8 the Visually Impaired.

9 (a) General. The Illinois School for the Deaf and the

11 provide eligible students with disabilities with a free and
12 appropriate education. As part of the admission process to
13 either school, the Department shall complete a financial
14 analysis on each student attending the Illinois School for the

19 (b) Completion of financial analysis. Prior to admission,
20 and annually thereafter, a financial analysis shall be
21 completed on each student attending the Illinois School for the

23 any time there is reason to believe there is a change in the
24 student's financial situation that will affect their financial

1 participation, a new financial analysis shall be completed.

2 (1) In completing the student's financial analysis,
3 the income of the student's family shall be used. Proof of
4 income must be provided and retained for each parent or
5 guardian.

6 (2) Any funds that have been established on behalf of
7 the student for completion of their primary or secondary
8 education shall be considered when completing the
9 financial analysis.

10 (3) Falsification of information used to complete the
11 financial analysis may result in the Department taking
12 action to recoup monies previously expended by the
13 Department in providing services to the student.

14 (c) Financial Participation. Utilizing a sliding scale
15 based on income standards developed by the Department, parents
16 or guardians of students attending the Illinois School for the

18 asked to financially participate in the following fees for
19 services or activities provided at the schools:

20 (1) Registration.

22 on the classes in which a student participates).

23 (3) Room and board for residential students.

24 (4) Meals for day students.

25 (5) Athletic or extracurricular activities (students
26 participating in multiple activities will not be required

9 Students, parents, or guardians who are receiving Medicaid
10 or Temporary Assistance for Needy Families (TANF) shall not be
11 required to financially participate in the fees established in
12 this subsection (c).

13 Exceptions may be granted to parents or guardians who are
14 unable to meet the financial participation obligations due to
15 extenuating circumstances. Requests for exceptions must be
16 made in writing and must be submitted to the Director of the
17 Division of Rehabilitation Services for review.

18 Section 5. The State Prompt Payment Act is amended by
19 changing Section 3-2 as follows:

20 (30 ILCS 540/3-2)

21 Sec. 3-2. Beginning July 1, 1993, in any instance where a
22 State official or agency is late in payment of a vendor's bill
23 or invoice for goods or services furnished to the State, as
24 defined in Section 1, properly approved in accordance with

1 rules promulgated under Section 3-3, the State official or
2 agency shall pay interest to the vendor in accordance with the
3 following:

4 (1) Any bill, ~~except a bill submitted under Article V~~
5 ~~of the Illinois Public Aid Code,~~ approved for payment under
6 this Section must be paid or the payment issued to the
7 payee within 90 ~~60~~ days of receipt of a proper bill or
8 invoice. If payment is not issued to the payee within this
9 90-day ~~60-day~~ period, an interest penalty of 1.0% of any
10 amount approved and unpaid shall be added for each month or
11 fraction thereof after the end of this 90-day ~~60-day~~
12 period, until final payment is made. ~~Any bill, except a~~
13 ~~bill for pharmacy or nursing facility services or goods,~~
14 ~~submitted under Article V of the Illinois Public Aid Code~~
15 ~~approved for payment under this Section must be paid or the~~

18 ~~the payee within this 60-day period, an interest penalty of~~
19 ~~2.0% of any amount approved and unpaid shall be added for~~
20 ~~each month or fraction thereof after the end of this 60-day~~

22 ~~or nursing facility services or goods submitted under~~
23 ~~Article V of the Illinois Public Aid Code, approved for~~
24 ~~payment under this Section must be paid or the payment~~

5 (1.1) A State agency shall review in a timely manner
6 each bill or invoice after its receipt. If the State agency
7 determines that the bill or invoice contains a defect
8 making it unable to process the payment request, the agency
9 shall notify the vendor requesting payment as soon as
10 possible after discovering the defect pursuant to rules
11 promulgated under Section 3-3; provided, however, that the
12 notice for construction related bills or invoices must be
13 given not later than 30 days after the bill or invoice was
14 first submitted. The notice shall identify the defect and
15 any additional information necessary to correct the
16 defect. If one or more items on a construction related bill
17 or invoice are disapproved, but not the entire bill or
18 invoice, then the portion that is not disapproved shall be
19 paid.

20 (2) Where a State official or agency is late in payment
21 of a vendor's bill or invoice properly approved in
22 accordance with this Act, and different late payment terms
23 are not reduced to writing as a contractual agreement, the
24 State official or agency shall automatically pay interest
25 penalties required by this Section amounting to \$50 or more
26 to the appropriate vendor. Each agency shall be responsible

1 for determining whether an interest penalty is owed and for
2 paying the interest to the vendor. Interest due to a vendor
3 that amounts to less than \$50 shall not be paid but shall
4 be accrued until all interest due the vendor for all
5 similar warrants exceeds \$50, at which time the accrued
6 interest shall be payable and interest will begin accruing
7 again, except that interest accrued as of the end of the
8 fiscal year that does not exceed \$50 shall be payable at
9 that time. In the event an individual has paid a vendor for
10 services in advance, the provisions of this Section shall
11 apply until payment is made to that individual.

