

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the Health
5 in All Policies Act.

6 Section 5. Definition. In this Act, "health in all policies
7 framework" means a public health framework through which
8 policymakers and stakeholders in the public and private sectors
9 use a collaborative approach to improve health outcomes and
10 reduce health inequities in the State by incorporating health
11 considerations into decision-making across sectors and policy
12 areas.

13 Section 10. Workgroup.

14 (a) The University of Illinois at Chicago School of Public
15 Health, in consultation with the Department of Public Health,
16 shall convene a workgroup to review legislation and make new
17 policy recommendations relating to the health of residents of
18 the State.

19 (b) The workgroup shall examine the following:

20 (1) The health of residents of the State, to the extent
21 necessary to carry out the requirements of this Act.

22 (2) Ways for units of local government and State

1 agencies to collaborate in implementing policies that will
2 positively impact the health of residents of the State.

3 (3) The impact of the following on the health of
4 residents of the State:

5 (A) Access to safe and affordable housing.

6 (B) Educational attainment.

7 (C) Opportunities for employment.

8 (D) Economic stability.

9 (E) Inclusion, diversity, and equity in the
10 workplace.

11 (F) Barriers to career success and promotion in the
12 workplace.

13 (G) Access to transportation and mobility.

14 (H) Social justice.

15 (I) Environmental factors.

16 (J) Public safety, including the impact of crime,
17 citizen unrest, the criminal justice system, and
18 governmental policies that affect individuals who are
19 in prison or released from prison.

20 (c) The workgroup, using a health in all policies
21 framework, shall perform the following:

22 (1) Review and make recommendations regarding how
23 health considerations may be incorporated into the
24 decision-making processes of government agencies and
25 private stakeholders who interact with government
26 agencies.

1 (2) Foster collaboration among units of local
2 government and State agencies.

3 (3) Develop laws and policies to improve health and
4 reduce health inequities.

5 (4) Make recommendations regarding how to implement
6 laws and policies to improve health and reduce health
7 inequities.

8 (d) The workgroup shall consist of the following members:

9 (1) The Secretary of Human Services, or the Secretary's
10 designee.

11 (2) The Secretary of Transportation, or the
12 Secretary's designee.

13 (3) The Director of the Illinois Environmental
14 Protection Agency, or the Director's designee.

15 (4) The Director of Agriculture, or the Director's
16 designee.

17 (5) The Director of Labor, or the Director's designee.

18 (6) The Director of Public Health, or the Director's
19 designee.

20 (7) One representative of a statewide public health
21 association.

22 (8) One administrator of a Federally Qualified Health
23 Center.

24 (9) One administrator of a public health department
25 local to the University of Illinois at Chicago.

26 (10) One representative of an association representing

1 hospitals and health systems.

2 (11) The Director of Healthcare and Family Services, or
3 the Director's designee.

4 (12) The State Superintendent of Education, or the
5 Superintendent's designee.

6 (13) The Director of Corrections, or the Director's
7 designee.

8 (14) The Chair of the Criminal Justice Information
9 Authority, or the Chair's designee.

10 (15) The Director of Commerce and Economic
11 Opportunity, or the Director's designee.

12 (16) The Director of Aging, or the Director's designee.

13 (17) One representative of the Office of the Governor
14 appointed by the Governor.

15 (18) One representative of a local health department
16 located in a county with a population of less than
17 3,000,000.

18 (19) One representative of a statewide public health
19 institute representing multisector public health system
20 stakeholders.

21 (20) Two representatives of organizations that
22 represent minority populations in public health.

23 (21) One representative of a statewide organization
24 representing physicians licensed to practice medicine in
25 all its branches.

26 (e) To the extent practicable, the members of the workgroup

1 shall reflect the geographic, racial, ethnic, cultural, and
2 gender diversity of the State.

3 (f) Workgroup members shall serve without compensation.

4 (g) A State agency or entity shall, in a timely manner,
5 provide information in response to requests for information
6 submitted by the workgroup, except where that information is
7 otherwise prohibited from disclosure or dissemination by
8 federal or State law, rules or regulations implementing federal
9 or State law, or a court order.

10 (h) The Department of Public Health shall provide
11 administrative and other support to the workgroup.

12 (i) The workgroup shall meet at least twice a year and at
13 other times as it deems appropriate. The workgroup shall
14 prepare a report that summarizes its work and makes
15 recommendations resulting from its study. On an annual basis,
16 the University of Illinois at Chicago School of Public Health,
17 in consultation with the Department of Public Health and
18 members of the workgroup, shall determine a focus area for the
19 report. Focus areas may include, but are not limited to, the
20 areas designated in subsection (b) of Section 10. The workgroup
21 shall submit the report of its findings and recommendations to
22 the General Assembly by December 31, 2020 and by December 31 of
23 each year thereafter. The annual report and recommendations
24 shall be shared with the Department of Public Health and the
25 State Board of Health and shall be considered in the
26 development of the State Health Improvement Plan every 5 years.

1 Section 99. Effective date. This Act takes effect January
2 1, 2020.
