

July 3, 2003

To the Honorable Members of the
Illinois House of Representatives
93rd General Assembly

Pursuant to Article IV, Section 9(d) of the Illinois Constitution of 1970, I hereby veto and return several appropriation items included in House Bill 2700, entitled "AN ACT making appropriations," having taken the actions set forth below.

This veto message reduces the total appropriation in House Bill 2700 by \$1,242,563,311, including reduction and item vetoes for substantive programs of \$158,816,500, a reduction of \$721,780,554 in technical changes for reappropriations based upon the items' June 30, 2003 unspent balance (reducing the reappropriations for actual spending through June 30, 2003), and a reduction of \$361,966,257 for errors and items for which provisions are included in SB 1239, which is still under review.

These reductions include savings from the office of the Comptroller. I commend Dan Hynes for volunteering to reduce his budget by 7.5 percent. That reduction will help us set aside more money for schools, for hospitals, for public safety – money that helps working people and makes their lives better. Dan Hynes has long demonstrated a strong commitment to fiscal discipline and integrity, and his decision to voluntarily reduce his budget in these tough times underscores that commitment.

Item Vetoes

I hereby veto the following appropriations items:
