SB1814

Introduced 2/9/2017, by Sen. Dan McConchie

SYNOPSIS AS INTRODUCED:

- 40 ILCS 5/16-106.4a new
- 40 ILCS 5/16-106.4b new
- 40 ILCS 5/16-158 from Ch. 108 1/2, par. 16-158
- 40 ILCS 5/16-106.4 rep.
- 30 ILCS 805/8.41 new

Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that beginning in fiscal year 2019 and each year thereafter, the System shall calculate the projected amount of increase in benefits, expressed as a percentage of salary and reflecting separate amounts for Tier 1 and Tier 2 members, resulting from any increase in salary over the preceding school year, expressed as a percentage of salary. Provides that if the amount of a teacher's salary for any school year beginning on or after July 1, 2018 exceeds the member's annual full-time salary rate with the same employer for the previous school year, then the teacher's employer shall pay to the System the current value of the projected amount of the increase in benefits, as determined by the System and reflecting whether the teacher is a Tier 1 or Tier 2 member, resulting from the increase in the member's salary over the previous school year. Excludes earnings increases paid to members under contracts or collective bargaining agreements entered into, amended, or renewed before the effective date of the amendatory Act. Defines "Tier 1 member" and "Tier 2 member". Repeals the definition of "Tier 1 member" added by Public Act 98-599, which has been held unconstitutional. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

4 Section 5. The Illinois Pension Code is amended by adding
5 Sections 16-106.4a and 16-106.4b and by changing Section 16-158
6 as follows:

7 (40 ILCS 5/16-106.4a new)

8 Sec. 16-106.4a. Tier 1 member. "Tier 1 member": A member
9 under this Article who first became a member or participant
10 before January 1, 2011 under any reciprocal retirement system
11 or pension fund established under this Code other than a
12 retirement system or pension fund established under Article 2,
13 3, 4, 5, 6, or 18 of this Code.

14 (40 ILCS 5/16-106.4b new)

15 Sec. 16-106.4b. Tier 2 member. "Tier 2 member": A member of
16 the System who first becomes a member under this Article on or
17 after January 1, 2011 and who is not a Tier 1 member.

18 (40 ILCS 5/16-158) (from Ch. 108 1/2, par. 16-158)

19 (Text of Section WITHOUT the changes made by P.A. 98-599,
20 which has been held unconstitutional)

21 Sec. 16-158. Contributions by State and other employing

1 units.

2 (a) The State shall make contributions to the System by
3 means of appropriations from the Common School Fund and other
4 State funds of amounts which, together with other employer
5 contributions, employee contributions, investment income, and
6 other income, will be sufficient to meet the cost of
7 maintaining and administering the System on a 90% funded basis
8 in accordance with actuarial recommendations.

9 The Board shall determine the amount of State contributions
10 required for each fiscal year on the basis of the actuarial
11 tables and other assumptions adopted by the Board and the
12 recommendations of the actuary, using the formula in subsection
13 (b-3).

14 (a-1) Annually, on or before November 15 until November 15,
15 2011, the Board shall certify to the Governor the amount of the
16 required State contribution for the coming fiscal year. The
17 certification under this subsection (a-1) shall include a copy
18 of the actuarial recommendations upon which it is based and
19 shall specifically identify the System's projected State
20 normal cost for that fiscal year.

21 On or before May 1, 2004, the Board shall recalculate and
22 recertify to the Governor the amount of the required State
23 contribution to the System for State fiscal year 2005, taking
24 into account the amounts appropriated to and received by the
25 System under subsection (d) of Section 7.2 of the General
26 Obligation Bond Act.

1 On or before July 1, 2005, the Board shall recalculate and
2 recertify to the Governor the amount of the required State
3 contribution to the System for State fiscal year 2006, taking
4 into account the changes in required State contributions made
5 by this amendatory Act of the 94th General Assembly.

