

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 27A-5 and by adding Section 26-18 as follows:

6 (105 ILCS 5/26-18 new)

7 Sec. 26-18. Chronic absenteeism report and support.

8 (a) As used in this Section:

9 "Chronic absence" means absences that total 10% or more of
10 school days of the most recent academic school year, including
11 absences with and without valid cause, as defined in Section
12 26-2a of this Code, and out-of-school suspensions for an
13 enrolled student.

14 "Student" means any enrolled student that is subject to
15 compulsory attendance under Section 26-1 of this Code but does
16 not mean a student for whom a documented homebound or hospital
17 record is on file during the student's absence from school.

18 (b) The General Assembly finds that:

19 (1) The early years are a critical period in children's
20 learning and development. Every child should be counted
21 present every day. Every day of school matters.

22 (2) Being absent too many days from school can make it
23 difficult for students to stay on-track academically and

1 maintain the momentum to graduate from high school in order
2 to be college or career-ready.

3 (3) Every day of school attendance matters for all
4 students and their families. It is crucial, therefore, that
5 the implications of chronic absence be understood and
6 reviewed regularly.

7 (c) Beginning July 1, 2018, every school district, charter
8 school, or alternative school or any school receiving public
9 funds shall collect and review its chronic absence data and
10 determine what systems of support and resources are needed to
11 engage chronically absent students and their families to
12 encourage the habit of daily attendance and promote success.
13 The review shall include an analysis of chronic absence data
14 from each attendance center or campus of the school district,
15 charter school, or alternative school or other school receiving
16 public funds.

17 (d) School districts, charter schools, or alternative
18 schools or any school receiving public funds are encouraged to
19 provide a system of support to students who are at risk of
20 reaching or exceeding chronic absence levels with strategies
21 such as those available through the Illinois Multi-tiered
22 Systems of Support Network. Schools are encouraged to
23 additionally make resources available to families such as those
24 available through the State Board of Education's Family
25 Engagement Framework to support and engage students and their
26 families to encourage heightened school engagement and

1 improved daily school attendance.

2 (105 ILCS 5/27A-5)

3 (Text of Section before amendment by P.A. 99-927)

4 Sec. 27A-5. Charter school; legal entity; requirements.

5 (a) A charter school shall be a public, nonsectarian,
6 nonreligious, non-home based, and non-profit school. A charter
7 school shall be organized and operated as a nonprofit
8 corporation or other discrete, legal, nonprofit entity
9 authorized under the laws of the State of Illinois.

10 (b) A charter school may be established under this Article
11 by creating a new school or by converting an existing public
12 school or attendance center to charter school status. Beginning
13 on April 16, 2003 (the effective date of Public Act 93-3), in
14 all new applications to establish a charter school in a city
15 having a population exceeding 500,000, operation of the charter
16 school shall be limited to one campus. The changes made to this
17 Section by Public Act 93-3 do not apply to charter schools
18 existing or approved on or before April 16, 2003 (the effective
19 date of Public Act 93-3).

20 (b-5) In this subsection (b-5), "virtual-schooling" means
21 a cyber school where students engage in online curriculum and
22 instruction via the Internet and electronic communication with
23 their teachers at remote locations and with students
24 participating at different times.

25 From April 1, 2013 through December 31, 2016, there is a

1 moratorium on the establishment of charter schools with
2 virtual-schooling components in school districts other than a
3 school district organized under Article 34 of this Code. This
4 moratorium does not apply to a charter school with
5 virtual-schooling components existing or approved prior to
6 April 1, 2013 or to the renewal of the charter of a charter
7 school with virtual-schooling components already approved
8 prior to April 1, 2013.

9 On or before March 1, 2014, the Commission shall submit to
10 the General Assembly a report on the effect of
11 virtual-schooling, including without limitation the effect on
12 student performance, the costs associated with
13 virtual-schooling, and issues with oversight. The report shall
14 include policy recommendations for virtual-schooling.

15 (c) A charter school shall be administered and governed by
16 its board of directors or other governing body in the manner
17 provided in its charter. The governing body of a charter school
18 shall be subject to the Freedom of Information Act and the Open
19 Meetings Act.

20 (d) For purposes of this subsection (d), "non-curricular
21 health and safety requirement" means any health and safety
22 requirement created by statute or rule to provide, maintain,
23 preserve, or safeguard safe or healthful conditions for
24 students and school personnel or to eliminate, reduce, or
25 prevent threats to the health and safety of students and school
26 personnel. "Non-curricular health and safety requirement" does

1 not include any course of study or specialized instructional
2 requirement for which the State Board has established goals and
3 learning standards or which is designed primarily to impart
4 knowledge and skills for students to master and apply as an
5 outcome of their education.

