1 AMENDMENT TO SENATE BILL 272

2 AMENDMENT NO. _____. Amend Senate Bill 272 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the State
5 Facility Water Management Plan Act.

6 Section 5. Definitions. As used in this Act:

7 "Department" means the Department of Public Health.

8 "Facility" means a Veterans Home as defined under Section
9 1.5 of the Department of Veterans' Affairs Act, a correctional
10 institution or facility as defined under Section 3-1-2 of the
11 Unified Code of Corrections, a developmental disability
12 facility as defined under Section 1-107 of the Mental Health
13 and Developmental Disabilities Code, a mental health facility
14 as defined under Section 1-114 of the Mental Health and
15 Developmental Disabilities Code, or a State-operated mental
16 health facility as defined under Section 1-114.1 of the Mental

1 Health and Developmental Disabilities Code.

2 Section 10. Water management plan required.

3 (a) Every facility must develop a water management plan
4 that includes:

5 (1) the establishment of a water management team;

6 (2) a complete breakdown of the potable water system at
7 the facility and the elements of the water system;

8 (3) identification of potential issues and risks to the
9 potable water system;

10 (4) potential remedies and controls for the issues and
11 risks faced by the potable water system; and

12 (5) how detected problems with the potable water system
13 will be communicated to occupants, employees, and the
14 Department.

15 Each facility shall develop a plan under this Section by
16 January 1, 2019.

17 (b) Each facility shall review its water management plan
18 annually for effectiveness. A facility shall also review its
19 water management plan at any time when one or more of the
20 following occurs:

21 (1) Legionella is detected at the facility;

22 (2) any construction, modification, or repair
23 activities that may affect a potable water system at the
24 facility is completed; or

25 (3) any other condition specified by the Department by

1 rule occurs.

2 Section 15. Legionella sampling; management plan required.
3 Each facility shall conduct a Legionella culture sampling and
4 develop a management plan for the facility's potable water
5 systems by January 1, 2019. The plan developed under this
6 Section shall include:

7 (1) provisions requiring Legionella culture sampling
8 annually and at 90-day intervals when Legionella is, or may
9 be, associated with the facility;

10 (2) provisions requiring actions in response to
11 Legionella culture analysis results, including responsive
12 actions, remediation, potential issues, and potential
13 remedies; and

14 (3) any other provisions specified by the Department by
15 rule.

16 Section 99. Effective date. This Act takes effect upon
17 becoming law."