6 On or before April 1, 2011, the Board shall recalculate and
7 recertify to the Governor the amount of the required State
8 contribution to the System for State fiscal year 2011, applying
9 the changes made by Public Act 96-889 to the System's assets
10 and liabilities as of June 30, 2009 as though Public Act 96-889
11 was approved on that date.

12 (a-5) On or before November 1 of each year, beginning
13 November 1, 2012, the Board shall submit to the State Actuary,
14 the Governor, and the General Assembly a proposed certification
15 of the amount of the required State contribution to the System
16 for the next fiscal year, along with all of the actuarial
17 assumptions, calculations, and data upon which that proposed
18 certification is based. On or before January 1 of each year,
19 beginning January 1, 2013, the State Actuary shall issue a
20 preliminary report concerning the proposed certification and
21 identifying, if necessary, recommended changes in actuarial
22 assumptions that the Board must consider before finalizing its
23 certification of the required State contributions. On or before
24 January 15, 2013 and each January 15 thereafter, the Board
25 shall certify to the Governor and the General Assembly the
26 amount of the required State contribution for the next fiscal

1 year. The Board's certification must note any deviations from
2 the State Actuary's recommended changes, the reason or reasons
3 for not following the State Actuary's recommended changes, and
4 the fiscal impact of not following the State Actuary's
5 recommended changes on the required State contribution.

6 (b) Through State fiscal year 1995, the State contributions
7 shall be paid to the System in accordance with Section 18-7 of
8 the School Code.

9 (b-1) Beginning in State fiscal year 1996, on the 15th day
10 of each month, or as soon thereafter as may be practicable, the
11 Board shall submit vouchers for payment of State contributions
12 to the System, in a total monthly amount of one-twelfth of the
13 required annual State contribution certified under subsection
14 (a-1). From the effective date of this amendatory Act of the
15 93rd General Assembly through June 30, 2004, the Board shall
16 not submit vouchers for the remainder of fiscal year 2004 in
17 excess of the fiscal year 2004 certified contribution amount
18 determined under this Section after taking into consideration
19 the transfer to the System under subsection (a) of Section
20 6z-61 of the State Finance Act. These vouchers shall be paid by
21 the State Comptroller and Treasurer by warrants drawn on the
22 funds appropriated to the System for that fiscal year.

23 If in any month the amount remaining unexpended from all
24 other appropriations to the System for the applicable fiscal
25 year (including the appropriations to the System under Section
26 8.12 of the State Finance Act and Section 1 of the State

1 Pension Funds Continuing Appropriation Act) is less than the
2 amount lawfully vouchered under this subsection, the
3 difference shall be paid from the Common School Fund under the
4 continuing appropriation authority provided in Section 1.1 of
5 the State Pension Funds Continuing Appropriation Act.

6 (b-2) Allocations from the Common School Fund apportioned
7 to school districts not coming under this System shall not be
8 diminished or affected by the provisions of this Article.

9 (b-3) For State fiscal years 2012 through 2045, the minimum
10 contribution to the System to be made by the State for each
11 fiscal year shall be an amount determined by the System to be
12 sufficient to bring the total assets of the System up to 90% of
13 the total actuarial liabilities of the System by the end of
14 State fiscal year 2045. In making these determinations, the
15 required State contribution shall be calculated each year as a
16 level percentage of payroll over the years remaining to and
17 including fiscal year 2045 and shall be determined under the
18 projected unit credit actuarial cost method.

19 For State fiscal years 1996 through 2005, the State
20 contribution to the System, as a percentage of the applicable
21 employee payroll, shall be increased in equal annual increments
22 so that by State fiscal year 2011, the State is contributing at
23 the rate required under this Section; except that in the
24 following specified State fiscal years, the State contribution
25 to the System shall not be less than the following indicated
26 percentages of the applicable employee payroll, even if the

1 indicated percentage will produce a State contribution in
2 excess of the amount otherwise required under this subsection
3 and subsection (a), and notwithstanding any contrary
4 certification made under subsection (a-1) before the effective
5 date of this amendatory Act of 1998: 10.02% in FY 1999; 10.77%
6 in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY
7 2003; and 13.56% in FY 2004.

