

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The School Code is amended by changing Sections 21B-20 and 21B-25 as follows:

(105 ILCS 5/21B-20)

Sec. 21B-20. Types of licenses. Before July 1, 2013, the State Board of Education shall implement a system of educator licensure, whereby individuals employed in school districts who are required to be licensed must have one of the following licenses: (i) a professional educator license; (ii) a professional educator license with stipulations; or (iii) a substitute teaching license. References in law regarding individuals certified or certificated or required to be certified or certificated under Article 21 of this Code shall also include individuals licensed or required to be licensed under this Article. The first year of all licenses ends on June 30 following one full year of the license being issued.

The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may adopt such rules as may be necessary to govern the requirements for licenses and endorsements under this Section.

(1) Professional Educator License. Persons who (i)

have successfully completed an approved educator preparation program and are recommended for licensure by the Illinois institution offering the educator preparation program, (ii) have successfully completed the required testing under Section 21B-30 of this Code, (iii) have successfully completed coursework on the psychology of, the identification of, and the methods of instruction for the exceptional child, including without limitation children with learning disabilities, (iv) have successfully completed coursework in methods of reading and reading in the content area, and (v) have met all other criteria established by rule of the State Board of Education shall be issued a Professional Educator License. All Professional Educator Licenses are valid until June 30 immediately following 5 years of the license being issued. The Professional Educator License shall be endorsed with specific areas and grade levels in which the individual is eligible to practice.

Individuals can receive subsequent endorsements on the Professional Educator License. Subsequent endorsements shall require a minimum of 24 semester hours of coursework in the endorsement area, unless otherwise specified by rule, and passage of the applicable content area test.

(2) Educator License with Stipulations. An Educator License with Stipulations shall be issued an endorsement that limits the license holder to one particular position

or does not require completion of an approved educator program or both.

An individual with an Educator License with Stipulations must not be employed by a school district or any other entity to replace any presently employed teacher who otherwise would not be replaced for any reason.

An Educator License with Stipulations may be issued with the following endorsements:

(A) Provisional educator. A provisional educator endorsement in a specific content area or areas on an Educator License with Stipulations may be issued to an applicant who holds an educator license with a minimum of 15 semester hours in content coursework from another state, U.S. territory, or foreign country and who, at the time of applying for an Illinois license, does not meet the minimum requirements under Section 21B-35 of this Code, but does, at a minimum, meet the following requirements:

(i) Holds the equivalent of a minimum of a bachelor's degree, unless a master's degree is required for the endorsement, from a regionally accredited college or university or, for individuals educated in a country other than the United States, the equivalent of a minimum of a bachelor's degree issued in the United States, unless a master's degree is required for the

endorsement.

(ii) Has passed or passes a test of basic skills and content area test, as required by Section 21B-30 of this Code, prior to or within one year after issuance of the provisional educator endorsement on the Educator License with Stipulations. If an individual who holds an Educator License with Stipulations endorsed for provisional educator has not passed a test of basic skills and applicable content area test or tests within one year after issuance of the endorsement, the endorsement shall expire on June 30 following one full year of the endorsement being issued. If such an individual has passed the test of basic skills and applicable content area test or tests either prior to issuance of the endorsement or within one year after issuance of the endorsement, the endorsement is valid until June 30 immediately following 2 years of the license being issued, during which time any and all coursework deficiencies must be met and any and all additional testing deficiencies must be met.

In addition, a provisional educator endorsement for principals or superintendents may be issued if the individual meets the requirements set forth in subdivisions (1) and (3) of subsection (b-5) of Section

21B-35 of this Code. Applicants who have not been entitled by an Illinois-approved educator preparation program at an Illinois institution of higher education shall not receive a provisional educator endorsement if the person completed an alternative licensure program in another state, unless the program has been determined to be equivalent to Illinois program requirements.

Notwithstanding any other requirements of this Section, a service member or spouse of a service member may obtain a Professional Educator License with Stipulations, and a provisional educator endorsement in a specific content area or areas, if he or she holds a valid teaching certificate or license in good standing from another state, meets the qualifications of educators outlined in Section 21B-15 of this Code, and has not engaged in any misconduct that would prohibit an individual from obtaining a license pursuant to Illinois law, including without limitation any administrative rules of the State Board of Education.

In this Section, "service member" means any person who, at the time of application under this Section, is an active duty member of the United States Armed Forces or any reserve component of the United States Armed Forces or the National Guard of any state,

commonwealth, or territory of the United States or the District of Columbia.

A provisional educator endorsement is valid until June 30 immediately following 2 years of the license being issued, provided that any remaining testing and coursework deficiencies are met as set forth in this Section. Failure to satisfy all stated deficiencies shall mean the individual, including any service member or spouse who has obtained a Professional Educator License with Stipulations and a provisional educator endorsement in a specific content area or areas, is ineligible to receive a Professional Educator License at that time. An Educator License with Stipulations endorsed for provisional educator shall not be renewed for individuals who hold an Educator License with Stipulations and who have held a position in a public school or non-public school recognized by the State Board of Education.

(B) Alternative provisional educator. An alternative provisional educator endorsement on an Educator License with Stipulations may be issued to an applicant who, at the time of applying for the endorsement, has done all of the following:

(i) Graduated from a regionally accredited college or university with a minimum of a bachelor's degree.

(ii) Successfully completed the first phase of the Alternative Educator Licensure Program for Teachers, as described in Section 21B-50 of this Code.

(iii) Passed a test of basic skills and content area test, as required under Section 21B-30 of this Code.

The alternative provisional educator endorsement is valid for 2 years of teaching and may be renewed for a third year by an individual meeting the requirements set forth in Section 21B-50 of this Code.

(C) Alternative provisional superintendent. An alternative provisional superintendent endorsement on an Educator License with Stipulations entitles the holder to serve only as a superintendent or assistant superintendent in a school district's central office. This endorsement may only be issued to an applicant who, at the time of applying for the endorsement, has done all of the following:

(i) Graduated from a regionally accredited college or university with a minimum of a master's degree in a management field other than education.

(ii) Been employed for a period of at least 5 years in a management level position in a field other than education.

(iii) Successfully completed the first phase

of an alternative route to superintendent endorsement program, as provided in Section 21B-55 of this Code.

(iv) Passed a test of basic skills and content area tests required under Section 21B-30 of this Code.

The endorsement may be registered for 2 fiscal years in order to complete one full year of serving as a superintendent or assistant superintendent.

(D) Resident teacher endorsement. A resident teacher endorsement on an Educator License with Stipulations may be issued to an applicant who, at the time of applying for the endorsement, has done all of the following:

(i) Graduated from a regionally accredited institution of higher education with a minimum of a bachelor's degree.

(ii) Enrolled in an approved Illinois educator preparation program.

(iii) Passed a test of basic skills and content area test, as required under Section 21B-30 of this Code.

The resident teacher endorsement on an Educator License with Stipulations is valid for 4 years of teaching and shall not be renewed.

A resident teacher may teach only under the

direction of a licensed teacher, who shall act as the resident mentor teacher, and may not teach in place of a licensed teacher. A resident teacher endorsement on an Educator License with Stipulations shall no longer be valid after June 30, 2017.

(E) Career and technical educator. A career and technical educator endorsement on an Educator License with Stipulations may be issued to an applicant who has a minimum of 60 semester hours of coursework from a regionally accredited institution of higher education and has a minimum of 2,000 hours of experience outside of education in each area to be taught.

The career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed. For individuals who were issued the career and technical educator endorsement on an Educator License with Stipulations on or after January 1, 2015, the license may be renewed if the individual passes a test of basic skills, as required under Section 21B-30 of this Code.

