff channels, streams, and basins in the county, in accordance with the adopted stormwater management plan.

Land, facilities, and drainage district facilities used for production agriculture as defined in subsection (d) shall not be subjected to regulation by the county board or stormwater management committee under this Section for floodplain management and for governing location, width, course, maintenance, and release rate of stormwater runoff channels, streams and basins, or water discharged from a drainage district. These rules and regulations shall, at a minimum, meet the standards for floodplain management established by the Office of Water Resources and the requirements of the Federal Emergency Management Agency for participation in the National Flood Insurance Program. The Commission may not impose more stringent regulations regarding water quality on entities discharging in accordance with a valid National Pollution Discharge Elimination System permit issued under the Environmental Protection Act.

(h) In accordance with, and if recommended in, the adopted stormwater management plan, the county board may adopt a schedule of fees as may be necessary to mitigate the effects of stormwater runoff based on actual costs. The fees shall not exceed the cost of satisfying the onsite stormwater retention or detention requirements of the adopted stormwater management plan. The fees shall be used to finance activities undertaken by the county or its included municipalities to mitigate the effects of urban stormwater runoff by providing regional stormwater retention or detention facilities, as identified in the county plan. The county board shall provide for a credit or reduction in fees for any onsite retention, detention, drainage district assessments, or other similar stormwater facility consistent with the stormwater management ordinance. Developers are exempt from any fees under this Section if the new development satisfies onsite retention or detention pursuant to any other local ordinance addressing erosion, sediment, or stormwater control and Illinois Environmental Protection Agency regulations that place the development into compliance with the National Pollutant Discharge Elimination System (NPDES) permit program at the time of the dedication of public infrastructure. All these fees collected by the county shall be held in a separate fund, and shall be expended only in the watershed within which they were collected.

(i) For the purpose of implementing this Section and for the development, design, planning, construction, operation, and maintenance of stormwater facilities provided for in the stormwater management plan, a county board that has established a stormwater management planning committee pursuant to this Section may cause an annual tax of not to exceed 0.20% of the value, as equalized or assessed by the Department of Revenue, of all taxable property in the county to be levied upon all the taxable property in the county or occupation and use taxes of 1/10 of one cent. The property tax shall be in addition to all other taxes authorized by law to be levied and collected in the county and shall be in addition to the maximum tax rate authorized by law for general county purposes. The 0.20% limitation provided in this Section may be increased or decreased by referendum in accordance with the provisions of Sections 18-120, 18-125, and 18-130 of the Property Tax Code (35 ILCS 200/).

Any revenues generated as a result of ownership or operation of facilities or land acquired with the tax funds collected pursuant to this subsection shall be held in a separate fund and be used either to abate such property tax or for implementing this Section.

However, the tax authorized by this subsection shall not be levied until the question of its adoption, either for a specified period or indefinitely, has been submitted to the electors thereof and approved by a majority of those voting on the question. This question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the question to the electors of the county. The county board shall certify the resolution and proposition to the proper election officials, who shall submit the proposition at an election in accordance with the general election law. If a majority of the votes cast on the question is in favor of the levy of the tax, it may thereafter be levied in the county for the specified period or indefinitely, as provided in the proposition. The question shall be put in substantially the following form:

Shall an annual tax be levied for stormwater management purposes (for a period of not more than ..... years) at a rate not exceeding .....% of the equalized assessed value of the taxable property of Peoria County?

Or this question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the question to the electors of the county to authorize use and occupation taxes of 1/10 of one cent:

Shall use and occupation taxes be raised for stormwater management purposes (for a period of not more than ..... years) at a rate of 1/10 of one cent for taxable goods in Peoria County?

Votes shall be recorded as Yes or No.

(j) If the county adopts a property tax in accordance with the provisions in this Section, the stormwater management committee shall offer property tax abatements or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. If the county adopts use and

occupation taxes in accordance with the provisions of this Section, the stormwater management committee may offer tax rebates or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. The stormwater management committee is authorized to offer credits to the property tax, if applicable, based on authorized practices consistent with the stormwater management plan and approved by the committee. Expenses of staff of a stormwater management committee that are expended on regulatory project review may be no more than 20% of the annual budget of the committee, including funds raised under subsections (h) and (i).

(k) If the county has adopted a county stormwater management plan under this Section it may, after 10 days written notice receiving consent of the owner or occupant, enter upon any lands or waters within the county for the purpose of inspecting stormwater facilities or causing the removal of any obstruction to an affected watercourse. If consent is denied or cannot be reasonably obtained, the county ordinance shall provide a process or procedure for an administrative warrant to be obtained. The county shall be responsible for any damages occasioned thereby.

(l) Upon petition of the municipality, and based on a finding of the stormwater management planning committee, the county shall not enforce rules and regulations adopted by the county in any municipality located wholly or partly within the county that has a municipal stormwater management ordinance that is consistent with and at least as stringent as the county plan and ordinance, and is being enforced by the municipal authorities. On issues that the county ordinance is more stringent as deemed by the committee, the county shall only enforce rules and regulations adopted by the county on the more stringent issues and accept municipal permits. The county shall have no more than 60 days to review permits or the permits shall be deemed approved.

(m) The county may issue general obligation bonds for implementing any stormwater plan adopted under this Section in the manner prescribed in Section 5-1012; except that the referendum requirement of Section 5-1012 does not apply to bonds issued pursuant to this Section on which the principal and interest are to be paid entirely out of funds generated by the taxes and fees authorized by this Section.

