6 (225 ILCS 605/3.6)

7 Sec. 3.6. Acceptance of stray dogs and cats.

(a) No animal shelter may accept a stray dog or cat unless 8 9 the animal is reported by the shelter to the animal control or 10 law enforcement of the county in which the animal is found by 11 the next business day. An animal shelter may accept animals 12 from: (1) the owner of the animal where the owner signs a relinquishment form which states he or she is the owner of the 13 14 animal; (2) an animal shelter licensed under this Act; or (3) 15 an out-of-state animal control facility, rescue group, or 16 animal shelter that is duly licensed in their state or is a not-for-profit organization. 17

18 (b) When stray dogs and cats are accepted by an animal 19 shelter, they must be scanned for the presence of a microchip 20 and examined for other currently-acceptable methods of 21 identification, including, but not limited to, identification 22 tags, tattoos, and rabies license tags. The examination for identification shall be done within 24 hours after the intake 23 24 of each dog or cat. The animal shelter shall notify the owner and transfer any dog with an identified owner to the animal 25

control or law enforcement agency in the jurisdiction in which
 it was found or the local animal control agency for redemption.

3 (c) If no transfer can occur, the animal shelter shall make every reasonable attempt to contact the owner, agent, or 4 5 caretaker as soon as possible. The animal shelter shall give notice of not less than 7 business days to the owner, agent, or 6 caretaker prior to disposal of the animal. The notice shall be 7 8 mailed to the last known address of the owner, agent, or 9 caretaker. Testimony of the animal shelter, or its authorized 10 agent, who mails the notice shall be evidence of the receipt of 11 the notice by the owner, agent, or caretaker of the animal. A 12 mailed notice shall remain the primary means of owner, agent, or caretaker contact; however, the animal shelter shall also 13 14 attempt to contact the owner, agent, or caretaker by any other 15 contact information, such as by telephone or email address, provided by the microchip or other method of identification 16 17 found on the dog or cat. If the dog or cat has been microchipped and the primary contact listed by the chip 18 manufacturer cannot be located or refuses to reclaim the dog or 19 20 cat, an attempt shall be made to contact any secondary contacts 21 listed by the chip manufacturer prior to adoption, transfer, or 22 euthanization. Prior to transferring any stray dog or cat to 23 another humane shelter, pet store, or rescue group, or 24 euthanization, the dog or cat shall be scanned again for the 25 presence of a microchip and examined for other means of 26 identification. If a second scan provides the same identifying

SB1882 Engrossed - 4 - LRB100 06286 SMS 16323 b

information as the initial intake scan and the owner, agent, or caretaker has not been located or refuses to reclaim the dog or cat, the animal shelter may proceed with adoption, transfer, or euthanization.

5 (d) When stray dogs and cats are accepted by an animal shelter and no owner can be identified, the shelter shall hold 6 7 the animal for the period specified in local ordinance prior to 8 adoption, transfer, or euthanasia. The animal shelter shall 9 allow access to the public to view the animals housed there. If 10 a dog is identified by an owner who desires to make redemption 11 of it, the dog shall be transferred to the local animal control 12 for redemption. If no transfer can occur, the animal shelter 13 shall proceed pursuant to Section 3.7. Upon lapse of the hold 14 period specified in local ordinance and no owner can be 15 identified, ownership of the animal, by operation of law, 16 transfers to the shelter that has custody of the animal.

17 (e) No representative of an animal shelter may enter private property and remove an animal without permission from 18 19 the property owner and animal owner, nor can any representative of an animal shelter direct another individual to enter private 20 property and remove an animal unless that individual is an 21 22 approved humane investigator (approved by the Department) 23 operating pursuant to the provisions of the Humane Care for 24 Animals Act.

(f) Nothing in this Section limits an animal shelter and ananimal control facility who, through mutual agreement, wish to

enter into an agreement for animal control, boarding, holding,
 or other services provided that the agreement requires parties
 adhere to the provisions of the Animal Control Act, the Humane
 Euthanasia in Animal Shelters Act, and the Humane Care for
 Animals Act.

1 treatment of the dog or cat, not to exceed one times the 2 purchase price of the dog or cat.

For the purposes of this subsection (g), veterinary fees shall be considered reasonable if (i) the services provided are appropriate for the diagnosis and treatment of the disease, illness, or congenital or hereditary condition and (ii) the cost of the services is comparable to that charged for similar services by other licensed veterinarians located in close proximity to the treating veterinarian.

The party 4 choosing the second veterinarian shall assume the cost of 5 6 the resulting examination; and

26 (k) A pet shop may contest a remedy under this Section by

SB1882 Engrossed - 14 - LRB100 06286 SMS 16323 b

having the dog or cat examined by a second licensed veterinarian pursuant to paragraph (3) of subsection (i) of this Section if the dog or cat is still living. If the dog or cat is deceased, the pet shop may choose to have the second veterinarian review any records provided by the veterinarian who examined or treated the dog or cat for the customer before its death.