12 (3) The provisions of Public Act 96-1501 ~~this~~
13 ~~amendatory Act of the 96th General Assembly~~ reducing the
14 interest rate on pharmacy claims under Article V of the
15 Illinois Public Aid Code to 1.0% per month shall apply to

26 12. Subject to federal approval, persons who are

1 eligible for medical assistance coverage under applicable
2 provisions of the federal Social Security Act and the
3 federal Breast and Cervical Cancer Prevention and
4 Treatment Act of 2000. Those eligible persons are defined
5 to include, but not be limited to, the following persons:

6 (1) persons who have been screened for breast or
7 cervical cancer under the U.S. Centers for Disease
8 Control and Prevention Breast and Cervical Cancer
9 Program established under Title XV of the federal
10 Public Health Services Act in accordance with the
11 requirements of Section 1504 of that Act as
12 administered by the Illinois Department of Public
13 Health; and

14 (2) persons whose screenings under the above
15 program were funded in whole or in part by funds
16 appropriated to the Illinois Department of Public
17 Health for breast or cervical cancer screening.

18 "Medical assistance" under this paragraph 12 shall be
19 identical to the benefits provided under the State's
20 approved plan under Title XIX of the Social Security Act.
21 The Department must request federal approval of the
22 coverage under this paragraph 12 within 30 days after the
23 effective date of this amendatory Act of the 92nd General
24 Assembly.

25 In addition to the persons who are eligible for medical
26 assistance pursuant to subparagraphs (1) and (2) of this

1 paragraph 12, and to be paid from funds appropriated to the
2 Department for its medical programs, any uninsured person
3 as defined by the Department in rules residing in Illinois
4 who is younger than 65 years of age, who has been screened
5 for breast and cervical cancer in accordance with standards
6 and procedures adopted by the Department of Public Health
7 for screening, and who is referred to the Department by the
8 Department of Public Health as being in need of treatment
9 for breast or cervical cancer is eligible for medical
10 assistance benefits that are consistent with the benefits
11 provided to those persons described in subparagraphs (1)
12 and (2). Medical assistance coverage for the persons who
13 are eligible under the preceding sentence is not dependent
14 on federal approval, but federal moneys may be used to pay
15 for services provided under that coverage upon federal
16 approval.

17 13. Subject to appropriation and to federal approval,
18 persons living with HIV/AIDS who are not otherwise eligible
19 under this Article and who qualify for services covered
20 under Section 5-5.04 as provided by the Illinois Department
21 by rule.

22 14. Subject to the availability of funds for this
23 purpose, the Department may provide coverage under this
24 Article to persons who reside in Illinois who are not
25 eligible under any of the preceding paragraphs and who meet
26 the income guidelines of paragraph 2(a) of this Section and

1 (i) have an application for asylum pending before the
2 federal Department of Homeland Security or on appeal before
3 a court of competent jurisdiction and are represented
4 either by counsel or by an advocate accredited by the
5 federal Department of Homeland Security and employed by a
6 not-for-profit organization in regard to that application
7 or appeal, or (ii) are receiving services through a
8 federally funded torture treatment center. Medical
9 coverage under this paragraph 14 may be provided for up to
10 24 continuous months from the initial eligibility date so
11 long as an individual continues to satisfy the criteria of
12 this paragraph 14. If an individual has an appeal pending
13 regarding an application for asylum before the Department
14 of Homeland Security, eligibility under this paragraph 14
15 may be extended until a final decision is rendered on the
16 appeal. The Department may adopt rules governing the
17 implementation of this paragraph 14.

18 15. Family Care Eligibility.

19 (a) Through December 31, 2013, a ~~A~~ caretaker
20 relative who is 19 years of age or older when countable
21 income is at or below 185% of the Federal Poverty Level
22 Guidelines, as published annually in the Federal
23 Register, for the appropriate family size. Beginning
24 January 1, 2014, a caretaker relative who is 19 years
25 of age or older when countable income is at or below
26 133% of the Federal Poverty Level Guidelines, as

1 published annually in the Federal Register, for the
2 appropriate family size. A person may not spend down to
3 become eligible under this paragraph 15.

4 (b) Eligibility shall be reviewed annually.

5 (c) Caretaker relatives enrolled under this
6 paragraph 15 in families with countable income above
7 150% and at or below 185% of the Federal Poverty Level
8 Guidelines shall be counted as family members and pay
9 premiums as established under the Children's Health
10 Insurance Program Act.

11 (d) Premiums shall be billed by and payable to the
12 Department or its authorized agent, on a monthly basis.

13 (e) The premium due date is the last day of the
14 month preceding the month of coverage.

15 (f) Individuals shall have a grace period through
16 30 days of coverage to pay the premium.

17 (g) Failure to pay the full monthly premium by the
18 last day of the grace period shall result in
19 termination of coverage.

20 (h) Partial premium payments shall not be
21 refunded.

22 (i) Following termination of an individual's
23 coverage under this paragraph 15, the following action
24 is required before the individual can be re-enrolled:

25 (1) A new application must be completed and the
26 individual must be determined otherwise eligible.

1 (2) There must be full payment of premiums due
2 under this Code, the Children's Health Insurance
3 Program Act, the Covering ALL KIDS Health
4 Insurance Act, or any other healthcare program
5 administered by the Department for periods in
6 which a premium was owed and not paid for the
7 individual.

8 (3) The first month's premium must be paid if
9 there was an unpaid premium on the date the
10 individual's previous coverage was canceled.

11 The Department is authorized to implement the
12 provisions of this amendatory Act of the 95th General
13 Assembly by adopting the medical assistance rules in effect
14 as of October 1, 2007, at 89 Ill. Admin. Code 125, and at
15 89 Ill. Admin. Code 120.32 along with only those changes
16 necessary to conform to federal Medicaid requirements,
17 federal laws, and federal regulations, including but not
18 limited to Section 1931 of the Social Security Act (42
19 U.S.C. Sec. 1396u-1), as interpreted by the U.S. Department
20 of Health and Human Services, and the countable income
21 eligibility standard authorized by this paragraph 15. The
22 Department may not otherwise adopt any rule to implement
23 this increase except as authorized by law, to meet the
24 eligibility standards authorized by the federal government
25 in the Medicaid State Plan or the Title XXI Plan, or to
26 meet an order from the federal government or any court.

1 16. Subject to appropriation, uninsured persons who
2 are not otherwise eligible under this Section who have been
3 certified and referred by the Department of Public Health
4 as having been screened and found to need diagnostic
5 evaluation or treatment, or both diagnostic evaluation and
6 treatment, for prostate or testicular cancer. For the
7 purposes of this paragraph 16, uninsured persons are those
8 who do not have creditable coverage, as defined under the
9 Health Insurance Portability and Accountability Act, or
10 have otherwise exhausted any insurance benefits they may
11 have had, for prostate or testicular cancer diagnostic
12 evaluation or treatment, or both diagnostic evaluation and
13 treatment. To be eligible, a person must furnish a Social
14 Security number. A person's assets are exempt from
15 consideration in determining eligibility under this
16 paragraph 16. Such persons shall be eligible for medical
17 assistance under this paragraph 16 for so long as they need
18 treatment for the cancer. A person shall be considered to
19 need treatment if, in the opinion of the person's treating
20 physician, the person requires therapy directed toward
21 cure or palliation of prostate or testicular cancer,
22 including recurrent metastatic cancer that is a known or
23 presumed complication of prostate or testicular cancer and
24 complications resulting from the treatment modalities
25 themselves. Persons who require only routine monitoring
26 services are not considered to need treatment. "Medical

1 assistance" under this paragraph 16 shall be identical to
2 the benefits provided under the State's approved plan under
3 Title XIX of the Social Security Act. Notwithstanding any
4 other provision of law, the Department (i) does not have a
5 claim against the estate of a deceased recipient of
6 services under this paragraph 16 and (ii) does not have a
7 lien against any homestead property or other legal or
8 equitable real property interest owned by a recipient of
9 services under this paragraph 16.

10 In implementing the provisions of Public Act 96-20, the
11 Department is authorized to adopt only those rules necessary,
12 including emergency rules. Nothing in Public Act 96-20 permits
13 the Department to adopt rules or issue a decision that expands
14 eligibility for the FamilyCare Program to a person whose income
15 exceeds 185% of the Federal Poverty Level as determined from
16 time to time by the U.S. Department of Health and Human
17 Services, unless the Department is provided with express
18 statutory authority.

19 The Illinois Department and the Governor shall provide a
20 plan for coverage of the persons eligible under paragraph 7 as
21 soon as possible after July 1, 1984.

22 The eligibility of any such person for medical assistance
23 under this Article is not affected by the payment of any grant
24 under the Senior Citizens and Disabled Persons Property Tax
25 Relief and Pharmaceutical Assistance Act or any distributions
26 or items of income described under subparagraph (X) of

1 paragraph (2) of subsection (a) of Section 203 of the Illinois
2 Income Tax Act. The Department shall by rule establish the
3 amounts of assets to be disregarded in determining eligibility
4 for medical assistance, which shall at a minimum equal the
5 amounts to be disregarded under the Federal Supplemental
6 Security Income Program. The amount of assets of a single
7 person to be disregarded shall not be less than \$2,000, and the
8 amount of assets of a married couple to be disregarded shall
9 not be less than \$3,000.

10 To the extent permitted under federal law, any person found
11 guilty of a second violation of Article VIIIA shall be
12 ineligible for medical assistance under this Article, as
13 provided in Section 8A-8.

14 The eligibility of any person for medical assistance under
15 this Article shall not be affected by the receipt by the person
16 of donations or benefits from fundraisers held for the person
17 in cases of serious illness, as long as neither the person nor
18 members of the person's family have actual control over the
19 donations or benefits or the disbursement of the donations or
20 benefits.

1 Sec. 5-4.1. Co-payments. The Department may by rule provide
2 that recipients under any Article of this Code shall pay a fee
3 as a co-payment for services. Co-payments shall be maximized to
4 the extent permitted by federal law. Provided, however, that
5 any such rule must provide that no co-payment requirement can
6 exist for renal dialysis, radiation therapy, cancer
7 chemotherapy, or insulin, and other products necessary on a
8 recurring basis, the absence of which would be life
9 threatening, or where co-payment expenditures for required
10 services and/or medications for chronic diseases that the
11 Illinois Department shall by rule designate shall cause an
12 extensive financial burden on the recipient, and provided no
13 co-payment shall exist for emergency room encounters which are
14 for medical emergencies. The Department shall seek approval of
15 a State plan amendment that allows pharmacies to refuse to
16 dispense drugs in circumstances where the recipient does not
17 pay the required co-payment. In the event the State plan
18 amendment is rejected, co-payments may not exceed \$3 for brand
19 name drugs, \$1 for other pharmacy services other than for
20 generic drugs, and \$2 for physician services, dental services,
21 optical services and supplies, chiropractic services, podiatry
22 services, and encounter rate clinic services. There shall be no
23 co-payment for generic drugs. Co-payments may not exceed \$10
24 for emergency room use for a non-emergency situation as defined
25 by the Department by rule and subject to federal approval.
26 ~~Co payments may not exceed \$3 for hospital outpatient and~~

1 ~~clinic services.~~

3 (305 ILCS 5/5-5.12) (from Ch. 23, par. 5-5.12)

4 Sec. 5-5.12. Pharmacy payments.

5 (a) Every request submitted by a pharmacy for reimbursement
6 under this Article for prescription drugs provided to a
7 recipient of aid under this Article shall include the name of
8 the prescriber or an acceptable identification number as
9 established by the Department.

10 (b) Pharmacies providing prescription drugs under this
11 Article shall be reimbursed at a rate which shall include a
12 professional dispensing fee as determined by the Illinois
13 Department, plus the current acquisition cost of the
14 prescription drug dispensed. The Illinois Department shall
15 update its information on the acquisition costs of all
16 prescription drugs no less frequently than every 30 days.
17 However, the Illinois Department may set the rate of
18 reimbursement for the acquisition cost, by rule, at a
19 percentage of the current average wholesale acquisition cost.

20 (c) (Blank).

21 (d) The Department shall not impose requirements for prior
22 approval based on a preferred drug list for anti-retroviral,
23 anti-hemophilic factor concentrates, or any atypical
24 antipsychotics, conventional antipsychotics, or
25 anticonvulsants used for the treatment of serious mental

1 illnesses until 30 days after it has conducted a study of the
2 impact of such requirements on patient care and submitted a
3 report to the Speaker of the House of Representatives and the
4 President of the Senate. The Department shall review
5 utilization of narcotic medications in the medical assistance
6 program and impose utilization controls that protect against
7 abuse.

8 (e) When making determinations as to which drugs shall be
9 on a prior approval list, the Department shall include as part
10 of the analysis for this determination, the degree to which a
11 drug may affect individuals in different ways based on factors
12 including the gender of the person taking the medication.

13 (f) The Department shall cooperate with the Department of
14 Public Health and the Department of Human Services Division of
15 Mental Health in identifying psychotropic medications that,
16 when given in a particular form, manner, duration, or frequency
17 (including "as needed") in a dosage, or in conjunction with
18 other psychotropic medications to a nursing home resident, may
19 constitute a chemical restraint or an "unnecessary drug" as
20 defined by the Nursing Home Care Act or Titles XVIII and XIX of
21 the Social Security Act and the implementing rules and
22 regulations. The Department shall require prior approval for
23 any such medication prescribed for a nursing home resident that
24 appears to be a chemical restraint or an unnecessary drug. The
25 Department shall consult with the Department of Human Services
26 Division of Mental Health in developing a protocol and criteria

1 for deciding whether to grant such prior approval.

2 (g) The Department may by rule provide for reimbursement of
3 the dispensing of a 90-day supply of a generic, non-narcotic
4 maintenance medication in circumstances where it is cost
5 effective.

6 (h) Effective July 1, 2011, the Department shall
7 discontinue coverage of select over-the-counter drugs,
8 including analgesics and cough and cold and allergy
9 medications.

10 (i) The Department shall seek any necessary waiver from the
11 federal government in order to establish a program limiting the
12 pharmacies eligible to dispense specialty drugs and shall issue
13 a Request for Proposals in order to maximize savings on these
14 drugs. The Department shall by rule establish the drugs
15 required to be dispensed in this program.

