BUDGET AND  
IMPACT NOTE ACT  
MAY APPLY

A BILL FOR

1 AN ACT concerning criminal law.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the  
5 Capital Crimes Litigation Act of 2019.

6 Section 5. Appointment of trial counsel in death penalty  
7 cases. If an indigent defendant is charged with an offense for  
8 which a sentence of death is authorized, and the State's  
9 Attorney has not, at or before arraignment, filed a certificate  
10 indicating he or she will not seek the death penalty or stated  
11 on the record in open court that the death penalty will not be  
12 sought, the trial court shall immediately appoint the Public  
13 Defender, or any other qualified attorney or attorneys as the  
14 Illinois Supreme Court shall by rule provide, to represent the  
15 defendant as trial counsel. If the Public Defender is  
16 appointed, he or she shall immediately assign the attorney or  
17 attorneys who are public defenders to represent the defendant.  
18 The counsel shall meet the qualifications as the Supreme Court  
19 shall by rule provide. At the request of court appointed  
20 counsel in a case in which the death penalty is sought,  
21 attorneys employed by the State Appellate Defender may enter an  
22 appearance for the limited purpose of assisting counsel  
23 appointed under this Section.

1 Section 10. Court appointed trial counsel; compensation  
2 and expenses.

3 (a) This Section applies only to compensation and expenses  
4 of trial counsel appointed by the court as set forth in Section  
5 5, other than public defenders, for the period after  
6 arraignment and so long as the State's Attorney has not, at any  
7 time, filed a certificate indicating he or she will not seek  
8 the death penalty or stated on the record in open court that  
9 the death penalty will not be sought.

10 (a-5) Litigation budget.

11 (1) In a case in which the State has filed a statement  
12 of intent to seek the death penalty, the court shall  
13 require appointed counsel, including those appointed in  
14 Cook County, after counsel has had adequate time to review  
15 the case and prior to engaging trial assistance, to submit  
16 a proposed estimated litigation budget for court approval,  
17 that will be subject to modification in light of facts and  
18 developments that emerge as the case proceeds. Case budgets  
19 should be submitted ex parte and filed and maintained under  
20 seal in order to protect the defendant's right to effective  
21 assistance of counsel, right not to incriminate him or  
22 herself and all applicable privileges. Case budgets shall  
23 be reviewed and approved by the judge assigned to try the  
24 case. As provided under subsection (c) of this Section,  
25 petitions for compensation shall be reviewed by both the

1 trial judge and the presiding judge or the presiding  
2 judge's designee.

3 (2) The litigation budget shall serve purposes  
4 comparable to those of private retainer agreements by  
5 confirming both the court's and the attorney's  
6 expectations regarding fees and expenses. Consideration  
7 should be given to employing an ex parte pretrial  
8 conference in order to facilitate reaching agreement on a  
9 litigation budget at the earliest opportunity.

10 (3) The budget shall be incorporated into a sealed  
11 initial pretrial order that reflects the understandings of  
12 the court and counsel regarding all matters affecting  
13 counsel compensation and reimbursement and payments for  
14 investigative, expert and other services, including, but  
15 not limited to, the following matters:

16 (A) the hourly rate at which counsel will be  
17 compensated;

18 (B) the hourly rate at which private  
19 investigators, other than investigators employed by  
20 the Office of the State Appellate Defender, will be  
21 compensated; and

22 (C) the best preliminary estimate that can be made  
23 of the cost of all services, including, but not limited  
24 to, counsel, expert, and investigative services that  
25 are likely to be needed through the guilt and penalty  
26 phases of the trial. The court shall have discretion to

1           require that budgets be prepared for shorter intervals  
2           of time.

3           (4) Appointed counsel may obtain, subject to later  
4           review, investigative, expert, or other services without  
5           prior authorization if necessary for an adequate defense.  
6           If the services are obtained, the presiding judge or the  
7           presiding judge's designee shall consider in an ex parte  
8           proceeding that timely procurement of necessary services  
9           could not await prior authorization. If an ex parte hearing  
10          is requested by defense counsel or deemed necessary by the  
11          trial judge prior to modifying a budget, the ex parte  
12          hearing shall be before the presiding judge or the  
13          presiding judge's designee. The judge may then authorize  
14          the services nunc pro tunc. If the presiding judge or the  
15          presiding judge's designee finds that the services were not  
16          reasonable, payment may be denied.

