Reverend Krueger: "In the name of the Father, Son and the Holy Ghost. Amen. O Lord, bless this House of Thy service this day. Amen. George Washington said, great people are not effected by each puff of wind that blows ill. Like great ships they sail serenely on, in a calm sea or a great tempest. Let us pray. Almighty God, Father of our Lord who has all power and might who order^d all things that have been that are and that will be. Bestow upon the mind and will of these Members of this House of Representatives such love of Thee in Thy will. That among the sundry changes and chances of this world their hearts may be truly fixed where true joys are to be found. Through Jesus Christ our Lord. Amen."

Speaker Redmond: "Reading of the Journal."

Clerk O'Brien: "Journal for the 137th Legislative Day. The House met pursuant to adjournment, the Speaker in the Chair. Prayer by Father William Krueger, Chaplain...."

Speaker Redmond: "Representative Giorgi."

Giorgi: "Mr. Speaker, I move that we dispense with the reading of the Journal and that Journal #137 of May 26, and #138 of June 1, 1978 be approved as read."

Speaker Redmond: "You've heard the Gentleman's motion. Is there any discussion? The question is on the motion? Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried, the Journals are approved. Representative Ryan, do you have any excused absences?"

Ryan: "Yes, Mr. Speaker. Mary Lou Sumner, due to illness."

Speaker Redmond: "Any objections? Hearing none the record will so show. Any Democrat absences excused? How about Representative Giglio?"

Lechowicz: "Thank you, Mr. Speaker. Will the record indicate that Representative Giglio being excused because of illness in the family."

Speaker Redmond: "Hearing no objection, the record will so show. Senate Bills, First Reading. We have five Senate Bills on page 4, no Sponsors. Representative Bruce..... Representative Porter."

Porter: "Mr. Speaker, I wonder if you have yet an idea as to whether we will be in Session tomorrow?"

Speaker Redmond: "Don't know for sure, the present plans are, yes."

Porter: "Thank you."

Speaker Redmond: "Because we like you. Representative Lucco, are you seeking recognition?"

Lucco: "Yes, thank you, Mr. Speaker. Ladies and Gentlemen of the House, I am privileged to rise at this time for an introduction of three fellow guests that I have here with me today. With me is the Mayor of one of the communities in my district, very influential community, Glen Carbon, Illinois. Les Munzert, where are you Les? Right over here. And one of my aids from my district, Nick Hameless. Nick. And an attorney friend of ours, Joe Kellerheard...Judge. Thank you very much."

Speaker Redmond: "Senate Bills, First Reading."

Clerk O'Brien: "Senate Bill 1563, Waddell, a Bill for an Act to amend Sections of the Regional Transportation Authority Act. First Reading of the Bill."

Speaker Redmond: "Reduction Veto. Representative Reilly, do you want to call House Bill 3380? Out of the record. We are honored with the presence of State Treasurer, Don Smith, formerly of DuPage County. Ich bin ein DuPager. Representative Giorgi, will you come up here."

Speaker Giorgi: "Constitutional Amendments, First Reading."

Clerk Hall: "House Joint Resolution Constitutional Amendment 53.

Whereas, the Ninety-second Congress of the United States of America, at its Second Session, in both Houses, by a Constitutional Majority of two-thirds thereof, adopted the following proposition to amend the Constitution of the United States. Joint Resolution. Resolved, by the House of Representatives and Senate of the United States of America in Congress assembled (two-thirds of each House concurring therein), that the following Article is proposed as an Amendment to the Constitution of the United States, which shall be valid to all intents and purposes as a part of the Constitution when ratified by the Legislature of three-fourths of the several states within seven years from the date of its submission by the Congress.

Article. Section 1. Equality of rights under law shall not be denied or abridged by the United States or any other state on account of sex. Section 2. The Congress shall have the power to enforce by appropriate legislation the provisions of this Article.

Section 3. This Amendment shall take effect two years after the date of ratification; therefore, be it resolved, by the House of Representatives of the Eightieth General Assembly of the State of Illinois, the Senate concurring herein, that such proposed Amendment to the Constitution of the United States of America be and the same is hereby ratified; and be it further resolved, that a certified copy of this Resolution be forwarded to the Secretary of State of Illinois to the Administrator of General Services of the United States, to the President pro tem out of the Senate and the Speaker of the House of Representatives of the Congress of the United States and to each Senator and Representative from Illinois in the Congress of the United States. First Reading of the Constitutional Amendment."

Speaker Giorgi: "Representative Walsh, for what reason do you rise?"

Walsh: "Mr. Speaker, I object to the introduction of the Resolution just read by the Clerk and submit to you that its introduction flies in the face of our rules and I refer specifically to the rule dealing with Postponed Consideration. A matter which has been heard

once and postponed may be considered again. Now, the language does not specifically address itself to that but certainly in spirit it does and I therefore object to the introduction of this Resolution and would ask, Mr. Speaker, that you rule on it... my objection."

Speaker Giorgi: "Let's hear from the Sponsor of the Resolution, Representative Houlihan. Repeat the rule, Mr. Walsh."

Walsh: "It is the rule dealing with Postponed Consideration, I believe it's Rule 38."

Speaker Giorgi: "Mr. Walsh, we have nothing before us on that rule of business."

Walsh: "We are on Introduction, Mr. Speaker. We are introducing an identical Resolution to one that has been defeated once and placed on Postponed Consideration. The rule dealing with Postponed Consideration says that that matter can be heard one more time and that is all. We have heard the substance of this Resolution, as a matter of fact, the identical substance to this Resolution...one more time and it did not pass. We are therefore, Mr. Speaker, not to consider that matter again. That, I don't think you nor the Parliamentarian can deny, is the spirit of that rule. I therefore object to the offering of this Resolution."

Speaker Giorgi: "Mr. Walsh. The previous message went to the Committee on Assignment, Mr. Walsh. And none of our rules preclude anyone submitting an identical Bill or another Resolution. None of our rules prohibit that."

Walsh: "Well, I object to your ruling, Mr. Speaker and certainly will not move to overrule that ruling but I...I will let my objection be known to the Clerk by way of a dissent and I shall raise this question each time the matter comes before us."

Speaker Giorgi: "Let the record note your dissent, Representative Geo-Karis, for what reason do you rise?"

Geo-Karis: "...I just want a point of parliamentary inquiry. This is a new Resolution for Constitutional Amendment..."

Speaker Giorgi: "We're not on that order of business, Mrs. Geo-Karis..."

That's already been ruled on and his dissent has been noted..."

Geo-Karis: "All I want to know is the Committee..."

Speaker Giorgi: "That is on the Committee on Assignment."

Geo-Karis: "Thank you."

Speaker Giorgi: "Representative Collins, for what reason do you rise?"

Collins: "Please add my name to that dissent."

Speaker Giorgi: "Add Collins to that distinguished list and Representative Simms, the cadaver hunter. Representative Keats... Representative Cunningham. I'm instructed by one of the Clerks that you should write your dissent and bring it to the wall. That's the way we'll handle it. And now, Introductions and First Reading. Read it, Mr. Clerk."

Clerk Hall: "House Joint Resolution Constitutional Amendment 54.

Whereas, the Ninety-second Congress of the United States of America, at its Second Session, in both Houses, by a Constitutional Majority of two-thirds thereof, adopted the following proposition to amend the Constitution of the United States of America: Joint Resolution. Resolved, by the House of Representatives and the Senate of the United States of America in Congress assembled (two-thirds of each House concurring therein), that the following Article is proposed as an Amendment to the Constitution of the United States, which shall be valid to all intents and purposes as a part of the Constitution when ratified by the Legislatures of three-fourths of the several states within seven years from the date of its submission by the Congress: Article, Section 1. Equality of rights under the law shall not be denied or abridged by the United States or any state on account of sex. Section 2. The Congress shall have the power to enforce by appropriate legislation provisions of this Article. Section 3. This Amendment shall take effect two years after the date of ratification; therefore, be it resolved, by the House of Representatives of the Eightieth General Assembly, State of Illinois, the Senate concurring herein, that such proposed Amendment to the Constitution of the United States of America be and the same is hereby ratified; and be it further resolved, that a certified copy of this Resolution be forwarded by the

Secretary of State of Illinois to the Administrator of General Services of the United States, to the President pro tem out of the Senate and the Speaker of the House of Representatives of Congress of the United States and to each Senator and Representative from Illinois in the Congress of the United States. First Reading of the Constitutional Amendment."

Speaker Giorgi: "Committee on Assignment. By way of recognizing who wanted the floor, first of all we'll go to... Representative Cunningham, for what reason do you arise?"

Cunningham: "Parliamentary inquiry, Mr. Speaker."

Speaker Giorgi: "Make your inquiry."

Cunningham: "Has the Speaker given any thought to what posture this puts this honored House in, in the eyes of the nation, by accepting this Bill? You're making the House of Representatives the laughing stock of the entire United States of America when you deliberately permit a Bill to be rehashed again and again ad nauseam. I would think for the dignity of all you would rule it out of order and request the Speaker whether consideration is being given to that consideration."

Speaker Giorgi: "Mr. Speaker, I mean, Mr. Cunningham, in my experience in the House I've seen Resolutions that were defeated that I've written that were reintroduced. I've seen my Bills that have been defeated be reintroduced. There's no prohibition about any Member introducing any Bill, any Resolution whenever we go to that order of business and that's... Representative Collins, for what reason do you arise?"

Collins: "Mr. Speaker, I rise on one of the rare occasions when I would agree with Representative Cunningham. This is not only ridiculous, it's an insult to every Member of this House, to every Member of the General Assembly, to every citizen of the State of Illinois. This is the grossest form of insult that I have ever received, that I have ever witnessed in this House and I would ask that my name be registered in dissent to each one of these ludicrous Resolutions."

Speaker Giorgi: "We've already....the Clerk has notified me that he would like the dissent with a written notice to the well. Representative Vinson, for what reason do you arise? Vinson. Vinson. Representative Vinson."

Vinson: "Mr. Speaker, this is a terrible procedure. We frequently have to engage in these procedures to run the state, to provide the revenue and the operational decisions that make this Assembly work and make State Government work. But to do it on a matter of ^{CONSCIENCE} like this Amendment no matter how anybody feels about it. To try to ramrod it through this Assembly is a terrible mistake that will only abrade Members' ^{CONSCIENCES} consciences."

Speaker Giorgi: "Representative Bradley, for what reason do you arise?"

Bradley: "Mr. Speaker, a clarification. The Parliamentarian is there, does this Constitutional Amendment have to go to rules?"

Speaker Giorgi: "Because it is a Resolution, it goes to Committee on Assignments."

Bradley: "On assignment of the Bills. And that's where it is, correct, Sir?"

Speaker Giorgi: "You remember the Committee, I think."

Bradley: "I'm well aware of that."

Speaker Giorgi: "For the purpose of an announcement, Representative Wikoff would like the podium, for the purpose of an announcement."

Wikoff: "Ladies and Gentlemen of the House, it is my pleasure to introduce to you today, John Correll who lives in a district represented by myself, Tim Johnson, Representative Helen Satterthwaite. John, is the winner of Elk's National Championship in the basketball free throwing contest for boys eight to nine years old. It was held in Kansas City, Missouri on national television at half-time between the game of the Golden State Warriors and the Kansas City Kings. John was the first contestant in six years to have

a perfect score. Now listen to this, twenty-five straight and he not only won the national championship, his name is going to be placed in the National Basketball Hall of Fame. He lives in Mahomet, his folks are here. The House honored him last May with a Resolution congratulating him and I would like to introduce his parents, Merv and Karen Correll and his brothers, Jeff and Bryan....and John, have you got a little comment you could make for us."

John Correll: "I would like to thank, Mr. Wikoff and this congress of recognizing my achievement in International League competition. I was very proud to have represented my home state of Illinois in this contest. Thank you for inviting me to Springfield today."

Wikoff: "Thank you all for your patience."

Speaker Giorgi: "Representative Houlihan, for what reason do you arise?" Houlihan....Jim."