18 (305 ILCS 5/5A-10) (from Ch. 23, par. 5A-10)

19 Sec. 5A-10. Applicability.

20 (a) The assessment imposed by Section 5A-2 shall not take
21 effect or shall cease to be imposed, and any moneys remaining
22 in the Fund shall be refunded to hospital providers in
23 proportion to the amounts paid by them, if:

24 (1) The sum of the appropriations for State fiscal
25 years 2004 and 2005 from the General Revenue Fund for

1 hospital payments under the medical assistance program is
2 less than \$4,500,000,000 or the appropriation for each of
3 State fiscal years 2006, 2007 and 2008 from the General
4 Revenue Fund for hospital payments under the medical
5 assistance program is less than \$2,500,000,000 increased
6 annually to reflect any increase in the number of
7 recipients, or the annual appropriation for State fiscal
8 years 2009, 2010, 2011, 2013, and 2014 ~~through 2014~~, from
9 the General Revenue Fund combined with the Hospital
10 Provider Fund as authorized in Section 5A-8 for hospital
11 payments under the medical assistance program, is less than
12 the amount appropriated for State fiscal year 2009,
13 adjusted annually to reflect any change in the number of
14 recipients, excluding State fiscal year 2009 supplemental
15 appropriations made necessary by the enactment of the
16 American Recovery and Reinvestment Act of 2009; or

17 (2) For State fiscal years prior to State fiscal year
18 2009, the Department of Healthcare and Family Services
19 (formerly Department of Public Aid) makes changes in its
20 rules that reduce the hospital inpatient or outpatient
21 payment rates, including adjustment payment rates, in
22 effect on October 1, 2004, except for hospitals described
23 in subsection (b) of Section 5A-3 and except for changes in
24 the methodology for calculating outlier payments to
25 hospitals for exceptionally costly stays, so long as those
26 changes do not reduce aggregate expenditures below the

1 amount expended in State fiscal year 2005 for such
2 services; or

3 (2.1) For State fiscal years 2009 through 2014, the
4 Department of Healthcare and Family Services adopts any
5 administrative rule change to reduce payment rates or
6 alters any payment methodology that reduces any payment
7 rates made to operating hospitals under the approved Title
8 XIX or Title XXI State plan in effect January 1, 2008
9 except for:

10 (A) any changes for hospitals described in
11 subsection (b) of Section 5A-3; or

12 (B) any rates for payments made under this Article
13 V-A; or

14 (C) any changes proposed in State plan amendment
15 transmittal numbers 08-01, 08-02, 08-04, 08-06, and
16 08-07; or

17 (D) in relation to any admissions on or after
18 January 1, 2011, a modification in the methodology for
19 calculating outlier payments to hospitals for
20 exceptionally costly stays, for hospitals reimbursed
21 under the diagnosis-related grouping methodology;
22 provided that the Department shall be limited to one
23 such modification during the 36-month period after the
24 effective date of this amendatory Act of the 96th
25 General Assembly; or

26 (3) The payments to hospitals required under Section

1 5A-12 or Section 5A-12.2 are changed or are not eligible
2 for federal matching funds under Title XIX or XXI of the
3 Social Security Act.

4 (b) The assessment imposed by Section 5A-2 shall not take
5 effect or shall cease to be imposed if the assessment is
6 determined to be an impermissible tax under Title XIX of the
7 Social Security Act. Moneys in the Hospital Provider Fund
8 derived from assessments imposed prior thereto shall be
9 disbursed in accordance with Section 5A-8 to the extent federal
10 financial participation is not reduced due to the
11 impermissibility of the assessments, and any remaining moneys
12 shall be refunded to hospital providers in proportion to the
13 amounts paid by them.

16 Section 20. The Senior Citizens and Disabled Persons
17 Property Tax Relief and Pharmaceutical Assistance Act is
18 amended by changing Section 4 as follows:

19 (320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

20 Sec. 4. Amount of Grant.

21 (a) In general. Any individual 65 years or older or any
22 individual who will become 65 years old during the calendar
23 year in which a claim is filed, and any surviving spouse of
24 such a claimant, who at the time of death received or was

1 entitled to receive a grant pursuant to this Section, which
2 surviving spouse will become 65 years of age within the 24
3 months immediately following the death of such claimant and
4 which surviving spouse but for his or her age is otherwise
5 qualified to receive a grant pursuant to this Section, and any
6 disabled person whose annual household income is less than the
7 income eligibility limitation, as defined in subsection (a-5)
8 and whose household is liable for payment of property taxes
9 accrued or has paid rent constituting property taxes accrued
10 and is domiciled in this State at the time he or she files his
11 or her claim is entitled to claim a grant under this Act. With
12 respect to claims filed by individuals who will become 65 years
13 old during the calendar year in which a claim is filed, the
14 amount of any grant to which that household is entitled shall
15 be an amount equal to 1/12 of the amount to which the claimant
16 would otherwise be entitled as provided in this Section,
17 multiplied by the number of months in which the claimant was 65
18 in the calendar year in which the claim is filed.

