2 Be it enacted by the People of the State of Illinois,

8 (a) Except as provided in subsection (e), the monthly
9 pension of a firefighter who retires after July 1, 1971 and
10 prior to January 1, 1986, shall, upon either the first of the
11 month following the first anniversary of the date of
12 retirement if 60 years of age or over at retirement date, or
13 upon the first day of the month following attainment of age
14 60 if it occurs after the first anniversary of retirement, be
15 increased by 2% of the originally granted monthly pension and
16 by an additional 2% in each January thereafter. Effective

20 from service with 20 or more years of service, on or before
21 July 1, 1971, shall be increased, in January of the year
22 following the year of attaining age 65 or in January 1972, if

3 each year he or she received pension payments. In each
4 January thereafter, the firefighter shall receive an
5 additional increase of 2% of the original monthly pension.
6 Effective January 1976, the rate of the annual increase shall
7 be 3%.

14 Section 4-110 or 4-110.1 shall be increased by 3% of the
15 amount of the benefit then being paid, including any previous

33 The changes made to this subsection (d) by this
34 amendatory Act of the 91st General Assembly apply to all

1 initial increases that become payable under this subsection
2 on or after January 1, 1999. All initial increases that
3 became payable under this subsection on or after January 1,
4 1999 and before the effective date of this amendatory Act
5 shall be recalculated and the additional amount accruing for
