11 beginning 590 feet S 0° 02' W of the southwest corner of the  
12 ARSRM site and running S 0° 02' W to the north edge of the CILCO  
13 substation. This easement shall include the right to install  
14 and maintain overhead and underground utility lines, and shall  
15 be subject to existing roadways and utility easements.

16 The utility easements shall provide the right to install and  
17 maintain underground and overhead utility lines and shall be  
18 subject to existing rights-of-way and utility easements.

19 All presently owned government lands adjacent to the Radar  
20 Building for a 2000 foot radius in all directions shall be  
21 zoned against all new structures (temporary or permanent) which  
22 exceed an elevation of 780 feet MSL (Mean Sea Level) without  
23 written approval from the FAA Regional Director.

1 All presently owned government lands adjacent to the Radar  
2 Building for a 1000 foot radius in all directions shall be  
3 zoned against any new metal structures of any kind regardless  
4 of height. This eliminates, but is not limited to, any metal  
5 buildings, metal roofs and metal fences. This does not restrict  
6 wooden, masonry block or concrete buildings with structural  
7 steel framing.

8 Total acreage described above is 38.456 acres, more or less,  
9 with the following described easements.

10 Also, perpetual easements and right-of-ways in, on, over,  
11 under, and across the land for the location, construction,  
12 operation, maintenance, patrol, and removal of a sewer line  
13 with all necessary fittings and appliances together with the  
14 right to trim, cut, fell, and remove therefrom all trees,  
15 underbrush, and obstructions and any other vegetation,  
16 structures, or obstacles within the limits of the  
17 right-of-ways, subject however to existing easements for  
18 public roads and highways, public utilities, railroads and  
19 pipelines, including the rights hereinafter described in, on,  
20 over, under, and across certain lands in Peoria County, State  
21 of Illinois, described as follows:

22 The South Forty (40) feet of the West Forty (40) feet of the

1 Northeast Quarter (NE 1/4) of the Southwest Quarter (SW 1/4) of  
2 Section 4, Township 8 North, Range 6 East of the Fourth  
3 Principal Meridian, Peoria County, Illinois; containing 0.04  
4 acre, more or less.

5 And saving, excepting and reserving to the Grantor, its  
6 successors or assigns, forever, all ores, minerals, coal, oils,  
7 gasses and salts situated in, upon or under said property or  
8 any part or parts thereof, and the right at all times to enter  
9 upon said land, or any part or parts thereof, and there  
10 explore, search, dig, drill and mine for ores, minerals, coal,  
11 oils, gases and salts and freely carry on the business of  
12 drilling or mining and removing such, and for such purpose or  
13 purposes take, use and occupy so much and such parts of said  
14 property, and to cave the surface thereof, and for such term of  
15 time as said Grantor, its successors or assigns shall deem  
16 expedient without any let, hindrance or interference by the  
17 Grantee, their successors and assigns. Provided, however, that  
18 if said Grantor, its successors or assigns shall require any  
19 part of the surface of said land for permanent occupancy or  
20 shall cave the surface thereof or shall damage any part of the  
21 surface of said land or the improvements of such part, the  
22 Grantor, its successors or assigns shall pay said Grantee or  
23 its successors or assigns for the land so caved or occupied or  
24 for the damage caused but not exceeding in amount the actual  
25 prior market value of the part or parts of the property so

1 occupied or damaged together with improvements. The purpose of  
2 this exception or reservation is to sever the surface estate of  
3 said property from the mineral estate lying beneath the surface  
4 and by this Quitclaim Deed convey only rights in the use of the  
5 surface of said property.

6 And also subject to existing easements for public roads,  
7 highways, public utilities, railroads, pipelines, and  
8 rights-of-way, if any, not shown of record. The conveyance  
9 shall be made subject to the condition that title to the  
10 buildings and the land shall revert to the State of Illinois,  
11 Department of Corrections, if Peoria County ceases to use the  
12 buildings and the land for a public or private purpose, and  
13 that if Peoria County sells the property, 10% of the sale  
14 proceeds shall be paid to the State of Illinois.
