84th GENERAL ASSEMBLY  
HOUSE OF REPRESENTATIVES  
TRANSCRIPTION DEBATE

30th Legislative Day

April 25, 1985

Speaker Greiman: "The hour of 12:00 having arrived, the House will now be in Session. The chaplain for today will be the Reverend John Sternberg, Pastor of St. Peter's Lutheran Church of Schaumburg. Reverend Sternberg is a guest of Representative Terry Parke. Will the guests in the gallery please rise and join us in the invocation? Reverend Sternberg."

Reverend Sternberg: "In the name of the Father, and of the Son, and of the Holy Spirit, Amen. Hear the word of God in Proverbs, Chapter 28. The wicked man flees, though no one pursues, but the righteous are as bold as a lion. When a country is rebellious, it has many rulers, but a man of understanding and knowledge maintains order. Those who forsake the law, praise the wicked, but those who keep the law, resist them. Evil men do not understand justice, but those who seek the Lord understand it fully. We pray. Almighty God, Creator and Preserver of our universe, in Your infinite wisdom and mercy for the fallen children of men, You have instituted government and established authority for the peace of mankind and the common welfare of our society. We thank and praise You for Your blessings upon our nation, and especially upon our beloved State of Illinois. As our forefathers came to this soil seeking life, liberty and happiness in the pursuit of their vocation, in the choice of their religion, and in the freedom to live where they choose, we recognize Your blessing upon them and the rich heritage we have received from their industrious hand. Give to the citizens of this commonwealth today the same sincere desire in their quest for the full and abundant life, that with appreciative hearts, they may continue to share Your rich endowments with others and those yet to follow in their stream. the Governor of this state and the Legislature from our several districts, that with statesmanlike qualities, they may rule our citizenry with equality that places none at disadvantage to another. Give to them insight to discern the truth and the courage of conviction to act upon it. Instill in them the intestinal fortitude to rise above petty politics and personal selfishness to serve Your people as they will desire to do when they give account of their stewardship in the tribunals of heaven. Grant to the citizens of this state a readiness to follow the decisions made in these chambers of government so that all of us may live quiet and peaceful lives. Let us then... be this our prayer, O Lord, that with respect for all men, understanding for truth, boldness for justice, fairness for everyone, conviction for what is right, honest, kind and good, we may commit ourselves here and now to the tasks of this Session that whatever we resolve may bear Your favor and be a blessing to the people we serve in Your name. P.S., Lord, perhaps it may appear we have prayed for the impossible and impractical, but then remember, O Lord, we are made but of brittle clay and easily broken, but we remember You are the potter, and in Your forgiving love can help us today glue together the broken pieces of yesterday that will make our tomorrow more beautiful. Amen."

Speaker Greiman: "The Gentleman from MacLean, Mr. Ropp, will lead us in the Pledge of Allegiance to the flag."

Ropp: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker Greiman: "Roll Call for Attendance. Mr. Clerk, take the record. 114 Members having answered to the call of the quorum, a quorum is present. Mr. Piel, do you have any excused absences?"

Speaker Greiman: "Let the record so show. There are apparently none... Mr. Matijevich? There are none on the Democratic side. Alright. The House will stand at ease until the hour of... Alright. Adjournment... on the Adjournment Resolution, Mr. Clerk."

Matijevich: "Speaker, so the Members are aware that we are not adjourning right now, this is only the Adjournment Resolution, but I move the adoption of the Adjournment Resolution."

Speaker Greiman: "Mr. Matijevich, the Gentleman from Lake, moves for the adoption of the Adjournment Resolution. All those in favor signify by saying 'aye', those opposed 'no'. the Record. Alright. Mr. DeJaegher? There is apparently an error in... in difficulty to read the fiscal note request, so that the request for a fiscal note was on House Bill 306, rather than 305. 305 has no request for a fiscal note. So with leave of the Body, we will move that to the Order of Third Reading, and with leave of the Body, we will return House Bill 306 to the Order of Second Reading with the understanding that there is a fiscal note request on House Bill 306. Okay? Now, on the Order of House Bills Second Reading appears House Bill 367. Mr. Levin? Out of the Record. On the Order of House Bills Second Reading appears House Bill 381. Mr. Clerk, read the Bill."

Clerk Leone: "House Bill 381, a Bill for an Act to amend the Code of Civil Procedure. Second Reading of the Bill. No Committee Amendments."

Speaker Greiman: "Are there any Floor Amendments?"

Clerk Leone: "Floor Amendment #1, McCracken - Cullerton, amends House Bill 381 on page one."

Speaker Greiman: "The Gentleman from DuPage, Mr. McCracken, on Amendment #1."

McCracken: "Thank you, Mr. Speaker. This Bill would require that contributory negligence be pleaded as an affirmative defense under the Code of Civil Procedure. The Amendment, Floor Amendment #1, which we're considering now, deletes the use of that term because it might cause confusion with juries as to whether we mean contributory negligence under the old system or comparative negligence under the new system. This is not a change in the current law. We're still operating under comparative negligence. It's merely a pleading requirement. The other side of the aisle felt that it would be better to state the affirmative defense in the manner stated in Floor Amendment #1 to make sure there's no confusion, and I move its adoption."

Vinson: "Thank you, Mr. Speaker, Ladies and Gentlemen of the Assembly. I am advised that the records of the General Assembly and the Calendar shows that House Bill 317 and House Bill 330 have been assigned to the Committee on Urban Redevelopment... have been reassigned to that Committee, rather than the Pension Committee to which they were originally assigned. Under the specific provision of Rule 33(f), the Majority and Minority Member of the Committee on Assignments must be present for any reassignment. That is a specific, written rule, not just a matter of procedure, not something implied by quorum requirements or something like that. It is a specific rule in 33(f). I am also advised that no Minority Member of the Committee on Assignments was present at the time those Bills were reassigned, and as a consequence, those Bills have been improperly assigned... reassigned in violation of the House rules. I believe that creates a cloud that we've got to correct, and I would ask you now to reassign those Bills to the proper Committee or to announce that the reassignment to Urban Redevelopment was improper."

Speaker Greiman: "We'll check the rules and get back to you. Mr. Vinson?"

Vinson: "Well, could be expect that on a reasonably expeditious basis?"

Speaker Greiman: "Always."

Vinson: "Thank you."

Speaker Greiman: "Yes, for what purpose does Mr. Cullerton seek recognition?"

Cullerton: "I would just suggest, Mr. Speaker, that while you're checking the rule, perhaps Representative Vinson can recheck the rule, and maybe he might have a second press conference on this particular issue, like you did earlier late last year before Mike Curran's election."

Van Dwyne: "Thank you very much, and I ask that of the House."

Speaker Greiman: "Well, I would suggest you discuss it with the Chairman."
