8 be cited as the Property Tax Extension Limitation Law. As used
9 in this Division 5:

10 "Consumer Price Index" means the Consumer Price Index for
11 All Urban Consumers for all items published by the United

12 Section 18-213.

13 "Aggregate extension" for taxing districts to which this
14 Law applied before the 1995 levy year means the annual
15 corporate extension for the taxing district and those special
16 purpose extensions that are made annually for the taxing
17 district, excluding special purpose extensions: (a) made for
18 the taxing district to pay interest or principal on general

7 local government finds that all other sources for payment are
8 insufficient to make those payments; (f) made for payments

11 "Debt service extension base" means an amount equal to that
12 portion of the extension for a taxing district for the 1994
13 levy year, or for those taxing districts subject to this Law in
14 accordance with Section 18-213, except for those subject to
15 paragraph (2) of subsection (e) of Section 18-213, for the levy
16 year in which the referendum making this Law applicable to the
17 taxing district is held, or for those taxing districts subject
18 to this Law in accordance with paragraph (2) of subsection (e)
19 of Section 18-213 for the 1996 levy year, constituting an
20 extension for payment of principal and interest on bonds issued
21 by the taxing district without referendum, but not including
22 excluded non-referendum bonds. For park districts (i) that were
23 first subject to this Law in 1991 or 1995 and (ii) whose
24 extension for the 1994 levy year for the payment of principal
25 and interest on bonds issued by the park district without
26 referendum (but not including excluded non-referendum bonds)

1 was less than 51% of the amount for the 1991 levy year
2 constituting an extension for payment of principal and interest
3 on bonds issued by the park district without referendum (but
4 not including excluded non-referendum bonds), "debt service
5 extension base" means an amount equal to that portion of the
6 extension for the 1991 levy year constituting an extension for
7 payment of principal and interest on bonds issued by the park
8 district without referendum (but not including excluded
9 non-referendum bonds). A debt service extension base
10 established or increased at any time pursuant to any provision
11 of this Law, except Section 18-212, shall be increased each
12 year commencing with the later of (i) the 2009 levy year or
13 (ii) the first levy year in which this Law becomes applicable
14 to the taxing district, by the lesser of 5% or the percentage
15 increase in the Consumer Price Index during the 12-month
16 calendar year preceding the levy year. The debt service
17 extension base may be established or increased as provided
18 under Section 18-212. "Excluded non-referendum bonds" means
19 (i) bonds authorized by Public Act 88-503 and issued under
20 Section 20a of the Chicago Park District Act for aquarium and
21 museum projects; (ii) bonds issued under Section 15 of the
22 Local Government Debt Reform Act; or (iii) refunding
23 obligations issued to refund or to continue to refund
24 obligations initially issued pursuant to referendum.

25 "Special purpose extensions" include, but are not limited
26 to, extensions for levies made on an annual basis for

1 unemployment and workers' compensation, self-insurance,
2 contributions to pension plans, and extensions made pursuant to
3 Section 6-601 of the Illinois Highway Code for a road
4 district's permanent road fund whether levied annually or not.
5 The extension for a special service area is not included in the
6 aggregate extension.

7 "Aggregate extension base" means the taxing district's
8 last preceding aggregate extension as adjusted under Sections
9 18-135, 18-215, 18-230, and 18-206. An adjustment under Section
10 18-135 shall be made for the 2007 levy year and all subsequent
11 levy years whenever one or more counties within which a taxing
12 district is located (i) used estimated valuations or rates when
13 extending taxes in the taxing district for the last preceding
14 levy year that resulted in the over or under extension of
15 taxes, or (ii) increased or decreased the tax extension for the
16 last preceding levy year as required by Section 18-135(c).
17 Whenever an adjustment is required under Section 18-135, the
18 aggregate extension base of the taxing district shall be equal
19 to the amount that the aggregate extension of the taxing
20 district would have been for the last preceding levy year if
21 either or both (i) actual, rather than estimated, valuations or
22 rates had been used to calculate the extension of taxes for the
23 last levy year, or (ii) the tax extension for the last
24 preceding levy year had not been adjusted as required by
25 subsection (c) of Section 18-135.

26 Notwithstanding any other provision of law, for levy year

1 2012, the aggregate extension base for West Northfield School
2 District No. 31 in Cook County shall be \$12,654,592.

3 "Levy year" has the same meaning as "year" under Section
4 1-155.