(F) Part-time provisional career and technical educator or provisional career and technical educator. A part-time provisional career and technical educator endorsement or a provisional career and technical educator endorsement on an Educator License with

Stipulations may be issued to an applicant who has a minimum of 8,000 hours of work experience in the skill for which the applicant is seeking the endorsement. It is the responsibility of each employing school board and regional office of education to provide verification, in writing, to the State Superintendent of Education at the time the application is submitted that no qualified teacher holding a Professional Educator License or an Educator License with Stipulations with a career and technical educator endorsement is available and that actual circumstances require such issuance.

The provisional career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed only one time for 5 years. For individuals who were issued the provisional career and technical educator endorsement on an Educator License with Stipulations on or after January 1, 2015, the license may be renewed one time if the individual passes a test of basic skills, as required under Section 21B-30 of this Code, and has completed a minimum of 20 semester hours from a regionally accredited institution.

A part-time provisional career and technical educator endorsement on an Educator License with

Stipulations may be issued for teaching no more than 2 courses of study for grades 6 through 12. The part-time provisional career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed for 5 years if the individual makes application for renewal.

(G) Transitional bilingual educator. A transitional bilingual educator endorsement on an Educator License with Stipulations may be issued for the purpose of providing instruction in accordance with Article 14C of this Code to an applicant who provides satisfactory evidence that he or she meets all of the following requirements:

(i) Possesses adequate speaking, reading, and writing ability in the language other than English in which transitional bilingual education is offered.

(ii) Has the ability to successfully communicate in English.

(iii) Either possessed, within 5 years previous to his or her applying for a transitional bilingual educator endorsement, a valid and comparable teaching certificate or comparable authorization issued by a foreign country or holds a degree from an institution of higher learning in

a foreign country that the State Educator Preparation and Licensure Board determines to be the equivalent of a bachelor's degree from a regionally accredited institution of higher learning in the United States.

A transitional bilingual educator endorsement shall be valid for prekindergarten through grade 12, is valid until June 30 immediately following 5 years of the endorsement being issued, and shall not be renewed.

Persons holding a transitional bilingual educator endorsement shall not be employed to replace any presently employed teacher who otherwise would not be replaced for any reason.

(H) Language endorsement. In an effort to alleviate the shortage of teachers speaking a language other than English in the public schools, an individual who holds an Educator License with Stipulations may also apply for a language endorsement, provided that the applicant provides satisfactory evidence that he or she meets all of the following requirements:

(i) Holds a transitional bilingual endorsement.

(ii) Has demonstrated proficiency in the language for which the endorsement is to be issued by passing the applicable language content test required by the State Board of Education.

(iii) Holds a bachelor's degree or higher from a regionally accredited institution of higher education or, for individuals educated in a country other than the United States, holds a degree from an institution of higher learning in a foreign country that the State Educator Preparation and Licensure Board determines to be the equivalent of a bachelor's degree from a regionally accredited institution of higher learning in the United States.

(iv) Has passed a test of basic skills, as required under Section 21B-30 of this Code.

A language endorsement on an Educator License with Stipulations is valid for prekindergarten through grade 12 for the same validity period as the individual's transitional bilingual educator endorsement on the Educator License with Stipulations and shall not be renewed.

(I) Visiting international educator. A visiting international educator endorsement on an Educator License with Stipulations may be issued to an individual who is being recruited by a particular school district that conducts formal recruitment programs outside of the United States to secure the services of qualified teachers and who meets all of the following requirements:

(i) Holds the equivalent of a minimum of a bachelor's degree issued in the United States.

(ii) Has been prepared as a teacher at the grade level for which he or she will be employed.

(iii) Has adequate content knowledge in the subject to be taught.

(iv) Has an adequate command of the English language.

A holder of a visiting international educator endorsement on an Educator License with Stipulations shall be permitted to teach in bilingual education programs in the language that was the medium of instruction in his or her teacher preparation program, provided that he or she passes the English Language Proficiency Examination or another test of writing skills in English identified by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board.

A visiting international educator endorsement on an Educator License with Stipulations is valid for 3 years and shall not be renewed.

