Clerk O'Brien: "Let us pray. Lord bless this House and all those who serve and work here. Amen."

Speaker Redmond: "Let the records show that Representative Walsh has repented. Representative Schneider."

Schneider: "Thank you, Mr. Speaker. Can we make the Clerk permanent chaplain also? It only cost us addition ten as far as I can tell, we can get him a red jacket or whatever he needs....or a white collar."

Speaker Redmond: "We don't know how effective his prayers are though. We have it from on high that Father Krueger is very effective."

Schneider: "Oh, alright."

Speaker Redmond: "Roll Call for attendance."

Clerk O'Brien: "Approval of the Journal."

Speaker Redmond: "Approval of the Journal."

Clerk O'Brien: "Journal for Thursday, March 1, 1979. The House met pursuant to adjournment, the Speaker in the Chair. Prayer by Father William Krueger, Chaplain."

Speaker Redmond: "Representative Madigan on the motion with respect to the approval of the Journal."

Madigan: "Mr. Speaker, I move that we dispense with the reading of the Journal and that Journal #14 of March 1, 1979 be approved as read."

Speaker Redmond: "Is there any discussion on the Gentleman's motion? The question is, shall....on the Gentleman's motion. Those in favor say 'aye', opposed 'no'. The 'ayes' have it, the motion carries. The reading of the Journal is dispensed with and the Journal is approved. Representative Madigan."

Madigan: "Mr. Speaker, I offer the following excused absences. Representative Roman Kosinski, Representative Sam McGrew because of the death of his father. Representative Benedict Garmisa, Representative Edward Doyle because of the illness of his wife. Representative Kozubowski, Representative Lechowicz because of the illness of his son."

Speaker Redmond: "Is there any objection to the excused absences. Representative Walsh."

Walsh: "Did I understand that all of these people are being excused because of illness?"

Speaker Redmond: "That is not the....."

Madigan: "No."

Walsh: "Or illness in the family?"

Madigan: "No."

Walsh: "Well then would you tell us why you're asking us to excuse each and every person that you mentioned."

Madigan: "I will only tell you what I told you a few weeks ago. These requests are routinely submitted to my office and then I routinely submit them to the Body. If you

desire, I'll ask the Democratic Members to submit them to your office and then you can offer them to the Body."

Walsh: "That will be perfectly alright with me. I am just telling you that I object to anyone who is asking to be excused, who is not being excused because of illness, illness in the family or absence because of House business. Now if someone is in Florida I don't think we should be asked to excuse them."

Madigan: "Mr. Speaker."

Speaker Redmond: "Representative Madigan."

Madigan: "Would the Gentleman please state who he objects too."

Walsh: "I object to everyone who is not ill or who is not absent because of illness in the family."

Madigan: "Mr. Speaker, I do not find that objection to be acceptable. Let the Gentleman object by name, if he doesn't know the names and the reasons that stated let him ask the Clerk."

Speaker Redmond: "Representative Walsh."

Walsh: "Would the Clerk read the names of the people who...the Gentleman asked to be excused?"

Speaker Redmond: "Mr. Clerk, would you read the names. McGrew, Doyle, Kozubowski...."

Walsh: "Would the Clerk please tell me why Representative McGrew has asked to be excused?"

Speaker Redmond: "Father died."

Clerk O'Brien: "Representative Sam McGrew...."

Walsh: "I will not object."

Clerk O'Brien: "Fathers death."

Walsh: "Yeah, I do not object."

Clerk O'Brien: "Representative Roman Kosinski, Representative..."

Walsh: "Would...."

Speaker Redmond: "Illness of his wife I believe."

Walsh: "Illness of his wife, I do not object."

Clerk O'Brien: "Representative Garmisa."

Walsh: "For what reason?"

Clerk O'Brien: "There is no reason listed."

Walsh: "I object."

Clerk O'Brien: "Representative Doyle, wife's illness."

Walsh: "I do not object."

Clerk O'Brien: "Representative Lechowicz, illness."

Walsh: "I do not object."

Clerk O'Brien: "Representative Kozubowski, no reason listed."

Walsh: "I object."

Speaker Redmond: "Okay. The records show the request....the records show Representative Walsh's objections. Representative Ryan are there any requests on the Republican side?"

Ryan: "Yes, Mr. Speaker there are. Representative Walsh...."

Speaker Redmond: "Is there unanimous consent that Representative Walsh be excused...sine die...sine die."

Ryan: "Mr. Speaker, I do have some legitimate..."

Speaker Redmond: "Representative Madigan."

Madigan: "In the case of Mr. Walsh, only if it is because of his illness."

Ryan: "Mr. Speaker, Representative Swanstrom is ill. Representative Peters is ill and Representative Capuzi is ill and I would respectfully request that they be excused today."

Speaker Redmond: "Are any objections? Hearing none, the record will indicate that their absences have been excused. Adjournment Resolution."

Clerk O'Brien: "Senate Joint Resolution #19. Resolved by the Senate of the 81st General Assembly of the State of Illinois, the House of Representatives concurring herein; that when the Senate adjourns on Thursday March 8, 1979, it stands adjourned until Wednesday March 14, 1979, at twelve o'clock noon. Speaker Redmond: "Representative Madigan."