Houlihan: "Mr. Speaker, I would like to ask the Parliamentarian to consider a motion to move that Resolution, Second Reading, Second Legislative Day."

Speaker Giorgi: "It is in Assignment of Committee and I don't think you can move it out of the assignment."

Houlihan: "Mr. Speaker, what I'm doing is....going to place that motion in writing so it can be put on the Calendar. And be on the Calendar to be appropriately considered."

Speaker Giorgi: "You can do that....the rules allow that."

Speaker Giorgi: "Representative Ebbesen; for what reason do you rise?"

Ebbesen: "Yes, Mr. Speaker, I want to address myself to this issue.

I'm one of the individuals that yesterday on the Equal Rights Amendment that is the subject before us..."

Speaker Giorgi: "There's no issue on the table now..."

Ebbesen: "Well then, on a point of personal privilege."

Speaker Giorgi: "Continue on a point of personal privilege."

Ebbesen: "Thank you, Mr. Speaker. I voted affirmatively for the Equal Rights Amendment yesterday. And you know that that... if it passes the Illinois House of which it... it seems that we do have the necessary votes but due to some confusion yesterday, they didn't manifest themselves. Now that Equal Rights Amendment has to withstand the other chamber, the Senate. Now I'm here to tell you that I agree with Representative Walsh and there are other Members that voted affirmatively that I've consulted with, who agree with what I'm saying. If we want that Amendment passed in the State of Illinois, let that Resolution go over to the Senate and come through there and come back over here. This House has heard that Resolution under very legitimate circumstances according to the rules. It did not receive the necessary votes and I certainly would encourage others who voted affirmatively when this issue comes up to bypass this and put it on Second Reading. I will vote for it when it comes back from or comes over from the Senate if it does. But I think this is a sham. It puts this House of Representatives and the state, such as the State of Illinois in a very, very bad light on a national issue. And I would encourage everybody who voted affirmatively to reassess what they're going to be voting here very shortly."

Speaker Giorgi: "Representative Collins, for what reason do you rise?"

Collins: "Just a parliamentary inquiry, Mr. Speaker. Did you rule that this insult had to be reduced to writing?"

Speaker Giorgi: "Yes."

Collins: "And it has to be carried on the Calendar, correct?"

Speaker Giorgi: "Correct."

Collins: "Thank you."

Speaker Giorgi: "Representative Flinn, for what reason do you rise?"

Flinn: "Well, Mr. Speaker, if I'm not out of order. I would like to move that we adjourn until eleven P.M....."

Speaker Giorgi: "You are not recognized for that reason, Mr. Flinn. Committee Reports."

Clerk O'Brien: "Representative Chapman, Chairman from the Committee on Human Resources to which the following Bill was referred, action taken June 8, 1978. Reported the same back with the following recommendations. Do pass as amended Senate Bill 1562."

Speaker Giorgi: "Representative Matijevich, for what reason do you arise?"

Matijevich: "Mr. Chairman....Mr. Speaker and Ladies and Gentlemen of the House. Because the Appropriation I Committee meets on Tuesday, it is necessary for me to move and I ask leave to use the Attendance Roll Call to suspend the posting notice. And I have an enumerated list of Bills which I have given the Minority Leader and I'll hand the Bill to the Clerk but I would like to ask leave so that we can suspend that posting notice. We meet Tuesday, nine to eleven A.M....."

Speaker Giorgi: "Representative Matijevich....."

Matijevich: "two-thirty to four P.M."

Speaker Giorgi: "They were planning to do that for all Committees. Would you hold that for a few moments?"

Matijevich: "All right, thank you."

Speaker Giorgi: "Senate Bills, Second Reading. Senate Bill 1060, out of the record. Senate Bill 1847, Representative Daniels. Clerk read the...."

Clerk O'Brien: "Senate Bill 1847, a Bill for an Act relating to product liability actions and product liability insurance. Second Reading of the Bill, no Committee Amendments."

Speaker Giorgi: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Giorgi: "Third Reading. House Bills, Third Reading. Representative Leinenweber, for what reasons do you arise?"

for what reason do you arise? Leinenweber."

Leinenweber: "It is my understanding of the Sponsor of that previous Bill, I know you moved to another order of business....was that to go to Third?"

Speaker Giorgi: "It went to Third. House Bills, Third Reading. House Bill 2580, Representative Schisler....is he in the chamber? Out of the record. House Bill 2635, Representative Tuerk. House Bill 2635, Representative Tuerk. Read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 2635, a Bill for an Act making appropriations to the State Board of Education for the disbursement of certain monies. Third Reading of the Bill."

Speaker Giorgi: "Representative Tuerk on House Bill 2635."

Tuerk: "Mr. Speaker and Members of the House, this is the annual appropriation for the pay out from the Common School Fund to the State Board of Education for fiscal '79, for teachers retirement. The amount is increasing each year as you can well imagine. This appropriation calls for two hundred and twenty-seven million. Almost two hundred and twenty-eight million dollars which is an increase over fiscal '78. But what it does is cover the pay out amount for the teachers retirement. And I would ask for your favorable vote."

Speaker Giorgi: "Any discussion? The question is, shall House Bill 2635 pass? All those in favor will signify by voting 'aye', and those opposed by voting 'no'. Have all voted who wished? Have all voted who wish? Take the record, Mr. Clerk. On this question there are 147 'ayes', 4 'nays', none voting 'present' and this Bill having received the Constitutional Majority is hereby declared passed. House Bill 2863, Representative Polk. Representative Griesheimer, for what reason do you arise?"

Griesheimer: "Mr. Speaker, I would like leave of the House to change my vote on that. I hit the wrong button and one of

the things that we give you good credit for is that you're very expedient with the gavel up there. I would appreciate leave to change my vote."

Speaker Giorgi: "Does the Gentleman have leave? Did you want to change it from what to what?"

Griesheimer: "From 'no' to 'aye'."

Speaker Giorgi: "From 'no' to 'aye' for Mr. Griesheimer. Mr. Porter, for what reason do you arise?"

Porter: "For the same request, Mr. Speaker."