(n) The powers authorized by this Section may be implemented by the county board for a portion of the county subject to similar stormwater management needs.

(o) The powers and taxes authorized by this Section are in addition to the powers and taxes authorized by Division 5-15; in exercising its powers under this Section, a county shall not be subject to the restrictions and requirements of that Division.

(p) Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this amendatory Act of the 95th General Assembly, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.

(q) A home rule municipality may opt out of this Section by a majority vote of that municipality's governing body.

Section 65. The County Economic Development Project Area Property Tax Allocation Act is amended by changing Sections 4 and 5 as follows:

(55 ILCS 85/4) (from Ch. 34, par. 7004)

(a-5) After the effective date of this amendatory Act of the 93rd General Assembly, the corporate authorities of Stephenson County may by ordinance propose the establishment of an economic

development project area and fix a time and place for a public hearing, and shall submit a certified copy of the ordinance as adopted to the Department.

(a-10) The corporate authorities of Grundy County may, by ordinance, propose the establishment of an economic development project and fix a time and place for a public hearing. Upon passage of the ordinance, the corporate authorities of Grundy County shall submit a certified copy of the ordinance, as adopted, to the Department.

(a-15) The corporate authorities of Peoria County may, by ordinance, propose the establishment of an economic development project and fix a time and place for a public hearing. Upon passage of the ordinance, the corporate authorities of Peoria County shall submit a certified copy of the ordinance, as adopted, to the Department.

(b) Any county which adopts an ordinance which fixes a date, time and place for a public hearing shall convene a joint review board as hereinafter provided. Not less than 45 days prior to the date fixed for the public hearing, the county shall give notice by mailing to the chief executive officer of each affected taxing district having taxable property included in the proposed economic development project area and, if the ordinance is adopted by Stephenson County, the chief executive officer of any municipality within Stephenson County having a population of more than 20,000 that such chief executive officer or his designee is invited to participate in a joint review board. The designee shall serve at the discretion of the chief executive officer of the taxing district for a term not to exceed 2 years. Such notice shall advise each chief executive officer of the date, time and place of the first meeting of such joint review board, which shall occur not less than 30 days prior to the date of the public hearing. Such notice by mail shall be given by depositing such notice in the United States Postal Service by certified mail.

At or prior to the first meeting of such joint review board the county shall furnish to any member of such joint review board copies of the proposed economic development plan and any related documents which such member shall reasonably request. A majority of the members of such joint review board present at any meeting shall constitute a quorum. Additional meetings may be called by any member of a joint review board upon the giving of notice not less than 72 hours prior to the date of any additional meeting to all members of the joint review board. The joint review board shall review such information and material as its members reasonably deem relevant to the county's proposals to approve economic development plans and economic development projects and to designate economic development project areas. The county shall provide such information and material promptly upon the request of the joint review board and may also provide administrative support and facilities as the joint review board may reasonably require.

Within 30 days of its first meeting, a joint review board shall provide the county with a written report of its review of any proposal to approve an economic development plan and economic development project and to designate an economic development project area. Such written report shall include such information and advisory, nonbinding recommendations as a majority of the members of the joint review board shall deem relevant. Written reports of joint review boards may include information and advisory, nonbinding recommendations provided by a minority of the members thereof. Any joint review board which does not provide such written report within such 30-day period shall be deemed to have recommended that the county proceed with a proposal to approve an economic development plan and economic development project and to designate an economic development project area.

(c) Notice of the public hearing shall be given by publication and mailing.

(1) Notice by publication shall be given by publication at least twice, the first publication to be not more than 30 nor less than 10 days prior to the hearing in a newspaper of general circulation within the taxing districts having property in the proposed economic development project area. Notice by mailing shall be given by depositing such notice together with a copy of the proposed economic development plan in the United States Postal Service by certified mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each lot, block, tract, or parcel of land lying within the proposed economic development project area. The notice shall be mailed not less than 10 days prior to the dates set for the public hearing. In the event taxes for the last preceding year were not paid, the notice shall also be sent to the persons last listed on the tax rolls within the preceding 3 years as the owners of the property.

(2) The notices issued pursuant to this Section shall include the following:

- (A) The time and place of public hearing;
- (B) The boundaries of the proposed economic development project area by legal description and by street location where possible;
- (C) A notification that all interested persons will be given an opportunity to be heard at the public hearing;

(D) An invitation for any person to submit alternative proposals or bids for any proposed conveyance, lease, mortgage or other disposition of land within the proposed economic development project area;

(E) A description of the economic development plan or economic development project if a plan or project is a subject matter of the hearing; and

(F) Such other matters as the county may deem appropriate.

(3) Not less than 45 days prior to the date set for hearing, the county shall give notice by mail as provided in this subsection (c) to all taxing districts of which taxable property is included in the economic development project area, and to the Department. In addition to the other requirements under this subsection (c), the notice shall include an invitation to the Department and each taxing district to submit comments to the county concerning the subject matter of the hearing prior to the date of the hearing.

(d) At the public hearing any interested person, the Department or any affected taxing district may file written objections with the county clerk and may be heard orally with respect to any issues embodied in the notice. The county shall hear and determine all alternate proposals or bids for any proposed conveyance, lease, mortgage or other disposition of land and all protests and objections at the hearing, and the hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the adjourned hearing. Public hearings with regard to an economic development plan, economic development project area, or economic development project may be held simultaneously.