Madigan: "Mr. Speaker, I move for the adoption of the Adjournment Resolution."

Speaker Redmond: "Any questions? The question is on the Gentleman's motion for the adoption of the Adjournment Resolution. All in favor say 'aye', opposed 'no'. The 'ayes' have it, the motion carried. The Adjournment Resolution is adopted. House Bill, Second Reading. House Bill, Second Reading 13. Has the fiscal note been furnished? I understand that a new Amendment has been requested and that a fiscal note has not been furnished. 14, Daniels. Read the Bill, Mr. Clerk."

Speaker Redmond: "We'll take it out of the record there's some floor Amendments. 325."

Clerk O'Brien: "House Bill 325, a Bill for an Act to amend Sections of the Revenue Act. Second Reading of the Bill, no Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "Floor Amendment #1....."

Speaker Redmond: "Whose Amendment is this?"

Clerk O'Brien: "House Bill 325, a Bill for an Act to amend Sections of the School Code. Second Reading of the Bill, no Committee Amendments."

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. Senate Bills, First Reading."

Clerk O'Brien: "Senate Bill 71, J.M. Barnes. A Bill for an Act in relation to immunity from civil damages in connection with snow and ice removal. First Reading of the Bill."

Speaker Redmond: "Has the House Sponsor identified himself on that...or herself? Who's the House Sponsor? Jane Barnes, okay. Consent Calendar, Third Reading, Second Day."

Clerk O'Brien: "Consent Calendar, Third Reading, Second Day, page 3 on your Calendar. House Bill 234, a Bill for an Act

to amend Sections of the County Home Act. Third Reading of the Bill. House Bill 256, a Bill for an Act to amend Sections of the River Conservancy Districts Act. Third Reading of the Bill. House Bill 360, a Bill for an Act to amend Sections of the Illinois Vehicle Code. Third Reading of the Bill."

The Clerk will take the record. On this question there's 107 'aye' and 1 'no' and these Bills having received the Constitutional Majority hereby declared passed. House Bill, Second Reading. Representative Terzich. House Bill 44. Representative Conti, have you noticed that Representative Collins has got the new dress code."

Clerk O'Brien: "House Bill 44, a Bill for an Act in relation to mittimus. Second Reading of the Bill, no Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. Nobody here at the time. I called that first, there was nobody here. 69. This is the second time around on this."

Clerk O'Brien: "House Bill 69, a Bill for an Act to repeal Sections of a Civil Practice Act. Second Reading of the Bill, no Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 70. Representative Kelly, there are four floor Amendments and the fiscal note wasn't furnished on that."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. Representative Friedrich."

Friedrich: "Mr. Speaker, a 176 of us around here have nice blue chairs and I would like to suggest, if we have a good year next year that Representative Eugene Barnes be furnished one like the rest of us have."

Speaker Redmond: "That's one reason why we lock the chambers. You know everybody is after the Lincoln relics and all the rest of the thing and they found out that Gene Barnes had a chair...you know, they all wanted to remove it. No, he doesn't want to call that one. House Bill, Third Reading. I didn't notice that the red light was on... ex-Representative Edgar. He's still a Member, my apology. He finds out that he can do better to lobby and vote at the same time. Representative Deuster on the floor? Out of the record. 41, Terzich."

Clerk O'Brien: "House Bill 41, a Bill for an Act to amend Sections of an Act concerning insolvent debtors. Third Reading of the Bill."

Speaker Redmond: "Representative Terzich."

Terzich: "Yes, Mr. Speaker, House Bill 41 is a law...revision Commission Bill which makes non-substantive changes in in Insolvent Debtors Act. It was recommended by Law revision Commission, it coordinates terminology with the writ Bill that was passed last year. Also adds the female pronoun in places where only male appears and it replaces antiquated and awkward language. It passed out of Judiciary I Committee eleven to nothing and I would urge your support."

Speaker Redmond: "Any discussion? The question is, shall this Bill pass? Those in favor...wait a minute. Representative Van Duyne."

Van Duyne: "Thank you, Mr. Speaker..."

Speaker Redmond: "Please...please."

Van Duyne: "Thank you, Mr. Speaker. I am interested in finding out whether these are one of the 150 such innocuous Bills that Representative Terzich had and what he's.....he or you thought of my suggestion that you form a Committee of one, two, three or four and put them all on a Consent Calendar. It would save us hours of time."

Terzich: "Well again, Representative Van Duyne....."

Van Duyne: "Thank you, Sir...."

Terzich: "That the Law Revision Commission is doing a very hard and a difficult task of updating the statutes of the State of Illinois. And believe me when I tell you there is many, many hours and I've spent many hours in Committee on these Bills. And certainly, I would agree that they should be put on Consent Calendar after going through this scrutiny of the Judiciary Committee but due to unfortunate circumstances and some objections from Members, I cannot control it."

Van Duyne: "Okay...so in other words you've tried and it didn't work. Thank you."

Speaker Redmond: "The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Representative Pullen, pardon me. Representative Campbell at the...."

Pullen: "May I ask the Sponsor a question at this point?"

Speaker Redmond: "Proceed."

