

101ST GENERAL ASSEMBLY

State of Illinois

2019 and 2020

SB2151

Introduced 2/15/2019, by Sen. Michael E. Hastings

SYNOPSIS AS INTRODUCED:

225 ILCS 65/50-10
225 ILCS 65/50-75
225 ILCS 65/60-35

was 225 ILCS 65/5-10

Amends the Nurse Practice Act. Provides that registered professional nursing practice is a scientific process founded on a professional body of knowledge; it is a learned profession based on the understanding of the human condition across the life span and environment and includes all nursing specialties and means the performance of any nursing act based upon professional knowledge, judgment, and skills acquired by means of completion of an approved professional nursing education program. Provides that registered professional nurses may delegate nursing interventions and tasks (rather than nursing interventions) to other registered professional nurses and licensed practical nurses and may delegate tasks to unlicensed personnel based on the comprehensive nursing assessment. Removes provisions concerning delegation of nursing interventions and administration of medications in community-based or in-home care settings. Provides that a registered professional nurse may delegate tasks to other licensed and unlicensed persons. Makes other changes. Effective August 1, 2019.

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Nurse Practice Act is amended by changing
5 Sections 50-10, 50-75, and 60-35 as follows:

6 (225 ILCS 65/50-10) (was 225 ILCS 65/5-10)

7 (Section scheduled to be repealed on January 1, 2028)

8 Sec. 50-10. Definitions. Each of the following terms, when
9 used in this Act, shall have the meaning ascribed to it in this
10 Section, except where the context clearly indicates otherwise:

11 "Academic year" means the customary annual schedule of
12 courses at a college, university, or approved school,
13 customarily regarded as the school year as distinguished from
14 the calendar year.

15 "Address of record" means the designated address recorded
16 by the Department in the applicant's or licensee's application
17 file or license file as maintained by the Department's
18 licensure maintenance unit.

19 "Advanced practice registered nurse" or "APRN" means a
20 person who has met the qualifications for a (i) certified nurse
21 midwife (CNM); (ii) certified nurse practitioner (CNP); (iii)
22 certified registered nurse anesthetist (CRNA); or (iv)
23 clinical nurse specialist (CNS) and has been licensed by the

1 Department. All advanced practice registered nurses licensed
2 and practicing in the State of Illinois shall use the title
3 APRN and may use specialty credentials CNM, CNP, CRNA, or CNS
4 after their name. All advanced practice registered nurses may
5 only practice in accordance with national certification and
6 this Act.

7 "Advisory Board" means the Illinois Nursing Workforce
8 Center Advisory Board.

9 "Approved program of professional nursing education" and
10 "approved program of practical nursing education" are programs
11 of professional or practical nursing, respectively, approved
12 by the Department under the provisions of this Act.

13 "Board" means the Board of Nursing appointed by the
14 Secretary.

15 "Center" means the Illinois Nursing Workforce Center.

16 "Collaboration" means a process involving 2 or more health
17 care professionals working together, each contributing one's
18 respective area of expertise to provide more comprehensive
19 patient care.

20 "Competence" means an expected and measurable level of
21 performance that integrates knowledge, skills, abilities, and
22 judgment based on established scientific knowledge and
23 expectations for nursing practice.

24 "Comprehensive nursing assessment" means the gathering of
25 information about the patient's physiological, psychological,
26 sociological, and spiritual status on an ongoing basis by a

1 registered professional nurse and is the first step in
2 implementing and guiding the nursing plan of care.

3 "Consultation" means the process whereby an advanced
4 practice registered nurse seeks the advice or opinion of
5 another health care professional.

6 "Credentialed" means the process of assessing and
7 validating the qualifications of a health care professional.

8 "Dentist" means a person licensed to practice dentistry
9 under the Illinois Dental Practice Act.

10 "Department" means the Department of Financial and
11 Professional Regulation.

12 "Email address of record" means the designated email
13 address recorded by the Department in the applicant's
14 application file or the licensee's license file, as maintained
15 by the Department's licensure maintenance unit.