(e) At the public hearing, or at any time prior to the adoption by the county of an ordinance approving an economic development plan, the county may make changes in the economic development plan. Changes which (1) alter the exterior boundaries of the proposed economic development project area, (2) substantially affect the general land uses established in the proposed economic development plan, (3) substantially change the nature of the proposed economic development plan, (4) change the general description of any proposed developer, user or tenant of any property to be located or improved within the economic development project area, or (5) change the description of the type, class and number of employees to be employed in the operation of the facilities to be developed or improved within the economic development project area shall be made only after review by joint review board, notice and hearing pursuant to the procedures set forth in this Section. Changes which do not (1) alter the exterior boundaries of a proposed economic development project area, (2) substantially affect the general land uses established in the proposed plan, (3) substantially change the nature of the proposed economic development plan, (4) change the general description of any proposed developer, user or tenant of any property to be located or improved within the economic development project area, or (5) change the description of the type, class and number of employees to be employed in the operation of the facilities to be developed or improved within the economic development project area may be made without further notice or hearing, provided that the county shall give notice of its changes by mail to the Department and to each affected taxing district and by publication in a newspaper or newspapers of general circulation with the affected taxing districts. Such notice by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such changes.

(f) At any time within 90 days of the final adjournment of the public hearing, a county may, by ordinance, approve the economic development plan, establish the economic development project area, and authorize property tax allocation financing for such economic development project area.

Any ordinance adopted by Whiteside County which approves the economic development plan shall contain findings that the economic development project is reasonably expected to create or retain not less than 500 full-time equivalent jobs, that private investment in an amount not less than \$25,000,000 is reasonably expected to occur in the economic development project area, that the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income, and that the economic development project will increase or maintain the property, sales and income tax bases of the county and of the State.

Any ordinance adopted by Grundy County that approves the economic development plan shall contain findings that the economic development project is reasonably expected to create or retain not less than 250 full-time equivalent jobs, that private investment in an amount not less than \$50,000,000 is reasonably expected to occur in the economic development project area, that the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income, and that the economic development

project will increase or maintain the property, sales, and income tax bases of the county and of the State.

Any ordinance adopted by Stephenson County that approves an economic development plan shall contain findings that (i) the economic development project is reasonably expected to create or retain not less than 500 full-time equivalent jobs; (ii) private investment in an amount not less than \$10,000,000 is reasonably expected to occur in the economic development area; (iii) the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income; and (iv) the economic development project will increase or maintain the property, sales, and income tax bases of the county and of the State. Any ordinance adopted by Peoria County that approves an economic development plan shall contain findings that (i) the economic development project is reasonably expected to create or retain not less than 250 full-time equivalent jobs; (ii) private investment in an amount not less than \$15,000,000 is reasonably expected to occur in the economic development project area; (iii) the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income; and (iv) the economic development project will increase or maintain the property, sales, and income tax bases of the county and of the State.

The ordinance shall also state that the economic development project area shall not include parcels to be used for purposes of residential development. Any ordinance adopted which establishes an economic development project area shall contain the boundaries of such area by legal description and, where possible, by street location. Any ordinance adopted which authorizes property tax allocation financing shall provide that the ad valorem taxes, if any, arising from the levies upon taxable real property in such economic development project area by taxing districts and tax rates determined in the manner provided in subsection (b) of Section 6 of this Act each year after the effective date of the ordinance until economic development project costs and all county obligations financing economic development project costs incurred under this Act have been paid shall be divided as follows:

(1) That portion of taxes levied upon each taxable lot, block, tract or parcel of real property which is attributable to the lower of the current equalized assessed value or the initial equalized assessed value of each such taxable lot, block, tract or parcel of real property in the economic development project area shall be allocated to, and when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of property tax allocation financing.

(2) That portion, if any, of such taxes which is attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the economic development project area over and above the initial equalized assessed value of each property in the economic development project area shall be allocated to and when collected shall be paid to the county treasurer who shall deposit those taxes into a special fund called the special tax allocation fund of the county for the purpose of paying economic development project costs and obligations incurred in the payment thereof.

(g) After a county has by ordinance approved an economic development plan and established an economic development project area, the plan may be amended and the boundaries of the area may be altered only as herein provided. Amendments which (1) alter the exterior boundaries of an economic

development project area, (2) substantially affect the general land uses established pursuant to the economic development plan, (3) substantially change the nature of the economic development plan, (4) change the general description of any proposed developer, user, or tenant of any property to be located or improved within the economic development project area, or (5) change the description of the type, class and number of employees to be employed in the operation of the facilities to be developed or improved shall be made only after review by a joint review board, notice and hearing pursuant to the procedures set forth in this Section. Amendments which do not (1) alter the exterior boundaries of an economic development project area, (2) substantially affect the general land uses established in the economic development plan, (3) substantially change the nature of the economic development plan, (4) change the description of any proposed developer, user, or tenant of any property to be located or improved within the economic development project area, or (5) change the description of the type, class and number of employees to be employed in the operation of the facilities to be developed or improved within the economic development project area may be made without further hearing or notice, provided that the county shall give notice of any amendment by mail to the Department and to each taxing district and by publication in a newspaper or newspapers of general circulation within the affected taxing districts. Such notices by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such amendments.