6 A charter school shall comply with all non-curricular
7 health and safety requirements applicable to public schools
8 under the laws of the State of Illinois. On or before September
9 1, 2015, the State Board shall promulgate and post on its
10 Internet website a list of non-curricular health and safety
11 requirements that a charter school must meet. The list shall be
12 updated annually no later than September 1. Any charter
13 contract between a charter school and its authorizer must
14 contain a provision that requires the charter school to follow
15 the list of all non-curricular health and safety requirements
16 promulgated by the State Board and any non-curricular health
17 and safety requirements added by the State Board to such list
18 during the term of the charter. Nothing in this subsection (d)
19 precludes an authorizer from including non-curricular health
20 and safety requirements in a charter school contract that are
21 not contained in the list promulgated by the State Board,
22 including non-curricular health and safety requirements of the
23 authorizing local school board.

24 (e) Except as otherwise provided in the School Code, a
25 charter school shall not charge tuition; provided that a
26 charter school may charge reasonable fees for textbooks,

1 instructional materials, and student activities.

2 (f) A charter school shall be responsible for the
3 management and operation of its fiscal affairs including, but
4 not limited to, the preparation of its budget. An audit of each
5 charter school's finances shall be conducted annually by an
6 outside, independent contractor retained by the charter
7 school. To ensure financial accountability for the use of
8 public funds, on or before December 1 of every year of
9 operation, each charter school shall submit to its authorizer
10 and the State Board a copy of its audit and a copy of the Form
11 990 the charter school filed that year with the federal
12 Internal Revenue Service. In addition, if deemed necessary for
13 proper financial oversight of the charter school, an authorizer
14 may require quarterly financial statements from each charter
15 school.

16 (g) A charter school shall comply with all provisions of
17 this Article, the Illinois Educational Labor Relations Act, all
18 federal and State laws and rules applicable to public schools
19 that pertain to special education and the instruction of
20 English learners, and its charter. A charter school is exempt
21 from all other State laws and regulations in this Code
22 governing public schools and local school board policies;
23 however, a charter school is not exempt from the following:

24 (1) Sections 10-21.9 and 34-18.5 of this Code regarding
25 criminal history records checks and checks of the Statewide
26 Sex Offender Database and Statewide Murderer and Violent

1 Offender Against Youth Database of applicants for
2 employment;

3 (2) Sections 10-20.14, 10-22.6, 24-24, 34-19, and
4 34-84a of this Code regarding discipline of students;

5 (3) the Local Governmental and Governmental Employees
6 Tort Immunity Act;

7 (4) Section 108.75 of the General Not For Profit
8 Corporation Act of 1986 regarding indemnification of
9 officers, directors, employees, and agents;

10 (5) the Abused and Neglected Child Reporting Act;

11 (6) the Illinois School Student Records Act;

12 (7) Section 10-17a of this Code regarding school report
13 cards;

14 (8) the P-20 Longitudinal Education Data System Act;

15 (9) Section 27-23.7 of this Code regarding bullying
16 prevention;

17 (10) Section 2-3.162 of this Code regarding student
18 discipline reporting; ~~and~~

19 (11) Section 22-80 of this Code; and ~~—~~

20 (12) Section 26-18 of this Code.

21 The change made by Public Act 96-104 to this subsection (g)
22 is declaratory of existing law.

23 (h) A charter school may negotiate and contract with a
24 school district, the governing body of a State college or
25 university or public community college, or any other public or
26 for-profit or nonprofit private entity for: (i) the use of a

1 school building and grounds or any other real property or
2 facilities that the charter school desires to use or convert
3 for use as a charter school site, (ii) the operation and
4 maintenance thereof, and (iii) the provision of any service,
5 activity, or undertaking that the charter school is required to
6 perform in order to carry out the terms of its charter.
7 However, a charter school that is established on or after April
8 16, 2003 (the effective date of Public Act 93-3) and that
9 operates in a city having a population exceeding 500,000 may
10 not contract with a for-profit entity to manage or operate the
11 school during the period that commences on April 16, 2003 (the
12 effective date of Public Act 93-3) and concludes at the end of
13 the 2004-2005 school year. Except as provided in subsection (i)
14 of this Section, a school district may charge a charter school
15 reasonable rent for the use of the district's buildings,
16 grounds, and facilities. Any services for which a charter
17 school contracts with a school district shall be provided by
18 the district at cost. Any services for which a charter school
19 contracts with a local school board or with the governing body
20 of a State college or university or public community college
21 shall be provided by the public entity at cost.

