Great ideas come into the world as gently as doves.
If we live attentively,
we shall hear amid the uproar of empires and
nations
a faint flutter of wings,
the great stirring of life and hope.

Let us pray.

ALMIGHTY GOD and heavenly Father, we give our thankfulness to Thee for this day in our lives, for our health, our safety and for our calling to serve as a Member of this House of Representatives. Through Jesus Christ our Lord. Amen."

can say that since he is gone, there's a lot more money left for the Reps of the State, other than Sangamon County. Roll call for attendance. Messages from the Senate."

Clerk O'Brien: "House Bill 66, a Bill for an Act in relation to employment discrimination. Third Reading of the Bill."

Terzich: "Yes, Mr. Speaker. This Bill was brought back for a technical correction on the Amendment. This Bill is one of a number of Bills introduced jointly by the Law Revision Commission to delete and revise obsolete language in the statutes alternating gender. The revision is intended to be technical in nature. This passed the Committee 13 to 0 Judiciary I, and I would urge your support."

Speaker Redmond: "Is there anyone in opposition? Question is shall this Bill pass. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? The clerk will take the record. On this question there's 102 'aye' & 3 'no'."

The Bill having received the Constitutional Majority is hereby declared passed. 112. Representative Deuster."

Clerk O'Brien: "House Bill 112, a Bill for an Act to Amend the Illinois Marriage and Disillusion of Marriage Act. Third Reading of the Bill."

Speaker Redmond: "Representative Deuster."

Deuster: "Mr. Speaker, Ladies and Gentlemen of the House, in the last session we adopted a very comprehensive Marriage and Divorce Reform Act. One of the provisions of that Act was what was called by the Sponsors and the lawyers familiar with it as the Bifurcated Trial. The idea was where there was a contest over not only the grounds of divorce, but the other matters relating to child custody and property division, that in order to separate these two subjects you had two trials. You first had a trial on the grounds and then automatically the case could not be heard for another 48 hours until you had the second half of the Bifurcated Trial. There was no discretion in the judge or the parties to waive that at all; they had to come back to court on another date. The net result of this mandatory Bifurcated Trial was that for folks who wanted to get the divorce and there was a contest over the grounds, they had to go to the courthouse and make two appearances with their lawyer. And quite often where the dockets are crowded they've come back a week or maybe 3 months later. And so it is spreaded out; it made it more difficult for the parties to accomplish the divorce and in many instances, the parties themselves, once the ruling had been made on the grounds, wanted to go ahead and wrap it all up. They want to go out in the hallway and sit down and enter an agreed order and come back in, but they couldn't do that. So all this House Bill does is to allow the two parties, the petitioner and the respondent, if they want to to waive that Bifurcated Trial and complete their divorce proceeding on that one day. That's all the Bill does. I'll be happy to answer any questions

and I urge your favorable support for House Bill 112."

Speaker Redmond: "Is there anyone standing in opposition? The question is shall this Bill pass. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? Clerk will take the record. On this question there's 113 'aye' & 5 'no' and the Bill having received the Constitutional Majority is hereby declared passed. 158."

Clerk O'Brien: "House Bill 158, a Bill for an Act in relation to the removal of illegally placed vehicles and disabled vehicles on expressways or highways. Third Reading of the Bill."

Spekaer Redmond: "Representative Huskey."

Huskey: "Well, Mr. Speaker, House Bill 158 is aimed at protecting the public from unreasonable high rates charged by towing companies in Cook County, mainly during the winter months as attempts...to prohibit towing companies from removing disabled or illegally placed vehicles from public roadways without the consent of State, local officials or the owner of the vehicle."

Speaker Redmond: "Is any one standing in opposition? Question is shall this Bill pass. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? Representative Lechowicz."

Lechowicz: "Mr. Speaker, I tried to listen very carefully to the Gentleman's explanation of the Bill. And unfortunately I know it's untimely and I ask for the consideration of the Members of the House floor, but I believe this Bill Mr. Speaker pre-empts Home Rule. I'd like to have a ruling from the Chair. How many votes are needed in order to pass this legislation?"

Speaker Redmond: "Parliamentarian please come to the podium. Parliamentarian? Representative Madigan."

Madigan: "Mr. Speaker, we have some questions regarding this Bill and... I understand the Bill is now on short debate."

Speaker Redmond: "It's on short debate."

adigan: "I would like to ask the Sponsor if he would be willing to the the Bill out of the record to give us an opportunity to talk with him concerning the Bill. "

Speaker Redmond: "Representative Huskey."