(h) After the adoption of an ordinance adopting property tax allocation financing for an economic development project area, the county shall annually report to each taxing district having taxable property within such economic development project area (i) any increase or decrease in the equalized assessed value of the real property located within such economic development project area above or below the initial equalized assessed value of such real property, (ii) that portion, if any, of the ad valorem taxes arising from the levies upon taxable real property in such economic development project area by the taxing districts which is attributable to the increase in the current equalized assessed valuation of each lot, block, tract or parcel of real property in the economic development project area over and above the initial equalized value of each property and which has been allocated to the county in the current year, and (iii) such other information as the county may deem relevant.

(i) The county shall give notice by mail as provided in this Section and shall reconvene the joint review board not less than annually for each of the 2 years following its adoption of an ordinance adopting property tax allocation financing for an economic development project area and not less than once in each 3-year period thereafter. The county shall provide such information, and may provide administrative support and facilities as the joint review board may reasonably require for each of such meetings.

(j) Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this amendatory Act of the 95th General Assembly, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.

AMENDMENT NO. 2. Amend Senate Bill 2216 on page 1, by inserting immediately below line 3 the following:

"Section 3. The Prevailing Wage Act is amended by changing Sections 2 and 3 as follows:  
(820 ILCS 130/2) (from Ch. 48, par. 39s-2)

Sec. 2. This Act applies to the wages of laborers, mechanics and other workers employed in any public works, as hereinafter defined, by any public body and to anyone under contracts for public works. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented.

As used in this Act, unless the context indicates otherwise:

"Public works" means all fixed works constructed or demolished by any public body, other than work done directly by any public utility company, whether or not done under public supervision or direction, or paid for wholly or in part out of public funds. "Public works" as defined herein includes all projects financed in whole or in part with bonds issued under the Industrial Project Revenue Bond Act (Article 11, Division 74 of the Illinois Municipal Code), the Industrial Building Revenue Bond Act, the Illinois Finance

Authority Act, the Illinois Sports Facilities Authority Act, or the Build Illinois Bond Act, and all projects financed in whole or in part with loans or other funds made available pursuant to the Build Illinois Act. "Public works" also includes all projects financed in whole or in part with funds from the Fund for Illinois' Future under Section 6z-47 of the State Finance Act, funds for school construction under Section 5 of the General Obligation Bond Act, funds authorized under Section 3 of the School Construction Bond Act, funds for school infrastructure under Section 6z-45 of the State Finance Act, and funds for transportation purposes under Section 4 of the General Obligation Bond Act. "Public works" also includes all projects financed in whole or in part with funds from the Department of Commerce and Economic Opportunity under the Illinois Renewable Fuels Development Program Act for which there is no project labor agreement. "Public works" also includes all projects at leased facility property used for airport purposes under Section 35 of the Local Government Facility Lease Act.

"Construction" means all work on public works involving laborers, workers or mechanics. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented.

"Locality" means the county where the physical work upon public works is performed, except (1) that if there is not available in the county a sufficient number of competent skilled laborers, workers and mechanics to construct the public works efficiently and properly, "locality" includes any other county nearest the one in which the work or construction is to be performed and from which such persons may be obtained in sufficient numbers to perform the work and (2) that, with respect to contracts for highway work with the Department of Transportation of this State, "locality" may at the discretion of the Secretary of the Department of Transportation be construed to include two or more adjacent counties from which workers may be accessible for work on such construction.

"Public body" means the State or any officer, board or commission of the State or any political subdivision or department thereof, or any institution supported in whole or in part by public funds, and includes every county, city, town, village, township, school district, irrigation, utility, reclamation improvement or other district and every other political subdivision, district or municipality of the state whether such political subdivision, municipality or district operates under a special charter or not.

The terms "general prevailing rate of hourly wages", "general prevailing rate of wages" or "prevailing rate of wages" when used in this Act mean the hourly cash wages plus fringe benefits for training and apprenticeship programs approved by the U.S. Department of Labor, Bureau of Apprenticeship and Training, health and welfare, insurance, vacations and pensions paid generally, in the locality in which the work is being performed, to employees engaged in work of a similar character on public works.

Sec. 3. Not less than the general prevailing rate of hourly wages for work of a similar character on public works in the locality in which the work is performed, and not less than the general prevailing rate of hourly wages for legal holiday and overtime work, shall be paid to all laborers, workers and mechanics employed by or on behalf of any public body engaged in the construction or demolition of public works. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented. Only such laborers, workers and mechanics as are directly employed by contractors or subcontractors in actual construction work on the site of the building or construction job, and laborers, workers and mechanics engaged in the transportation of materials and equipment to or from the site, but not including the transportation by the sellers and suppliers or the manufacture or processing of materials or equipment, in the execution of any contract or contracts for public works with any public body shall be deemed to be employed upon public works. The wage for a tradesman performing maintenance is equivalent to that of a tradesman engaged in construction or demolition.

(C) monitoring and treatment of animal populations for diseases that have spread or demonstrate the potential to spread to humans.

(15) "Volunteer health practitioner" means a health practitioner who provides health or veterinary services, whether or not the practitioner receives compensation for those services. The term does not include a practitioner who receives compensation pursuant to an employment relationship existing at the time of the emergency with a host entity which requires the practitioner to provide health services in this State, unless the practitioner is not a resident of this State and is employed by a disaster relief organization providing services in this State while an emergency declaration is in effect.

