1 AMENDMENT TO SENATE BILL 1307

2 AMENDMENT NO. _____. Amend Senate Bill 1307 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Genetic Information Privacy Act is amended
5 by adding Section 31.11 as follows:

6 (410 ILCS 513/31.11 new)

7 Sec. 31.11. Uses and disclosures for marketing,
8 advertising, or sales. It is unlawful for any person or
9 business to disclose an individual's genetic information to
10 third parties specifically for marketing, advertising, or
11 sales purposes unless the individual, or his or her legal
12 guardian or legally authorized representative, consents in
13 writing to the disclosure. Any request for consent to disclose
14 an individual's genetic information to third parties for
15 marketing, advertising, or sales purposes must be provided in a
16 written notice separate from any other communication that

1 clearly and conspicuously states how the information will be
2 disclosed, including to whom the information will be disclosed
3 and how the information will be used by the recipient, seeks
4 the individual's, or his or her legal guardian's or legally
5 authorized representative's, consent to disclosure, and
6 informs the individual, or his or her legal guardian or legally
7 authorized representative, of how to cancel consent to
8 disclosure once given.".
