11 issued under this Act. This action may be taken in addition to
12 or in lieu of monetary penalties assessed as set forth in this
13 Section. When it is in the interest of the people of the State
14 of Illinois, the Director may, upon good and sufficient

7 violator.

8 (3) The hearing officer upon determination of a violation
9 or violations shall assess one or more of the following
10 penalties:

15 authorization for land application of agrichemical
16 contaminated soils or groundwater, a penalty of \$500 shall
17 be assessed for the first offense and \$1,000 for the second
18 and subsequent offenses.