Pullen: "Since I did attempt to gain recognition. I'm wondering, Mr. Sponsor whether on line....page 4, line 17, since I find no record of such an Amendment, anything has been done to correct the language which you are attempting to add in a spirit of.....equality for all when you are changing the language to say, all debts which he, or her

may be owing at the time."

Terzich: "Would you give me that Section again, Representative."

Pullen: "Page 4, line 17. Beginning on 16, the addition is on 17."

Terzich: "Well, it just states his or her and all debts which he or her....it should be he or she, I'm sure but that I'm sure could be corrected in Enrolling and Engrossing."

Pullen: "Thank you, I know that you have spent many long hours on this Bill and that the Commission that we have paid so much money for has spent many long hours on this Bill. So I wanted to be sure that that would be called to your attention, Sir."

Terzich: "I appreciate that."

Speaker Redmond: "The question is, shall this Bill pass? Those in....Representative Getty."

Getty: "Mr. Speaker, in reference to Representative Pullen's comments. I think this moved to Third Reading and we just didn't catch it. I think there is about six technical errors in there and the Amendment is not ready. I would suggest that Representative Terzich goes ahead with it, but as soon as it's prepared we'll have the adjustments made in the Senate."

Speaker Redmond: "The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? The Clerk will take the record. On this question there's 128 'aye' and 15 'no', the Bill having received the Constitution Majority here is hereby declared passed. 41....45, pardon me."

Clerk O'Brien: "House Bill 45, a Bill for an Act to amend Sections of an Act to revise the law in relation to sheriffs. Third Reading of the Bill."

Speaker Redmond: "Representative Terzich."

Terzich: "Again, Mr. Speaker, also 45 is a non substantive changes in the sheriff's law. It's conforming language with Writ Bill which we passed last year, adding the

female pronoun in places where there was only male now appears and replaces antiquated and awkward language. And again this Bill came out of Committee eleven to nothing, I would urge your support."

Speaker Redmond: "Any discussion? Representative Pullen."

Pullen: "Mr. Speaker, Ladies and Gentlemen of the House, I would like to remind you that this is the woman made disaster Bill that changes the phrase 'manmade' disaster' to 'human made disaster'. A real 'woman made disaster' and I urge you to vote 'no'."

Speaker Redmond: "Representative Terzich."

Terzich: "No comment. I'd urge...a favorable support."

Speaker Redmond: "The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there's 107 'aye' and 27 'no' and the Bill having received the Constitution Majority is hereby declared passed. 58, Representative Terzich."

Clerk O'Brien: "House Bill 58, a Bill for an Act to amend Sections of an Act in relation to contractors. Third reading of the Bill."

Terzich: "Again it's another law revision Bill. Makes non-substantive changes, conforms with writs, it modernizes certain language and neuters other language, effective immediately. And again this came out of Committee eleven to nothing."

Speaker Redmond: "Any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? The Clerk will take the record. On this question 132 'aye' and 6 'no' and the Bill having received the Constitution Majority hereby declared passed. 95."

Clerk O'Brien: "House Bill 95, a Bill for an Act to amend Sections of the School Code. Third Reading of the Bill."

Out of the records."

Speaker Redmond: "Out of the record. 96...out of the record. 9....108....out of the record. 142, Representative Davis....out of the record. 148...out of the record. 160...out of the record. 176...out of the record. 186, Representative Jean Chapman."

Clerk O'Brien: "House Bill 186, a Bill for an Act to amend Sections of the Department of Children and Family Services. Third Reading of the Bill."

Speaker Redmond: "Representative Genie Chapman, is in the wrong side of the aisle here. Did you hear what Billy Boy Collins said? Will you turn on Representative Borchers. Rep....running is an entry today."

Borchers: "Don't blame me."

Chapman: "Well, Mr. Speaker, this is very good news that I have for you, Mr. Speaker. Mr. Kempiners and I and others have been talking and when the Amendments are placed on our desks in just a few minutes, I'm going to ask leave to bring House Bill 186 back to Second Reading for the purpose of a further Amendment. Which I believe will put the Bill in a shape that responds to the concerns that all of us have had for providing for child abuse programs."

Speaker Redmond: "Representative Borchers."

Borchers: "Mr. Speaker, am I still on...yes. I just want to say, if I were in favor of ERA I would not permit this. But since I'm against ERA I prefer to be a gentleman.... let her use it."

Chapman: "...come and get my two cents in. Webber, you can use my microphone any time, ERA or not. I may not stay to listen to you but...."

Speaker Redmond: "Take it out of the record. 211."

Clerk O'Brien: "House Bill 211, a Bill for an Act to amend Sections of the School Code. Third Reading of the Bill."

Speaker Redmond: "Representative Sharp."

Sharp: "Yes, Mr. Speaker, I would like to bring this Bill back

to Second for purpose of putting a clarifying Amendment on."

Speaker Redmond: "Does the Gentleman have leave to return it to the Order of Second Reading? Hearing no objections, Second Reading. An Amendment from the floor."

Clerk O'Brien: "Amendment #2, Sharp. Amends House Bill 211 as amended on page 6, line 5 by inserting immediately after word 'amount' the following...for administration."