17          (5) An approved budget shall guide counsel's use of  
18          time and resources by indicating the services for which  
19          compensation is authorized. The case budget shall be  
20          re-evaluated when justified by changed or unexpected  
21          circumstances and shall be modified by the court when  
22          reasonable and necessary for an adequate defense. If an ex  
23          parte hearing is requested by defense counsel or deemed  
24          necessary by the trial judge prior to modifying a budget,  
25          the ex parte hearing shall be before the presiding judge or  
26          the presiding judge's designee.

1           (b) Appointed trial counsel shall be compensated upon  
2 presentment and certification by the circuit court of a claim  
3 for services detailing the date, activity, and time duration  
4 for which compensation is sought. Compensation for appointed  
5 trial counsel may be paid at a reasonable rate not to exceed  
6 \$125 per hour. The court shall not authorize payment of bills  
7 that are not properly itemized. A request for payment shall be  
8 presented under seal and reviewed ex parte with a court  
9 reporter present. Every January 20, the statutory rate  
10 prescribed in this subsection shall be automatically increased  
11 or decreased, as applicable, by a percentage equal to the  
12 percentage change in the consumer price index-u during the  
13 preceding 12-month calendar year. "Consumer price index-u"  
14 means the index published by the Bureau of Labor Statistics of  
15 the United States Department of Labor that measures the average  
16 change in prices of goods and services purchased by all urban  
17 consumers, United States city average, all items, 1982-84=100.  
18 The new rate resulting from each annual adjustment shall be  
19 determined by the State Treasurer and made available to the  
20 chief judge of each judicial circuit.

21           (c) Appointed trial counsel may also petition the court for  
22 certification of expenses for reasonable and necessary capital  
23 litigation expenses including, but not limited to,  
24 investigatory and other assistance, expert, forensic, and  
25 other witnesses, and mitigation specialists. Each provider of  
26 proposed services must specify the best preliminary estimate

1 that can be made in light of information received in the case  
2 at that point, and the provider must sign this estimate under  
3 the provisions of Section 1-109 of the Code of Civil Procedure.  
4 A provider of proposed services must also specify: (1) his or  
5 her hourly rate; (2) the hourly rate of anyone else in his or  
6 her employ for whom reimbursement is sought; and (3) the hourly  
7 rate of any person or entity that may be subcontracted to  
8 perform these services. Counsel may not petition for  
9 certification of expenses that may have been provided or  
10 compensated by the State Appellate Defender under item (c) (5.1)  
11 of Section 10 of the State Appellate Defender Act. The  
12 petitions shall be filed under seal and considered ex parte but  
13 with a court reporter present for all ex parte conferences. If  
14 the requests are submitted after services have been rendered,  
15 the requests shall be supported by an invoice describing the  
16 services rendered, the dates the services were performed and  
17 the amount of time spent. These petitions shall be reviewed by  
18 both the trial judge and the presiding judge of the circuit  
19 court or the presiding judge's designee. The petitions and  
20 orders shall be kept under seal and shall be exempt from  
21 Freedom of Information requests until the conclusion of the  
22 trial, even if the prosecution chooses not to pursue the death  
23 penalty prior to trial or sentencing. If an ex parte hearing is  
24 requested by defense counsel or deemed necessary by the trial  
25 judge, the hearing shall be before the presiding judge or the  
26 presiding judge's designee.

