1 AMENDMENT TO SENATE BILL 211

2 AMENDMENT NO. _____. Amend Senate Bill 211, AS AMENDED, by
3 replacing everything after the enacting clause with the
4 following:

5 "Section 5. The Illinois Lottery Law is amended by changing
6 Section 9 as follows:

7 (20 ILCS 1605/9) (from Ch. 120, par. 1159)

8 Sec. 9. The Director, as administrative head of the
9 Department, shall direct and supervise all its administrative
10 and technical activities. In addition to the duties imposed
11 upon him elsewhere in this Act, it shall be the Director's
12 duty:

13 a. To supervise and administer the operation of the
14 lottery in accordance with the provisions of this Act or
15 such rules and regulations of the Department adopted
16 thereunder.

1 b. To attend meetings of the Board or to appoint a
2 designee to attend in his stead.

3 c. To employ and direct such personnel in accord with
4 the Personnel Code, as may be necessary to carry out the
5 purposes of this Act. In addition, the Director may by
6 agreement secure such services as he or she may deem
7 necessary from any other department, agency, or unit of the
8 State government, and may employ and compensate such
9 consultants and technical assistants as may be required and
10 is otherwise permitted by law.

11 d. To license, in accordance with the provisions of
12 Sections 10 and 10.1 of this Act and the rules and
13 regulations of the Department adopted thereunder, as
14 agents to sell lottery tickets such persons as in his
15 opinion will best serve the public convenience and promote
16 the sale of tickets or shares. The Director may require a
17 bond from every licensed agent, in such amount as provided
18 in the rules and regulations of the Department. Every
19 licensed agent shall prominently display his license, or a
20 copy thereof, as provided in the rules and regulations of
21 the Department.

22 e. To suspend or revoke any license issued pursuant to
23 this Act or the rules and regulations promulgated by the
24 Department thereunder.

25 f. To confer regularly as necessary or desirable and
26 not less than once every month with the Lottery Control

1 Board on the operation and administration of the Lottery;
2 to make available for inspection by the Board or any member
3 of the Board, upon request, all books, records, files, and
4 other information and documents of his office; to advise
5 the Board and recommend such rules and regulations and such
6 other matters as he deems necessary and advisable to
7 improve the operation and administration of the lottery.

8 g. To enter into contracts for the operation of the
9 lottery, or any part thereof, and into contracts for the
10 promotion of the lottery on behalf of the Department with
11 any person, firm or corporation, to perform any of the
12 functions provided for in this Act or the rules and
13 regulations promulgated thereunder. The Department shall
14 not expend State funds on a contractual basis for such
15 functions unless those functions and expenditures are
16 expressly authorized by the General Assembly.

17 h. To enter into an agreement or agreements with the
18 management of state lotteries operated pursuant to the laws
19 of other states for the purpose of creating and operating a
20 multi-state lottery game wherein a separate and distinct
21 prize pool would be combined to award larger prizes to the
22 public than could be offered by the several state
23 lotteries, individually. No tickets or shares offered in
24 connection with a multi-state lottery game shall be sold
25 within the State of Illinois, except those offered by and
26 through the Department. No such agreement shall purport to

1 pledge the full faith and credit of the State of Illinois,
2 nor shall the Department expend State funds on a
3 contractual basis in connection with any such game unless
4 such expenditures are expressly authorized by the General
5 Assembly, provided, however, that in the event of error or
6 omission by the Illinois State Lottery in the conduct of
7 the game, as determined by the multi-state game directors,
8 the Department shall be authorized to pay a prize winner or
9 winners the lesser of a disputed prize or \$1,000,000, any
10 such payment to be made solely from funds appropriated for
11 game prize purposes. The Department shall be authorized to
12 share in the ordinary operating expenses of any such
13 multi-state lottery game, from funds appropriated by the
14 General Assembly, and in the event the multi-state game
15 control offices are physically located within the State of
16 Illinois, the Department is authorized to advance start-up
17 operating costs not to exceed \$150,000, subject to
18 proportionate reimbursement of such costs by the other
19 participating state lotteries. The Department shall be
20 authorized to share proportionately in the costs of
21 establishing a liability reserve fund from funds
22 appropriated by the General Assembly. The Department is
23 authorized to transfer prize award funds attributable to
24 Illinois sales of multi-state lottery game tickets to the
25 multi-state control office, or its designated depository,
26 for deposit to such game pool account or accounts as may be

1 established by the multi-state game directors, the records
2 of which account or accounts shall be available at all
3 times for inspection in an audit by the Auditor General of
4 Illinois and any other auditors pursuant to the laws of the
5 State of Illinois. No multi-state game prize awarded to a
6 nonresident of Illinois, with respect to a ticket or share
7 purchased in a state other than the State of Illinois,
8 shall be deemed to be a prize awarded under this Act for
9 the purpose of taxation under the Illinois Income Tax Act.
10 The Department shall promulgate such rules as may be
11 appropriate to implement the provisions of this Section.

12 i. To make a continuous study and investigation of (1)
13 the operation and the administration of similar laws which
14 may be in effect in other states or countries, (2) any
15 literature on the subject which from time to time may be
16 published or available, (3) any Federal laws which may
17 affect the operation of the lottery, and (4) the reaction
18 of Illinois citizens to existing and potential features of
19 the lottery with a view to recommending or effecting
20 changes that will tend to serve the purposes of this Act.

21 j. To report monthly to the State Treasurer and the
22 Lottery Control Board a full and complete statement of
23 lottery revenues, prize disbursements and other expenses
24 for each month and the amounts to be transferred to the
25 Common School Fund pursuant to Section 7.2, and to make an
26 annual report, which shall include a full and complete

1 statement of lottery revenues, prize disbursements and
2 other expenses, to the Governor and the Board. All reports
3 required by this subsection shall be public and copies of
4 all such reports shall be sent to the Speaker of the House,
5 the President of the Senate, and the minority leaders of
6 both houses.

7 k. To keep the name and municipality of residence of
8 the prize winner of a prize of \$250,000 or greater
9 confidential upon the prize winner making a written request
10 that his or her name and municipality of residence be kept
11 confidential. The prize winner must submit his or her
12 written request at the time of claiming the prize. The
13 written request shall be in the form established by the
14 Department.