(J) Paraprofessional educator. A paraprofessional educator endorsement on an Educator License with Stipulations may be issued to an applicant who holds a high school diploma or its recognized equivalent and either holds an associate's degree or a minimum of 60

semester hours of credit from a regionally accredited institution of higher education or has passed a test of basic skills required under Section 21B-30 of this Code. The paraprofessional educator endorsement is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed through application and payment of the appropriate fee, as required under Section 21B-40 of this Code. An individual who holds only a paraprofessional educator endorsement is not subject to additional requirements in order to renew the endorsement.

(K) Chief school business official. A chief school business official endorsement on an Educator License with Stipulations may be issued to an applicant who qualifies by having a master's degree or higher, 2 years of full-time administrative experience in school business management or 2 years of university-approved practical experience, and a minimum of 24 semester hours of graduate credit in a program approved by the State Board of Education for the preparation of school business administrators and by passage of the applicable State tests, including a test of basic skills and applicable content area test.

The chief school business official endorsement may also be affixed to the Educator License with Stipulations of any holder who qualifies by having a

master's degree in business administration, finance, ~~or~~ accounting, or public administration and who completes an additional 6 semester hours of internship in school business management from a regionally accredited institution of higher education and passes the applicable State tests, including a test of basic skills and applicable content area test. This endorsement shall be required for any individual employed as a chief school business official.

The chief school business official endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed if the license holder completes renewal requirements as required for individuals who hold a Professional Educator License endorsed for chief school business official under Section 21B-45 of this Code and such rules as may be adopted by the State Board of Education.

The State Board of Education shall adopt any rules necessary to implement this amendatory Act of the 100th General Assembly.

(3) Substitute Teaching License. A Substitute Teaching License may be issued to qualified applicants for substitute teaching in all grades of the public schools, prekindergarten through grade 12. Substitute Teaching

Licenses are not eligible for endorsements. Applicants for a Substitute Teaching License must hold a bachelor's degree or higher from a regionally accredited institution of higher education.

Substitute Teaching Licenses are valid for 5 years and may be renewed if the individual has passed a test of basic skills, as authorized under Section 21B-30 of this Code. An individual who has passed a test of basic skills for the first licensure renewal is not required to retake the test again for further renewals.

Substitute Teaching Licenses are valid for substitute teaching in every county of this State. If an individual has had his or her Professional Educator License or Educator License with Stipulations suspended or revoked or has not met the renewal requirements for licensure, then that individual is not eligible to obtain a Substitute Teaching License.

A substitute teacher may only teach in the place of a licensed teacher who is under contract with the employing board. If, however, there is no licensed teacher under contract because of an emergency situation, then a district may employ a substitute teacher for no longer than 30 calendar days per each vacant position in the district if the district notifies the appropriate regional office of education within 5 business days after the employment of the substitute teacher in the emergency situation. An

emergency situation is one in which an unforeseen vacancy has occurred and (i) a teacher is unable to fulfill his or her contractual duties or (ii) teacher capacity needs of the district exceed previous indications, and the district is actively engaged in advertising to hire a fully licensed teacher for the vacant position.

There is no limit on the number of days that a substitute teacher may teach in a single school district, provided that no substitute teacher may teach for longer than 90 school days for any one licensed teacher under contract in the same school year. A substitute teacher who holds a Professional Educator License or Educator License with Stipulations shall not teach for more than 120 school days for any one licensed teacher under contract in the same school year. The limitations in this paragraph (3) on the number of days a substitute teacher may be employed do not apply to any school district operating under Article 34 of this Code.

Sec. 21B-25. Endorsement on licenses. All licenses issued under paragraph (1) of Section 21B-20 of this Code shall be specifically endorsed by the State Board of Education for each

content area, school support area, and administrative area for which the holder of the license is qualified. Recognized institutions approved to offer educator preparation programs shall be trained to add endorsements to licenses issued to applicants who meet all of the requirements for the endorsement or endorsements, including passing any required tests. The State Superintendent of Education shall randomly audit institutions to ensure that all rules and standards are being followed for entitlement or when endorsements are being recommended.