Speaker Giorgi: "Same request, Mr. Clerk. And Mr. Campbell for the same request....and Mr. Robinson. Mr. Pechous. Five people. The last Bill. Is Representative Polk in the chamber? On House Bill 2863....out of the record. House Bill 3013, Representative McGrew. Is he in the chamber? Mr. McGrew, would you like to call?"

Clerk Hall: "House Bill 3013, a Bill for an Act making appropriation to the Board of Governors of state colleges and universities. Third Reading of the Bill."

Speaker Giorgi: "Representative McGrew on House Bill 3013."

McGrew: "Thank you very much, Mr. Speaker and Ladies and Gentlemen of the House. House Bill 3013 appropriates a hundred and fifty-two thousand, five hundred dollars to the Board of Governors to effect a nursing program of Western Illinois University. We have done several studies around the state and have found that we have vacancies in the area. We do not have the possibility for continuing education for existing nurses, six schools...in the survey of existing schools in the state, we found that six schools could not accommodate all of their applicants. Three could not take transfer students, four could not accommodate the registered nursing students and we frankly have a very shortage....acute shortage of nursing....all over the state and specifically in west central Illinois. And I would like to have a Roll Call."

Speaker Giorgi: "Any discussion? The question is, shall House

Bill 3013 pass? All in favor will signify by voting 'aye', those opposed by voting 'no'. Have all voted who wished? Have all voted who wished? Representative McGrew. Representative McGrew, would you like to explain your vote?"

McGrew: "Thank you very much, Mr. Speaker. As I indicated earlier, we are in the process of developing this nursing program at Western, we've done the necessary surveys. We have substantiated that there is a need and I think this would provide the money for Western Illinois University to start a program that would eliminate the necessity for many nursing people in the area to commute clear to Peoria or to suburban Chicago to continue their education. And I would ask for an 'aye' vote."

Speaker Giorgi: "Have all voted who wished? Have all voted who wished? Take the record, Mr. Clerk. Representative McGrew, do you request a poll of the absentees? On this Bill...this Bill having received...Representative Madison, wants to be recorded as voting 'aye'. Representative Murphy, wants to be recorded as voting 'aye'. Representative Dawson, wants to be recorded as voting 'aye'. Representative John Dunn, wants to be recorded as voting 'aye'. This Bill having received 91 'ayes', 56 'nos' and 5 voting 'present'...Representative Collins, for what reason do you arise?"

Collins: "Well, I want to explain my vote, Mr. Speaker. Mr. Speaker, this program which is obviously superfluous program is not only not in the Governor's budget, it has not been submitted to the Board of Higher Education nor has the Board of Higher Education approved it. And it is my understanding that not even the university has asked for it. So why would we be voting to give funds for a program that is neither needed nor desired is beyond any comprehension. I think that this Bill should go down to a resounding defeat as so many other worthless appropriati

have in this state. If we didn't get a message the other day from California, then we weren't listening very diligently. Because the people of the country and certainly the State of California has spoke overwhelmingly and I think the people in the State of Illinois are saying the same thing. We're sick and tired of....our spending their money in worthless and wasteful programs. And I think this like so many others, should receive a resounding 'no' vote. I don't think we are listening to the people....if we can vote for programs like this. Mr. Speaker, I don't know what the count is and I know that I would be out of order to ask for it. But I think somebody in back of me is asking for a verification."

Speaker Giorgi: "Representative Gene Barnes, for what reason do you arise."

Barnes: "Vote me 'aye', Mr. Speaker."

Speaker Giorgi: "Record Mr. Barnes.....in the event the Roll Call is going verified, let's have a new Roll Call, Mr. Ryan. Dump the Roll Call, Mr. Clerk. New Roll Call. The question is, shall House Bill 3013 pass? All those in favor will signify by voting 'aye', those opposed by voting 'no'. Please hit your switches. Representative McGrew on House Bill 3013."

McGrew: "Thank you very much, Mr. Speaker. First of all, I object to your dumping the Roll Call and starting all over again. We had a perfectly legitimate Roll Call, I explained the Bill in its upmost. I said I was willing to answer any questions. I object to your dumping the Roll Call just at the discretion of the Chair. But let me point out that the Sponsor....the Speaker that spoke just a moment before, was absolutely in error. This has too been presented to the Board of Governors and okayed there and has also been presented to the Board of Higher Education. I don't know where he gets his information but I suggest that he check with the facts before he begins

to spout off. Thank you."

Speaker Giorgi: "Have all voted who wished? Have all voted who wished? Take the record, Mr. Clerk. On this question there are 71 'ayes', 56 'nays' and 8 voting 'present'. And this Bill having failed to received the Constitutional Majority is hereby declared lost. House Bill 3124, Representative Barnes. House Bill 3124, E.M. Barnes and Kempiners."

Clerk O'Brien: "House Bill 3124, a Bill for an Act making appropriation to the State's Attorneys Appellate Service Commission. Third Reading of the Bill."

Speaker Giorgi: "Representative Barnes, on House Bill 3124."

Barnes: "Thank you very much, Mr. Speaker and Members of the House. This is the ordinary and the contingent expense for the State's Attorneys Appellate Court Commission, it was heard in the Appropriations I Committee. The amount of the....total amount of the appropriations, I believe, Representative Matijevich may have a later figure. Is one million, one hundred and forty-one thousand, eighty-five dollars. It was heard in Appropriations I, it was recommended do pass on a twenty-two to one vote. And I would move and solicit the support of the House for House Bill 3124."

Speaker Giorgi: "Representative Ryan...is your light on? Is there any discussion? The question is, shall House Bill 3124 pass? All those in favor will signify by voting 'aye', those opposed by voting 'no'. Have all voted who wished? Representative Breslin....to explain your vote. Representative Breslin."

Breslin: "Mr. Speaker, I have a conflict of interest on this Bill....consequence will be recorded as not voting. Thank you."