1 (d) Appointed trial counsel shall petition the court for  
2 certification of compensation and expenses under this Section  
3 periodically during the course of counsel's representation.  
4 The petitions shall be supported by itemized bills showing the  
5 date, the amount of time spent, the work done, and the total  
6 being charged for each entry. The court shall not authorize  
7 payment of bills that are not properly itemized. The court must  
8 certify reasonable and necessary expenses of the petitioner for  
9 travel and per diem (lodging, meals, and incidental expenses).  
10 These expenses must be paid at the rate as promulgated by the  
11 United States General Services Administration for these  
12 expenses for the date and location in which they were incurred,  
13 unless extraordinary reasons are shown for the difference. The  
14 petitions shall be filed under seal and considered ex parte but  
15 with a court reporter present for all ex parte conferences. The  
16 petitions shall be reviewed by both the trial judge and the  
17 presiding judge of the circuit court or the presiding judge's  
18 designee. If an ex parte hearing is requested by defense  
19 counsel or deemed necessary by the trial judge, the ex parte  
20 hearing shall be before the presiding judge or the presiding  
21 judge's designee. If the court determines that the compensation  
22 and expenses should be paid from the Capital Litigation Trust  
23 Fund, the court shall certify, on a form created by the State  
24 Treasurer, that all or a designated portion of the amount  
25 requested is reasonable, necessary, and appropriate for  
26 payment from the Trust Fund. The form must also be signed by

1 lead trial counsel under the provisions of Section 1-109 of the  
2 Code of Civil Procedure verifying that the amount requested is  
3 reasonable, necessary, and appropriate. Bills submitted for  
4 payment by any individual or entity seeking payment from the  
5 Capital Litigation Trust Fund must also be accompanied by a  
6 form created by the State Treasurer and signed by the  
7 individual or responsible agent of the entity under the  
8 provisions of Section 1-109 of the Code of Civil Procedure that  
9 the amount requested is accurate and truthful and reflects time  
10 spent or expenses incurred. Certification of compensation and  
11 expenses by a court in any county other than Cook County shall  
12 be delivered by the court to the State Treasurer and must be  
13 paid by the State Treasurer directly from the Capital  
14 Litigation Trust Fund if there are sufficient moneys in the  
15 Trust Fund to pay the compensation and expenses. If the State  
16 Treasurer finds within 14 days of his or her receipt of a  
17 certification that the compensation and expenses to be paid are  
18 unreasonable, unnecessary, or inappropriate, he or she may  
19 return the certification to the court setting forth in detail  
20 the objection or objections with a request for the court to  
21 review the objection or objections before resubmitting the  
22 certification. The State Treasurer must send the claimant a  
23 copy of the objection or objections. The State Treasurer may  
24 only seek a review of a specific objection once. The claimant  
25 has 7 days from his or her receipt of the objections to file a  
26 response with the court. With or without further hearing, the

1 court must promptly rule on the objections. The petitions and  
2 orders shall be kept under seal and shall be exempt from  
3 Freedom of Information requests until the conclusion of the  
4 trial and appeal of the case, even if the prosecution chooses  
5 not to pursue the death penalty prior to trial or sentencing.  
6 Certification of compensation and expenses by a court in Cook  
7 County shall be delivered by the court to the county treasurer  
8 and paid by the county treasurer from moneys granted to the  
9 county from the Capital Litigation Trust Fund.

10 Section 15. Capital Litigation Trust Fund.

11 (a) The Capital Litigation Trust Fund is created as a  
12 special fund in the State Treasury. The Trust Fund shall be

20 ~~terrorism as defined in Section 29D-14.9 of this Code.~~

21 (b-5) Aggravating Factor; Natural Life Imprisonment. A  
22 defendant who has been found guilty of first degree murder and  
23 who at the time of the commission of the offense had attained  
24 the age of 18 years or more may be sentenced to natural life  
25 imprisonment if (i) the murdered individual was a physician,  
26 physician assistant, psychologist, nurse, or advanced practice

1 registered nurse, (ii) the defendant knew or should have known  
2 that the murdered individual was a physician, physician  
3 assistant, psychologist, nurse, or advanced practice  
4 registered nurse, and (iii) the murdered individual was killed  
5 in the course of acting in his or her capacity as a physician,  
6 physician assistant, psychologist, nurse, or advanced practice  
7 registered nurse, or to prevent him or her from acting in that  
8 capacity, or in retaliation for his or her acting in that  
9 capacity.