Huskey: "Well, Mr. Speaker, how many votes do you rule that this Bill needs?"

Speaker Redmond: "I haven't ruled yet."

Huskey: "Well, I'll tell you, I'll give you a little time. I'll take it out of the record."

Speaker Redmond: "Take it out of the record. 377."

Clerk O'Brien: "House Bill 377, a Bill for an Act to Amend the Judgements Act. Third Reading of the Bill."

Speaker Redmond: "Representative Terzich. 377...Representative Terzich."

Terzich: "Yes, I'm ready. Thank you Mr. Speaker, House Bill 377 Amends the Judgement Act to coordinate terminology with Public Act 80-1284 which is the Writ Bill that we passed in the last General Assembly which became effective Jan. 1, 1979. This simply coordinates the terminology with that Act and it was approved by the Judiciary Committee 12 to 0. It makes no substantive changes. I would urge support of House Bill 377."

Speaker Redmond: "Is there anyone standing in opposition? Question is shall this Bill pass. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Clerk will take the record. On this question there are 123 'aye' and 4 'no' and the Bill having received the Constitutional Majority is hereby declared passed. 523."

Clerk O'Brien: "House Bill 523, a Bill for an Act to Amend Sections of an Act in relation to adoption of persons. Third Reading of the Bill."

Speaker Redmond: "Representative Brummer."

Brummer: "Yes, this Bill Amends the Adoption Act dealing with the portion that requires an affidavit to be filed setting forth the cost expenses, contribution fees and compensation of any value that has been given or received. The current

Act provides that that affidavit be filed in all adoptions by everyone involved in the adoption. We got into some questions in our area about who exactly was involved in an adoption and to what extent was there a court reporter was involved in an adoption; whether an attorney representing one of the parties was involved in an adoption. This Bill will clean up that language and require that the affidavit first of all need not be filed in an adoption of a related child or of an adult. The public policy reasons for filing that adoption do not appear to exist when the adoption involves a related child or an adult so we are eliminating the provisions for the affidavit in those instances. In the other instances we are requiring that the affidavit be filed by each petitioner and everyone consenting to the adoption. That would seem to include everyone who would have received anything of value or have spent any cost, or made any contribution or paid any hospital bill or doctor bills or legal fees. I would be glad to answer any questions concerning this."

Speaker Redmond: "Is there anyone standing in opposition?"

Representative Huff, are you in opposition? This is short debate; there are no provisions for inquiries."

Huff: "I would ask for a favorable Roll Call."

Speaker Redmond: "The question is shall this Bill pass. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Take the record. On this question there are 133 'aye' and 0 nay. The Bill having received the Constitutional Majority is hereby declared passed. 905."

Clerk O'Brien: "House Bill 905, a Bill for an Act to Amend Sections of the School Code. Third Reading of the Bill."

Speaker Redmond: "Representative McGrew. Representative McGrew? Out of the record. Representative Ryan, will you answer the phone. Are you being bothered? Doorkeeper, does the Lady in the aisle have a pass to get on to the House floor? On the Order of Concurrence which appears on page 13, appears House Bill 360. Representative Ronan. on 360, on the

Order of Concurrence. This may be final passage. Representative Ronan. Please come to order. Representative Polk for what purpose do you rise?"

Polk: "Well, Mr. Speaker, I'm just trying to find where we are."

Speaker Redmond: "13, page 13, on the Order of Concurrence...."

Polk: "Oh, it's... but you're not using...."

Speaker Redmond: "It's in your Calendar. It's not on that priority of call. There's only one there so no matter which system we used it would be the first one."

Speaker Redmond: "Representative Ronan. Will you turn Representative Ronan on?"

Ronan: "Thank you Mr. Speaker, and Members of the House. This Bill was Amended in the Senate after we passed it out of this Body about a month and a half ago. This is a Bill that allows solicitation by groups known as..such as the Lyons, Knights of Columbus, the V.F.W. and other fine organizations. The Senate Amendment merely clarifies the concept of liability for the people who are actually soliciting on the street. I agreed with the Amendment when it was proposed in the Senate and I hope for a favorable concurrence on this Amendment and hopeful passage of the Bill."

Speaker Redmond: "Is there any discussion? Representative Conti. Please come to order."

Conti: "Mr. Speaker, Ladies and Gentlemen of the House. I don't have any question about the Bill, in fact I'm in favor of it, the only thing is I wonder if we're.. we've by putting the Amendment on it whether we're affecting the constitutionality of this Bill now because now it's class legislation and you're only designating certain people that can make these collections and I wonder if we're inviting some litigation on this, with this Amendment."

