As an example, the press desk, if I recall correctly, according to the architect's suggestions will be taken off the floor of the House. This cloak room here will be taken off of the floor of the House so that we can expand the room for the members to move back and forth as far as moving between the desks are concerned. The press corps will then sit in this lower balcony and observe the actions and the votes as far as the House is concerned, from the lower balcony here. The sides will be glassed in to keep down the noise from the school children and the visitors that come into the balcony so that that walkway through the gallery will not be slowing down onto the floor of the House. That is the principal portions of the and new carpeting and things of that nature, I'm sure that you can see how the carpeting is worn out."

Richard A. Walsh: "Ah, it's just the sides that are going to be glassed, neither balcony, is that correct?"

Clyde L. Choate: "Pardon?"

Richard A. Walsh: "Neither balcony will be glassed in?"

Clyde L. Choate: "Did you say neither balcony?"

Richard A. Walsh: "Neither?"

Clyde L. Choate: "All balconies."

Clyde L. Choate: "Yes."

Richard A. Walsh: "On the ah ground floor as well as the balcony?"

Clyde L. Choate: "Right."

Richard A. Walsh: "Why?"

Clyde L. Choate: "And it has been said as far as the balcony is concerned, it was just pointed out to me and I'd forgotten it, that the architect has stated that the balconies are not safe for the number of school children that come in to the balcony at the present time and that they will be restructured so that as far as a safety feature is concerned, but as far as glassing in, again, the fact that it will including glassing the entire gallery."

Hon. W. Robert Blair: "All those in favor, or shall House Bill 4634 pass? All those in favor will vote 'Yeas' and the opposed 'No'. Have all voted who wished? The Clerk will take the record. An act to authorize the Department of Transportation to vacate, extinguish, abandon and release a portion of an easement for highway purposes in Fayette County, Illinois. Third reading of the bill."

Hon. W. Robert Blair: "Discussion? The question is shall

these bills pass? All those in favor will vote 'Yeas' and the opposed 'No'. Have all voted who wished? Rayson, 'Yeas'. The Clerk will take the record. On this question, there are 117 'Yeas' and no 'Nays' and each of these bills having received the constitutional majority is hereby declared passed. With leave of the House, we'll go back to House Bills third reading. House Bill 4152."

Fredric B. Selcke: "House Bill 4152. A bill for an act to in relation to the development of marketing programs for eggs. Third reading of the bill."

Hon. W. Robert Blair: "The gentlemen from Livingston, Mr. Hunsicker."

Carl T. Hunsicker: "Mr. Speaker and Ladies and Gentlemen of the House, this bill is similar to the fruit growers act that was passed a year ago by this honorable body, the right for a hearing on the referendum on any marketing of any program or amendment to an existing program proposed by the Director of the Department of Agriculture or by the petition of 20% or 200, whichever is less of the affected egg producers. It establishes an egg marketing program for the administrative adopted program and provides for the assessment of producing to defray the cost of the administration. This is by referendum only and to my knowledge, there is no opposition by the egg producers in the State of Illinois as they are asking for this and I would ask for your favorable support and consideration."

Hon. W. Robert Blair: "Discussion? All those, the question

is shall House Bill 4152 pass? All those in favor will vote 'Yeas' and the opposed 'No'. Have all voted who wished? The Clerk will take the record. On this question, there are 125 'Yeas' and no 'Nays' and this bill having received the constitutional majority is hereby declared passed. 3802."

Fredric B. Selcke: "House Bill 3802. A bill for an act to amend Section 4.1 of an act to promote the welfare of wage-earners by regulating the assignment of wages, and prescribing a penalty for the violation thereof. Third reading of the bill."

Hon. W. Robert Blair: "The gentleman from Peoria, Mr. Day."

Robert G. Day: "Mr. Speaker and Ladies and Gentlemen of the House, this bill simply changes the time limit on the wage assignment act within which an employee can give notice to his employer of any offense he may have and in one section of the act it provides for two days and in other sections it provides for five days, it just makes it uniform throughout and makes it five days in both sections of the act."

Hon. W. Robert Blair: "Any further discussion? The question is shall House Bill 3802 pass? All those in favor will vote 'Yeas' and the opposed 'No'. Have all voted who wish? The Clerk will take the record. On this question, there are 136 'Yeas' and no 'Nays' and this bill having received the constitutional majority is hereby declared passed. Ah, all right, with leave of the House, we'll go to the order of concurrences, House Bill 518."

Fredric B. Selcke: "House Bill 518. . ."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Rayson."

Leland H. Rayson: "Mr. Speaker and Members of the House,

House Bill 518 is a drug seizure bill to bring it into conformity with our new drug laws and in the Senate with that idea in mind, we discovered that there was a flaw in the Senate amendment. We conversed this message there with the Senate sponsor and both feel it's in order that there should be a motion to non-concur to move to a conference. So, I now move, Mr. Speaker, that this House do non-concur with Senate Amendment Number Two to House Bill 518."