Speaker Giorgi: "Have all voted who wished? Have all voted who wished? Take the record, Mr. Clerk. On this question there is 120 'ayes', 15 'nays', 11 voting 'present'. This

Bill having received the Constitutional Majority is hereby declared passed. Representative Von Boeckman, record him as 'aye'. House Bill 3128...Representative Dunn on House Bill 3128....out of the record. House Bill 3384... Representative Harris on House Bill 3384. Read the Bill, Mr. Clerk."

Clerk Hall: "House Bill 3384, a Bill for an Act making appropriations to the Department...."

Speaker Giorgi: "Out of the record. Senate Bills, Third Reading.

Is Representative Polk in the chambers? On Senate Bill 82...out of the record. Senate Bill 1394, Dave Jones. Is Dave Jones in the chamber? Out of the record. 1395 is out of the record. On the Speaker's Table appears House Resolution #150, Representative Kucharski, did you want that called? Out of the record. House Resolution #154, Representative Taylor, do you want that called? Out of the record. House Resolution #457, Representative Steczo, did you want that one called? Out of the record. House Joint Resolution #11, Representative Yourell. Do you want that called? Out of the record. Representative Stearney, on House Joint Resolution #26....out of the record. Representative Porter on House Joint Resolution #42. Out of the record."

Speaker Giorgi: "Representative Taylor, for what reason do you arise?"

Taylor: "Mr. Speaker, I rise on a point of personal privilege."

Speaker Giorgi: "Continue."

Taylor: "Mr. Speaker, I wish I could have the complete attention of this House because what I'm going to say is going to have some merit. to what happened yesterday in regards to E.R.A. Amendment. Mr. Speaker and Members of this House, as I've spoken many times and told many of you that I am an ex-prize fighter and one of the things that I learned in the fight game is, I learned to win and I learned to lose, I feel in my heart that in the past few days I fought a good fight for something that I truly believed in. I would not want my name to be added to something that's detrimental as...the women of our country. Today I met with the leaders of those persons who was truly concerned about the ratification of the E.R.A. Amendment. I hope you'll bear with me because this is hard. I felt very strongly about the position I had taken some four or five years ago, in terms of blacks being in leadership of that movement. I have never in my life asked anyone to make a deal for me. The only thing that was asked is that I would be in the forefront of that particular movement. All the allegations that have been made about deals being cut, I don't have to cut any deals. I do not want to see the ratification of this Amendment lost because my name may have been in the leadership of it. I have met with those persons that are concerned and asked that my name be withdrawn. And I ask the leadership to send those persons back, Representative Greiman and Representative Chapman, who had agreed that I would go into the leadership of this movement. I ask that the Bill be reintroduced in the fashion that it was in in at the present. I hope that those Members, and I know how some of you feel about it, would reconsider the position that you have taken in terms of not voting for the ratification of this Amendment. I truly wanted to see it pass. I was given a chance that I asked and I lost it. I would not want to stand in the way of Representative Greiman or Representative Chapman. I worked with Joe Ebbesen, I heard his remarks a few moments ago

in the back office, I would hope that he would reconsider it. And all of you that maybe have personal feelings about it, see that the Amendment is reintroduced. And those persons who have been fighting the fight all along, give them an opportunity and strike the name of James C. Taylor. I will continue to support the Bill. Thank you, Mr. Speaker and Members of the House."

Speaker Giorgi: "Representative Walsh, for what reason do you rise?"

Walsh: "Well, simply to comment, Mr. Speaker, that I have no knowledge whatever of what the last speaker spoke of with respect to a so-called power struggle. But in analysis of the Roll Call on the proposed Equal Rights Amendment yesterday, reveals that no more than five persons withheld their votes for the reasons the Gentleman gave. Those five persons, if they had voted favorable, would not have been enough to ratify the Amendment in this House, Mr. Speaker. And so I suggest to you that this House is being presumed upon by reintroducing it over and over and over again. And I suggest too, that there are those of us who are very much interested, as interested as the Gentleman and others who are interested in passing it, we are equally interested in it not passing and for good and sufficient reasons."

Speaker Giorgi: "Redundancy is a trait of this House, Mr. Walsh. Senate Bills, First Reading."

Clerk O'Brien: "Senate Bill 1687, Brady, a Bill for an Act to Amend Sections of School Construction Bond Act. First Reading of the Bill. Senate Bill 1819, Byers, a Bill for an Act to amend Sections of the Illinois Income Tax Act. First Reading of the Bill. Senate Bill 1835, McClain, a Bill for an Act to amend Sections of the State Employees Group Insurance Act. First Reading of the Bill."

Speaker Giorgi: "Representative Corneal Davis, for what reason do you arise?"

Davis: "On a point of personal privilege."

Speaker Giorgi: "Continue, Mr. Davis."

Davis: "I was asked a few moments ago....whether or not I was jumping the gun. I wish you would listen to this and I

wish that the ladies and all of those who are interested in ERA would listen to it. I was asked a few moments ago whether or not I was jumping the gun by reintroducing the Amendment. I had to remind those and I have to remind this House and if you were here you would know that I'm not jumping any gun in supporting ERA. I have supported it from the first time it came on this floor....so much so, if you will recall when it got the 113 votes, I was on the floor at that time. And I didn't know whether or not my Party or any other Party or my Leaders or any other Leaders was for it. But I said at that time, if the price of me supporting ERA, if the price of me supporting anybody's freedom...was the Leadership that I enjoyed at that time, I tendered my resignation here in this House. And the records will show it, because I chose to support ERA. Nobody has to deliver me to talk for freedom. How can I, who knows what it means to be denied freedom have to be delivered to talk for freedom. Insofar as Leadership is concerned, I've heard all of these rumors. There won't be any new Speaker elected in this House until the people have spoken and the people will not speak on whether or not the Democrats will have a majority or whether or not the Republicans will have a majority...until next November. And when the last vote is counted it will determine whether or not we will have a Democratic Speaker or a Democratic Majority or Republican Majority. So, I'm not engaged....I'm not engaged in any argument of that kind. In the first place I have tendered my resignation and I'm not a candidate and I won't even be here to elect any Speaker. It will be up to the Membership of this House and I have no quarrel and I want to make it perfectly clear. I have no quarrel with any one who would contend for Leadership, I have no quarrel with anyone who contended to seek the position that I hold in this House. All I'm saying is, you can't do it now... you can't do it until after the election. Now....it is not