Speaker Redmond: "Representative Ronan."

Ronan: "Elmer, I'm sure you'll find a good attorney who can answer that for you."

Conti: "Not in the House."

Speaker Redmond: "Are there any further questions? The question is on the Gentleman's motion that the House concur and Senate Amendment #1 to House Bill 360. Those in favor vote 'aye', those opposed vote 'no'. Final action. Have all voted who wish? Clerk will take the record. On this question there are 133 'aye' and 0 nay, and the House does concur on Senate Amend #1 to House Bill 360. I've been advised by Representative Johnson, that Representative Vinson has a peculiar reason why he wants to respond to Representative Conti about whether there are any good lawyers in the House. Representative Johnson, do you want to amplify on that?"

Johnson: "Well, Mr. Speaker and Members of the House, Representative Vinson, get off the phone a minute. Sam... We've just had one of our Members elevated to a new level of human achievement in the last week. Representative Vinson was notified by the Examining Committee of his passage of the Bar and probably more shockingly, that he had been approved by the Character and Fitness Committee for admission to the Illinois Bar. Representative Jaffe in the Judiciary Committee has agreed now with these two events that he'll no longer have a three fifths vote but he'll a full vote to cast in the Judiciary Committee. So on behalf of , not only myself and the other attorneys in the House, but all the House Representatives, I'd like to congratulate Sam Vinson on his admission to the Bar and passage of the Bar examination and so forth."

Speaker Redmond: "Representative Vinson now that we have discovered a good lawyer in the House, do you care to respond to Representative Conti's inquiry?"

Vinson: "I can't respond to Representative Conti's question. I want to thank Representative Johnson. But most of all I want to assure Phil Collins that I will continue to vote against the Bar Association and the trial lawyers."

Speaker Redmond: " On the Speaker's table appears House Joint Resolution 23. Representative Ryan...Resolution 23 with the Amendment ."

Ryan: "Yes, Sir, thank you Mr. Speaker. This is an Amendment to add some \$35,000 to the special Joint Legislative Advisory Committee on corrections. This money is to be paid from the General Assembly Ordinary and Contingent Expenses of Joint Committees. And I would ask for the adoption of the Amendment."

Speaker Redmond: "Is there any discussion? Representative Ryan has moved the adoption of Amendment 1 to House Joint Resolution 23. Those in favor of the motion signify by saying 'aye', 'aye', opposed 'no'. The 'ayes' have it; the motion carries; the Amendment's adopted. Now Representative do you want to move for the adoption of the Amendment?"

Ryan: "Do you mean the Resolution?"

Speaker Redmond: "The Resolution... House Joint Resolution."

Ryan: "Yes, Mr. Speaker, House Joint Resolution 23 is the Joint Legislative Advisory Committee on Illinois corrections. It's been in existence and this changes the reporting date to Oct. 1st of 1979. And I would move for the passage of House Joint Resolution 23."

Speaker Redmond: "Is there any discussion? Question's on the Gentleman's motion for the adoption of House Joint Resolution 23. Would you correct the board? Oh yeah, that's alright Those in favor indicate by votin 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there are 132 'aye' and 0 nay and the Resolution having received the necessary majority is hereby adopted. House Bills Third Reading. Short debate appears 905, Representative McGrew. This is the last Bill we'll take; we'll go for announcements and breaks so we can go to the 2:00 Committees."

Clerk O'Brien: "House Bill 95, (sic), a Bill for an Act to Amend Sections of the School Code. Third Reading of the Bill."

Speaker Redmond: "Representative McGrew."

McGrew: "Thank you very much Mr. Speaker and Ladies and Gentlemen of the House. House Bill 905, yes, 905 is an attempt to clean up the statutes. Right now there is provision in the School Code that every major college and University in the State of Illinois engaged in teachers' training must require daily physical education courses. I'm deleting that requirement; it does nothing whatsoever for public schools and it affects only public Universities. I ask for an 'aye' vote."

Speaker Redmond: "Anyone in opposition? Question is shall this Bill pass. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? Clerk will take the record. On this question 118 'aye' & 6 'no' and the Bill having received the Constitutional Majority is hereby declared passed. Announcements, there's a lot of Committees scheduled today. Any Committee Chairman announcements? Representative Emil Jones."

Jones: "Yes, thank you Mr. Speaker, would all Democratic Members of the Insurance Committee meet in the Majority Leader's House... I mean office..., immediately after adjournment--- all Democratic Members of the Insurance Committee meet in the Majority Leader's Office immediately after adjournment."