Hon. W. Robert Blair: "All right, is there discussion on the gentleman's motion? All those in favor of his motion to non-concur in Senate Amendment Number Two to House Bill 518 say 'Yeas', the opposed 'No', the 'Yeas' have it and the House non-concurs in the Senate Amendment to House Bill 518. With leave of the House, we'll to to introduction and first reading of House Bills."

Fredric B. Selcke: "House Bill 4647, L. Cunningham, et.al. Appropriates \$3,590.55 to the Department of Revenue. First reading of the bill. House Bill 4648, Shea. Amends an act concerning the investment of public funds by public agencies. First reading of the bill."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Shea."

Gerald W. Shea: "Mr. Speaker and Ladies and Gentlemen of the House, House Bill 4648 is identical to Representative Hyde's bill with regarding the investment of public funds. It was

passed out of Executive Committee yesterday. With leave of the House, I'd like to have it advanced to second order or second reading without reference to a committee."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Hyde."

Henry J. Hyde: "Ah, Mr. Speaker, Ladies and Gentlemen of the House, since imitation is the sincerest form of flattery, I am flattered that the Assistant Minority Leader would want to put the identical bill in the hopper that I have in and which passed unanimously the Executive Committee yesterday and so accepting that as a high compliment, I certainly have no objection."

Hon. W. Robert Blair: "All right, the gentleman's asked for leave to suspend the provisions of Rule 38, demonstrable emergency act, so I gather, so does the gentleman have leave? All right, the bill having been read a first time will be advanced to the order of second reading without reference to committee. With leave of the House, we'll go to committee reports."

Fredric B. Selcke: "Mr. Moore, from the Committee on Counties and Townships, to which House Bill 1205, 1206, 4107, 4108, 4167, 4285, 4300, 4348, 4388, 4403 and 4491 and 4586 were referred, reported the same back with amendments thereto, with the recommendation that the amendments be adopted and the bills, as amended, do pass. Mr. Moore, from the Committee on Counties and Townships, to which House Bills 3718, 4246, 4289, 4318, 4319, 4386, 4396, 4397, 4423, 4426, 4563 and 4588 were referred, reported the same back with

the recommendation that the bills do pass. Mr. Anderson, from the Committee on Public Utilities, to which House Bill 4270 was referred, reported the same back with amendments thereto, with the recommendation that the amendments be adopted, and that the bill, as amended, do pass. Mr. Anderson, from the Committee on Public Utilities, to which House Bill 4339 was referred, reported the same back with the recommendation that the bill do pass. Mr. McAvoy, from the Committee on Banks and Savings and Loan Associations, to which House Bill 4500 was referred, reported the same back with amendments thereto, with the recommendation that the amendments be adopted and that the bill, as amended, do pass. No further committee reports."

Hon. W. Robert Blair: "Agreed resolutions."

Fredric B. Selcke: "House Resolution 605, Carroll, et.al."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Hyde."

Henry J. Hyde: "Ah, Mr. Speaker, Ladies and Gentlemen of the House, today is unique in the history of this assembly in that we only have one agreed resolution, however, it is one of outstanding importance, in that it's congratulates Charlotte Jaffe, wife of Representative Aaron Jaffe, because she was installed as President of the Sharp Corners Grammar School Parent-Teachers Association. And so with. . .and so with a catch in our throats and a tear in our eye, I enthusiastically move for the adoption of House Resolution 605."

Hon. W. Robert Blair: "All those in favor of the adoption of

the agreed resolution say 'Yeas', the opposed 'No', the 'Yeas' have it and the resolution is adopted. For what purpose does the gentleman from Cook, Mr. Jaffe, rise?"

Aaron Jaffe: "Just on a point of personal privilege, which I certainly want to thank Representative Carroll as you may or may not know, I happen to be the Committeemen of a great portion of the area in which he now runs. And I think that Senator Carroll, as he will be known next year, knows who the real political power in our family is, and on behalf of my wife, I thank him."

Hon. W. Robert Blair: "The gentleman from Lee, Mr. Shapiro."

David C. Shapiro: "Ah, Mr. Speaker, Ladies and Gentlemen of the House, I would like the members of the House Elementary and Secondary Education Committee to pay particular attention to the announcement. Inadvertently, House Bill 4219 was not heard in committee. This is a bill that has bi-partisan leadership sponsor, in that the sponsors are Shea, Choate, Blair, Hyde. Immediately after adjournment we are asking the members of this committee to convene at the Chairman's desk, Representative Soderstrom, to act upon this bill. It will take just a few moments of your time. Thank you."

Hon. W. Robert Blair: "All right, does the gentleman have leave to suspend the Rule 17 for the posting? All right. They'll hear that bill immediately after adjournment. The gentleman from Cook, Mr. Juckett."