19 (a-5) Income eligibility limitation. For purposes of this
20 Section, "income eligibility limitation" means an amount for
21 grant years 2008 and thereafter:

22 (1) less than \$22,218 for a household containing one
23 person;

24 (2) less than \$29,480 for a household containing 2
25 persons; or

26 (3) less than \$36,740 for a household containing 3 or

1 more persons.

2 For 2009 claim year applications submitted during calendar
3 year 2010, a household must have annual household income of
4 less than \$27,610 for a household containing one person; less
5 than \$36,635 for a household containing 2 persons; or less than
6 \$45,657 for a household containing 3 or more persons.

7 The Department on Aging may adopt rules such that on
8 January 1, 2011, and thereafter, the foregoing household income
9 eligibility limits may be changed to reflect the annual cost of
10 living adjustment in Social Security and Supplemental Security
11 Income benefits that are applicable to the year for which those
12 benefits are being reported as income on an application.

13 If a person files as a surviving spouse, then only his or
14 her income shall be counted in determining his or her household
15 income.

16 (b) Limitation. Except as otherwise provided in
17 subsections (a) and (f) of this Section, the maximum amount of
18 grant which a claimant is entitled to claim is the amount by
19 which the property taxes accrued which were paid or payable
20 during the last preceding tax year or rent constituting
21 property taxes accrued upon the claimant's residence for the
22 last preceding taxable year exceeds 3 1/2% of the claimant's
23 household income for that year but in no event is the grant to
24 exceed (i) \$700 less 4.5% of household income for that year for
25 those with a household income of \$14,000 or less or (ii) \$70 if
26 household income for that year is more than \$14,000.

1 (c) Public aid recipients. If household income in one or
2 more months during a year includes cash assistance in excess of
3 \$55 per month from the Department of Healthcare and Family
4 Services or the Department of Human Services (acting as
5 successor to the Department of Public Aid under the Department
6 of Human Services Act) which was determined under regulations
7 of that Department on a measure of need that included an
8 allowance for actual rent or property taxes paid by the
9 recipient of that assistance, the amount of grant to which that
10 household is entitled, except as otherwise provided in
11 subsection (a), shall be the product of (1) the maximum amount
12 computed as specified in subsection (b) of this Section and (2)
13 the ratio of the number of months in which household income did
14 not include such cash assistance over \$55 to the number twelve.
15 If household income did not include such cash assistance over
16 \$55 for any months during the year, the amount of the grant to
17 which the household is entitled shall be the maximum amount
18 computed as specified in subsection (b) of this Section. For
19 purposes of this paragraph (c), "cash assistance" does not
20 include any amount received under the federal Supplemental
21 Security Income (SSI) program.

22 (d) Joint ownership. If title to the residence is held
23 jointly by the claimant with a person who is not a member of
24 his or her household, the amount of property taxes accrued used
25 in computing the amount of grant to which he or she is entitled
26 shall be the same percentage of property taxes accrued as is

1 the percentage of ownership held by the claimant in the
2 residence.

3 (e) More than one residence. If a claimant has occupied
4 more than one residence in the taxable year, he or she may
5 claim only one residence for any part of a month. In the case
6 of property taxes accrued, he or she shall prorate 1/12 of the
7 total property taxes accrued on his or her residence to each
8 month that he or she owned and occupied that residence; and, in
9 the case of rent constituting property taxes accrued, shall
10 prorate each month's rent payments to the residence actually
11 occupied during that month.

12 (f) (Blank).

13 (g) Effective January 1, 2006, there is hereby established
14 a program of pharmaceutical assistance to the aged and
15 disabled, entitled the Illinois Seniors and Disabled Drug
16 Coverage Program, which shall be administered by the Department
17 of Healthcare and Family Services and the Department on Aging
18 in accordance with this subsection, to consist of coverage of
19 specified prescription drugs on behalf of beneficiaries of the
20 program as set forth in this subsection.

21 To become a beneficiary under the program established under
22 this subsection, a person must:

23 (1) be (i) 65 years of age or older or (ii) disabled;

24 and

25 (2) be domiciled in this State; and

26 (3) enroll with a qualified Medicare Part D

1 Prescription Drug Plan if eligible and apply for all
2 available subsidies under Medicare Part D; and

3 (4) for the 2006 and 2007 claim years, have a maximum
4 household income of (i) less than \$21,218 for a household
5 containing one person, (ii) less than \$28,480 for a
6 household containing 2 persons, or (iii) less than \$35,740
7 for a household containing 3 or more persons; and

8 (5) for the 2008 claim year, have a maximum household
9 income of (i) less than \$22,218 for a household containing
10 one person, (ii) \$29,480 for a household containing 2
11 persons, or (iii) \$36,740 for a household containing 3 or
12 more persons; and

14 calendar year 2010, have annual household income of less
15 than (i) \$27,610 for a household containing one person;
16 (ii) less than \$36,635 for a household containing 2

19 (7) as of September 1, 2011, have a maximum household
20 income at or below 200% of the federal poverty level.