Sharp: "Yes, Mr. Speaker, Members of the House. This Amendment is clarifying language, the way the Bill reads...it talks about transportation reimbursements for indirect cost factors and it doesn't say what those indirect cost factors are. The intent was that they were for the administrative cost associated with busing and so this simply clarifies it and it says that indirect cost amount is for administration. I would move for its adoption."

Speaker Redmond: "Any discussion? The question is on the Gentleman's motion for the adoption of Amendment #2. Those in favor say 'aye', opposed 'no'. The 'ayes' have it, the motion carries and the Amendment is adopted. Any further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 231."

Clerk O'Brien: "House Bill 231, a Bill for an Act to amend Sections of the Illinois Highway Code. Third Reading of the Bill."

Speaker Redmond: "Representative Skinner."

Skinner: "Mr. Speaker and Members of the General Assembly, I apologize for this Bill not being on the Consent Calendar where it should be. What this Bill will do will be allow a township road commissioner to contract with a municipality to do its road maintenance work. The village that stimulated the Bill is Bull Valley which has recently been incorporated. They would like to subcontract or contract their work to the local township road commissioner

instead of creating their own highway department. I would ask for your favorable consideration on this very teeny, tiny, little Bill."

Speaker Redmond: "Any discussion? The question is, shall... Representative Kempiners. Representative Kempiners are you seeking recognition?"

Kempiners: "That was before you recognized Representative Chapman from Representative Borchers's desk, I was trying to get your attention to indicate that we would like to call that Bill back to Second Reading when the Amendments are distributed."

Speaker Redmond: "Okay. I didn't think you would have any comment on this consent Bill. Representative Van Duynes."

Van Duynes: "Would the Sponsor yield for a question, please?"

Speaker Redmond: "He will."

Van Duynes: "Cal, have you ever thought about incorporating into this Bill the same thing as far as snow removal is concerned?"

Skinner: "Well they would....that is encompassed in the Bill although not stated explicitly. Any municipality would be able to contract with the local township highway commissioner."

Van Duynes: "You know, the motivation for my question is this, if you stand there and watch all the entities of our government snowplows go down the street, you have state, you have county, you have township, you have city, you have school district, forest reserve, and all these trucks go down the street and they will not absolutely....will not put their snowplows down when they are out of their own jurisdiction. Now couldn't we incorporate in this Bill something of that effect where they would be prohibited from going down street with their snowplows up while they are on a public thoroughfare whether they are in their jurisdiction or not."

Skinner: "One could, Representative, but one would complicate this

Bill probably to death if one did so."

Van Duynes: "Maybe we need a different Bill."

Skinner: "Yes, why don't you introduce a separate Bill."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Would the Sponsor yield?"

Speaker Redmond: "He will."

Schlickman: "Well, I'm concerned that not only is this a merely Bill but that it is a do nothing Bill."

Skinner: "Oh, no."

Schlickman: "We have in Article XII, I think of Section 10 of the Constitution the Intergovernmental Corporation Section, ample authority for units of local government to work with one another such as you suggest here. Why the need for this Bill?"

Skinner: "Because of village attorney says that there is some hang'up. That either the township road commissioners' lawyer doesn't think that...that Section of the Constitution is fully implemented or else the Department of Transportation doesn't think it is fully implemented. I agree with you, that was my initial reaction and the legal beagles in your fraternity have...someone has convinced the village fathers that they can't get it done without this stupid little Bill."

Schlickman: "Well let me ask one further question. If you were going to authorize a highway commissioner of a road district to provide the service wouldn't you also then have to authorize a municipality to secure the service?"

Skinner: "I hope not. Fervently, I hope not."

Schlickman: "Well for your sake and Bull Valley, I would hope so too."

Speaker Redmond: "Any further discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there's a 138 'aye' and no 'nay' and the Bill having

received a Constitution Majority is hereby declared passed. 252, Representative Conti."

Clerk O'Brien: "House Bill 252....."

Speaker Redmond: "Representative Polk on the floor? Polk. 309, take that one out of the record. 309, Representative Williams."

Clerk O'Brien: "House Bill 309,....309 Chalk. A Bill for an Act to amend Sections of the Illinois Highway Code. Third Reading of the Bill."

Speaker Redmond: "Representative Williams."

Williams: "Thank you, Mr. Speaker and Members of the House. This is much the same I suppose as Representative Skinner's Bill. What the intent of this is in areas where a township and a municipality would have a common street statutory... let's see, authority of the highway commissioner to expend the funds in coporation with the municipality to do a complete...the highway improvement program. And that would include the resurfacing a curb and gutter and sidewalks. This Bill has the complete endorsement, in fact, it was really sponsored at the request of the township officials of...with Illinois and I have a letter here saying that they will support it and it really would have been put on the Consent Calendar but there was the Amendment to insure that it would include a complete improvement program. I would ask...I support an 'aye' on this Bill."

Speaker Redmond: "Any discussion? Representative Winchester."

Winchester: "Thank you, Mr. Speaker. As the Sponsor of the legislation said, it did come out of the Transportation Committee on a 16 'yea' vote, one 'nay' vote. There was a problem with the Bill but he did accept an Amendment that was offered by the Department of Transportation.... as amended now. The Bill is a good Bill and I would ask for support of House Bill 309."