8 Notwithstanding any other provision of this Article, the
9 total required State contribution for State fiscal year 2006 is
10 \$534,627,700.

11 Notwithstanding any other provision of this Article, the
12 total required State contribution for State fiscal year 2007 is
13 \$738,014,500.

14 For each of State fiscal years 2008 through 2009, the State
15 contribution to the System, as a percentage of the applicable
16 employee payroll, shall be increased in equal annual increments
17 from the required State contribution for State fiscal year
18 2007, so that by State fiscal year 2011, the State is
19 contributing at the rate otherwise required under this Section.

20 Notwithstanding any other provision of this Article, the
21 total required State contribution for State fiscal year 2010 is
22 \$2,089,268,000 and shall be made from the proceeds of bonds
23 sold in fiscal year 2010 pursuant to Section 7.2 of the General
24 Obligation Bond Act, less (i) the pro rata share of bond sale
25 expenses determined by the System's share of total bond
26 proceeds, (ii) any amounts received from the Common School Fund

1 in fiscal year 2010, and (iii) any reduction in bond proceeds
2 due to the issuance of discounted bonds, if applicable.

3 Notwithstanding any other provision of this Article, the
4 total required State contribution for State fiscal year 2011 is
5 the amount recertified by the System on or before April 1, 2011
6 pursuant to subsection (a-1) of this Section and shall be made
7 from the proceeds of bonds sold in fiscal year 2011 pursuant to
8 Section 7.2 of the General Obligation Bond Act, less (i) the
9 pro rata share of bond sale expenses determined by the System's
10 share of total bond proceeds, (ii) any amounts received from
11 the Common School Fund in fiscal year 2011, and (iii) any
12 reduction in bond proceeds due to the issuance of discounted
13 bonds, if applicable. This amount shall include, in addition to
14 the amount certified by the System, an amount necessary to meet
15 employer contributions required by the State as an employer
16 under paragraph (e) of this Section, which may also be used by
17 the System for contributions required by paragraph (a) of
18 Section 16-127.

19 Beginning in State fiscal year 2046, the minimum State
20 contribution for each fiscal year shall be the amount needed to
21 maintain the total assets of the System at 90% of the total
22 actuarial liabilities of the System.

23 Amounts received by the System pursuant to Section 25 of
24 the Budget Stabilization Act or Section 8.12 of the State
25 Finance Act in any fiscal year do not reduce and do not
26 constitute payment of any portion of the minimum State

1 contribution required under this Article in that fiscal year.
2 Such amounts shall not reduce, and shall not be included in the
3 calculation of, the required State contributions under this
4 Article in any future year until the System has reached a
5 funding ratio of at least 90%. A reference in this Article to
6 the "required State contribution" or any substantially similar
7 term does not include or apply to any amounts payable to the
8 System under Section 25 of the Budget Stabilization Act.

9 Notwithstanding any other provision of this Section, the
10 required State contribution for State fiscal year 2005 and for
11 fiscal year 2008 and each fiscal year thereafter, as calculated
12 under this Section and certified under subsection (a-1), shall
13 not exceed an amount equal to (i) the amount of the required
14 State contribution that would have been calculated under this
15 Section for that fiscal year if the System had not received any
16 payments under subsection (d) of Section 7.2 of the General
17 Obligation Bond Act, minus (ii) the portion of the State's
18 total debt service payments for that fiscal year on the bonds
19 issued in fiscal year 2003 for the purposes of that Section
20 7.2, as determined and certified by the Comptroller, that is
21 the same as the System's portion of the total moneys
22 distributed under subsection (d) of Section 7.2 of the General
23 Obligation Bond Act. In determining this maximum for State
24 fiscal years 2008 through 2010, however, the amount referred to
25 in item (i) shall be increased, as a percentage of the
26 applicable employee payroll, in equal increments calculated

1 from the sum of the required State contribution for State
2 fiscal year 2007 plus the applicable portion of the State's
3 total debt service payments for fiscal year 2007 on the bonds
4 issued in fiscal year 2003 for the purposes of Section 7.2 of
5 the General Obligation Bond Act, so that, by State fiscal year
6 2011, the State is contributing at the rate otherwise required
7 under this Section.