16 "Focused nursing assessment" means an appraisal of an
17 individual's status and current situation, contributing to the
18 comprehensive nursing assessment performed by the registered
19 professional nurse or advanced practice registered nurse or the
20 assessment by the physician assistant, physician, dentist,
21 podiatric physician, or other licensed health care
22 professional, as determined by the Department, supporting
23 ongoing data collection, and deciding who needs to be informed
24 of the information and when to inform.

25 "Full practice authority" means the authority of an advanced
26 practice registered nurse licensed in Illinois and certified as

1 a nurse practitioner, clinical nurse specialist, or nurse
2 midwife to practice without a written collaborative agreement
3 and:

4 (1) to be fully accountable to patients for the quality
5 of advanced nursing care rendered;

6 (2) to be fully accountable for recognizing limits of
7 knowledge and experience and for planning for the
8 management of situations beyond the advanced practice
9 registered nurse's expertise; the full practice authority
10 for advanced practice registered nurses includes accepting
11 referrals from, consulting with, collaborating with, or
12 referring to other health care professionals as warranted
13 by the needs of the patient; and

14 (3) to possess the authority to prescribe medications,
15 including Schedule II through V controlled substances, as
16 provided in Section 65-43.

17 "Hospital affiliate" means a corporation, partnership,
18 joint venture, limited liability company, or similar
19 organization, other than a hospital, that is devoted primarily
20 to the provision, management, or support of health care
21 services and that directly or indirectly controls, is
22 controlled by, or is under common control of the hospital. For
23 the purposes of this definition, "control" means having at
24 least an equal or a majority ownership or membership interest.
25 A hospital affiliate shall be 100% owned or controlled by any
26 combination of hospitals, their parent corporations, or

1 physicians licensed to practice medicine in all its branches in
2 Illinois. "Hospital affiliate" does not include a health
3 maintenance organization regulated under the Health
4 Maintenance Organization Act.

5 "Impaired nurse" means a nurse licensed under this Act who
6 is unable to practice with reasonable skill and safety because
7 of a physical or mental disability as evidenced by a written
8 determination or written consent based on clinical evidence,
9 including loss of motor skills, abuse of drugs or alcohol, or a
10 psychiatric disorder, of sufficient degree to diminish his or
11 her ability to deliver competent patient care.

12 "License-pending advanced practice registered nurse" means
13 a registered professional nurse who has completed all
14 requirements for licensure as an advanced practice registered
15 nurse except the certification examination and has applied to
16 take the next available certification exam and received a
17 temporary permit from the Department.

18 "License-pending registered nurse" means a person who has
19 passed the Department-approved registered nurse licensure exam
20 and has applied for a license from the Department. A
21 license-pending registered nurse shall use the title "RN lic
22 pend" on all documentation related to nursing practice.

23 "Nursing intervention" means any treatment based on
24 clinical nursing judgment or knowledge that a nurse performs.
25 An individual or entity shall not mandate that a registered
26 professional nurse delegate nursing interventions if the

1 registered professional nurse determines it is inappropriate
2 to do so. A nurse shall not be subject to disciplinary or any
3 other adverse action for refusing to delegate a nursing
4 intervention based on patient safety.

5 "Physician" means a person licensed to practice medicine in
6 all its branches under the Medical Practice Act of 1987.

7 "Podiatric physician" means a person licensed to practice
8 podiatry under the Podiatric Medical Practice Act of 1987.

9 "Practical nurse" or "licensed practical nurse" means a
10 person who is licensed as a practical nurse under this Act and
11 practices practical nursing as defined in this Act. Only a
12 practical nurse licensed under this Act is entitled to use the
13 title "licensed practical nurse" and the abbreviation
14 "L.P.N.".

15 "Practical nursing" means the performance of nursing
16 interventions requiring the nursing knowledge, judgment, and
17 skill acquired by means of completion of an approved practical
18 nursing education program. Practical nursing includes
19 assisting in the nursing process under the guidance of a
20 registered professional nurse or an advanced practice
21 registered nurse. The practical nurse may work under the
22 direction of a licensed physician, dentist, podiatric
23 physician, or other health care professional determined by the
24 Department.

25 "Privileged" means the authorization granted by the
26 governing body of a healthcare facility, agency, or

1 organization to provide specific patient care services within
2 well-defined limits, based on qualifications reviewed in the
3 credentialing process.