Speaker Redmond: "Is there any further discussion? The question

18.

is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there's 144 'aye' and 1 'no' and the Bill having received the Constitution Majority is hereby declared passed. 342, Representative Yourell."

Clerk O'Brien: "House Bill 342...."

Speaker Redmond: "Representative Yourell, out of the record.

Do you seek recognition, Representative Yourell on another matter?"

Yourell: "Yes, Mr. Speaker. Thank you, Mr. Speaker, Ladies and Gentlemen of the House, I would like to take a moment of the House's time to introduce to you two outstanding young people from the State of Illinois who have won the Junior Citizen award for 1978 and 1979, representing ten thousand participating students. This Junior Citizens program has been sponsored by Palas Bank and Trust and the originator of the program is Miss Sandie Dorgan. And I would like to introduce to you, in the press gallery on the Democratic side, Miss Junior Citizen of 1978 and 1979, Mary Lesnefsky. Mary would you stand up. And Mr. Junior Citizen, Gus Tie. Gus would you stand up. Thank you very much."

Speaker Redmond: "On the Order of Motions appears a motion with respect to House Resolution 89. Representative Winchester is recognized. House Resolution 89, Representative Winchester."

Winchester: "Thank you, Mr. Speaker. I move to suspend the appropriate rule for immediately consideration of House Resolution 89. Alright. House Resolution 89 would intrust the Department of Agriculture to take care of a problem that we are having in two or three legislative districts in the southern part of the state. About seven months ago there was a grain elevator bankruptcy in Gallatin County and there was a 6.5 million dollar loss. This was

the largest loss of any bankruptcy in the State of Illinois involving grain elevators. There is two hundred and eighty-six claimants and there is only one hundred thousand dollars to be divided up among two hundred and eighty-six claimants. That one hundred thousand dollars is a bond that was being....that was required to be posted in order to get licenses by that grain elevator. Now the Department of Agriculture is saying to these two hundred and eighty-six claimants that they have to come to Springfield for a hearing. And there are at least ten attorneys that are involved and maybe more. Alright, now they are going to be charging fifty dollars an hour and it's a four-hour drive up here and a four-hour drive back at fifty dollars an hour and then many of them are going to be required to stay overnight in Springfield, many of these folks are older folks in their seventies and we want the hearing in southern Illinois to make a long story short. Now agriculture is taking a hard nose position against this saying that, it would cost...the cost would be prohibitive. We're talking about three hearing officers and one....one clerk, one secretary and the files. It could be done in the court house in Gallatin County and I might add that if these people receive any money back from their loss, it's going to be pennies on the dollar. And they are going to turn around and pay this in the expenses of the attorneys. And, by the way, the attorneys are the ones who are calling me and asking if we can't do something. So by adopting this Resolution we're in essence telling the Department of Agriculture to go to southern Illinois and conduct the hearings there. I would appreciate the adoption."

Speaker Redmond: "Representative Skinner."

Skinner: "Mr. Speaker, I stand in support of this Resolution.

It is so obviously the right thing to do that the government bureaucrat should go to the people who are in need of the services that we shouldn't have to pass a Resolution.

But I know that we have to because the Department of Agriculture forced DeKalb, Boone, McHenry and Kane County farmers to come all the way to Springfield in the grain bankruptcy to get their pittance of the hundred thousand dollar bond. I don't know whether this is going to do any good or not because beating on the Executive Branch is like....talking into a hurricane usually, but it might help."

Speaker Redmond: "Representative Rea."

Rea: "Is it on? Now it's on. Thank you, Mr. Speaker and Members of the House, we have attempted to solve this problem without bringing it before the General Assembly. We have talked to the Director of Agriculture and have also asked the Governor to intervene on our behalf to bring the hearings to southern Illinois where it affects many people that would, as Representative Winchester indicated, have to travel four hours one-way...traveling over two hundred miles and only receiving pennies on a dollar of investment that they have lost through the grain elevator bankruptcy. I certainly would like to encourage everybody to vote for this Rescution and our attempt to get the hearings held in the area and the total cost would be much less than it would by conducting it here in Springfield and would certainly save the people of that area, not only inconvenience but considerable money. I would ask that you all vote 'aye'."

Speaker Redmond: "Anything further? The question....Representative Conti."

Conti: "Mr. Speaker and Ladies and Gentlemen of the House, I move the previous question."

Speaker Redmond: "The Gentleman has moved the previous question. The question is on the Gentleman's motion for immediate suspension of the rules of immediate consideration of House Resolution 89. Is there any objection to....? Hearing no objection....hearing no objection we will use

the Attendance Roll Call on the suspension of the rules. Now on the motion...on the adoption of the Resolution, yeah. Representative Winchester."

Winchester: "I would now move that we adopt the Resolution, Mr. Speaker."

Speaker Redmond: "The question is on the Gentleman's motion for the adoption of House Resolution 89. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Representative Ewing for what purpose do you arise?"

Ewing: "Mr. Speaker, to explain my vote. This is a blatant anti-lawyer Bill and I would suggest we all vote green."

Speaker Redmond: "Have all voted who wish? The Clerk will take the record. On this question there's 141 'aye' and no 'nays', the Bill...the Resolution having...the motion having received the Constitution Majority is hereby declared adopted. Death Resolution. Death Resolution, yeah. You have one I guess. Representative Friedrich. Death Resolution."