uncommon for men to want to be first...it is not uncommon for men to contend for prominent places. Let me remind you of one occasion when the disciples had an argument of this kind. And all of you remembered, the disciples wanted to know from Jesus Christ, who would be first in the kingdom and what did he say to them? He that would be first...he that would be great among you, let him become your servant. And that is exactly what I've tried to do as long as I've been in this House. I've tried to become a servant....not only of my people but of all the people of this state who feel denied...who feel depressed and who are on the lowest rung of the ladder. I put in that Resolution and when I put it in, I didn't know anybody else had put in one. But let me say this, if there is any quarrel among these women, who supported ERA.... because I put in a Resolution....forget it. Because I will not cause you any trouble. I'm used to you choosing somebody else, so go ahead and choose somebody else. And to show you how much I agree with your right to make a choice, I will speak just as hard and fight just as hard under the Leadership of anybody else who stands for freedom."

Speaker Giorgi: "Representative Keats, for what reason do you arise?"

Keats: "Mr. Speaker, I arise for a subject of perhaps slightly of less intense importance to the House. But some minor intense importance to those individuals who the other evening were out there for some absurd reason attempting to prove their manhood on a tennis court. I don't know why any fool would have done it but I was there with them, so there must have been some logical reason. And so for that reason, today I have sitting on my desk a box full of awards for those fools who remained with us till past midnight and played tennis. And I would like to announce that the House of Representatives again showed that when it comes to out-

standing athletic ability, we are superior to the House of Lords across the hall. Of the eight awards to be offered, six go to Mmembers of the House and two go to.... somewhere else. And at this time I just want to announce the winner and present the plaque^s so those individuals can frame this on their walls and have it written somewhere in their local newspaper that they are not really as fat and out of shape as everybody thinks they are. Finishing in fourth place was a interesting combination. We had a Gentleman who fits into perhaps the slightly left leaning into the political spectrum, teamed with an individual who fell off the right end of the diving board years ago. We had Bill Marovitz and Harry Leinenweber, teamed up to finished fourth. In third place we had an individual who last year tripped over his tennis racket while trying to get onto the court but by this year, was good enough to stand on his own. An individual well known for his tirades on the floor, on the behalf of the poor hard working tennis players of America. Representative Thomas Hanahan and behind him the tax putt... I should say, the tax cut king, Mr. Daniel Pierce. In second place an individual that I often play with as my doubles partner. And Lord knows he was carried by his superior partner in this match. Finishing second, representing the House, a man from Little Egypt, Representative Dick Hart, who has teamed with the illustrious Senator of whom I will have the good fortune to replace, the Honorable Bradley Glass. And the winner, the winner of the tournament which comes as no surprise to anyone, even....particularly does not come as a surprise because he is the one that kept the score card but that individual who did win was teamed from the House, Representative Jim Houlihan and his partner, who did a fine job of staying out of the way and letting Representative Hulahoop carry the weight. Senator Sangmeister. I think we should finish now with one round

of applause for everybody...allowing you to know that my fine effort was second from the bottom...I think."

Speaker Giorgi: "Representative Lucco, for an announcement."

Lucco: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. The softball game, the annual softball game which was scheduled tonight between the House and the Senate...has been confirmed, it will be played tonight, 6 P.M. at Chamberlain Park. Chamberlain Park, not Iles Park. 6 P.M. tonight."

Speaker Giorgi: "Introduction and First Reading of Bills."

Clerk O'Brien: "House Bill 3404, Skinner, a Bill for an Act providing for the submission of the electors of this state of a certain question of public policy. First Reading of the Bill. House Bill 3405, Dan Houlihan-Brady, a Bill for an Act making additional appropriation to the Supreme Court. First Reading of the Bill."

Speaker Giorgi: "Agreed Resolution."

Clerk O'Brien: "House Resolution #941, Boucek."

Speaker Redmond: "Representative Giorgi. Representative Simms, please be in your seat. Representative Keats...please be in your seat."

Giorgi: "Boucek's House Resolution #941, honors Andrew Stanley of Northwestern University. I move for the adoption of Agreed Resolution."

Speaker Redmond: "Any discussion? The question is on the Gentleman's motion for the adoption of the Agreed Resolution. Those in favor say 'aye', opposed 'no'. The 'ayes' have it, the motion carried and the Resolution is adopted. Any announcements? Message from the Senate...first. A message from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary. Mr. Speaker, I am directed to inform the House of Representatives the Senate has adopted the following Senate Joint Resolution, in the adoption of which I am instructed to ask the concurrence of the House of Rep-

representatives, to-wit: Senate Joint Resolution #94, resolved by the Senate of the 80th General Assembly of the State of Illinois, the House of Representatives concurring herein; that when the Senate adjourns on Thursday, June 8, 1978, it stands adjourned until Monday, June 12, 1978, at twelve o'clock noon. And when the House of Representatives adjourns on Friday, June 9, 1978, it stands adjourned until Monday, June 12, 1978 at one o'clock p.m."

Speaker Redmond: "Representative Lechowicz, in the adoption of the Adjournment Resolution."

Lechowicz: "One moment, Mr. Speaker. I believe the Adjournment Resolution calls that the House will be in Session tomorrow, but I believe that is perfunct, is that correct?"

Speaker Redmond: "That is correct."

Lechowicz: "Mr. Speaker, based upon that promise, I will move that the House do adopt Senate Joint Resolution #94. And when we adjourn today, we will be in perfunctory Session tomorrow and return back to the House Monday, at one o'clock. Move for its adoption."

Speaker Redmond: "The question is on the Gentleman's motion for the adoption of the Adjournment Resolution. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried, the Adjournment Resolution is adopted. Are there any announcements? Any Committee Chairman that have any announcements? Representative Pierce."

Pierce: "Just to remind the Members that Tuesday Committees next week are meeting on Monday. And House Revenue Committee will be meeting at 2 P.M., on Monday and that will be our last meeting of this biennium, I believe....certainly of this Session and probably of the 80th General Assembly. So House Revenue Committee which usually meets on Tuesday, will meet Monday at 2 P.M. We only have one or two Bills, but we will meet."