(1) The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall establish, by rule, the grade level and subject area endorsements to be added to the Professional Educator License. These rules shall outline the requirements for obtaining each endorsement.

(2) In addition to any and all grade level and content area endorsements developed by rule, the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall develop the requirements for the following endorsements:

(A) General administrative endorsement. A general administrative endorsement shall be added to a Professional Educator License, provided that an approved program has been completed. An individual holding a general administrative endorsement may work

only as a principal or assistant principal or in a related or similar position, as determined by the State Superintendent of Education, in consultation with the State Educator Preparation and Licensure Board.

Beginning on September 1, 2014, the general administrative endorsement shall no longer be issued except to individuals who completed all coursework requirements for the receipt of the general administrative endorsement by September 1, 2014, who have completed all testing requirements by June 30, 2016, and who apply for the endorsement on or before June 30, 2016. Individuals who hold a valid and registered administrative certificate with a general administrative endorsement issued under Section 21-7.1 of this Code or a Professional Educator License with a general administrative endorsement issued prior to September 1, 2014 and who have served for at least one full year during the 5 years prior in a position requiring a general administrative endorsement shall, upon request to the State Board of Education and through July 1, 2015, have their respective general administrative endorsement converted to a principal endorsement on the Professional Educator License. Candidates shall not be admitted to an approved general administrative preparation program after September 1, 2012.

All other individuals holding a valid and registered administrative certificate with a general administrative endorsement issued pursuant to Section 21-7.1 of this Code or a general administrative endorsement on a Professional Educator License issued prior to September 1, 2014 shall have the general administrative endorsement converted to a principal endorsement on a Professional Educator License upon request to the State Board of Education and by completing one of the following pathways:

(i) Passage of the State principal assessment developed by the State Board of Education.

(ii) Through July 1, 2019, completion of an Illinois Educators' Academy course designated by the State Superintendent of Education.

(iii) Completion of a principal preparation program established and approved pursuant to Section 21B-60 of this Code and applicable rules.

Individuals who do not choose to convert the general administrative endorsement on the administrative certificate issued pursuant to Section 21-7.1 of this Code or on the Professional Educator License shall continue to be able to serve in any position previously allowed under paragraph (2) of subsection (e) of Section 21-7.1 of this Code.

The general administrative endorsement on the

Professional Educator License is available only to individuals who, prior to September 1, 2014, had such an endorsement on the administrative certificate issued pursuant to Section 21-7.1 of this Code or who already have a Professional Educator License and have completed a general administrative program and who do not choose to convert the general administrative endorsement to a principal endorsement pursuant to the options in this Section.

(B) Principal endorsement. A principal endorsement shall be affixed to a Professional Educator License of any holder who qualifies by having all of the following:

(i) Successful completion of a principal preparation program approved in accordance with Section 21B-60 of this Code and any applicable rules.

(ii) At least 4 total years of teaching or, until June 30, 2021, 4 total years of working in the capacity of school support personnel in an Illinois public school or nonpublic school recognized by the State Board of Education or in an out-of-state public school or out-of-state nonpublic school meeting out-of-state recognition standards comparable to those approved by the State Superintendent of Education; however, the

State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall allow, by rules, for fewer than 4 years of experience based on meeting standards set forth in such rules, including without limitation a review of performance evaluations or other evidence of demonstrated qualifications.

(iii) A master's degree or higher from a regionally accredited college or university.

(C) Chief school business official endorsement. A chief school business official endorsement shall be affixed to the Professional Educator License of any holder who qualifies by having a master's degree or higher, 2 years of full-time administrative experience in school business management or 2 years of university-approved practical experience, and a minimum of 24 semester hours of graduate credit in a program approved by the State Board of Education for the preparation of school business administrators and by passage of the applicable State tests. The chief school business official endorsement may also be affixed to the Professional Educator License of any holder who qualifies by having a master's degree in business administration, finance, ~~or~~ accounting, or public administration and who completes an additional 6 semester hours of internship in school business

management from a regionally accredited institution of higher education and passes the applicable State tests. This endorsement shall be required for any individual employed as a chief school business official.