Section 3. Applicability to volunteer health practitioners. This Act applies to volunteer health practitioners registered with a registration system that complies with Section 5 and who provide health or veterinary services in this State for a host entity or disaster relief organization while an emergency declaration is in effect.

Section 4. Regulation of services during emergency.

(a) While a disaster proclamation under the Illinois Emergency Management Agency Act is in effect, the

Illinois Emergency Management Agency may limit, restrict, or otherwise regulate:

- (1) the duration of practice by volunteer health practitioners;
- (2) the geographical areas in which volunteer health practitioners may practice;
- (3) the types of volunteer health practitioners who may practice; and
- (4) any other matters necessary to coordinate effectively the provision of health or veterinary services during the emergency.

(b) An order issued pursuant to subsection (a) may take effect immediately, without prior notice or comment, and is not a rule within the meaning of the Illinois Administrative Procedure Act.

(c) A host entity or disaster relief organization that uses volunteer health practitioners to provide health or veterinary services in this State shall:

(1) consult and coordinate its activities with the Illinois Emergency Management Agency to the extent practicable to provide for the efficient and effective use of volunteer health practitioners; and

- (2) comply with any laws relating to the management of emergency health or veterinary services.

#### Section 5. Volunteer Health Practitioner Registration Systems.

(a) To qualify as a volunteer health practitioner registration system, a system must:

- (1) accept applications for the registration of volunteer health practitioners before or during an emergency;

- (2) include information about the licensure and good standing of health practitioners which is accessible by authorized persons;

(3) be capable of confirming the accuracy of information concerning whether a health practitioner is licensed and in good standing before health services or veterinary services are provided under this Act; and

- (4) meet one of the following conditions:

(A) be an emergency system for advance registration of volunteer health-care practitioners established by a state and funded through the Department of Health and Human Services under Section 319I of the Public Health Services Act, 42 U.S.C. Section 247d-7b (as amended);

(v) governmental entity; or

(D) be designated by the Department of Public Health as a registration system for purposes of this Act.

(b) While an emergency declaration is in effect, the Department of Public Health, a person authorized to act on behalf of the Department of Public Health, or a host entity or disaster relief organization, may confirm whether volunteer health practitioners utilized in this State are registered with a registration system that complies with subsection (a). Confirmation is limited to obtaining identities of the practitioners from the system and determining whether the system indicates that the practitioners are licensed and in good standing.

(c) Upon request of a person in this State authorized under subsection (b), or a similarly authorized person in another state, a registration system located in this State shall notify the person of the identities of volunteer health practitioners and whether the practitioners are licensed and in good standing.

(d) A host entity or disaster relief organization is not required to use the services of a volunteer health practitioner even if the practitioner is registered with a registration system that indicates that the practitioner is licensed and in good standing.

#### Section 6. Recognition of volunteer health practitioners licensed in other states.

(a) While an emergency declaration is in effect, a volunteer health practitioner, registered with a

registration system that complies with Section 5 and licensed and in good standing in the state upon which the practitioner's registration is based, may practice in this State to the extent authorized by this Act as if the practitioner were licensed in this State.

(b) A volunteer health practitioner qualified under subsection (a) is not entitled to the protections of this Act if the practitioner is licensed in more than one state and any license of the practitioner is suspended, revoked, or subject to an agency order limiting or restricting practice privileges, or has been voluntarily terminated under threat of sanction.

Section 7. No effect on credentialing and privileging.

(a) In this Section:

(1) "Credentialing" means obtaining, verifying, and assessing the qualifications of a health practitioner to provide treatment, care, or services in or for a health facility.

(2) "Privileging" means the authorizing by an appropriate authority, such as a governing body, of a health practitioner to provide specific treatment, care, or services at a health facility subject to limits based on factors that include license, education, training, experience, competence, health status, and specialized skill.

(b) This Act does not affect credentialing or privileging standards of a health facility and does not preclude a health facility from waiving or modifying those standards while an emergency declaration is in effect.

Section 8. Provision of volunteer health or veterinary services; administrative sanctions.

(a) Subject to subsections (b) and (c), a volunteer health practitioner shall adhere to the scope of practice for a similarly licensed practitioner established by the licensing provisions, practice Acts, or other laws of this State.

(b) Except as otherwise provided in subsection (c), this Act does not authorize a volunteer health practitioner to provide services that are outside the practitioner's scope of practice, even if a similarly licensed practitioner in this State would be permitted to provide the services.

(c) Consistent with the Department of Professional Regulation Law of the Civil Administrative Code of Illinois and the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois, the Illinois Emergency Management Agency, the Department of Financial and Professional Regulation, or the Department of Public Health may modify or restrict the health or veterinary services that volunteer health practitioners may provide pursuant to this Act during an emergency. A proclamation under this subsection may take effect immediately, without prior notice or comment, and is not a rule within the meaning of the Illinois Administrative Procedure Act.

(d) A host entity or disaster relief organization may restrict the health or veterinary services that a volunteer health practitioner may provide pursuant to this Act.

