10       Notwithstanding any provision of the law to the contrary,  
 11       the General Assembly hereby authorizes the use of such funds  
 12       for the purposes set forth in this Section.

13       These provisions do not apply to funds classified by the  
 14       Comptroller as federal trust funds or State trust funds. The  
 15       Audit Expense Fund may receive transfers from those trust funds  
 16       only as directed herein, except where prohibited by the terms  
 17       of the trust fund agreement. The Auditor General shall notify  
 18       the trustees of those funds of the estimated cost of the audit  
 19       to be incurred under the Illinois State Auditing Act for the  
 20       fund. The trustees of those funds shall direct the State  
 21       Comptroller and Treasurer to transfer the estimated amount to  
 22       the Audit Expense Fund.

23       The Auditor General may bill entities that are not subject  
 24       to the above transfer provisions, including private entities,  
 25       related organizations and entities whose funds are  
 26       locally-held, for the cost of audits, studies, and

1 investigations incurred on their behalf. Any revenues received  
2 under this provision shall be deposited into the Audit Expense  
3 Fund.

4 In the event that moneys on deposit in any fund are  
5 unavailable, by reason of deficiency or any other reason  
6 preventing their lawful transfer, the State Comptroller shall  
7 order transferred and the State Treasurer shall transfer the  
8 amount deficient or otherwise unavailable from the General  
9 Revenue Fund for deposit into the Audit Expense Fund.

10 On or before December 1, 1992, and each December 1  
11 thereafter, the Auditor General shall notify the Governor's  
12 Office of Management and Budget (formerly Bureau of the Budget)  
13 of the amount estimated to be necessary to pay for audits,  
14 studies, and investigations in accordance with the Illinois  
15 State Auditing Act during the next succeeding fiscal year for  
16 each State fund for which a transfer or reimbursement is  
17 anticipated.

18 Beginning with fiscal year 1994 and during each fiscal year  
19 thereafter, the Auditor General may direct the State  
20 Comptroller and Treasurer to transfer moneys from funds  
21 authorized by the General Assembly for that fund. In the event  
22 funds, including federal and State trust funds but excluding  
23 the General Revenue Fund, are transferred, during fiscal year  
24 1994 and during each fiscal year thereafter, in excess of the  
25 amount to pay actual costs attributable to audits, studies, and  
26 investigations as permitted or required by the Illinois State

1 Auditing Act or specific action of the General Assembly, the  
2 Auditor General shall, on September 30, or as soon thereafter  
3 as is practicable, direct the State Comptroller and Treasurer  
4 to transfer the excess amount back to the fund from which it  
5 was originally transferred.
