3 Notwithstanding any provision of the law to the contrary,  
4 the General Assembly hereby authorizes the use of such funds  
5 for the purposes set forth in this Section.

6 These provisions do not apply to funds classified by the  
7 Comptroller as federal trust funds or State trust funds. The  
8 Audit Expense Fund may receive transfers from those trust funds  
9 only as directed herein, except where prohibited by the terms  
10 of the trust fund agreement. The Auditor General shall notify  
11 the trustees of those funds of the estimated cost of the audit  
12 to be incurred under the Illinois State Auditing Act for the  
13 fund. The trustees of those funds shall direct the State  
14 Comptroller and Treasurer to transfer the estimated amount to  
15 the Audit Expense Fund.

16 The Auditor General may bill entities that are not subject  
17 to the above transfer provisions, including private entities,  
18 related organizations and entities whose funds are  
19 locally-held, for the cost of audits, studies, and  
20 investigations incurred on their behalf. Any revenues received  
21 under this provision shall be deposited into the Audit Expense  
22 Fund.

23 In the event that moneys on deposit in any fund are  
24 unavailable, by reason of deficiency or any other reason  
25 preventing their lawful transfer, the State Comptroller shall  
26 order transferred and the State Treasurer shall transfer the

1 amount deficient or otherwise unavailable from the General  
2 Revenue Fund for deposit into the Audit Expense Fund.

3 On or before December 1, 1992, and each December 1  
4 thereafter, the Auditor General shall notify the Governor's  
5 Office of Management and Budget (formerly Bureau of the Budget)  
6 of the amount estimated to be necessary to pay for audits,  
7 studies, and investigations in accordance with the Illinois  
8 State Auditing Act during the next succeeding fiscal year for  
9 each State fund for which a transfer or reimbursement is  
10 anticipated.

11 Beginning with fiscal year 1994 and during each fiscal year  
12 thereafter, the Auditor General may direct the State  
13 Comptroller and Treasurer to transfer moneys from funds  
14 authorized by the General Assembly for that fund. In the event  
15 funds, including federal and State trust funds but excluding  
16 the General Revenue Fund, are transferred, during fiscal year  
17 1994 and during each fiscal year thereafter, in excess of the  
18 amount to pay actual costs attributable to audits, studies, and  
19 investigations as permitted or required by the Illinois State  
20 Auditing Act or specific action of the General Assembly, the  
21 Auditor General shall, on September 30, or as soon thereafter  
22 as is practicable, direct the State Comptroller and Treasurer  
23 to transfer the excess amount back to the fund from which it  
24 was originally transferred.