Clerk O'Brien: "House Resolution 91, Ralph Dunn. Respect to the memory of Dr. Jack F. Isakoff, former research director for the Illinois...Isakoff, former research director of the Illinois Legislative Council."

Speaker Redmond: "Representative Friedrich."

Friedrich: "Mr. Speaker, a number of the Members of this Body have had the privilege of knowing and working with Jack Isakoff over a long period of time. He was at one time... he has been a teacher of government at SIU, he took some time off and came up here and was on the...advisor for the Executive Article Committee which John Leon and Harlan Rigney and I served. He was also head of the Legislative Council here for years and to me he was one of the most dedicated people that ever served in state government. He was a great asset both to the state and to the Constitutional Convention and I'm sure that you all share with me his loss."

Speaker Redmond: "Representative Dunn. Representative Ralph Dunn."

Dunn: "Thank you, Mr. Speaker. I too was a friend of Jack Isakoff, he and myself, Representative Rigney and Representative Birchler and Senator Buzbee are the Legislators from my district. We are going to miss Jack Isakoff, he was a friend of all of us, a fine, gentle, man and he's had a long suffering spell and certainly we're all going to miss him. I would like to ask that the names of all the Members of the House be added to the Death Resolution and I would like to move its passage."

Speaker Redmond: "The question is on the Gentleman's motion for the adoption of House Resolution 91. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried, Resolution is adopted. Representative J.J. Wolf."

Wolf, J.J.: "Well, Mr. Speaker and Members of the House, I certainly concur with the Resolution for Mr. Isakoff, who I knew as well as many others. But I would like to at this time, Mr. Speaker, make this point. In the future I don't think it's proper that somebody gets up and asks that the names of all Members be added, it puts some of those who might not want to be added to a particular Resolution in a very embarrassing position. And I would hope, Mr. Speaker, that that would not be a practice of this House."

Speaker Redmond: "Thank you. Announcements, don't be misled. we have some business that we have to pass. Have to pass House Bill 186, the fact that we're going to the order of announcements doesn't mean that we're winding down, there is an Amendment that 186 that hasn't yet been presented. Announcements, Representative Williams. Williams."

Williams: "Yes, thank you, Mr. Speaker, Members of the House. I would move to suspend, I think Rule 18 which is the posting notice for six Bills to be heard in the Cities and Villages....Tuesday at 2:00. Actually the notice that

we had today says that we are running behind and if we don't have a meeting next week, that means that we're really going to be jammed up you know, on the 20th. So if we could suspend the posting notice, the six and a half day notice, so that House Bill 17, 40, 7, 5, 27, 555, 556 and 674 be posting for a hearing of the Cities and Villages at 2 P.M. on March 13, in room 304. This has been checked with the Minority Leader and with Minority Spokesman and with the Majority Leader."

Speaker Redmond: "The Gentleman has moved to suspend the Posting Rules. Is there any objection? Hearing no objection, we will use the Attendance Roll Call. You don't have the number of the Bills? You have the numbers. Any other announcements? Agreed Resolutions."

Clerk O'Brien: "House Resolution 85, Madigan-Beatty-Kucharski. 86, Kelly. 87, Kelly. 88, Kelly. 92, Gaines. 93, Slape. 94, Van Duyne. 95, Van Duyne. 96, Van Duyne. 98, Kelly."

Speaker Redmond: "Representative Giorgi."

Giorgi: "I didn't get a copy of Kucharski Resolution. I think 95 and 96 are alike are they not? 95 and 96?"

Clerk O'Brien: "Yeah, they're the same Resolution."

Giorgi: "Madigan's 85 honors Dr. Redmond for 50 years of scouting. 86 by Kelly, notes the silver wedding anniversary. 87 by Kelly, a 50th anniversary. 88 by Kelly, talks about the Temple B'nai Yehuda of Homewood. 92....35th anniversary, you want to read it. 92 by Gaines, talks about John Hope Franklin celebration. 93 by Slape, talks about the President-elect of the Association of schools and Van Duyne honors Bob Whitley for his victory in class wrestling championship and 95 honors Mark Ruettiger and I move for the adoption of the Agreed Resolution except for Kucharski."

Speaker Redmond: Is there any questions? The question is on the Gentleman's motion for the adoption of the Agreed Resolutions. Those in favor say 'aye', opposed 'no'. The 'ayes' have

it and the motion carried and the Agreed Resolutions are adopted. Further Resolutions."

Clerk O'Brien: "House Resolution 90, Greiman-Telcser. 97, Friedrich. House Joint Resolution 16, Meyer-McClain-Ryan-Flinn. House Joint Resolution 17, Meyer. House Joint Resolution 19, Bradley."

Speaker Redmond: "Committee on Assignments."

Clerk O'Brien: "House Joint Resolution 11 and House Resolution 81, Ebbesen."

Speaker Redmond: "Speaker's Table. Representative Ryan."