10 (c) Consideration of factors in Aggravation and  
11 Mitigation.

12 The court shall consider, or shall instruct the jury to  
13 consider any aggravating and any mitigating factors which are  
14 relevant to the imposition of the death penalty. Aggravating  
15 factors may include but need not be limited to those factors  
16 set forth in subsection (b). Mitigating factors may include but  
17 need not be limited to the following:

18 (1) the defendant has no significant history of prior  
19 criminal activity;

20 (2) the murder was committed while the defendant was  
21 under the influence of extreme mental or emotional  
22 disturbance, although not such as to constitute a defense  
23 to prosecution;

24 (3) the murdered individual was a participant in the  
25 defendant's homicidal conduct or consented to the  
26 homicidal act;

1           (4) the defendant acted under the compulsion of threat  
2           or menace of the imminent infliction of death or great  
3           bodily harm;

4           (5) the defendant was not personally present during  
5           commission of the act or acts causing death;

6           (6) the defendant's background includes a history of  
7           extreme emotional or physical abuse;

8           (7) the defendant suffers from a reduced mental  
9           capacity.

10          Provided, however, that an action that does not otherwise  
11          mitigate first degree murder cannot qualify as a mitigating  
12          factor for first degree murder because of the discovery,  
13          knowledge, or disclosure of the victim's sexual orientation as  
14          defined in Section 1-103 of the Illinois Human Rights Act.

15          (d) Separate sentencing hearing.

16          Where requested by the State, the court shall conduct a  
17          separate sentencing proceeding to determine the existence of  
18          factors set forth in subsection (b) and to consider any  
19          aggravating or mitigating factors as indicated in subsection  
20          (c). The proceeding shall be conducted:

21                 (1) before the jury that determined the defendant's  
22                 guilt; or

23                 (2) before a jury impanelled for the purpose of the  
24                 proceeding if:

25                         A. the defendant was convicted upon a plea of  
26                         guilty; or

1           B. the defendant was convicted after a trial before  
2           the court sitting without a jury; or

3           C. the court for good cause shown discharges the  
4           jury that determined the defendant's guilt; or

5           (3) before the court alone if the defendant waives a  
6           jury for the separate proceeding.

7           (e) Evidence and Argument.

8           During the proceeding any information relevant to any of  
9           the factors set forth in subsection (b) may be presented by  
10          either the State or the defendant under the rules governing the  
11          admission of evidence at criminal trials. Any information  
12          relevant to any additional aggravating factors or any  
13          mitigating factors indicated in subsection (c) may be presented  
14          by the State or defendant regardless of its admissibility under  
15          the rules governing the admission of evidence at criminal  
16          trials. The State and the defendant shall be given fair  
17          opportunity to rebut any information received at the hearing.

18          (f) Proof.

19          The burden of proof of establishing the existence of any of  
20          the factors set forth in subsection (b) is on the State and  
21          shall not be satisfied unless established beyond a reasonable  
22          doubt.

23          (g) Procedure - Jury.

24          If at the separate sentencing proceeding the jury finds  
25          that none of the factors set forth in subsection (b) exists,  
26          the court shall sentence the defendant to a term of

1 imprisonment under Chapter V of the Unified Code of  
2 Corrections. If there is a unanimous finding by the jury that  
3 one or more of the factors set forth in subsection (b) exist,  
4 the jury shall consider aggravating and mitigating factors as  
5 instructed by the court and shall determine whether the  
6 sentence of death shall be imposed. If the jury determines  
7 unanimously, after weighing the factors in aggravation and  
8 mitigation, that death is the appropriate sentence, the court  
9 shall sentence the defendant to death. If the court does not  
10 concur with the jury determination that death is the  
11 appropriate sentence, the court shall set forth reasons in  
12 writing including what facts or circumstances the court relied  
13 upon, along with any relevant documents, that compelled the  
14 court to non-concur with the sentence. This document and any  
15 attachments shall be part of the record for appellate review.  
16 The court shall be bound by the jury's sentencing  
17 determination.

