17 to a firefighter's pension fund created under Article 4 of the
18 Illinois Pension Code, to the extent of the amount certified
19 under item (5) of Section 4-134 of the Illinois Pension Code.

20 "Debt service extension base" means an amount equal to that
21 portion of the extension for a taxing district for the 1994
22 levy year, or for those taxing districts subject to this Law in
23 accordance with Section 18-213, except for those subject to
24 paragraph (2) of subsection (e) of Section 18-213, for the levy
25 year in which the referendum making this Law applicable to the
26 taxing district is held, or for those taxing districts subject

1 to this Law in accordance with paragraph (2) of subsection (e)
2 of Section 18-213 for the 1996 levy year, constituting an
3 extension for payment of principal and interest on bonds issued
4 by the taxing district without referendum, but not including
5 excluded non-referendum bonds. For park districts (i) that were
6 first subject to this Law in 1991 or 1995 and (ii) whose
7 extension for the 1994 levy year for the payment of principal
8 and interest on bonds issued by the park district without
9 referendum (but not including excluded non-referendum bonds)
10 was less than 51% of the amount for the 1991 levy year
11 constituting an extension for payment of principal and interest
12 on bonds issued by the park district without referendum (but
13 not including excluded non-referendum bonds), "debt service
14 extension base" means an amount equal to that portion of the
15 extension for the 1991 levy year constituting an extension for
16 payment of principal and interest on bonds issued by the park
17 district without referendum (but not including excluded
18 non-referendum bonds). A debt service extension base
19 established or increased at any time pursuant to any provision
20 of this Law, except Section 18-212, shall be increased each
21 year commencing with the later of (i) the 2009 levy year or
22 (ii) the first levy year in which this Law becomes applicable
23 to the taxing district, by the lesser of 5% or the percentage
24 increase in the Consumer Price Index during the 12-month
25 calendar year preceding the levy year. The debt service
26 extension base may be established or increased as provided

1 under Section 18-212. "Excluded non-referendum bonds" means
2 (i) bonds authorized by Public Act 88-503 and issued under
3 Section 20a of the Chicago Park District Act for aquarium and
4 museum projects; (ii) bonds issued under Section 15 of the
5 Local Government Debt Reform Act; or (iii) refunding
6 obligations issued to refund or to continue to refund
7 obligations initially issued pursuant to referendum.

8 "Special purpose extensions" include, but are not limited
9 to, extensions for levies made on an annual basis for
10 unemployment and workers' compensation, self-insurance,
11 contributions to pension plans, and extensions made pursuant to
12 Section 6-601 of the Illinois Highway Code for a road
13 district's permanent road fund whether levied annually or not.
14 The extension for a special service area is not included in the
15 aggregate extension.

16 "Aggregate extension base" means the taxing district's
17 last preceding aggregate extension as adjusted under Sections
18 18-135, 18-215, 18-230, and 18-206. An adjustment under Section
19 18-135 shall be made for the 2007 levy year and all subsequent
20 levy years whenever one or more counties within which a taxing
21 district is located (i) used estimated valuations or rates when
22 extending taxes in the taxing district for the last preceding
23 levy year that resulted in the over or under extension of
24 taxes, or (ii) increased or decreased the tax extension for the
25 last preceding levy year as required by Section 18-135(c).
26 Whenever an adjustment is required under Section 18-135, the

1 aggregate extension base of the taxing district shall be equal
2 to the amount that the aggregate extension of the taxing
3 district would have been for the last preceding levy year if
4 either or both (i) actual, rather than estimated, valuations or
5 rates had been used to calculate the extension of taxes for the
6 last levy year, or (ii) the tax extension for the last
7 preceding levy year had not been adjusted as required by
8 subsection (c) of Section 18-135.

9 Notwithstanding any other provision of law, for levy year
10 2012, the aggregate extension base for West Northfield School
11 District No. 31 in Cook County shall be \$12,654,592.

12 "Levy year" has the same meaning as "year" under Section
13 1-155.