21 ~~The Department of Healthcare and Family Services may adopt~~
22 ~~rules such that on January 1, 2011, and thereafter, the~~
23 ~~foregoing household income eligibility limits may be changed to~~
24 ~~reflect the annual cost of living adjustment in Social Security~~
25 ~~and Supplemental Security Income benefits that are applicable~~
26 ~~to the year for which those benefits are being reported as~~

1 ~~income on an application.~~

2 All individuals enrolled as of December 31, 2005, in the
3 pharmaceutical assistance program operated pursuant to
4 subsection (f) of this Section and all individuals enrolled as
5 of December 31, 2005, in the SeniorCare Medicaid waiver program
6 operated pursuant to Section 5-5.12a of the Illinois Public Aid
7 Code shall be automatically enrolled in the program established
8 by this subsection for the first year of operation without the
9 need for further application, except that they must apply for
10 Medicare Part D and the Low Income Subsidy under Medicare Part
11 D. A person enrolled in the pharmaceutical assistance program
12 operated pursuant to subsection (f) of this Section as of
13 December 31, 2005, shall not lose eligibility in future years
14 due only to the fact that they have not reached the age of 65.

15 To the extent permitted by federal law, the Department may
16 act as an authorized representative of a beneficiary in order
17 to enroll the beneficiary in a Medicare Part D Prescription
18 Drug Plan if the beneficiary has failed to choose a plan and,
19 where possible, to enroll beneficiaries in the low-income
20 subsidy program under Medicare Part D or assist them in
21 enrolling in that program.

22 Beneficiaries under the program established under this
23 subsection shall be divided into the following 4 eligibility
24 groups:

25 (A) Eligibility Group 1 shall consist of beneficiaries
26 who are not eligible for Medicare Part D coverage and who

1 are:

2 (i) disabled and under age 65; or

3 (ii) age 65 or older, with incomes over 200% of the
4 Federal Poverty Level; or

5 (iii) age 65 or older, with incomes at or below
6 200% of the Federal Poverty Level and not eligible for
7 federally funded means-tested benefits due to
8 immigration status.

9 (B) Eligibility Group 2 shall consist of beneficiaries
10 who are eligible for Medicare Part D coverage.

11 (C) Eligibility Group 3 shall consist of beneficiaries
12 age 65 or older, with incomes at or below 200% of the
13 Federal Poverty Level, who are not barred from receiving
14 federally funded means-tested benefits due to immigration
15 status and are not eligible for Medicare Part D coverage.

16 If the State applies and receives federal approval for
17 a waiver under Title XIX of the Social Security Act,
18 persons in Eligibility Group 3 shall continue to receive
19 benefits through the approved waiver, and Eligibility
20 Group 3 may be expanded to include disabled persons under
21 age 65 with incomes under 200% of the Federal Poverty Level
22 who are not eligible for Medicare and who are not barred
23 from receiving federally funded means-tested benefits due
24 to immigration status.

25 (D) Eligibility Group 4 shall consist of beneficiaries
26 who are otherwise described in Eligibility Group 2 who have

1 a diagnosis of HIV or AIDS.

2 The program established under this subsection shall cover
3 the cost of covered prescription drugs in excess of the
4 beneficiary cost-sharing amounts set forth in this paragraph
5 that are not covered by Medicare. The Department of Healthcare
6 and Family Services may establish by emergency rule changes in
7 cost-sharing necessary to conform the cost of the program to
8 the amounts appropriated for State fiscal year 2012 and future
9 fiscal years except that the 24-month limitation on the
10 adoption of emergency rules and the provisions of Sections
11 5-115 and 5-125 of the Illinois Administrative Procedure Act
12 shall not apply to rules adopted under this subsection (g). The
13 adoption of emergency rules authorized by this subsection (g)
14 shall be deemed to be necessary for the public interest,
15 safety, and welfare. ~~In 2006, beneficiaries shall pay a~~
16 ~~co payment of \$2 for each prescription of a generic drug and \$5~~
17 ~~for each prescription of a brand name drug. In future years,~~
18 ~~beneficiaries shall pay co payments equal to the co payments~~
19 ~~required under Medicare Part D for "other low income subsidy~~
20 ~~eligible individuals" pursuant to 42 CFR 423.782(b). For~~
21 ~~individuals in Eligibility Groups 1, 2, and 3, once the program~~
22 ~~established under this subsection and Medicare combined have~~
23 ~~paid \$1,750 in a year for covered prescription drugs, the~~
24 ~~beneficiary shall pay 20% of the cost of each prescription in~~
25 ~~addition to the co payments set forth in this paragraph. For~~
26 ~~individuals in Eligibility Group 4, once the program~~