4 "Registered Nurse" or "Registered Professional Nurse"
5 means a person who is licensed as a professional nurse under
6 this Act and practices nursing as defined in this Act. Only a
7 registered nurse licensed under this Act is entitled to use the
8 titles "registered nurse" and "registered professional nurse"
9 and the abbreviation, "R.N.".

10 "Registered professional nursing practice" means a
11 scientific process founded on a professional body of knowledge
12 that includes, but is not limited to, the protection,
13 promotion, and optimization of health and abilities,
14 prevention of illness and injury, development and
15 implementation of the nursing plan of care, facilitation of
16 nursing interventions to alleviate suffering, care
17 coordination, and advocacy in the care of individuals,
18 families, groups, communities, and populations. "Registered
19 professional nursing practice" does not include the act of
20 medical diagnosis or prescription of medical therapeutic or
21 corrective measures. Registered professional nursing practice
22 is a scientific process founded on a professional body of
23 knowledge; it is a learned profession based on the
24 understanding of the human condition across the life span and
25 environment and includes all nursing specialties and means the
26 performance of any nursing act based upon professional

1 knowledge, judgment, and skills acquired by means of completion
2 of an approved professional nursing education program. A
3 registered professional nurse provides holistic nursing care
4 through the nursing process to individuals, groups, families,
5 or communities, that includes but is not limited to: (1) the
6 assessment of healthcare needs, nursing diagnosis, planning,
7 implementation, and nursing evaluation; (2) the promotion,
8 maintenance, and restoration of health; (3) counseling,
9 patient education, health education, and patient advocacy; (4)
10 the administration of medications and treatments as prescribed
11 by a physician licensed to practice medicine in all of its
12 branches, a licensed dentist, a licensed podiatric physician,
13 or a licensed optometrist or as prescribed by a physician
14 assistant or by an advanced practice nurse; (5) the
15 coordination and management of the nursing plan of care; (6)
16 the delegation to and supervision of individuals who assist the
17 registered professional nurse implementing the plan of care;
18 and (7) teaching nursing students.

19 "Professional assistance program for nurses" means a
20 professional assistance program that meets criteria
21 established by the Board of Nursing and approved by the
22 Secretary, which provides a non-disciplinary treatment
23 approach for nurses licensed under this Act whose ability to
24 practice is compromised by alcohol or chemical substance
25 addiction.

26 "Secretary" means the Secretary of Financial and

1 Professional Regulation.

2 "Unencumbered license" means a license issued in good
3 standing.

4 "Written collaborative agreement" means a written
5 agreement between an advanced practice registered nurse and a
6 collaborating physician, dentist, or podiatric physician
7 pursuant to Section 65-35.

11 (Text of Section before amendment by P.A. 100-1160)

12 (Section scheduled to be repealed on January 1, 2028)

13 Sec. 50-75. Nursing delegation by a registered
14 professional nurse.

15 (a) For the purposes of this Section:

16 "Delegation" means transferring to a specific individual
17 the authority to perform a specific nursing intervention in a
18 specific situation.

19 "Predictability of outcomes" means that a registered
20 professional nurse or advanced practice registered nurse has
21 determined that the patient's or individual's clinical status
22 is stable and expected to improve or the patient's or
23 individual's deteriorating condition is expected to follow a
24 known or expected course.

25 "Stability" means a registered professional nurse or

1 advanced practice registered nurse has determined that the
2 individual's clinical status and nursing care needs are
3 consistent.

4 (b) This Section authorizes a registered professional
5 nurse or advanced practice registered nurse to:

6 (1) delegate nursing interventions to other registered
7 professional nurses, licensed practical nurses, and other
8 unlicensed personnel based on the comprehensive nursing
9 assessment that includes, but is not limited to:

10 (A) the stability and condition of the patient;

11 (B) the potential for harm;

12 (C) the complexity of the nursing intervention to
13 be delegated;

14 (D) the predictability of outcomes; and

15 (E) competency of the individual to whom the
16 nursing intervention is delegated;

17 (2) delegate medication administration to other
18 licensed nurses;

19 (3) in community-based or in-home care settings,
20 delegate the administration of medication (limited to oral
21 or subcutaneous dosage and topical or transdermal
22 application) to unlicensed personnel, if all the
23 conditions for delegation set forth in this Section are
24 met;

25 (4) refuse to delegate, stop, or rescind a previously
26 authorized delegation; or

1 (5) in community-based or in-home care settings,
2 delegate, guide, and evaluate the implementation of
3 nursing interventions as a component of patient care
4 coordination after completion of the comprehensive patient
5 assessment based on analysis of the comprehensive nursing
6 assessment data; care coordination in in-home care and
7 school settings may occur in person, by telecommunication,
8 or by electronic communication.

