## HOUSE RESOLUTIONS

The following resolution was offered and placed in the Committee on Rules.

### HOUSE RESOLUTION 270

Offered by Representative Bost:

WHEREAS, The Department of the Interior's Office of Surface Mining, Reclamation, and Enforcement (OSMRE) is considering new sweeping regulations that would cut surface mining production and jobs by 21-30%, cut underground coal mining jobs up to 50%, and risk eliminating over 66,000 direct and indirect jobs nationwide; and

WHEREAS, Beginning in 2003, OSMRE conducted a 5-year process, including public hearings, the submission of thousands of public comments, and preparation of an environmental impact statement, that culminated in final regulations adding significant new environmental protections regarding the placement of excess spoil and clarifying its regulations relating to stream buffer zones pursuant to the Surface Mining Control and Reclamation Act (SMCRA); and

WHEREAS, The Secretary of the Interior attempted to avoid a public rulemaking process by asking a court to vacate the 2008 OSMRE stream buffer zone rule without public comment as required under the Administrative Procedure Act, but was rebuked by a federal court which ruled that the Secretary may not repeal the stream buffer zone rule without going through a rulemaking process that includes public notice and comment; and

WHEREAS, OSMRE, in its own words, admitted that before any public comments were even received on its proposals, it had "already decided to change the (stream buffer zone) rule following the change in administrations on January 20, 2009"; the Office is calling the new rule the "stream protection rule", and it is much broader in scope than the 2008 stream buffer zone rule; and

WHEREAS, OSMRE has failed to justify why a new stream protection rule is necessary or to explain the problem that the Office is attempting to fix, and such concerns have been echoed by the Interstate Mining Compact Commission, an organization representing state mining regulators with substantial expertise in SMCRA regulation; and

WHEREAS, OSMRE is inappropriately rushing to complete the rulemaking because of a unilateral settlement agreement with environmental groups, and is committing such flagrant violations of the required National Environmental Policy Act process that 8 of the state cooperating agencies have written to the Office objecting to its quality, completeness and accuracy, as well as calling the document "nonsensical and difficult to follow", and ultimately threatening to pull out of the process; and

WHEREAS, The coal mining industry is critical to the economic and social well being of the citizens of Illinois, accounting for over 3,500 direct workers and another 24,500 indirect jobs that have an impact of over \$1 billion on the State's economy; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we express serious concern about the scope, justification, and substance of the OSMRE's stream protection rule, as well as about the procedure and process that have been used to adopt that rule; and be it further

RESOLVED, That we call upon OSMRE to immediately suspend work on the environmental impact statement and the stream protection rule until such time as the Office:

- (1) clearly and publicly articulates why the 2008 regulation has not been implemented and provides specific details regarding each of its provisions and why the Office believes that they are insufficient;
- (2) provides scientific data and other objective information to justify each and every provision of the new proposal;
- (3) explains why the Office is contradicting its own annual state inspection reports which indicate good environmental performance and refute the need for this new rule;
- (4) justifies why a more limited approach would not achieve the objectives of the Office; and
- (5) surveys all of the state regulatory authorities to determine whether they agree that such significant regulatory changes are necessary; and be it further

RESOLVED, That we also urge Congress to oppose this unwarranted effort by the present Presidential Administration by withholding any further funding for OSMRE for the stream protection rule and environmental impact statement until such time as the Office justifies the need for new rules; and be it further

RESOLVED, That suitable copies of this resolution be sent to President Barack Obama, the President pro tempore of the United States Senate, the Speaker of the United States House of Representatives, the Secretary of the Department of the Interior, and each member of the Illinois congressional delegation.

#### HOUSE RESOLUTION 271

Offered by Representative Dunkin:

WHEREAS, Hemp has been used for thousands of years by humans for everything from clothing fibers to food to fuel; hemp has tens of thousands of uses and can be seen in everyday life in the United States; hemp is currently imported from more than 20 countries; and

WHEREAS, Industrial hemp is defined as a specific variety of the plant *Cannabis sativa* L. that contains 0.3% or less of delta-9 tetrahydrocannabinol (THC), the chemical that gives marijuana, which generally contains 5-20% THC, its psychoactive properties; and

WHEREAS, Industrial hemp offers enough scientifically-verifiable differences with marijuana, including a number of recognizable cultivars that can be placed on a list of approved varieties of industrial hemp, that it merits a sensible policy to allow for its cultivation; and

WHEREAS, Hemp was placed on the list of Schedule I controlled substances with the passage of the federal Controlled Substances Act of 1970; Schedule I substances are generally defined as having a high potential for abuse and no medical value, claims that most reasonable people would not associate with industrial hemp; and

WHEREAS, Illinois farmers, through the Illinois Farm Bureau advocacy group, have strongly supported state legislative efforts to allow farmers to cultivate industrial hemp in a manner that is highly regulated; Illinois farmers deserve the opportunity to grow a product that is in growing demand in the United States; and

WHEREAS, Though it is technically legal to cultivate industrial hemp with a permit, the United States Drug Enforcement Agency refuses to issue such permits; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Drug Enforcement Agency, the United States Food and Drug Administration, the United States Attorney General, and all other relevant agencies of the executive branch of the United States government to take immediate steps to remove barriers that prevent Illinois and other American farmers from growing industrial hemp, a product which is already imported into the United States; and be it further

RESOLVED, That we state our belief that industrial hemp, if allowed to be grown in controlled and regulated situations, could spur a growing market for this highly-versatile agricultural commodity; and be it further

RESOLVED, That suitable copies of this resolution be provided to the President of the United States, the United States Attorney General, the Administrator of the United States Drug Enforcement Administration, the Director of the Office of National Drug Control Policy, the United States Secretary of Agriculture, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Illinois congressional delegation.

WHEREAS, The fine law enforcement officers of the State of Illinois have an ever-growing body of laws, acts, and regulations to enforce, doing so at the best of their ability and with great honor; and

WHEREAS, With the workload already placed upon law enforcement officers, the Illinois Pedestrians with Disabilities Safety Act is often de-prioritized and not always enforced; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage local and state law enforcement agencies in Illinois to educate their law enforcement officers to enforce the Illinois Pedestrians with Disabilities Safety Act to the best of their ability; and be it further
