

STATE OF ILLINOIS  
84th GENERAL ASSEMBLY  
HOUSE OF REPRESENTATIVES  
TRANSCRIPTION DEBATE

123rd Legislative Day

June 3, 1986

Speaker McPike: "House will come to order. Members will be in their seats. The Chaplain for today will be the Reverend Lawrence Athorn, Pastor of Waltham Presbyterian Church of Utica. Reverend Athorn is a guest of Representative Peg Breslin. Will the guests in the gallery please rise and join us in the invocation?"

Reverend Athorn: "Let us pray. Our Father in Heaven, as we pray for Your blessings upon the Members of the House, we are not unmindful of those in the gallery who join us in this prayer. We give thanks, first of all, for the youth of our state and nation, the leaders of tomorrow, who are graduating from our schools and colleges during this time. We thank You for their faith in us and in America and we pray that nothing done or said in this place shall cause them to think any less of our institutions of government or of us. Challenge them, we pray, with the vision of good citizenship and a love for all that is good in our state and nation and with a fervent desire to make it even better. O Lord, let us not be afraid of new ideas and new thoughts, lest we pull down the shades of our minds and exclude newness of life. When confronted by the unknown, help us to remember that we do not have to explain all we know or understand all we believe. Give us the grace of humility and the spirit of an open mind, the courage to persist in face of difficulties and a steady confidence in the truth. O God, help us to care about the little people who have no lobbyists, for the minority groups who sorely need justice. May it be the glory of our government that not only are the strong heard, but also the weak; not only the powerful, but also the helpless; not only those with influence, but also those who have nothing but a case and an appeal. Father, deliver us from the fear of what might

happen and give us the grace to enjoy what now is and to keep striving after what ought to be, that we may put our hearts into our work and that our work may get into these hearts of ours. Amen."

Speaker McPike: "Be led in the Pledge of Allegiance by Representative Ropp."

Ropp - et al: "I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker McPike: "Roll Call for Attendance. Representative Piel, excused absences."

Piel: "Yes, Mr. Speaker, would the record show that Representative Hastert and Representative Zwick are excused today?"

Speaker McPike: "Representative Giorgi."

Giorgi: "Mr. Speaker, let the record show that Representative Rice is excused because of illness."

Speaker McPike: "Thank, you."

Giorgi: "Also, Representative Farley because of illness."

Speaker McPike: "Mr. Clerk, take the record. 111 Members answering the Roll Call, a quorum is present. Representative Ropp, for what reason do you rise?"

Ropp: "Thank you, Mr. Speaker, for the purpose of an announcement. As was stated and many of you probably know, tomorrow night was to be the Southwestern Illinois Industrial Association tennis and handball matches. That has been changed till the 10th, a week from tonight. The 10th of June, same time, same place, a week later."

Speaker McPike: "Thank you. Committee Reports."

Clerk O'Brien: "The Committee on Rules has met and pursuant to Rule 29(c-3), the following Bills have been ruled exempt on May 28, 1986. Senate Bills #1320, 1516, 1520, 1522, 1548,

Speaker McPike: "Representative Vinson, for what reason do you rise?"

Vinson: "Inquiry of the Chair, Mr. Speaker. It was somewhat difficult to listen to the Bill numbers enunciated by the

Clerk. I had the impression that a couple of those Bills that he was apparently reading for the first time were Bills that are already carried on the list for Rules Committee today. Is that true? Were we double reading Bills that... for a first time?"

Speaker McPike: "Representative Vinson, that's correct."

Vinson: "We were reading... we were reading Bills a second time for the first time? Is that what we were doing? And if so, I mean, I understand that we've got to be slow and methodical, but do we really... Are we going to read Bills for the second time a second time and for a third time a second time?"

Speaker McPike: "Representative Vinson, I wasn't paying any attention to what you said. I... I'm sure it was funny."

Vinson: "Well, as I understand it, you confirmed that we had just read a set of Bills..."

Speaker McPike: "That's correct."

Vinson: "... for the first... for the first time a second time."

Speaker McPike: "No, we just read those Bills for the first time."

Vinson: "The first time the first time?"

Speaker McPike: "That's right."