Speaker Redmond: "Representative DiPrima."

DiPrima: "Yes, Mr. Speaker,"

Speaker Redmond: "Please, people, an important announcement.. I can't hear."

DiPrima: "I'd like ask leave of the House to suspend the appropriate posting rules in order for House Bill 736 to be heard this Friday, April 20th, in the Veterans' Affairs, Registration & Regulation Committee."

Speaker Redmond: "The Gentleman, ...have you discussed this with Representative Ryan? Is there any objection? Representa-

tive Schlickman."

Schlickman: "Would the Gentleman yield?"

Speaker Redmond: "He will."

Schlickman: "Could you tell us the substance of this Bill please?"

DiPrima: "This is a Bill pertaining to the beauticians and the barbers. It's an agreed Bill and the people were already notified and my girl, inadvertently left it... forgot to post it."

Schlickman: "I'm sorry. What is the Bill number please?"

DiPrima: "736. "

Schlickman: "Is there an emergency with respect to this Bill?"

DiPrima: "What?"

Schlickman: "Is there any an emergency with respect to this Bill?"

DiPrima: "Well, I got it coming up Friday; I got the people coming in already. Gene, what are you trying to make, a federal case out of this. I told you this is an agreed Bill between the beaticians and the barbers. No problem..."

Schlickman: "Mr. Speaker , I object."

Speaker Redmond: "Representative Schlickman."

Schlickamn: "I ask for a Roll Call."

Speaker Redmond: "Representative Capuzi."

Capuzi: "I believe that's my Bill and some people have been notified about this hearing this week and it would be a Hell of a thing for them to come up here, all the way from Chicago, or where ever they're coming from. If we have to go through a Roll Call fine. I'll go for that."

Speaker Redmond: "Representative DiPrima asked for unanimous consent.

Representative Schlickman objected. Representative DiPrima has now moved that the provisions of the posting rule be suspended and on that question we'll.... Question is those in favor of the motion vote 'aye' , opposed vote 'no'. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there's

119 'aye' and 3 'no' and the motion carries. The rule is suspended. Any further announcements? Any further announcements? Representative Lechowicz. Is Representative Lechowicz, please, is he on the floor?"

Lechowicz: "Thank you Mr. Speaker, Ladies and Gentlemen of the House. I'm the principle Sponsor of House Bill 372 and House Bill 1859. I ask leave to table both Bills."

Speaker Redmond: "Does the Gentleman have leave? Hearing no objection, leave is granted. What were the numbers again?"

Lechowicz: "House Bill 372 and House Bill 1859."

Speaker Redmond: "372 & 1859 are tabled."

Lechowicz: "Thank you Mr. Speaker."

Speaker Redmond: "The Clerk advises me that he needs about 5 minutes perfunctory for introduction and First Reading. Representative Madigan."

Madigan: "Mr. Speaker, the Clerk informs me he'd like to consider the Consent Calendar on First Reading at this time."

Speaker Redmond: "Where, what page? Page 12? Consent Calendar before we put the motion. Consent Calendar Third Reading, 2nd Day. Page 12. Mr. Clerk."

Madigan: "Mr. Speaker, could you recognize Mr. Jones?"

Jones: "Yes, thank you Mr. Speaker, Ladies and Gentlemen,

The reason why I'm asking leave is because the Bill will be heard in subcommittee next Monday. It won't be heard today but I have to have it posted today. I talked to the Minority Leader and he gave me the OK on it."

Hoxsey. Does Representative Jones have leave to post

Hearing no objections, leave is granted. Now are there any
further announcements? Representative Katz."

Katz: "I want to table House Bill 951 Mr. Speaker."

Speaker Redmond: "Does he have leave to table 951? Any announce-
ments? Representative Matijeovich."

Matijeovich: "Mr. Speaker, no announcement. My Committee is
meeting, but I...we've got on our desk a certificate of
recognition which I think is a good idea and much better
Resolutions. Could the Clerk answer one question? If I
put in a request for a certificate of recognition, how
soon do we get them? I've got all kinds of eagle scouts
too but I never...."

Speaker Redmond: "...by the Committee...Both Committees of
either side, and then the next day. "

Matijeovich: "Well, that's Conti & Giorgi. I should have no
trouble there. Thank you."

Speaker Redmond: "Don't bank on it. Any further announcements?
Representative Peters."

Peters: "Mr. Speaker, Ladies and Gentlemen of the House. With
your leave and leave of the House, House Bill 1972 was intro-

Catania."

Speaker Redmond: "Did you say as the principle Sponsor?"