22 (i) In no event shall a charter school that is established
23 by converting an existing school or attendance center to
24 charter school status be required to pay rent for space that is
25 deemed available, as negotiated and provided in the charter
26 agreement, in school district facilities. However, all other

1 costs for the operation and maintenance of school district
2 facilities that are used by the charter school shall be subject
3 to negotiation between the charter school and the local school
4 board and shall be set forth in the charter.

5 (j) A charter school may limit student enrollment by age or
6 grade level.

7 (k) If the charter school is approved by the Commission,
8 then the Commission charter school is its own local education
9 agency.

16 Sec. 27A-5. Charter school; legal entity; requirements.

17 (a) A charter school shall be a public, nonsectarian,
18 nonreligious, non-home based, and non-profit school. A charter
19 school shall be organized and operated as a nonprofit
20 corporation or other discrete, legal, nonprofit entity
21 authorized under the laws of the State of Illinois.

22 (b) A charter school may be established under this Article
23 by creating a new school or by converting an existing public
24 school or attendance center to charter school status. Beginning
25 on April 16, 2003 (the effective date of Public Act 93-3), in

1 all new applications to establish a charter school in a city
2 having a population exceeding 500,000, operation of the charter
3 school shall be limited to one campus. The changes made to this
4 Section by Public Act 93-3 do not apply to charter schools
5 existing or approved on or before April 16, 2003 (the effective
6 date of Public Act 93-3).

7 (b-5) In this subsection (b-5), "virtual-schooling" means
8 a cyber school where students engage in online curriculum and
9 instruction via the Internet and electronic communication with
10 their teachers at remote locations and with students
11 participating at different times.

12 From April 1, 2013 through December 31, 2016, there is a
13 moratorium on the establishment of charter schools with
14 virtual-schooling components in school districts other than a
15 school district organized under Article 34 of this Code. This
16 moratorium does not apply to a charter school with
17 virtual-schooling components existing or approved prior to
18 April 1, 2013 or to the renewal of the charter of a charter
19 school with virtual-schooling components already approved
20 prior to April 1, 2013.

21 On or before March 1, 2014, the Commission shall submit to
22 the General Assembly a report on the effect of
23 virtual-schooling, including without limitation the effect on
24 student performance, the costs associated with
25 virtual-schooling, and issues with oversight. The report shall
26 include policy recommendations for virtual-schooling.

1 (c) A charter school shall be administered and governed by
2 its board of directors or other governing body in the manner
3 provided in its charter. The governing body of a charter school
4 shall be subject to the Freedom of Information Act and the Open
5 Meetings Act.

6 (d) For purposes of this subsection (d), "non-curricular
7 health and safety requirement" means any health and safety
8 requirement created by statute or rule to provide, maintain,
9 preserve, or safeguard safe or healthful conditions for
10 students and school personnel or to eliminate, reduce, or
11 prevent threats to the health and safety of students and school
12 personnel. "Non-curricular health and safety requirement" does
13 not include any course of study or specialized instructional
14 requirement for which the State Board has established goals and
15 learning standards or which is designed primarily to impart
16 knowledge and skills for students to master and apply as an
17 outcome of their education.

18 A charter school shall comply with all non-curricular
19 health and safety requirements applicable to public schools
20 under the laws of the State of Illinois. On or before September
21 1, 2015, the State Board shall promulgate and post on its
22 Internet website a list of non-curricular health and safety
23 requirements that a charter school must meet. The list shall be
24 updated annually no later than September 1. Any charter
25 contract between a charter school and its authorizer must
26 contain a provision that requires the charter school to follow

1 the list of all non-curricular health and safety requirements
2 promulgated by the State Board and any non-curricular health
3 and safety requirements added by the State Board to such list
4 during the term of the charter. Nothing in this subsection (d)
5 precludes an authorizer from including non-curricular health
6 and safety requirements in a charter school contract that are
7 not contained in the list promulgated by the State Board,
8 including non-curricular health and safety requirements of the
9 authorizing local school board.

10 (e) Except as otherwise provided in the School Code, a
11 charter school shall not charge tuition; provided that a
12 charter school may charge reasonable fees for textbooks,
13 instructional materials, and student activities.

14 (f) A charter school shall be responsible for the
15 management and operation of its fiscal affairs including, but
16 not limited to, the preparation of its budget. An audit of each
17 charter school's finances shall be conducted annually by an
18 outside, independent contractor retained by the charter
19 school. To ensure financial accountability for the use of
20 public funds, on or before December 1 of every year of
21 operation, each charter school shall submit to its authorizer
22 and the State Board a copy of its audit and a copy of the Form
23 990 the charter school filed that year with the federal
24 Internal Revenue Service. In addition, if deemed necessary for

4 discipline reporting; ~~and~~

5 (11) Sections 22-80 and 27-8.1 of this Code; and ~~and~~

6 (12) Section 26-18 of this Code.