14 "New property" means (i) the assessed value, after final
15 board of review or board of appeals action, of new improvements
16 or additions to existing improvements on any parcel of real
17 property that increase the assessed value of that real property
18 during the levy year multiplied by the equalization factor
19 issued by the Department under Section 17-30, (ii) the assessed
20 value, after final board of review or board of appeals action,
21 of real property not exempt from real estate taxation, which
22 real property was exempt from real estate taxation for any
23 portion of the immediately preceding levy year, multiplied by
24 the equalization factor issued by the Department under Section
25 17-30, including the assessed value, upon final stabilization
26 of occupancy after new construction is complete, of any real

1 property located within the boundaries of an otherwise or
2 previously exempt military reservation that is intended for
3 residential use and owned by or leased to a private corporation
4 or other entity, and (iii) in counties that classify in
5 accordance with Section 4 of Article IX of the Illinois
6 Constitution, an incentive property's additional assessed
7 value resulting from a scheduled increase in the level of
8 assessment as applied to the first year final board of review
9 market value, ~~and (iv) any increase in assessed value due to~~
10 ~~oil or gas production from an oil or gas well required to be~~
11 ~~permitted under the Hydraulic Fracturing Regulatory Act that~~
12 ~~was not produced in or accounted for during the previous levy~~
13 ~~year.~~ In addition, the county clerk in a county containing a
14 population of 3,000,000 or more shall include in the 1997
15 recovered tax increment value for any school district, any
16 recovered tax increment value that was applicable to the 1995
17 tax year calculations.

18 "Qualified airport authority" means an airport authority
19 organized under the Airport Authorities Act and located in a
20 county bordering on the State of Wisconsin and having a
21 population in excess of 200,000 and not greater than 500,000.

22 "Recovered tax increment value" means, except as otherwise
23 provided in this paragraph, the amount of the current year's
24 equalized assessed value, in the first year after a
25 municipality terminates the designation of an area as a
26 redevelopment project area previously established under the

1 Tax Increment Allocation Development Act in the Illinois
2 Municipal Code, previously established under the Industrial
3 Jobs Recovery Law in the Illinois Municipal Code, previously
4 established under the Economic Development Project Area Tax
5 Increment Act of 1995, or previously established under the
6 Economic Development Area Tax Increment Allocation Act, of each
7 taxable lot, block, tract, or parcel of real property in the
8 redevelopment project area over and above the initial equalized
9 assessed value of each property in the redevelopment project
10 area. For the taxes which are extended for the 1997 levy year,
11 the recovered tax increment value for a non-home rule taxing
12 district that first became subject to this Law for the 1995
13 levy year because a majority of its 1994 equalized assessed
14 value was in an affected county or counties shall be increased
15 if a municipality terminated the designation of an area in 1993
16 as a redevelopment project area previously established under
17 the Tax Increment Allocation Development Act in the Illinois
18 Municipal Code, previously established under the Industrial
19 Jobs Recovery Law in the Illinois Municipal Code, or previously
20 established under the Economic Development Area Tax Increment
21 Allocation Act, by an amount equal to the 1994 equalized
22 assessed value of each taxable lot, block, tract, or parcel of
23 real property in the redevelopment project area over and above
24 the initial equalized assessed value of each property in the
25 redevelopment project area. In the first year after a
26 municipality removes a taxable lot, block, tract, or parcel of

1 real property from a redevelopment project area established
2 under the Tax Increment Allocation Development Act in the
3 Illinois Municipal Code, the Industrial Jobs Recovery Law in
4 the Illinois Municipal Code, or the Economic Development Area
5 Tax Increment Allocation Act, "recovered tax increment value"
6 means the amount of the current year's equalized assessed value
7 of each taxable lot, block, tract, or parcel of real property
8 removed from the redevelopment project area over and above the
9 initial equalized assessed value of that real property before
10 removal from the redevelopment project area.

11 Except as otherwise provided in this Section, "limiting
12 rate" means a fraction the numerator of which is the last
13 preceding aggregate extension base times an amount equal to one
14 plus the extension limitation defined in this Section and the
15 denominator of which is the current year's equalized assessed
16 value of all real property in the territory under the
17 jurisdiction of the taxing district during the prior levy year.
18 For those taxing districts that reduced their aggregate
19 extension for the last preceding levy year, except for school
20 districts that reduced their extension for educational
21 purposes pursuant to Section 18-206, the highest aggregate
22 extension in any of the last 3 preceding levy years shall be
23 used for the purpose of computing the limiting rate. The
24 denominator shall not include new property or the recovered tax
25 increment value. If a new rate, a rate decrease, or a limiting
26 rate increase has been approved at an election held after March

1 21, 2006, then (i) the otherwise applicable limiting rate shall
2 be increased by the amount of the new rate or shall be reduced