9 (c) This Section prohibits the following:

10 (1) An individual or entity from mandating that a
11 registered professional nurse delegate nursing
12 interventions if the registered professional nurse
13 determines it is inappropriate to do so. Nurses shall not
14 be subject to disciplinary or any other adverse action for
15 refusing to delegate a nursing intervention based on
16 patient safety.

17 (2) The delegation of medication administration to
18 unlicensed personnel in any institutional or long-term
19 facility, including, but not limited to, those facilities
20 licensed by the Hospital Licensing Act, the University of
21 Illinois Hospital Act, State-operated mental health
22 hospitals, or State-operated developmental centers, except
23 as authorized under Article 80 of this Act or otherwise
24 specifically authorized by law.

25 (3) A registered professional nurse from delegating
26 nursing judgment, the comprehensive patient assessment,

1 the development of a plan of care, and the evaluation of
2 care to licensed or unlicensed personnel.

3 (4) A licensed practical nurse or unlicensed personnel
4 who has been delegated a nursing intervention from
5 re-delegating a nursing intervention.

6 (Source: P.A. 100-513, eff. 1-1-18.)

7 (Text of Section after amendment by P.A. 100-1160)

8 (Section scheduled to be repealed on January 1, 2028)

9 Sec. 50-75. Nursing delegation by a registered
10 professional nurse.

11 (a) For the purposes of this Section:

12 "Delegation" means transferring to a specific individual
13 the authority to perform a specific nursing intervention or
14 task in a specific situation.

15 "Predictability of outcomes" means that a registered
16 professional nurse or advanced practice registered nurse has
17 determined that the patient's or individual's clinical status
18 is stable and expected to improve or the patient's or
19 individual's deteriorating condition is expected to follow a
20 known or expected course.

21 "Stability" means a registered professional nurse or
22 advanced practice registered nurse has determined that the
23 individual's clinical status and nursing care needs are
24 consistent.

25 "Task" means work not requiring nursing knowledge,

1 judgment, or decision-making, as defined by the Department by
2 rule.

3 (b) This Section authorizes a registered professional
4 nurse to:

5 (1) delegate nursing interventions and tasks to other
6 registered professional nurses and licensed practical
7 nurses;

8 (2) delegate tasks to ~~and other~~ unlicensed personnel
9 based on the comprehensive nursing assessment that
10 includes, but is not limited to:

11 (A) the stability and condition of the patient;

12 (B) the potential for harm;

13 (C) the complexity of the task ~~nursing~~
14 ~~intervention~~ to be delegated;

15 (D) the predictability of outcomes; and

16 (E) competency of the individual to whom the task
17 ~~nursing intervention~~ is delegated;

18 (3) ~~(2)~~ delegate medication administration to other
19 licensed nurses; or

20 ~~(3) in community based or in home care settings,~~
21 ~~delegate the administration of medication (limited to oral~~
22 ~~or subcutaneous dosage and topical or transdermal~~
23 ~~application) to unlicensed personnel, if all the~~
24 ~~conditions for delegation set forth in this Section are~~
25 ~~met;~~

26 (4) refuse to delegate, stop, or rescind a previously

1 authorized delegation, ~~or~~
2 ~~(5) in community based or in home care settings,~~
3 ~~delegate, guide, and evaluate the implementation of~~
4 ~~nursing interventions as a component of patient care~~
5 ~~coordination after completion of the comprehensive patient~~
6 ~~assessment based on analysis of the comprehensive nursing~~
7 ~~assessment data; care coordination in in home care and~~
8 ~~school settings may occur in person, by telecommunication,~~
9 ~~or by electronic communication.~~

10 (c) This Section prohibits the following:

11 (1) An individual or entity from mandating that a
12 registered professional nurse delegate nursing
13 interventions if the registered professional nurse
14 determines it is inappropriate to do so. Nurses shall not
15 be subject to disciplinary or any other adverse action for
16 refusing to delegate a nursing intervention based on
17 patient safety.