18 If after weighing the factors in aggravation and  
19 mitigation, one or more jurors determines that death is not the  
20 appropriate sentence, the court shall sentence the defendant to  
21 a term of imprisonment under Chapter V of the Unified Code of  
22 Corrections.

23 (h) Procedure - No Jury.

24 In a proceeding before the court alone, if the court finds  
25 that none of the factors found in subsection (b) exists, the  
26 court shall sentence the defendant to a term of imprisonment

1 under Chapter V of the Unified Code of Corrections.

2 If the Court determines that one or more of the factors set  
3 forth in subsection (b) exists, the Court shall consider any  
4 aggravating and mitigating factors as indicated in subsection  
5 (c). If the Court determines, after weighing the factors in  
6 aggravation and mitigation, that death is the appropriate  
7 sentence, the Court shall sentence the defendant to death.

8 If the court finds that death is not the appropriate  
9 sentence, the court shall sentence the defendant to a term of  
10 imprisonment under Chapter V of the Unified Code of  
11 Corrections.

12 (h-5) Decertification as a capital case.

13 In a case in which the defendant has been found guilty of  
14 first degree murder by a judge or jury, or a case on remand for  
15 resentencing, and the State seeks the death penalty as an  
16 appropriate sentence, on the court's own motion or the written  
17 motion of the defendant, the court may decertify the case as a  
18 death penalty case if the court finds that the only evidence  
19 supporting the defendant's conviction is the uncorroborated  
20 testimony of an informant witness, as defined in Section 115-21  
21 of the Code of Criminal Procedure of 1963, concerning the  
22 confession or admission of the defendant or that the sole  
23 evidence against the defendant is a single eyewitness or single  
24 accomplice without any other corroborating evidence. If the  
25 court decertifies the case as a capital case under either of  
26 the grounds set forth above, the court shall issue a written

1 finding. The State may pursue its right to appeal the  
2 decertification pursuant to Supreme Court Rule 604(a)(1). If  
3 the court does not decertify the case as a capital case, the  
4 matter shall proceed to the eligibility phase of the sentencing  
5 hearing.

6 (i) Appellate Procedure.

7 The conviction and sentence of death shall be subject to  
8 automatic review by the Supreme Court. Such review shall be in  
9 accordance with rules promulgated by the Supreme Court. The  
10 Illinois Supreme Court may overturn the death sentence, and  
11 order the imposition of imprisonment under Chapter V of the  
12 Unified Code of Corrections if the court finds that the death  
13 sentence is fundamentally unjust as applied to the particular  
14 case. If the Illinois Supreme Court finds that the death  
15 sentence is fundamentally unjust as applied to the particular  
16 case, independent of any procedural grounds for relief, the  
17 Illinois Supreme Court shall issue a written opinion explaining  
18 this finding.

19 (j) Disposition of reversed death sentence.

20 In the event that the death penalty in this Act is held to  
21 be unconstitutional by the Supreme Court of the United States  
22 or of the State of Illinois, any person convicted of first  
23 degree murder shall be sentenced by the court to a term of  
24 imprisonment under Chapter V of the Unified Code of  
25 Corrections.

26 In the event that any death sentence pursuant to the

1 sentencing provisions of this Section is declared  
2 unconstitutional by the Supreme Court of the United States or  
3 of the State of Illinois, the court having jurisdiction over a  
4 person previously sentenced to death shall cause the defendant  
5 to be brought before the court, and the court shall sentence  
6 the defendant to a term of imprisonment under Chapter V of the  
7 Unified Code of Corrections.

8 (k) Guidelines for seeking the death penalty.

9 The Attorney General and State's Attorneys Association  
10 shall consult on voluntary guidelines for procedures governing  
11 whether or not to seek the death penalty. The guidelines do not  
12 have the force of law and are only advisory in nature.

15 Section 110. The Code of Criminal Procedure of 1963 is  
16 amended by changing Sections 113-3 and 119-1 as follows:

17 (725 ILCS 5/113-3) (from Ch. 38, par. 113-3)

18 Sec. 113-3. (a) Every person charged with an offense shall  
19 be allowed counsel before pleading to the charge. If the  
20 defendant desires counsel and has been unable to obtain same  
21 before arraignment the court shall recess court or continue the  
22 cause for a reasonable time to permit defendant to obtain  
23 counsel and consult with him before pleading to the charge. If  
24 the accused is a dissolved corporation, and is not represented

1 by counsel, the court may, in the interest of justice, appoint  
2 as counsel a licensed attorney of this State.

3 (b) In all cases, except where the penalty is a fine only,  
4 if the court determines that the defendant is indigent and  
5 desires counsel, the Public Defender shall be appointed as  
6 counsel. If there is no Public Defender in the county or if the  
7 defendant requests counsel other than the Public Defender and  
8 the court finds that the rights of the defendant will be  
9 prejudiced by the appointment of the Public Defender, the court  
10 shall appoint as counsel a licensed attorney at law of this  
11 State, except that in a county having a population of 2,000,000  
12 or more the Public Defender shall be appointed as counsel in  
13 all misdemeanor cases where the defendant is indigent and  
14 desires counsel unless the case involves multiple defendants,  
15 in which case the court may appoint counsel other than the  
16 Public Defender for the additional defendants. The court shall  
17 require an affidavit signed by any defendant who requests  
18 court-appointed counsel. Such affidavit shall be in the form  
19 established by the Supreme Court containing sufficient  
20 information to ascertain the assets and liabilities of that  
21 defendant. The Court may direct the Clerk of the Circuit Court  
22 to assist the defendant in the completion of the affidavit. Any  
23 person who knowingly files such affidavit containing false  
24 information concerning his assets and liabilities shall be  
25 liable to the county where the case, in which such false  
26 affidavit is filed, is pending for the reasonable value of the

1 services rendered by the public defender or other  
2 court-appointed counsel in the case to the extent that such  
3 services were unjustly or falsely procured.

4 (c) Upon the filing with the court of a verified statement  
5 of services rendered the court shall order the county treasurer  
6 of the county of trial to pay counsel other than the Public  
7 Defender a reasonable fee. The court shall consider all  
8 relevant circumstances, including but not limited to the time  
9 spent while court is in session, other time spent in  
10 representing the defendant, and expenses reasonably incurred  
11 by counsel. In counties with a population greater than  
12 2,000,000, the court shall order the county treasurer of the  
13 county of trial to pay counsel other than the Public Defender a  
14 reasonable fee stated in the order and based upon a rate of  
15 compensation of not more than \$40 for each hour spent while  
16 court is in session and not more than \$30 for each hour  
17 otherwise spent representing a defendant, and such  
18 compensation shall not exceed \$150 for each defendant  
19 represented in misdemeanor cases and \$1250 in felony cases, in  
20 addition to expenses reasonably incurred as hereinafter in this  
21 Section provided, except that, in extraordinary circumstances,  
22 payment in excess of the limits herein stated may be made if  
23 the trial court certifies that such payment is necessary to  
24 provide fair compensation for protracted representation. A  
25 trial court may entertain the filing of this verified statement  
26 before the termination of the cause, and may order the

1 provisional payment of sums during the pendency of the cause.

2 (d) In capital cases, in addition to counsel, if the court  
3 determines that the defendant is indigent the court may, upon  
4 the filing with the court of a verified statement of services  
5 rendered, order the county Treasurer of the county of trial to  
6 pay necessary expert witnesses for defendant reasonable  
7 compensation stated in the order not to exceed \$250 for each  
8 defendant.

9 (e) If the court in any county having a population greater  
10 than 2,000,000 determines that the defendant is indigent the  
11 court may, upon the filing with the court of a verified  
12 statement of such expenses, order the county treasurer of the  
13 county of trial, in such counties having a population greater  
14 than 2,000,000 to pay the general expenses of the trial  
15 incurred by the defendant not to exceed \$50 for each defendant.