(e) A volunteer health practitioner does not engage in unauthorized practice unless the practitioner has reason to know of any limitation, modification, or restriction under this Section or that a similarly licensed practitioner in this State would not be permitted to provide the services. A volunteer health practitioner has reason to know of a limitation, modification, or restriction or that a similarly licensed practitioner in this State would not be permitted to provide a service if: (1) the practitioner knows the limitation, modification, or restriction exists or that a similarly licensed practitioner in this State would not be permitted to provide the service; or (2) from all the facts and circumstances known to the practitioner at the relevant time, a reasonable person would conclude that the limitation, modification, or restriction exists or that a similarly licensed practitioner in this State would not be permitted to provide the service.

(f) In addition to the authority granted by law of this State to regulate the conduct of health practitioners, a licensing board or other disciplinary authority in this State:

(1) may impose administrative sanctions upon a health practitioner licensed in this State for conduct outside of this State in response to an out-of-state emergency;

(2) may impose administrative sanctions upon a practitioner not licensed in this State for conduct in this State in response to an in-state emergency; and

(3) shall report any administrative sanctions imposed upon a practitioner licensed in another state to the appropriate licensing board or other disciplinary authority in any other state in which the practitioner is known to be licensed.

(g) In determining whether to impose administrative sanctions under subsection (f), a licensing board or other disciplinary authority shall consider the circumstances in which the conduct took place, including any exigent circumstances, and the practitioner's scope of practice, education, training, experience, and specialized skill.

Section 9. Relation to other laws.

(a) This Act does not limit rights, privileges, or immunities provided to volunteer health practitioners by laws other than this Act. Except as otherwise provided in subsection (b), this Act does not affect requirements for the use of health practitioners pursuant to the Emergency Management Assistance Compact.

(b) The Illinois Emergency Management Agency, pursuant to any mutual aid compacts entered into by this State, may incorporate into the emergency forces of this State volunteer health practitioners who are not officers or employees of this State, a political subdivision of this State, or a municipality or other local government within this State.

Section 10. Regulatory authority. The Illinois Emergency Management Agency may implement this Act. The Illinois Emergency Management Agency shall consult with and consider the recommendations of the entity established to coordinate the implementation of the Emergency Management Assistance Compact and shall also consult with and consider rules promulgated by similarly empowered agencies in other states to promote uniformity of application of this Act and make the emergency response systems in the various states reasonably compatible.

Section 11. Workers' compensation coverage. A volunteer health practitioner providing health or veterinary services pursuant to this Act may be considered a volunteer in accordance with subsection (k) of Section 10 of the Illinois Emergency Management Act for the purposes of worker's compensation coverage.

Section 12. Uniformity of application and construction. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Section 800. No authority to make or promulgate rules. Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this Act. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this Act, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this Act shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this Act, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.

Section 900. The Department of Professional Regulation Law of the Civil Administrative Code of Illinois is amended by changing Section 2105-400 as follows:

(20 ILCS 2105/2105-400)

Sec. 2105-400. Emergency Powers.

(4) The power to request the services of emergency volunteer health practitioners registered with an approved registration system created under the Uniform Emergency Volunteer Health Practitioners Act.

(b) Persons exempt from licensure under paragraph (1) of subsection (a) of this Section and persons operating under modified scope of practice provisions under paragraph (2) of subsection (a) of this Section shall be exempt from licensure or be subject to modified scope of practice only until the

declared disaster has ended as provided by law. For purposes of this Section, persons working under the direction of an emergency services and disaster agency accredited by the Illinois Emergency Management Agency and a local public health department, pursuant to a declared disaster, shall be deemed to be working under the direction of the Illinois Emergency Management Agency and the Department of Public Health.

"(e) Beginning April 1, 2012 but no later than December 31, 2013, the Illinois Pollution Control Board (Board) is authorized to review temporary CED landfill ban waiver petitions by county governments or municipal joint action agencies (action agencies) and determine whether the respective county's or action agency's jurisdiction may be granted a temporary CED landfill ban waiver due to a lack of funds and a lack of collection opportunities to collect CEDs and EEDs within the county's or action agency's jurisdiction. If the Board grants a waiver under this subsection (e), subsections (a) and (b) of this Section shall not apply to CEDs and EEDs that are taken out of service from residences within the jurisdiction of the county or action agency receiving the waiver and disposed of during the remainder of the program year in which the petition is filed.

Representative Ryg offered the following amendment and moved its adoption.

AMENDMENT NO. 2. Amend Senate Bill 2400 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Biometric Information Privacy Act.

Section 5. Legislative findings; intent. The General Assembly finds all of the following:

(a) The use of biometrics is growing in the business and security screening sectors and appears to promise streamlined financial transactions and security screenings.

(b) Major national corporations have selected the City of Chicago and other locations in this State as pilot testing sites for new applications of biometric-facilitated financial transactions, including finger-scan technologies at grocery stores, gas stations, and school cafeterias.

(c) Biometrics are unlike other unique identifiers that are used to access finances or other sensitive information. For example, social security numbers, when compromised, can be changed. Biometrics, however, are biologically unique to the individual; therefore, once compromised, the individual has no recourse, is at heightened risk for identity theft, and is likely to withdraw from biometric-facilitated transactions.

(d) An overwhelming majority of members of the public are weary of the use of biometrics when such information is tied to finances and other personal information.

(e) Despite limited State law regulating the collection, use, safeguarding, and storage of biometrics, many members of the public are deterred from partaking in biometric identifier-facilitated transactions.

(f) The full ramifications of biometric technology are not fully known.

(g) The public welfare, security, and safety will be served by regulating the collection, use, safeguarding, handling, storage, retention, and destruction of biometric identifiers and information.