Robert S. Juckett: "Mr. Speaker, the announcement for the Executive Committee meeting immediately after adjournment

and I've been requested by several of the members to allow them a little time for lunch, so we'll meet one hour after adjournment which would be about 1:30 P.M. in M-5."

Hon. W. Robert Blair: "Ah, with leave of the House, we'll have one Committee Report."

Fredric B. Selcke: "Ah, Mr. Hunsicker, from the Committee on Agriculture, to which House Bills 2443, 3785, 4361, 4458 and 4459 were referred, reported the same back with the recommendation that the bills do pass."

Hon. W. Robert Blair: "The gentleman from Wayne, Mr. Blades, for what purpose do you rise, sir?"

Ben C. Blades: "No."

Hon. W. Robert Blair: "Oh, no, wait a minute. With leave of the House, I'll go to the order of concurrences on which there appears House Bill 3736 and recognize the gentleman from Wayne, Mr. Blades."

Ben C. Blades: "Mr. Speaker, Ladies and Gentlemen of the House, I move that we concur with the Senate Amendment on House Bill 3736."

Hon. W. Robert Blair: "Is there discussion? All right, this is final passage. We'll do this separately so there is no question about it. Shall the House concur in Senate Amendment Number Two to House Bill 3736? All those in favor will vote 'Yeas' and the opposed, all right, the gentleman from Bureau, Mr. Barry, has asked the sponsor what Senate Amendment Number Two does."

Ben C. Blades: "Mr. Speaker, Amendment Number Two makes an

amendment except for coroners, no counties with less than 50,000 populations, which the coroners' compensation is set in accordance with Section 101, shall be fixed with the following limit. What Senate Amendment Number Two and Number Three do, Representative Barry, this is in relation to this Coroner's bill in the setting of the fee for the coroner's bill and the Senate has amended the bill that we sent over to provide a I don't want to call it a fee, but that's what it is. A flat \$100.00 for each case that is heard with the maximum of \$500.00 for any multiple cases ah instead of the \$50.00 that we sent over. We sent the bill over with \$50.00 a day and really a day's work determined up to the local board, however, the Senate has amended it a flat fee of \$100.00 whether the coroner would spend one day, two days or however many he might spend and he'd still only be entitled to draw \$100.00 for the case. Now, this would entitle the counties under 50,000 population."

Hon. W. Robert Blair: "The gentleman from Bureau, Mr. Barry."

Tobias Barry: "I ah I find an error in the first line of Amendment Number Three and for that reason and for the additional reason that I fear that we may be making legitimate the coroners' office in those counties that have already done away from coroners by referendum, I would appreciate very much if you could hold this until next week, if it's not too important."

Ben C. Blades: "All right, I'll hold it."

Tobias Barry: "I find an error in line 1 of Amendment Number

Three."

Ben C. Blades: "Ah, . . . I'm looking."

Hon. W. Robert Blair: "The misspelling of the . . ."

Ben C. Blades: ". . . line 1, your eyes are sharper than mine."

Tobias Barry: "Coroner is spelled corner."

Ben C. Blades: "Oh, yes, I, we knew about that and I talked to the speaker about that and we believe that that could be corrected in enrolling and engrossing."

Hon. W. Robert Blair: "That particular point can be corrected in enrolling and engrossing. Now, on the gentleman's mo-

Tobias Barry: "The remainder of my motion is that it is a very serious matter since some counties have done away from the office and I think that we may be getting into some complications that should be checked very carefully. If it's not too important, could we do this first thing next week?"

Ben C. Blades: "I'm willing to hold it."

Tobias Barry: "I thank you very much."

Hon. W. Robert Blair: "All right, we'll take that out of the record."

Fredric B. Selcke: "Out of the record."

Hon. W. Robert Blair: "The gentleman from Henderson, Mr. Neff."

Clarence E. Neff: "Ah, Mr. Speaker, I'd like to make an announcement. There is an error in today's calendar stating that there will be a Transportation Meeting at 4:00 P.M. This is an error, there will not be any meeting this afternoon of Transportation at 4:00 P.M."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Hyde."

Henry J. Hyde: "Mr. Speaker, Ladies and Gentlemen of the House, I have I have an announcement or two of great importance. As you know, next Friday is the last day for non-exempt bills to be passed out of this House and there is every likelihood that we will be in session next week through Friday, so please plan your week accordingly. Tomorrow will be a perfunctory session, no perfunctory on Monday and we will be in on the floor at 9:30 A.M. on next Tuesday, so please govern yourselves accordingly and I now move, Mr. Speaker, that this House stand adjourned, perfunctory tomorrow and plenary session Tuesday, May 9th, 1972 at 9:30 A.M."

Hon. W. Robert Blair: "All those in favor of the motion to adjourn say 'Yeas', the opposed 'No' and the House is adjourned."