Speaker Redmond: "Is there any other Tuesday Committees that are

going to be meeting on Monday? Representative Matijevidch."

Matijevidch: "No, Mr. Speaker, but I was told earlier that there was going to be one motion to suspend the posting notices of all Committee and I...."

Speaker Redmond: "There will be such a motion."

Matijevidch: "That's the only thing that bothers me."

Speaker Redmond: "Representative Porter."

Porter: "Mr. Speaker, earlier I discussed with you personally the fact that some Senate Bills were not given an opportunity to be heard before the House Rules Committee....at all, because time ran out last week. I wonder if there is any plan for another Session of the House Rules Committee so that those Bills can be heard. It seems to me extremely unfair because you can't discharge the Rules Committee that no hearing at all was given to some of the Members' Bills that they are handling for Senate Sponsors."

Speaker Redmond: "We're going to take that under advisement after we adjourn here and see if there is something that we can do. There are others other than yourself that has this same problem."

Porter: "Yes. Thank you, Mr. Speaker."

Speaker Redmond: "Representative Mudd."

Mudd: "Yes, Mr. Speaker, Members of the House, I would like to suspend the posting rule for all Bills in Executive next Wednesday. So that we can hear all the Bills that are in Executive next Wednesday."

Speaker Redmond: "Representative Mudd, there is one motion that is going to cover them all. Are you aware of that?"

Mudd: "No, Sir, I am not."

Speaker Redmond: "Who's going to put that? Representative Madigan, I believe is going to put that motion. Take care of all of the Committees."

Mudd: "Okay, fine. Thank you!"

Speaker Redmond: "Representative Mudd, you better put your motion again."

Mudd: "Yes, my motion is to suspend the posting rules so that all Bills assigned to Executive Committee can be heard next Wednesday."

Speaker Redmond: "Representative Mudd has requested that the posting rule be suspended with respect to the Executive Committee, to permit hearing next week. Representative Ryan."

Ryan: "Thank you, Mr. Speaker. I object to that motion."

Speaker Redmond: "Representative Ryan refuses to give unanimous consent. Do you care to put the motion?"

Mudd: "Well, we'll have all Members and....so note that Representative Ryan objected."

Speaker Redmond: "Representative Mudd, are you going to put the motion to suspend the...."

Mudd: "No, I really don't care to, they are mostly Republican Bills anyway. I could care less."

Speaker Redmond: "Okay. Representative Pierce, do you want to make a motion on posting?"

Pierce: "Yes, Mr. Speaker, we posted....we posted on Wednesday the day after our Tuesday Committee. But next week the Tuesday Committees meet on Monday. So that's why we need this motion to suspend the rules to post only one Bill which is Representative Abramson's Bill. And he wasn't there Tuesday because he seeing the doctor in Chicago and so I would like to move to suspend the appropriate rule to post only one Bill, which we did post on Wednesday and that Bill number is....that's in the Revenue Committee and the Bill number is Senate Bill 1753, which Representative Abramson is handling. So I move to suspend the appropriate rule to post Senate Bill 1753 for Monday, 2 P.M., in Revenue Committee. It already is posted and I ask for the Attendance Roll Call."

Speaker Redmond: "Does he have leave? Representative Ryan."

Ryan: "I object, Mr. Speaker."

Speaker Redmond: "Representative Ryan objects."

Pierce: "If he objects then I move to suspend the rules for the purpose of posting one Bill, Senate Bill 1753 in the House Revenue Committee for Monday, June 12, at 2 P.M. And ask for a Roll Call on that motion."

Speaker Redmond: "Representative Pierce moves to suspend the posting rule to permit the hearing of House Bill, 1753... Representative Madigan."

Madigan: "Mr. Speaker, I wish to rise in opposition to the Gentleman's motion. I agree with his desire to suspend the posting requirement to hear Bills. Quite obviously because of the change in our schedule for next week, if we intend to conduct Committee business we must suspend the posting requirements. This motion is a motion for a Republican Bill and I will oppose individual motions for individual Bills. I think that we ought to have a blanket suspension of the rules so that all Members, Democrat and Republican can have their Bills heard in Committee next week. And I would direct the attention of the Republican Members, if you have Bills in Committee that you wish to have heard next week, you are being denied your opportunity to have your Bills heard next week in Committee."

Speaker Redmond: "Representative Abramson."

Abramson: "Mr. Speaker, inquiry of the Chair. Is it necessary to have the Bill reposted, it was posted for last week and postponed for the following meeting."

Speaker Redmond: "Have to, yes."

Abramson: "Has to be reposted?"

Speaker Redmond: "Yeah. Representative Pierce."

Pierce: "Mr. Speaker, I wasn't aware that it was partisan shenanigans and haggling going on here. In view of that I will withdraw my motion unless all the Committees have the posting rules suspended. Because they are all in the same situation, they meet a day earlier next week and didn't have a chance to post the day after last week's meeting and

meet the six and a-half day requirement. So because of that, I withdraw my motion to suspend the rules of the Revenue Committee....even though I wanted to."

Speaker Redmond: "Motion is withdrawn. Representative Matijevich, do you desire to renew your motion?"

Matijevich: "Yes, I....we've got a Tuesday meeting and we need a motion and I ask leave to use the Attendance Roll Call so that those Bills that are enumerated and I've given the Minority Leader a copy....can be heard. We can do this Monday, but I thought we might as well get it out of the way."

Speaker Redmond: "Does the Gentleman have leave? Representative Ryan."

Ryan: "Mr. Speaker, in view of the shabby treatment that the Members received in that Committee yesterday, I must object."

Speaker Redmond: "Representative Ryan objects. Representative Matijevich."

Matijevich: "That's all right, I'll withdraw the motion."

Speaker Redmond: "The motion is withdrawn...."

Matijevich: "It is not June 30th, yet."

Speaker Redmond: "Any other motions? Representative Mudd. Representative Mudd. Please give the Gentleman order."