1 ~~established under this subsection and Medicare combined have~~
2 ~~paid \$1,750 in a year for covered prescription drugs, the~~
3 ~~beneficiary shall pay 20% of the cost of each prescription in~~
4 ~~addition to the co-payments set forth in this paragraph unless~~
5 ~~the drug is included in the formulary of the Illinois AIDS Drug~~
6 ~~Assistance Program operated by the Illinois Department of~~
7 ~~Public Health and covered by the Medicare Part D Prescription~~
8 ~~Drug Plan in which the beneficiary is enrolled. If the drug is~~
9 ~~included in the formulary of the Illinois AIDS Drug Assistance~~
10 ~~Program and covered by the Medicare Part D Prescription Drug~~
11 ~~Plan in which the beneficiary is enrolled, individuals in~~
12 ~~Eligibility Group 4 shall continue to pay the co-payments set~~
13 ~~forth in this paragraph after the program established under~~
14 ~~this subsection and Medicare combined have paid \$1,750 in a~~
15 ~~year for covered prescription drugs.~~

16 ~~For beneficiaries eligible for Medicare Part D coverage,~~
17 ~~the program established under this subsection shall pay 100% of~~
18 ~~the premiums charged by a qualified Medicare Part D~~
19 ~~Prescription Drug Plan for Medicare Part D basic prescription~~
20 ~~drug coverage, not including any late enrollment penalties.~~
21 ~~Qualified Medicare Part D Prescription Drug Plans may be~~
22 ~~limited by the Department of Healthcare and Family Services to~~
23 ~~those plans that sign a coordination agreement with the~~
24 ~~Department.~~

25 ~~For Notwithstanding Section 3.15,~~ for purposes of the
26 program established under this subsection, the term "covered

1 prescription drug" has the following meanings:

2 For Eligibility Group 1, "covered prescription drug"
3 means: (1) any cardiovascular agent or drug; (2) any
4 insulin or other prescription drug used in the treatment of
5 diabetes, including syringe and needles used to administer
6 the insulin; (3) any prescription drug used in the
7 treatment of arthritis; (4) any prescription drug used in
8 the treatment of cancer; (5) any prescription drug used in
9 the treatment of Alzheimer's disease; (6) any prescription
10 drug used in the treatment of Parkinson's disease; (7) any
11 prescription drug used in the treatment of glaucoma; (8)
12 any prescription drug used in the treatment of lung disease
13 and smoking-related illnesses; (9) any prescription drug
14 used in the treatment of osteoporosis; and (10) any
15 prescription drug used in the treatment of multiple
16 sclerosis. The Department may add additional therapeutic
17 classes by rule. The Department may adopt a preferred drug
18 list within any of the classes of drugs described in items
19 (1) through (10) of this paragraph. The specific drugs or
20 therapeutic classes of covered prescription drugs shall be
21 indicated by rule.

22 For Eligibility Group 2, "covered prescription drug"
23 means those drugs covered by the Medicare Part D
24 Prescription Drug Plan in which the beneficiary is
25 enrolled.

26 For Eligibility Group 3, "covered prescription drug"

1 means those drugs covered by the Medical Assistance Program
2 under Article V of the Illinois Public Aid Code.

3 For Eligibility Group 4, "covered prescription drug"
4 means those drugs covered by the Medicare Part D
5 Prescription Drug Plan in which the beneficiary is
6 enrolled.

7 ~~An individual in Eligibility Group 1, 2, 3, or 4 may opt to~~
8 ~~receive a \$25 monthly payment in lieu of the direct coverage~~
9 ~~described in this subsection.~~

10 Any person otherwise eligible for pharmaceutical
11 assistance under this subsection whose covered drugs are
12 covered by any public program is ineligible for assistance
13 under this subsection to the extent that the cost of those
14 drugs is covered by the other program.

15 The Department of Healthcare and Family Services shall
16 establish by rule the methods by which it will provide for the
17 coverage called for in this subsection. Those methods may
18 include direct reimbursement to pharmacies or the payment of a
19 capitated amount to Medicare Part D Prescription Drug Plans.

20 For a pharmacy to be reimbursed under the program
21 established under this subsection, it must comply with rules
22 adopted by the Department of Healthcare and Family Services
23 regarding coordination of benefits with Medicare Part D
24 Prescription Drug Plans. A pharmacy may not charge a
25 Medicare-enrolled beneficiary of the program established under
26 this subsection more for a covered prescription drug than the

1 appropriate Medicare cost-sharing less any payment from or on
2 behalf of the Department of Healthcare and Family Services.

3 The Department of Healthcare and Family Services or the
4 Department on Aging, as appropriate, may adopt rules regarding
5 applications, counting of income, proof of Medicare status,
6 mandatory generic policies, and pharmacy reimbursement rates
7 and any other rules necessary for the cost-efficient operation
8 of the program established under this subsection.

9 (h) A qualified individual is not entitled to duplicate
10 benefits in a coverage period as a result of the changes made
11 by this amendatory Act of the 96th General Assembly.