8 (c) Payment of the required State contributions and of all
9 pensions, retirement annuities, death benefits, refunds, and
10 other benefits granted under or assumed by this System, and all
11 expenses in connection with the administration and operation
12 thereof, are obligations of the State.

13 If members are paid from special trust or federal funds
14 which are administered by the employing unit, whether school
15 district or other unit, the employing unit shall pay to the
16 System from such funds the full accruing retirement costs based
17 upon that service, which, beginning July 1, 2014, shall be at a
18 rate, expressed as a percentage of salary, equal to the total
19 minimum contribution to the System to be made by the State for
20 that fiscal year, including both normal cost and unfunded
21 liability components, expressed as a percentage of payroll, as
22 determined by the System under subsection (b-3) of this
23 Section. Employer contributions, based on salary paid to
24 members from federal funds, may be forwarded by the
25 distributing agency of the State of Illinois to the System
26 prior to allocation, in an amount determined in accordance with

1 guidelines established by such agency and the System. Any
2 contribution for fiscal year 2015 collected as a result of the
3 change made by this amendatory Act of the 98th General Assembly
4 shall be considered a State contribution under subsection (b-3)
5 of this Section.

6 (d) Effective July 1, 1986, any employer of a teacher as
7 defined in paragraph (8) of Section 16-106 shall pay the
8 employer's normal cost of benefits based upon the teacher's
9 service, in addition to employee contributions, as determined
10 by the System. Such employer contributions shall be forwarded
11 monthly in accordance with guidelines established by the
12 System.

13 However, with respect to benefits granted under Section
14 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8)
15 of Section 16-106, the employer's contribution shall be 12%
16 (rather than 20%) of the member's highest annual salary rate
17 for each year of creditable service granted, and the employer
18 shall also pay the required employee contribution on behalf of
19 the teacher. For the purposes of Sections 16-133.4 and
20 16-133.5, a teacher as defined in paragraph (8) of Section
21 16-106 who is serving in that capacity while on leave of
22 absence from another employer under this Article shall not be
23 considered an employee of the employer from which the teacher
24 is on leave.

25 (e) Beginning July 1, 1998, every employer of a teacher
26 shall pay to the System an employer contribution computed as

1 follows:

2 (1) Beginning July 1, 1998 through June 30, 1999, the
3 employer contribution shall be equal to 0.3% of each
4 teacher's salary.

5 (2) Beginning July 1, 1999 and thereafter, the employer
6 contribution shall be equal to 0.58% of each teacher's
7 salary.

8 The school district or other employing unit may pay these
9 employer contributions out of any source of funding available
10 for that purpose and shall forward the contributions to the
11 System on the schedule established for the payment of member
12 contributions.

13 These employer contributions are intended to offset a
14 portion of the cost to the System of the increases in
15 retirement benefits resulting from this amendatory Act of 1998.

16 Each employer of teachers is entitled to a credit against
17 the contributions required under this subsection (e) with
18 respect to salaries paid to teachers for the period January 1,
19 2002 through June 30, 2003, equal to the amount paid by that
20 employer under subsection (a-5) of Section 6.6 of the State
21 Employees Group Insurance Act of 1971 with respect to salaries
22 paid to teachers for that period.

23 The additional 1% employee contribution required under
24 Section 16-152 by this amendatory Act of 1998 is the
25 responsibility of the teacher and not the teacher's employer,
26 unless the employer agrees, through collective bargaining or

1 otherwise, to make the contribution on behalf of the teacher.