Mudd: "Mr. Speaker, for information purposes....now am I to understand that any Bill that was posted and not heard in any Committee this week is not automatically reposted for next week and will not be heard unless it is....is posted by the Sponsor. Is that right? No automatic posting."

Speaker Redmond: "That is correct."

Mudd: "Okay, thank you."

Speaker Redmond: "And the 14th is also the last day for House Bills out of Committee. Representative Madigan."

Madigan: "Mr. Speaker, inquiry of the Chair. Mr. Speaker."

Speaker Redmond: "Proceed."

Madigan: "Should it be Members plan for Committee meetings next week, the last week to consider Bills in Committee. Should the Members plan for Committee meetings next week the last week to consider Bills in Committee?"

Speaker Redmond: "The ones that were properly posted, and there are some that are, it may very well be that instead of having Committees on Monday, if they were properly posted for Tuesday they will hold it on Tuesday. I don't know, the Committees are within the jurisdiction of the Chairman of the Committee, many of them have been posted correctly. I see a whole list of things here, so I would assume that... if it has been posted correctly that they... Committees will be heard and they will go forward. If they were not posted....."

Madigan: "Mr. Speaker, in light of the change in our workout schedule, it will be impossible for the normal Thursday Committee to post for next week."

Speaker Redmond: "That is correct."

Madigan: "So those Committees should not plan on meeting."

Speaker Redmond: "Well, I don't ever presume to tell the Chairman of Committees what to do, but I would assume that if they read the rules that they will not meet on Thursday."

Madigan: "Mr. Speaker, if we plan to move to Committee days from one to another, how will we accommodate the joint meetings on one day, if we have the Revenue Committee meeting as the same day of the Appropriation Committees. How will we find rooms, Mr. Speaker and how will we find quorums to conduct those meetings on Tuesday?"

Speaker Redmond: "Well we just trust on the good offices of the Members, we have survived for pretty nearly four years and we've managed to do our business pretty well in spite of the... sometimes obstructionist methods of some of the Members."

Madigan: "Should we rely upon the faith of mankind, Mr. Speaker?"

Speaker Redmond: "What was that, Representative Madigan?"

Madigan: "Should we rely upon the faith of mankind?"

Speaker Redmond: "I have great faith in the County Chairman of Kankakee County."

Madigan: "Who is that, Mr. Speaker?"

Speaker Redmond: "That is the Gentleman who sits with an eagle eye behind the Minority Leader. I don't know whether it's puppet or...."

Madigan: "Mr. Speaker." 0

Speaker Redmond: "Representative Madigan."

Madigan: "Do we have any further announcements or motions or...."

Speaker Redmond: "Just your motion, I believe."

Madigan: "And with that, I move that we now...."

Speaker Redmond: "Go ahead."

Madigan: "I...."

Speaker Redmond: "Well one more thing. Committee Report that we have to read here."

Clerk O'Brien: "Representative Capparelli, Chairman from the Committee on Executive, to which the following Bills were referred, action taken June 8, 1978. Reported the same back with the following recommendations. Do pass Senate Bills 1534, 1608, 1749 and 1850. Do pass Consent Calendar, Senate Bills 995, 1645, 1653, 1654, 1655, 1656, 1658, 1659, 1660, 1661, 1662, 1689, 1692, 1695, 1696 and 1697. Be adopted House Joint Resolution #2. Senate Joint Resolution #59, Senate Joint Resolution #60, Senate Joint Resolution #62. Be adopted Consent Calendar, Senate Joint Resolution #18, Senate Joint Resolution #72. Tabled in Committee, House Resolution #279, House Resolution #455, House Joint Resolution #53. Do pass Consent Calendar, Senate Bill 1694. Be adopted Consent Calendar, Senate Joint Resolution #72."

Speaker Redmond: "Now we can tell, Representative Walsh, we won't be meeting tomorrow. Representative Madigan."

Madigan: "Mr. Speaker, I now move that we recess into a perfunctory Session at the call of the Chair. And that we then adjourn"

from that Perfunctory Session to a Perfunctory Session tomorrow at 11:00 A.M. And that we then adjourn from that Perfunctory Session to a Regular Session on Monday, at 1 P.M. in the afternoon."

Speaker Redmond: "Any discussion? The question is on the Gentleman's motion. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried. We will stand in recess.....to the call of the Chair this afternoon and the Perfunctory Session tomorrow at 11:00 o'clock. What do you want? Representative Madigan...do you."

Madigan: "Simply to request that the records show that Representative Giglio is excused because of a death in the family."

Speaker Redmond: "We did that already."

Madigan: "Thank you."

Speaker Redmond: "The question is on the Gentleman's motion. Those in favor say 'aye', opposed 'no'. The 'ayes' have it the motion carries."

Clerk O'Brien: "Representative Houlihan in the Chair."

Speaker Houlihan: "Committee Report."

Clerk O'Brien: "Representative Capparelli, Chairman from the Committee on Executive to which the following Bills was referred, action taken June 8, 1978. Reported the same back with the following recommendations. Do pass as amended, Consent Calendar, Senate Bill 1657, 1663, 1664, 1693 and 1848. Be adopted as amended Consent Calendar, House Resolution #27."

Speaker Houlihan: "Introduction and First Reading of Constitutional Amendments."

Clerk Hall: "House Joint Resolution Constitutional Amendment #55. Whereas, the ninety-second Congress of the United States of America, at its Second Session in both Houses, by a Constitutional Majority of two-thirds thereof, adopted the following proposition to amend the Constitution of the

First Reading of the Constitutional Amendment."

Speaker Houlihan: "Are there any motions with regard to the Constitutional Amendment? Are there any motions filed, Mr. Clerk?"

Clerk O'Brien: "No motions filed."

Speaker Houlihan: "What is the next order of business? Messages from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary.

Mr. Speaker, I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolutions. The adoption of which I am instructed to ask concurrence of the House of Representatives to-wit; Senate Joint Resolution #86, adopted by the Senate June 8, 1978. Kenneth Wright, Secretary."

Speaker Houlihan: "Being no further business, the House now stands adjourned until eleven o'clock tomorrow, Friday."