16 (f) The provisions of this Section relating to appointment  
17 of counsel, compensation of counsel, and payment of expenses in  
18 capital cases apply except when the compensation and expenses  
19 are being provided under the Capital Crimes Litigation Act of  
20 2019.

17 Sec. 10. Powers and duties of State Appellate Defender.

18 (a) The State Appellate Defender shall represent indigent  
19 persons on appeal in criminal and delinquent minor proceedings,

21 or law of this State.

2           serve as counsel on a case basis;

4           law schools, for the purpose of utilizing volunteer law  
5           students as legal assistants;

6           (3) cooperate and consult with state agencies,  
7           professional associations, and other groups concerning the  
8           causes of criminal conduct, the rehabilitation and  
9           correction of persons charged with and convicted of crime,  
10          the administration of criminal justice, and, in counties of  
11          less than 1,000,000 population, study, design, develop and  
12          implement model systems for the delivery of trial level  
13          defender services, and make an annual report to the General  
14          Assembly;

15          (4) hire investigators to provide investigative  
16          services to appointed counsel and county public defenders;

17          (5) (blank);

18          (5.1) in cases in which a death sentence is an  
19          authorized disposition, provide trial counsel with legal  
20          assistance and the assistance of expert witnesses,  
21          investigators, and mitigation specialists from funds  
22          appropriated to the State Appellate Defender specifically  
23          for that purpose by the General Assembly. The Office of  
24          State Appellate Defender shall not be appointed to serve as  
25          trial counsel in capital cases;

26          (5.5) provide training to county public defenders;

1 (5.7) provide county public defenders with the  
2 assistance of expert witnesses and investigators from

4 specifically for that purpose by the General Assembly. The  
5 Office of the State Appellate Defender shall not be  
6 appointed to act as trial counsel;

7 (6) develop a Juvenile Defender Resource Center to: (i)  
8 study, design, develop, and implement model systems for the  
9 delivery of trial level defender services for juveniles in  
10 the justice system; (ii) in cases in which a sentence of  
11 incarceration or an adult sentence, or both, is an  
12 authorized disposition, provide trial counsel with legal  
13 advice and the assistance of expert witnesses and  
14 investigators from funds appropriated to the Office of the  
15 State Appellate Defender by the General Assembly  
16 specifically for that purpose; (iii) develop and provide  
17 training to public defenders on juvenile justice issues,  
18 utilizing resources including the State and local bar  
19 associations, the Illinois Public Defender Association,  
20 law schools, the Midwest Juvenile Defender Center, and pro  
21 bono efforts by law firms; and (iv) make an annual report  
22 to the General Assembly.

23 Investigators employed by the Capital Trial Assistance  
24 Unit and Capital Post Conviction Unit of the State Appellate

26 State Police or local law enforcement with the Law Enforcement

2 Civil Administrative Code of Illinois to ascertain whether  
3 their potential witnesses have a criminal background,  
4 including, but not limited to: (i) warrants; (ii) arrests;  
5 (iii) convictions; and (iv) officer safety information. This  
6 authorization applies only to information held on the State

8 the investigators. Any information that is obtained through  
9 this inquiry may not be disclosed by the investigators.

10 (c-5) For each State fiscal year, the State Appellate  
11 Defender shall request a direct appropriation from the Capital

13 Appellate Defender in providing assistance to trial attorneys  
14 under paragraph (5.1) of subsection (c) of this Section and for  
15 expenses incurred by the State Appellate Defender in  
16 representing petitioners in capital cases in post-conviction  
17 proceedings under Article 122 of the Code of Criminal Procedure  
18 of 1963 and in relation to petitions filed under Section 2-1401

22 an appropriation to the State Treasurer for payments from the  
23 Trust Fund for the defense of cases in counties other than Cook  
24 County. The State Appellate Defender may appear before the  
25 General Assembly at other times during the State's fiscal year  
26 to request supplemental appropriations from the Trust Fund to

1 the State Treasurer.

2 (d) (Blank).

3 (e) The requirement for reporting to the General Assembly