5 "New property" means (i) the assessed value, after final
6 board of review or board of appeals action, of new improvements
7 or additions to existing improvements on any parcel of real
8 property that increase the assessed value of that real property
9 during the levy year multiplied by the equalization factor
10 issued by the Department under Section 17-30, (ii) the assessed
11 value, after final board of review or board of appeals action,
12 of real property not exempt from real estate taxation, which
13 real property was exempt from real estate taxation for any
14 portion of the immediately preceding levy year, multiplied by
15 the equalization factor issued by the Department under Section
16 17-30, including the assessed value, upon final stabilization
17 of occupancy after new construction is complete, of any real
18 property located within the boundaries of an otherwise or
19 previously exempt military reservation that is intended for
20 residential use and owned by or leased to a private corporation
21 or other entity, (iii) in counties that classify in accordance
22 with Section 4 of Article IX of the Illinois Constitution, an
23 incentive property's additional assessed value resulting from
24 a scheduled increase in the level of assessment as applied to
25 the first year final board of review market value, and (iv) any
26 increase in assessed value due to oil or gas production from an

1 oil or gas well required to be permitted under the Hydraulic
2 Fracturing Regulatory Act that was not produced in or accounted
3 for during the previous levy year. In addition, the county
4 clerk in a county containing a population of 3,000,000 or more
5 shall include in the 1997 recovered tax increment value for any
6 school district, any recovered tax increment value that was
7 applicable to the 1995 tax year calculations.

8 "Qualified airport authority" means an airport authority
9 organized under the Airport Authorities Act and located in a
10 county bordering on the State of Wisconsin and having a
11 population in excess of 200,000 and not greater than 500,000.

12 "Recovered tax increment value" means, except as otherwise
13 provided in this paragraph, the amount of the current year's
14 equalized assessed value, in the first year after a
15 municipality terminates the designation of an area as a
16 redevelopment project area previously established under the
17 Tax Increment Allocation Development Act in the Illinois
18 Municipal Code, previously established under the Industrial
19 Jobs Recovery Law in the Illinois Municipal Code, previously
20 established under the Economic Development Project Area Tax
21 Increment Act of 1995, or previously established under the
22 Economic Development Area Tax Increment Allocation Act, of each
23 taxable lot, block, tract, or parcel of real property in the
24 redevelopment project area over and above the initial equalized
25 assessed value of each property in the redevelopment project
26 area. For the taxes which are extended for the 1997 levy year,

1 the recovered tax increment value for a non-home rule taxing
2 district that first became subject to this Law for the 1995
3 levy year because a majority of its 1994 equalized assessed
4 value was in an affected county or counties shall be increased
5 if a municipality terminated the designation of an area in 1993
6 as a redevelopment project area previously established under
7 the Tax Increment Allocation Development Act in the Illinois
8 Municipal Code, previously established under the Industrial
9 Jobs Recovery Law in the Illinois Municipal Code, or previously
10 established under the Economic Development Area Tax Increment
11 Allocation Act, by an amount equal to the 1994 equalized
12 assessed value of each taxable lot, block, tract, or parcel of
13 real property in the redevelopment project area over and above
14 the initial equalized assessed value of each property in the
15 redevelopment project area. In the first year after a
16 municipality removes a taxable lot, block, tract, or parcel of
17 real property from a redevelopment project area established
18 under the Tax Increment Allocation Development Act in the
19 Illinois Municipal Code, the Industrial Jobs Recovery Law in
20 the Illinois Municipal Code, or the Economic Development Area
21 Tax Increment Allocation Act, "recovered tax increment value"
22 means the amount of the current year's equalized assessed value
23 of each taxable lot, block, tract, or parcel of real property
24 removed from the redevelopment project area over and above the
25 initial equalized assessed value of that real property before
26 removal from the redevelopment project area.

1 Except as otherwise provided in this Section, "limiting
2 rate" means a fraction the numerator of which is the last
3 preceding aggregate extension base times an amount equal to one
4 plus the extension limitation defined in this Section and the
5 denominator of which is the current year's equalized assessed
6 value of all real property in the territory under the
7 jurisdiction of the taxing district during the prior levy year.
8 For those taxing districts that reduced their aggregate
9 extension for the last preceding levy year, except for school
10 districts that reduced their extension for educational
11 purposes pursuant to Section 18-206, the highest aggregate
12 extension in any of the last 3 preceding levy years shall be
13 used for the purpose of computing the limiting rate. The
14 denominator shall not include new property or the recovered tax
15 increment value. If a new rate, a rate decrease, or a limiting
16 rate increase has been approved at an election held after March
17 21, 2006, then (i) the otherwise applicable limiting rate shall
18 be increased by the amount of the new rate or shall be reduced
19 by the amount of the rate decrease, as the case may be, or (ii)
20 in the case of a limiting rate increase, the limiting rate
21 shall be equal to the rate set forth in the proposition
22 approved by the voters for each of the years specified in the
