### State of Illinois

2019 and 2020

SB1840

Introduced 2/15/2019, by Sen. Jason Plummer

#### SYNOPSIS AS INTRODUCED:

20 ILCS 2105/2105-365 new

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Requires the Department of Financial and Professional Regulation to conduct a survey, through an official mailing from the Department, of persons licensed or registered, or both, under a regulatory Act subject to be repealed under the Regulatory Sunset Act and to compile the results of that survey in a report that the Department must submit to the Governor and the General Assembly at least 12 months before the scheduled repeal of the regulatory Act. Provides that the survey must include questions concerning the licensees' or registrants' views on: how the requirements of the Act help to protect the health and safety of Illinois citizens; how the Act protects the profession from bad actors; what suggested changes to the regulatory Act would improve the profession; and how effective the continuing education requirements are.