Section 10. Definitions. In this Act:

"Biometric identifier" means a retina or iris scan, fingerprint, voiceprint, or scan of hand or face geometry. Biometric identifiers do not include writing samples, written signatures, photographs, human biological samples used for valid scientific testing or screening, demographic data, tattoo descriptions, or physical descriptions such as height, weight, hair color, or eye color. Biometric identifiers do not include donated organs, tissues, or parts as defined in the Illinois Anatomical Gift Act or blood or serum stored on behalf of recipients or potential recipients of living or cadaveric transplants and obtained or stored by a federally designated organ procurement agency. Biometric identifiers do not include biological materials regulated under the Genetic Information Privacy Act. Biometric identifiers do not include information captured from a patient in a health care setting or information collected, used, or stored for health care treatment, payment, or operations under the federal Health Insurance Portability and Accountability Act of

1996. Biometric identifiers do not include an X-ray, roentgen process, computed tomography, MRI, PET scan, mammography, or other image or film of the human anatomy used to diagnose, prognose, or treat an illness or other medical condition or to further validate scientific testing or screening.

"Biometric information" means any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual. Biometric information does not include information derived from items or procedures excluded under the definition of biometric identifiers.

"Confidential and sensitive information" means personal information that can be used to uniquely identify an individual or an individual's account or property. Examples of confidential and sensitive information include, but are not limited to, a genetic marker, genetic testing information, a unique identifier number to locate an account or property, an account number, a PIN number, a pass code, a driver's license number, or a social security number.

"Private entity" means any individual, partnership, corporation, limited liability company, association, or other group, however organized. A private entity does not include a State or local government agency. A private entity does not include any court of Illinois, a clerk of the court, or a judge or justice thereof.

"Written release" means informed written consent or, in the context of employment, a release executed by an employee as a condition of employment.

Section 15. Retention; collection; disclosure; destruction.

(a) A private entity in possession of biometric identifiers or biometric information must develop a written policy, made available to the public, establishing a retention schedule and guidelines for permanently destroying biometric identifiers and biometric information when the initial purpose for collecting or obtaining such identifiers or information has been satisfied or within 3 years of the individual's last interaction with the private entity, whichever occurs first. Absent a valid warrant or subpoena issued by a court of competent jurisdiction, a private entity in possession of biometric identifiers or biometric information must comply with its established retention schedule and destruction guidelines.

(b) No private entity may collect, capture, purchase, receive through trade, or otherwise obtain a person's or a customer's biometric identifier or biometric information, unless it first:

- (1) informs the subject or the subject's legally authorized representative in writing that a biometric identifier or biometric information is being collected or stored;
- (2) informs the subject or the subject's legally authorized representative in writing of the specific purpose and length of term for which a biometric identifier or biometric information is being collected, stored, and used; and
- (3) receives a written release executed by the subject of the biometric identifier or biometric information or the subject's legally authorized representative.

(c) No private entity in possession of a biometric identifier or biometric information may sell, lease, trade, or otherwise profit from a person's or a customer's biometric identifier or biometric information.

(d) No private entity in possession of a biometric identifier or biometric information may disclose, redisclose, or otherwise disseminate a person's or a customer's biometric identifier or biometric information unless:

- (1) the subject of the biometric identifier or biometric information or the subject's legally authorized representative consents to the disclosure or redisclosure;
- (2) the disclosure or redisclosure completes a financial transaction requested or authorized by the subject of the biometric identifier or the biometric information or the subject's legally authorized representative;
- (3) the disclosure or redisclosure is required by State or federal law or municipal ordinance; or
- (4) the disclosure is required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

(e) A private entity in possession of a biometric identifier or biometric information shall:

- (1) store, transmit, and protect from disclosure all biometric identifiers and biometric information using the reasonable standard of care within the private entity's industry; and
- (2) store, transmit, and protect from disclosure all biometric identifiers and biometric information in a manner that is the same as or more protective than the manner in which the private entity stores, transmits, and protects other confidential and sensitive information.

Section 20. Right of action. Any person aggrieved by a violation of this Act shall have a right of action in a State circuit court or as a supplemental claim in federal district court against an offending party. A

prevailing party may recover for each violation:

- (1) against a private entity that negligently violates a provision of this Act, liquidated damages of \$1,000 or actual damages, whichever is greater;
- (2) against a private entity that intentionally or recklessly violates a provision of this Act, liquidated damages of \$5,000 or actual damages, whichever is greater;
- (3) reasonable attorneys' fees and costs, including expert witness fees and other litigation expenses; and
- (4) other relief, including an injunction, as the State or federal court may deem appropriate.

#### Section 25. Construction.

(a) Nothing in this Act shall be construed to impact the admission or discovery of biometric identifiers and biometric information in any action of any kind in any court, or before any tribunal, board, agency, or person.

(b) Nothing in this Act shall be construed to conflict with the X-Ray Retention Act, the federal Health Insurance Portability and Accountability Act of 1996 and the rules promulgated under either Act.

(c) Nothing in this Act shall be deemed to apply in any manner to a financial institution or an affiliate of a financial institution that is subject to Title V of the federal Gramm-Leach-Bliley Act of 1999 and the rules promulgated thereunder.

(d) Nothing in this Act shall be construed to conflict with the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004 and the rules promulgated thereunder.