2 If an employer is required by a contract in effect on May
3 1, 1998 between the employer and an employee organization to
4 pay, on behalf of all its full-time employees covered by this
5 Article, all mandatory employee contributions required under
6 this Article, then the employer shall be excused from paying
7 the employer contribution required under this subsection (e)
8 for the balance of the term of that contract. The employer and
9 the employee organization shall jointly certify to the System
10 the existence of the contractual requirement, in such form as
11 the System may prescribe. This exclusion shall cease upon the
12 termination, extension, or renewal of the contract at any time
13 after May 1, 1998.

14 (f) If the amount of a teacher's salary for any school year
15 beginning on or after June 1, 2005 and before July 1, 2018 used
16 to determine final average salary exceeds the member's annual
17 full-time salary rate with the same employer for the previous
18 school year by more than 6%, the teacher's employer shall pay
19 to the System, in addition to all other payments required under
20 this Section and in accordance with guidelines established by
21 the System, the present value of the increase in benefits
22 resulting from the portion of the increase in salary that is in
23 excess of 6%. This present value shall be computed by the
24 System on the basis of the actuarial assumptions and tables
25 used in the most recent actuarial valuation of the System that
26 is available at the time of the computation. If a teacher's

1 salary for the 2005-2006 school year is used to determine final
2 average salary under this subsection (f), then the changes made
3 to this subsection (f) by Public Act 94-1057 shall apply in
4 calculating whether the increase in his or her salary is in
5 excess of 6%. For the purposes of this Section, change in
6 employment under Section 10-21.12 of the School Code on or
7 after June 1, 2005 shall constitute a change in employer. The
8 System may require the employer to provide any pertinent
9 information or documentation. The changes made to this
10 subsection (f) by this amendatory Act of the 94th General
11 Assembly apply without regard to whether the teacher was in
12 service on or after its effective date.

13 Whenever it determines that a payment is or may be required
14 under this subsection, the System shall calculate the amount of
15 the payment and bill the employer for that amount. The bill
16 shall specify the calculations used to determine the amount
17 due. If the employer disputes the amount of the bill, it may,
18 within 30 days after receipt of the bill, apply to the System
19 in writing for a recalculation. The application must specify in
20 detail the grounds of the dispute and, if the employer asserts
21 that the calculation is subject to subsection (g) or (h) of
22 this Section, must include an affidavit setting forth and
23 attesting to all facts within the employer's knowledge that are
24 pertinent to the applicability of that subsection. Upon
25 receiving a timely application for recalculation, the System
26 shall review the application and, if appropriate, recalculate

1 the amount due.

2 The employer contributions required under this subsection
3 (f) may be paid in the form of a lump sum within 90 days after
4 receipt of the bill. If the employer contributions are not paid
5 within 90 days after receipt of the bill, then interest will be
6 charged at a rate equal to the System's annual actuarially
7 assumed rate of return on investment compounded annually from
8 the 91st day after receipt of the bill. Payments must be
9 concluded within 3 years after the employer's receipt of the
10 bill.

11 (f-1) Beginning in fiscal year 2019 and for each fiscal
12 year thereafter, the System shall calculate the projected
13 amount of increase in benefits, expressed as a percentage of
14 salary and reflecting separate amounts for Tier 1 members and
15 Tier 2 members, resulting from any increase in salary over the
16 preceding school year, expressed as a percentage of salary. If
17 the amount of a teacher's salary for any school year beginning
18 on or after July 1, 2018 exceeds the member's annual full-time
19 salary rate with the same employer for the previous school
20 year, then the teacher's employer shall pay to the System the
21 current value of the projected amount of the increase in
22 benefits, as determined by the System and reflecting whether
23 the teacher is a Tier 1 member or Tier 2 member, resulting from
24 the increase in the member's salary over the previous school
25 year. The System may require the employer to provide any
26 pertinent information or documentation.

