

97TH GENERAL ASSEMBLY

State of Illinois

2011 and 2012

SB1870

Introduced 2/10/2011, by Sen. Kwame Raoul

SYNOPSIS AS INTRODUCED:

625 ILCS 5/11-214 new
625 ILCS 5/11-215 new

Amends the Illinois Vehicle Code. Provides that local units of government shall report to the Illinois Department of Transportation and the Department shall post on its official website all preferred truck routes under the local unit of government's jurisdiction which are not classified as Class II or Class III truck routes. Provides that local units of government shall report their designated truck route network or lack of truck routes to the Illinois Department of Transportation. Provides that the Secretary of State shall include in its commercial drivers license curriculum and study guide, and in materials relating to obtaining or renewing a commercial drivers license, the distinctions between utilizing a truck-attributed global positioning system device and other non-truck-attributed global positioning system devices. Effective January 1, 2012.

LRB097 08024 HEP 48146 b

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Vehicle Code is amended by adding
5 Sections 11-214 and 11-215 as follows:

6 (625 ILCS 5/11-214 new)

7 Sec. 11-214. Local government reporting.

8 (a) Local units of government shall report to the Illinois
9 Department of Transportation and the Department shall post on
10 its official website all preferred truck routes under the local
11 unit of government's jurisdiction which are not classified as
12 Class II or Class III truck routes.

13 (b) Local units of government shall report their designated
14 truck route network to the Illinois Department of
15 Transportation. If a local unit of government has no designated
16 truck routes, the local unit of government shall affirm to the
17 Department that it has no designated truck routes.

18 (625 ILCS 5/11-215 new)

19 Sec. 11-215. Secretary of State to provide information on
20 use of truck global positioning systems.

21 (a) The Secretary of State shall include in its commercial
22 drivers license curriculum and study guide the distinctions

1 between utilizing a truck-attributed global positioning system
2 device and other non-truck-attributed global positioning
3 system devices.

4 (b) The Secretary of State shall include the distinctions
5 between utilizing a truck-attributed global positioning system
6 device and other non-truck-attributed global positioning
7 system devices in any documents disseminated in connection with
8 obtaining and renewing a commercial drivers license.

9 Section 99. Effective date. This Act takes effect January
10 1, 2012.
