LRB101 04736 RJF 57216 a

1 AMENDMENT TO HOUSE BILL 816

2 AMENDMENT NO. _____. Amend House Bill 816 as follows:

3 on page 3, by replacing line 13 with "is amended by changing
4 Section 1-5 and by adding Section 1-65 as follows:"; and

5 on page 3, immediately below line 13, by inserting the
6 following:

7 "(20 ILCS 1370/1-5)

8 Sec. 1-5. Definitions. In this Act:

9 "Bureau of Communications and Computer Services" means the
10 Bureau of Communications and Computer Services, also known as
11 the Bureau of Information and Communication Services, created
12 by rule (2 Illinois Administrative Code 750.40) within the
13 Department of Central Management Services.

14 "Client agency" means each transferring agency, or its
15 successor. When applicable, "client agency" may also include

1 any other public agency to which the Department provides
2 service to the extent specified in an interagency contract with
3 the public agency.

4 "Dedicated unit" means the dedicated bureau, division,
5 office, or other unit within a transferring agency that is
6 responsible for the information technology functions of the
7 transferring agency. For the Office of the Governor, "dedicated
8 unit" means the Information Technology Office, also known as
9 the Office of the Chief Information Officer. For the Department
10 of Central Management Services, "dedicated unit" means the
11 Bureau of Communications and Computer Services, also known as
12 the Bureau of Information and Communication Services.

13 "Department" means the Department of Innovation and
14 Technology.

15 "Information technology" means technology, infrastructure,
16 equipment, systems, software, networks, and processes used to
17 create, send, receive, and store electronic or digital
18 information, including, without limitation, computer systems
19 and telecommunication services and systems. "Information
20 technology" shall be construed broadly to incorporate future
21 technologies (such as sensors and balanced private hybrid or
22 public cloud posture tailored to the mission of the agency)
23 that change or supplant those in effect as of the effective
24 date of this Act.

25 "Information technology functions" means the development,
26 procurement, installation, retention, maintenance, operation,

1 possession, storage, and related functions of all information
2 technology.

3 "Information Technology Office" means the Information
4 Technology Office, also known as the Office of the Chief
5 Information Officer, within the Office of the Governor, created
6 by Executive Order 1999-05, or its successor.

7 "Legacy information technology division" means any
8 division, bureau, or other unit of a transferring agency which
9 has responsibility for information technology functions for
10 the agency prior to the transfer of those functions to the
11 Department, including, without limitation, the Bureau of
12 Communications and Computer Services.

13 "Mobile-friendly" means, with respect to a website, that
14 the website is configured in such a way that the website may be
15 navigated, viewed, and accessed on a smartphone, tablet
16 computer, or similar mobile device.

17 "Secretary" means the Secretary of Innovation and
18 Technology.

19 "State agency" means each State agency, department, board,
20 and commission directly responsible to the Governor.

21 "Transferring agency" means the Department on Aging; the
22 Departments of Agriculture, Central Management Services,
23 Children and Family Services, Commerce and Economic
24 Opportunity, Corrections, Employment Security, Financial and
25 Professional Regulation, Healthcare and Family Services, Human
26 Rights, Human Services, Insurance, Juvenile Justice, Labor,

1 Lottery, Military Affairs, Natural Resources, Public Health,
2 Revenue, State Police, Transportation, and Veterans' Affairs;
3 the Capital Development Board; the Deaf and Hard of Hearing
4 Commission; the Environmental Protection Agency; the
5 Governor's Office of Management and Budget; the Guardianship
6 and Advocacy Commission; the Historic Preservation Agency; the
7 Illinois Arts Council; the Illinois Council on Developmental
8 Disabilities; the Illinois Emergency Management Agency; the
9 Illinois Gaming Board; the Illinois Health Information
10 Exchange Authority; the Illinois Liquor Control Commission;
11 the Illinois Technology Office; the Office of the State Fire
12 Marshal; and the Prisoner Review Board. "Transferring agency"
13 does not include a State constitutional office, the Office of
14 the Executive Inspector General, or any office of the
15 legislative or judicial branches of State government.

16 (Source: P.A. 100-611, eff. 7-20-18; 100-1169, eff. 1-4-19.);
17 and

18 on page 3, by replacing lines 16 through 21 with the following:

19 "(a) On or before July 1, 2022, the Department of
20 Innovation and Technology shall create a plan to improve the
21 provision of digital services, including modernizing websites
22 and enhancing the use of data analytics for all State agencies.
23 The plan created under this Section shall be posted on the
24 Department's website and shall include the following:"; and

1 on page 4, by replacing lines 7 through 13 with the following:

2 "(b) On or before July 1, 2022, all State agency websites
3 intended for use by the public shall be mobile-friendly.

4 (c) On or before July 1, 2022, all State websites intended
5 for use by the public shall be accessible for persons with
6 disabilities as provided under the Information Technology
7 Accessibility Act."