18 (2) The delegation of medication administration to
19 unlicensed personnel in any institutional or long-term
20 facility, including, but not limited to, those facilities
21 licensed by the Hospital Licensing Act, the University of
22 Illinois Hospital Act, State-operated mental health
23 hospitals, or State-operated developmental centers, ~~except~~
24 ~~as authorized under Article 80 of this Act or otherwise~~
25 ~~specifically authorized by law.~~

26 (3) A registered professional nurse from delegating

1 nursing judgment, the comprehensive patient assessment,
2 the development of a plan of care, and the evaluation of
3 care to licensed or unlicensed personnel.

4 (4) A licensed practical nurse ~~or unlicensed personnel~~
5 who has been delegated a nursing intervention or task from
6 re-delegating a nursing intervention or task.

7 (5) Unlicensed personnel who have been delegated tasks
8 from re-delegating the tasks.

9 (d) A registered professional nurse may delegate tasks to
10 other licensed and unlicensed persons.

11 (Source: P.A. 100-513, eff. 1-1-18; 100-1160, eff. 6-1-19.)

12 (225 ILCS 65/60-35)

13 (Section scheduled to be repealed on January 1, 2028)

14 Sec. 60-35. RN scope of practice. The RN scope of nursing
15 practice is the protection, promotion, and optimization of
16 health and abilities, the prevention of illness and injury, the
17 development and implementation of the nursing plan of care, the
18 facilitation of nursing interventions to alleviate suffering,
19 care coordination, and advocacy in the care of individuals,
20 families, groups, communities, and populations. Practice as a
21 registered professional nurse means this full scope of nursing,
22 with or without compensation, that incorporates caring for all
23 patients in all settings, through nursing standards of practice
24 and professional performance for coordination of care, and may
25 include, but is not limited to, all of the following:

1 (1) Collecting pertinent data and information relative
2 to the patient's health or the situation on an ongoing
3 basis through the comprehensive nursing assessment.

4 (2) Analyzing comprehensive nursing assessment data to
5 determine actual or potential diagnoses, problems, and
6 issues.

7 (3) Identifying expected outcomes for a plan
8 individualized to the patient or the situation that
9 prescribes strategies to attain expected, measurable
10 outcomes.

11 (4) Implementing the identified plan, coordinating
12 care delivery, employing strategies to promote healthy and
13 safe environments, and administering or delegating
14 medication administration according to Section 50-75 of
15 this Act.

16 (5) Evaluating patient progress toward attainment of
17 goals and outcomes.

18 (6) Delegating nursing interventions and tasks to
19 licensed nurses to implement the plan of care.

20 (6.5) Delegating tasks to unlicensed personnel to
21 implement the plan of care.

22 (7) Providing health education and counseling.

23 (7.5) Advocating for the patient.

24 (8) Practicing ethically according to the American
25 Nurses Association Code of Ethics.

26 (9) Practicing in a manner that recognizes cultural

1 diversity.

2 (10) Communicating effectively in all areas of
3 practice.

4 (11) Collaborating with patients and other key
5 stakeholders in the conduct of nursing practice.

6 (12) Participating in continuous professional
7 development.

8 (13) Teaching the theory and practice of nursing to
9 student nurses.

10 (14) Leading within the professional practice setting
11 and the profession.

12 (15) Contributing to quality nursing practice.

13 (16) Integrating evidence and research findings into
14 practice.

15 (17) Utilizing appropriate resources to plan, provide,
16 and sustain evidence-based nursing services that are safe
17 and effective.

18 (Source: P.A. 100-513, eff. 1-1-18.)

19 Section 95. No acceleration or delay. Where this Act makes
20 changes in a statute that is represented in this Act by text
21 that is not yet or no longer in effect (for example, a Section
22 represented by multiple versions), the use of that text does
23 not accelerate or delay the taking effect of (i) the changes
24 made by this Act or (ii) provisions derived from any other
25 Public Act.

1 Section 99. Effective date. This Act takes effect August 1,
2 2019.