Ryan: "Well, thank you, Mr. Speaker and Ladies and Gentlemen of the House. I would like if I may, to take a few brief moments to acknowledge the outstanding legislative service that has been given to the people of Illinois by one our Republican colleagues who is today serving his last day as an official Member of this Body. At midnight tonight he becomes the chief liaison for the Governor's Office and I would like to say a few words about him if I may. I think that we are fortunate that this dedicated Member has not chosen to leave the field of public service entirely. That he's moving instead to a position that will enhance his ability to shape the legislative process and to work toward realizing the standards of good government to which he and all of us are dedicated and even you, Mr. Speaker, are dedicated too. I said something nice about you, Bill."

Speaker Redmond: "Please repeat."

Ryan: "Well I would like to extend to our colleague best wishes and good luck, our colleague, Jim Edgar, and a lot of success in his new position. He's going into a tough job, he's going to have to come back and work with most of us, hopefully all of us and I look forward to that and to you, Mr. Edgar, I would like to extend my best wishes and congratulations. I guess maybe sympathy, but Jim is going to be gone after midnight tonight and going to leave a big vacancy over here on this side of the aisle."

I just wanted to bring that out to the Members that didn't know it."

Speaker Redmond: "I've just been advised by the Parliamentarian that he and Jim Edgar were interns together. I would like to have some little observation, I know that I'm not supposed to do it from up here but Ryan and Walsh are always so generous in letting me run all over the landscape. The Republican side can ill afford to lose men like Jim Edgar...but seriously, Jim Edgar was probably one of the reasons that I took the strong stand that I did with the legislative pay raise because I felt that it would be a terrible thing if men like him were unable to serve in the General Assembly. I felt it at that time and I feel it now, we're going to miss you, you and I had a little beginning here that you've forgotten but I haven't. But good luck to you. Thank you very much for all you have done. Representative Campbell."

Campbell: "Well, Mr. Speaker and Ladies and Gentlemen of the House. As a friend and as my running mate in the 53rd District this is certainly going to be a great loss to the 53rd District and I think a great loss to this Body as well. But I certainly sure along with the rest of you, I wish Jim the best of luck and God speed in his new job ahead. Thank you."

Speaker Redmond: "House Bill, Second Reading. House Bill 186. Representative Edgar, do you want....Representative Edgar."

Edgar: "Thank you very much, Mr. Speaker. I do well remember what you were referring too. I...you know, the last few days I've been thinking about what would I say. I'm surprised, you know...you know someday you're leave the House, sometime you leave earlier than you want to leave. It's a little shorter than I had planned though longer than many of my constituents really wanted me to stay here. I'm going to miss this Body, I've enjoyed it very

much the last ten years working in the legislative process. I do look forward to working with the legislature in the future, I hope the people will realize that our offices are located on the second and half floor that's hopefully more than a symbolic place to put the legislative liaison office. I think that means that we will try to meet you more than halfway. I wish I had a tape of George's comments because it's probably going to be the last thing nice that he says about me for a while...and the Speaker. That I've enjoyed it here and I look forward to working with you in the coming months to try to do what is best for the state and to provide the kind of government that people have elected both branches to provide. Again, thank you very much for all your help and courtesy and we'll be around to talk to you in the future. Thank you very much."

Speaker Redmond: "Representative Stuffle. Stuffle."

Stuffle: "Yes, Mr. Speaker and Members. Jim Edgar and I have served one term together and more or less grew up in the same pattern together and served in the same offices, worked with the legislature and I want this body to know that as a Democrat from that district, the only one, they only give us one out of the four Legislators. Jim and I and Chuck Campbell have been able to work together in the 53rd District in this last term and even before we were Members and I want to wish him well as does Chuck and every Member of the General Assembly because he will do an excellent job continuing his work for the Governor of Illinois. I wish him well and hope that he will see fit to come and see us on the Democratic side of the aisle and ask for our support as well as the Republican side."

Speaker Redmond: "Representative Kane."

Kane: "Representative Edgar, having served in both slots at one time or another having been on two and a half and on two, I just want to say, it's better here than there."

Speaker Redmond: "House Bills, Third Reading. House Bill, Third Reading appears House Bill 186. Representative Chapman is recognized."

Chapman: "Mr. Speaker and Members of the House, I ask leave to return House Bill 186 to the Order of Second Reading for the purpose of further Amendments."

Speaker Madigan: "The Lady requests leave to take this Bill back to the Order of Second Reading for purpose of an Amendment. Is there leave? Leave being granted the Bill shall be placed on the Order of Second Reading."

Clerk O'Brien: "Floor Amendment #3, Kempiners. Amends House Bill 186 as amended on page 1, and first line by changing Section 6 and 7...."

Speaker Madigan: "Mr. Kempiners."

Kempiners: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. This is the supplemental appropriation for the Department of Children and Family Services and the reason that these Amendments are being offered is that I believe a compromise has been worked out between the Sponsor and the Department and the Leaders on this side of the aisle. Amendment #3 which I offer, provides for a transfer of nine hundred and thirty-five thousand dollars among various line items from certain operation line items into certain personal services and contractual services line items within the department to respond to the concern that Representative Chapman had regarding the use of the supplemental appropriation funds for vacant slots not dealing with child abuse as well as the contract with the employees of the department. This money will be used to respond to those needs and I would move for its adoption."