1 Whenever it determines that a payment is or may be required
2 under this subsection (f-1), the System shall calculate the
3 amount of the payment and bill the employer for that amount.
4 The bill shall specify the calculations used to determine the
5 amount due. If the employer disputes the amount of the bill, it
6 may, within 30 days after receipt of the bill, apply to the
7 System in writing for a recalculation. The application must
8 specify in detail the grounds of the dispute and, if the
9 employer asserts that the calculation is subject to subsection
10 (h-1) of this Section, must include an affidavit setting forth
11 and attesting to all facts within the employer's knowledge that
12 are pertinent to the applicability of subsection (h-1). Upon
13 receiving a timely application for recalculation, the System
14 shall review the application and, if appropriate, recalculate
15 the amount due.

16 The employer contributions required under this subsection
17 (f-1) may be paid in the form of a lump sum within 90 days after
18 receipt of the bill. If the employer contributions are not paid
19 within 90 days after receipt of the bill, then interest shall
20 be charged at a rate equal to the System's annual actuarially
21 assumed rate of return on investment compounded annually from
22 the 91st day after receipt of the bill. Payments must be
23 concluded within 3 years after the employer's receipt of the
24 bill.

25 (g) This subsection (g) applies only to payments made or
26 salary increases given on or after June 1, 2005 but before July

1 1, 2011. The changes made by Public Act 94-1057 shall not
2 require the System to refund any payments received before July
3 31, 2006 (the effective date of Public Act 94-1057).

4 When assessing payment for any amount due under subsection
5 (f), the System shall exclude salary increases paid to teachers
6 under contracts or collective bargaining agreements entered
7 into, amended, or renewed before June 1, 2005.

8 When assessing payment for any amount due under subsection
9 (f), the System shall exclude salary increases paid to a
10 teacher at a time when the teacher is 10 or more years from
11 retirement eligibility under Section 16-132 or 16-133.2.

12 When assessing payment for any amount due under subsection
13 (f), the System shall exclude salary increases resulting from
14 overload work, including summer school, when the school
15 district has certified to the System, and the System has
16 approved the certification, that (i) the overload work is for
17 the sole purpose of classroom instruction in excess of the
18 standard number of classes for a full-time teacher in a school
19 district during a school year and (ii) the salary increases are
20 equal to or less than the rate of pay for classroom instruction
21 computed on the teacher's current salary and work schedule.

22 When assessing payment for any amount due under subsection
23 (f), the System shall exclude a salary increase resulting from
24 a promotion (i) for which the employee is required to hold a
25 certificate or supervisory endorsement issued by the State
26 Teacher Certification Board that is a different certification

1 or supervisory endorsement than is required for the teacher's
2 previous position and (ii) to a position that has existed and
3 been filled by a member for no less than one complete academic
4 year and the salary increase from the promotion is an increase
5 that results in an amount no greater than the lesser of the
6 average salary paid for other similar positions in the district
7 requiring the same certification or the amount stipulated in
8 the collective bargaining agreement for a similar position
9 requiring the same certification.

10 When assessing payment for any amount due under subsection
11 (f), the System shall exclude any payment to the teacher from
12 the State of Illinois or the State Board of Education over
13 which the employer does not have discretion, notwithstanding
14 that the payment is included in the computation of final
15 average salary.

16 (h) When assessing payment for any amount due under
17 subsection (f), the System shall exclude any salary increase
18 described in subsection (g) of this Section given on or after
19 July 1, 2011 but before July 1, 2014 under a contract or
20 collective bargaining agreement entered into, amended, or
21 renewed on or after June 1, 2005 but before July 1, 2011.
22 Notwithstanding any other provision of this Section, any
23 payments made or salary increases given after June 30, 2014
24 shall be used in assessing payment for any amount due under
25 subsection (f) of this Section.

26 (h-1) When assessing payment for any amount due under

1 subsection (f-1), the System shall exclude earnings increases
2 paid to members under contracts or collective bargaining
3 agreements entered into, amended, or renewed before the
4 effective date of this amendatory Act of the 100th General
5 Assembly.