(e) Nothing in this Act shall be construed to apply to a contractor, subcontractor, or agent of a State agency or local unit of government when working for that State agency or local unit of government.

#### Section 30. Biometric Information Privacy Study Committee.

(a) The Department of Human Services, in conjunction with Central Management Services, subject to appropriation or other funds made available for this purpose, shall create the Biometric Information Privacy Study Committee, hereafter referred to as the Committee. The Department of Human Services, in conjunction with Central Management Services, shall provide staff and administrative support to the Committee. The Committee shall examine (i) current policies, procedures, and practices used by State and local governments to protect an individual against unauthorized disclosure of his or her biometric identifiers and biometric information when State or local government requires the individual to provide his or her biometric identifiers to an officer or agency of the State or local government; (ii) issues related to the collection, destruction, security, and ramifications of biometric identifiers, biometric information, and biometric technology; and (iii) technical and procedural changes necessary in order to implement and enforce reasonable, uniform biometric safeguards by State and local government agencies.

(b) The Committee shall hold such public hearings as it deems necessary and present a report of its findings and recommendations to the General Assembly before January 1, 2009. The Committee may begin to conduct business upon appointment of a majority of its members. All appointments shall be completed by 4 months prior to the release of the Committee's final report. The Committee shall meet at least twice and at other times at the call of the chair and may conduct meetings by telecommunication, where possible, in order to minimize travel expenses. The Committee shall consist of 27 members appointed as follows:

- (1) 2 members appointed by the President of the Senate;

### SENATE BILLS ON SECOND READING

SENATE BILL 2858. Having been read by title a second time on May 28, 2008, and held on the order of Second Reading, the same was again taken up and advanced to the order of Third Reading.

Having been reproduced, the following bills were taken up, read by title a second time and advanced to the order of Third Reading: SENATE BILLS 836 and 848.

SENATE BILL 2743. Having been reproduced, was taken up and read by title a second time.

The following amendment was offered in the Committee on Juvenile Justice Reform, adopted and reproduced:

AMENDMENT NO. 1. Amend Senate Bill 2743 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Municipal Code is amended by changing Sections 1-2.2-20 and 11-5-9 as follows:

(65 ILCS 5/1-2.2-20)

Sec. 1-2.2-20. Instituting code hearing proceedings. When a police officer or other individual authorized to issue a code violation finds a code violation to exist, he or she shall note the violation on a multiple copy violation notice and report form that indicates (i) the name and address of the defendant, (ii) the type and nature of the violation, (iii) the date and time the violation was observed, and (iv) the names of witnesses to the violation.

The violation report form shall be forwarded to the code hearing department where a docket number shall be stamped on all copies of the report and a hearing date shall be noted in the blank spaces provided for that purpose on the form. The hearing date shall not be less than 30 nor more than 40 days after the violation is reported. However, if the code violation involves a municipal ordinance regulating truants, the hearing date shall not be less than 7 nor more than 40 days after the violation is reported.

One copy of the violation report form shall be maintained in the files of the code hearing department and shall be part of the record of hearing, one copy of the report form shall be returned to the individual representing the municipality in the case so that he or she may prepare evidence of the code violation for

presentation at the hearing on the date indicated, and one copy of the report form shall be served by first class mail to the defendant along with a summons commanding the defendant to appear at the hearing. In municipalities with a population under 3,000,000, if the violation report form requires the respondent to answer within a certain amount of time, the municipality must reply to the answer within the same amount of time afforded to the respondent.

(Source: P.A. 94-616, eff. 1-1-06.)

(65 ILCS 5/11-5-9)

Sec. 11-5-9. Truants. The corporate authorities of any municipality may adopt ordinances to regulate truants within its jurisdiction. These ordinances may include a graduated fine schedule for repeat violations, which may not exceed \$100, or community service, or both, for violators 13 ~~10~~ years of age or older and may provide for enforcement by citation or through administrative hearings as determined by ordinance. If the violator is under 13 ~~10~~ years of age, the parent or custodian of the violator is subject to the fine or community service, or both. As used in this Section, "truants" means persons who are within the definition of "truant" in Section 26-2a of the School Code. Local officials or authorities that enforce, prosecute, or adjudicate municipal ordinances adopted under this Section or that work with school districts to address truancy problems are designated as (i) part of the juvenile justice system, established by the Juvenile Court Act of 1987, and (ii) "juvenile authorities" within the definition set forth in subsection (a)(6.5) of Section 10-6 of the Illinois School Student Record Act. Because truancy is a gateway to crime and one of the most powerful predictors of juvenile delinquent behavior, a school district may disclose education records relating to attendance to juvenile authorities if the school district determines that the disclosure will enhance the juvenile justice system's ability to effectively serve, prior to adjudication, the student whose records are released. Enforcement of a municipal ordinance adopted under this Section is pre-adjudicatory because it helps minors avoid adjudicatory hearings under the Juvenile Court Act of 1987. A school district may make a disclosure authorized under this Section only if the juvenile authority certifies in writing to the school district that the information will not be disclosed, without prior written consent of the parent or custodian of the student, to any other individual or entity, except as otherwise provided under State law. A home rule unit may not regulate truants in a manner inconsistent with the provisions of this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of the powers and functions exercised by the State.

(Source: P.A. 94-1011, eff. 7-7-06.)".

There being no further amendment(s), the bill, as amended, was advanced to the order of Third Reading.