Speaker Redmond: "Is there any further discussion? Mrs. Chapman."

Chapman: "Mr. Speaker and Members of the House, I had asked the department and I'd asked the administration to respond

to my concern that the 5.1 million dollars requested would be used for child abuse. My concern was based on the fact that the department had told us that the cost of the collective bargaining agreement would be 1.3 million dollars. And that they would not be able to provide the number of positions that this Legislature had indicated they would fund. I'm happy to say that the administration has responded and Amendment 3 offered by Mr. Kempiners provides just under a million dollars in transfers in order to provide sufficient dollars to fund the collective bargaining agreement in order to respond to the need that....it appeared to me this department would have to request a deficiency appropriation. I welcome this openness and candor on the part of the administration and hope that you will all vote 'yes' on Amendment #3."

Speaker Madigan: "Is there any further discussion? There being no further discussion, the question is, shall Amendment #3 be adopted. All those in favor signify by saying 'aye', all those opposed by saying 'no'. The 'ayes' have it the Amendment is adopted. Are there further Amendments?"

Clark O'Brien. "Floor Amendment #4, Chapman. Amends House Bill 186....."

Speaker Madigan: "Mrs. Chapman."

Chapman: "Mr. Speaker, under Amendment #4, no longer is there a requirement that funds be earmarked for child abuse. In my view there is no longer a need to require this. It has been pointed out that the Legislature sometimes can move very rapidly on certain issues, but on others it takes a long time. It's clear to me that this matter of responding effectively to child abuse claims...is a matter of high priority for state government. And the Legislature clearly agrees with this assessment. The Bill, I believe, is in shape now where it can pass speedily in the House and the Senate and should be able to land on the Governor's desk for his signature next week. I hope

that....as soon as we adopt Amendment #4 we will be able to move to Third Reading and send this Bill to the Senate today. I ask for your approval."

Speaker Madigan: "Is there any further discussion? Mr. Kempiners."

Kempiners: "Thank you, Mr. Speaker. Amendment #4 does what we on this side of the aisle have been attempting to do for four months and I would urge your support for Amendment #4."

Speaker Madigan: "Is there any further discussion? There being no further discussion, the question is, shall Amendment #4 be adopted. All those in favor signify by saying 'aye', all those opposed say 'no'. In the opinion of the Chair the 'ayes' have it. The Amendment is adopted. Are there further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Madigan: "Third Reading. Mr. Clerk, who is the Sponsor of the Bill?"

Clerk O'Brien: "Read the Bill a third time."

Speaker Madigan: "Read the Bill the third time. Who is the Sponsor?"

Clerk O'Brien: "Representative Chapman. House Bill 186, a Bill for an Act to amend Sections of an Act to provide for the ordinary and contingent expense of the Commission on Delinquency Prevention in the Department of Children and Family Services. Third Reading of the Bill."

Speaker Madigan: "Mrs. Chapman, do you wish to suspend Rule 35 (c) to hear this Bill immediately?"

Chapman: "I do so move, Mr. Speaker."

Speaker Madigan: "The Lady moves to suspend the provisions of Rule 35 (c) to hear this Bill immediately. Is there any objection? Is there leave? Leave is granted. Mrs. Chapman."

Chapman: "Mr. Speaker, House Bill 186 appropriates 5.1 million dollars to the Department of Children and Family Services. The intent of the department is to use these dollars to

employ three hundred new child abuse caseworkers and to provide considerable dollars in contractual funds for private agencies in providing support of services to deal with child abuse. It also includes just under a million dollars in transfers to personnel services. I'm happy in closing to welcome on the floor the new director of the Department of Children and Family Services, Director Greg Coler, who is standing next to Mr. Kempiners. And to urge you all to vote 'yes' for this Bill, which shows the high priority this Body gives to children and their needs and particularly to child abuse programs and services."

Speaker Madigan: "The Lady moves that this Bill pass. Is there any further discussion? Mr. Kempiners."

Kempiners: "I would also ask your support for this legislation."

Speaker Madigan: "The question is, shall this Bill pass? All those in favor signify by voting 'aye', all those opposed by voting 'no'. Have all voted who wish? Have all voted who wish? Have all voted who wish? The Clerk shall take the record. On this question there are 155 'ayes', no 'nays', no voting 'present' and this Bill having received a Constitutional Majority is hereby declared passed. Is there any further business to come before the House? Are there any further announcements? Mr. Bradley for purpose of the adjournment motion."

Bradley: "Mr. Speaker and Ladies and Gentlemen of the House, I move that the House does stand adjourned until next Tuesday at 1 o'clock. However, we will give the Clerk fifteen minutes, we'll stand in perfunct for thirty to fifteen minutes so the Clerk can catch up on his work and then move that we adjourn until next Tuesday at 1 o'clock, Tuesday the 13th."

Speaker Madigan: "The motion is that we shall adjourn until 1 P.M., Tuesday. All those in favor signify by saying 'aye', all those opposed by saying 'no'. The motion carries, the House is adjourned."

Clerk O'Brien: "Committee Report, Representative Ewell, Chairman of the Committee on Higher Education to which the following Bills were referred, action taken March 8, 1979. Reported the same back with the following recommendations. Do not pass House Bill 323."