(D) Superintendent endorsement. A superintendent endorsement shall be affixed to the Professional Educator License of any holder who has completed a program approved by the State Board of Education for the preparation of superintendents of schools, has had at least 2 years of experience employed full-time in a general administrative position or as a full-time principal, director of special education, or chief school business official in the public schools or in a State-recognized nonpublic school in which the chief administrator is required to have the licensure necessary to be a principal in a public school in this State and where a majority of the teachers are required to have the licensure necessary to be instructors in a public school in this State, and has passed the required State tests; or of any holder who has completed a program that is not an Illinois-approved educator preparation program at an Illinois institution of higher education and that has recognition standards comparable to those approved by the State Superintendent of Education and holds the

general administrative, principal, or chief school business official endorsement and who has had 2 years of experience as a principal, director of special education, or chief school business official while holding a valid educator license or certificate comparable in validity and educational and experience requirements and has passed the appropriate State tests, as provided in Section 21B-30 of this Code. The superintendent endorsement shall allow individuals to serve only as a superintendent or assistant superintendent.

(E) Teacher leader endorsement. It shall be the policy of this State to improve the quality of instructional leaders by providing a career pathway for teachers interested in serving in leadership roles, but not as principals. The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may issue a teacher leader endorsement under this subdivision (E). Persons who meet and successfully complete the requirements of the endorsement shall be issued a teacher leader endorsement on the Professional Educator License for serving in schools in this State. Teacher leaders may qualify to serve in such positions as department chairs, coaches, mentors, curriculum and instruction leaders, or other leadership positions as defined by

the district. The endorsement shall be available to those teachers who (i) hold a Professional Educator License, (ii) hold a master's degree or higher from a regionally accredited institution, (iii) have completed a program of study that has been approved by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, and (iv) have successfully demonstrated competencies as defined by rule.

A teacher who meets the requirements set forth in this Section and holds a teacher leader endorsement may evaluate teachers pursuant to Section 24A-5 of this Code, provided that the individual has completed the evaluation component required by Section 24A-3 of this Code and a teacher leader is allowed to evaluate personnel under the respective school district's collective bargaining agreement.

The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may adopt such rules as may be necessary to establish and implement the teacher leader endorsement program and to specify the positions for which this endorsement shall be required.

(F) Special education endorsement. A special education endorsement in one or more areas shall be affixed to a Professional Educator License for any

individual that meets those requirements established by the State Board of Education in rules. Special education endorsement areas shall include without limitation the following:

- (i) Learning Behavior Specialist I;
- (ii) Learning Behavior Specialist II;
- (iii) Speech Language Pathologist;
- (iv) Blind or Visually Impaired;
- (v) Deaf-Hard of Hearing; and
- (vi) Early Childhood Special Education.

Notwithstanding anything in this Code to the contrary, the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may add additional areas of special education by rule.

(G) School support personnel endorsement. School support personnel endorsement areas shall include, but are not limited to, school counselor, marriage and family therapist, school psychologist, school speech and language pathologist, school nurse, and school social worker. This endorsement is for individuals who are not teachers or administrators, but still require licensure to work in an instructional support position in a public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control or a charter school operating in compliance with the Charter

Schools Law. The school support personnel endorsement shall be affixed to the Professional Educator License and shall meet all of the requirements established in any rules adopted to implement this subdivision (G). The holder of such an endorsement is entitled to all of the rights and privileges granted holders of any other Professional Educator License, including teacher benefits, compensation, and working conditions.

Beginning on January 1, 2014 and ending on April 30, 2014, a person holding a Professional Educator License with a school speech and language pathologist (teaching) endorsement may exchange his or her school speech and language pathologist (teaching) endorsement for a school speech and language pathologist (non-teaching) endorsement through application to the State Board of Education.