8 If the customer and the pet shop have not reached an 9 agreement within 10 business days after the examination of the 10 medical records and the dog or cat, if alive, or the dog's or 11 cat's medical records, if deceased, by the second veterinarian, 12 then:

(1) the customer may bring suit in a court of competentjurisdiction to resolve the dispute; or

(2) if the customer and the pet shop agree in writing,
the parties may submit the dispute to binding arbitration.

17 If the court or arbiter finds that either party acted in 18 bad faith in seeking or denying the requested remedy, then the 19 offending party may be required to pay reasonable attorney's 20 fees and court costs of the adverse party.

(1) This Section shall not apply to any adoption of dogs or
 cats, including those in which a pet shop or other organization

(m) If a pet shop offers its own warranty on a pet, a
customer may choose to waive the remedies provided under
subsection (f) of this Section in favor of choosing the

SB1882 Engrossed - 15 - LRB100 06286 SMS 16323 b

warranty provided by the pet shop. If a customer waives the 1 2 rights provided by subsection (f), the only remedies available 3 to the customer are those provided by the pet shop's warranty. For the statement to be an effective waiver of the customer's 4 5 right to refund or exchange the animal under subsection (f), the pet shop must provide, in writing, a statement of the 6 7 remedy under subsection (f) that the customer is waiving as 8 well as a written copy of the pet shop's warranty. For the 9 statement to be an effective waiver of the customer's right to 10 refund or exchange the animal under subsection (f), it shall be 11 substantially similar to the following language:

12 "I have agreed to accept the warranty provided by the pet shop in lieu of the remedies under subsection (f) of 13 14 Section 3.15 of the Animal Welfare Act. I have received a 15 copy of the pet shop's warranty and a statement of the 16 remedies provided under subsection (f) of Section 3.15 of 17 the Animal Welfare Act. This is a waiver pursuant to subsection (m) of Section 3.15 of the Animal Welfare Act 18 19 whereby I, the customer, relinquish any and all right to 20 return the animal for congenital and hereditary disorders provided by subsection (f) of Section 3.15 of the Animal 21 22 Welfare Act. I agree that my exclusive remedy is the 23 warranty provided by the pet shop at the time of sale.". (Source: P.A. 98-509, eff. 1-1-14; 98-593, eff. 11-15-13.) 24

SB1882 Engrossed - 16 - LRB100 06286 SMS 16323 b

1 Section 10 as follows:

2 (510 ILCS 5/10) (from Ch. 8, par. 360)

3 Sec. 10. Impoundment; redemption. When dogs or cats are 4 apprehended and impounded, they must be scanned for the 5 presence of a microchip and examined for other currently 6 acceptable methods of identification, including, but not 7 limited to, identification tags, tattoos, and rabies license tags. The examination for identification shall be done within 8 9 24 hours after the intake of each dog or cat. The Administrator 10 shall make every reasonable attempt to contact the owner as 11 defined by Section 2.16, agent, or caretaker as soon as 12 possible. The Administrator shall give notice of not less than 13 7 business days to the owner, agent, or caretaker prior to 14 disposal of the animal. Prior to transferring the dog or cat to another humane shelter, 4 5 pet store, rescue group, or euthanization, the dog or cat shall be scanned again for the presence of a microchip and examined 6 for other means of identification. If a second scan provides 7 8 the same identifying information as the initial intake scan and 9 the owner, agent, or caretaker has not been located or refuses 10 to reclaim the dog or cat, the animal control facility may 11 proceed with the adoption, transfer, or euthanization.

12 In case the owner, agent, or caretaker of any impounded dog 13 or cat desires to make redemption thereof, he or she may do so 14 by doing the following:

a. Presenting proof of current rabies inoculation andregistration, if applicable.

b. Paying for the rabies inoculation of the dog or catand registration, if applicable.

c. Paying the pound for the board of the dog or cat for
 the period it was impounded.

d. Paying into the Animal Control Fund an additional
impoundment fee as prescribed by the Board as a penalty for
the first offense and for each subsequent offense.

e. Paying a \$25 public safety fine to be deposited into the Pet Population Control Fund; the fine shall be waived if it is the dog's or cat's first impoundment and the SB1882 Engrossed - 18 - LRB100 06286 SMS 16323 b

 neutered within 14 days.

3 f. Paying for microchipping and registration if not 4 already done.

5 The payments required for redemption under this Section 6 shall be in addition to any other penalties invoked under this 7 Act and the Illinois Public Health and Safety Animal Population 8 Control Act.
