21 contributions, and other support, and resources received or

11 (4) Beginning on and after July 1, 2027, total monthly  
12 income, including financial aid provided under this  
13 Article, shall be no less than 100% of the federal poverty

17 eligible for aid prior to July 1, 2024.

18 As used in this subsection, "federal poverty level" means  
19 the poverty guidelines updated periodically in the Federal