Vinson: "Now... But those Bills are in Rules Committee? How could they've got in Rules Committee if the haven't been read a first time, I guess then is my inquiry."

Speaker McPike: "What's your inquiry?"

Vinson: "Those Bills are in Rules Committee?"

Speaker McPike: "Well, there's a Motion to suspend the provisions of Rule 20(k) so the Committee on Rules may hear the Senate Bills which were read on First Reading today. It's my understanding that your side would not go along with that, so the Motion will probably not be put, and, therefore, the Bills will not be heard in rules. But, clearly, we have to

waive the rules in order for them to be heard."

Vinson: "Okay, but you were... somehow those Bills got to Rules without having been read a first time. Is that..."

Speaker McPike: "No. No, they were... They were posted with a... for an informational with a note that the Gentleman, Representative Matijevich, would file a Motion to waive the provisions of Rule 20(k)."

Vinson: "I see."

Speaker McPike: "Now, again, it's my understanding that your side does not want to go along with this and, therefore, the Motion will not be made and we will not have those Bills heard in Rules."

Vinson: "Thank you."

Speaker McPike: "Sure. Representative Vi... Representative Vinson, to further try to answer your question, there were about 70 Bills read in today and without a waiving the rule requirement, they cannot be heard in Rules today. And, therefore, we will post them for a Rules Committee hearing on Friday of this week. Representative Friedrich."

Friedrich: "Well, I thought Representative Vinson might explain why the Republicans are objecting to the procedure of the Speaker."

Speaker McPike: "Thank you. Representative Leverenz."

Leverenz: "Mr. Speaker, I would like to suspend the appropriate rule to hear Senate Bill 1841 in the Appropriations I Committee tomorrow and Senate Bill 1736 this afternoon in the Appropriations I Committee also."

Speaker McPike: "The Gentleman has moved to suspend the appropriate rule so that those two Senate Bills could be heard in Appropriations Committee. Any objections? Hearing none, the appropriate rules are waived and the two Bills mentioned will be heard this afternoon and tomorrow. Representative Flinn."

Flinn: "Mr. Speaker, I would like to announce the Financial Institutions... I think I need some attention here, first."

Speaker McPike: "Could the Gentleman have your attention?"

Flinn: "There are a number of Members that are not listening."

Speaker McPike: "Could the Gentleman have your attention? Thank you."

Flinn: "I would like to announce that the Financial Institutions will not meet this afternoon. The Sponsor was kind enough to postpone his Bill till next week."

Speaker McPike: "Who was the Sponsor, Mr. Flinn?"

Flinn: "Me."

Speaker McPike: "Representative Richmond."

Richmond: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. The House Ag Committee also will not be meeting this afternoon. We have one Bill and that Sponsor has graciously consented to postpone the Bill till next week."

Speaker McPike: "Who was the Sponsor on that?"

Richmond: "I am."

Speaker McPike: "Thank you. Representative Steczo."

Steczko: "Thank you, Mr. Speaker. The Cities and Villages Committee also will not meet this afternoon. We, too, have one Bill and the Sponsor has graciously indicated that he would like that heard next week."

Speaker McPike: "Representative Leverenz."

Leverenz: "Mr. Speaker, to announce that the Appropriations I Committee tomorrow morning will meet at 9:00 a.m. rather than 8:00 a.m."

Speaker McPike: "9:00 a.m. instead of 8:00 a.m. for Appropriations. Thank you."

Leverenz: "Thank you."

Speaker McPike: "Further announcements. Representative Vinson."

Vinson: "Mr. Speaker, this mumbling has gotten out of hand. I

wonder if you could ask the people who are making these announcements to clearly articulate."

Speaker McPike: "Yes. There's only one final announcement and that is that because the Republicans have not agreed to waive the appropriate rules for Rule Committee, the Rules Committee this afternoon will be cancelled. Representative Giorgi moves the House now stands... now stands adjourned until tomorrow at the hour of 4:00, 4:00 p.m. The House now stands adjourned until the hour of 4:00 p.m. All those in favor of the Motion signify by saying 'aye', opposed 'no'. The 'ayes' have it, and the House stands adjourned."
