(a-5) A predatory lending database program shall be established within Cook County. The program shall be administered in accordance with this Article. The inception date of the program shall be July 1, 2008. A predatory lending database program shall be expanded to include Kane, Peoria, and Will counties. The inception date of the expansion of the program as it applies to Kane, Peoria, and Will counties shall be July 1, 2010. Until the inception date, none of the duties, obligations, contingencies, or consequences of or from the

program shall be imposed. The program shall apply to all mortgage applications that are governed by this Article and that are made or taken on or after the inception of the program.

(b) The database created under this program shall be maintained and administered by the Department. The database shall be designed to allow brokers, originators, counselors, title insurance companies, and closing agents to submit information to the database online. The database shall not be designed to allow those entities to retrieve information from the database, except as otherwise provided in this Article. Information submitted by the broker or originator to the Department may be used to populate the online form submitted by a counselor, title insurance company, or closing agent.

(c) Within 10 business days after taking a mortgage application, the broker or originator for any mortgage on residential property within the program area must submit to the predatory lending database all of the information required under Section 72 and any other information required by the Department by rule. Within 7 business days after receipt of the information, the Department shall compare that information to the housing counseling standards in Section 73 and issue to the borrower and the broker or originator a determination of whether counseling is recommended for the borrower. The borrower may not waive counseling. If at any time after submitting the information required under Section 72 the broker

or originator (i) changes the terms of the loan or (ii) issues a new commitment to the borrower, then, within 5 business days thereafter, the broker or originator shall re-submit all of the information required under Section 72 and, within 4 business days after receipt of the information re-submitted by the broker or originator, the Department shall compare that information to the housing counseling standards in Section 73 and shall issue to the borrower and the broker or originator a new determination of whether re-counseling is recommended for the borrower based on the information re-submitted by the broker or originator. The Department shall require re-counseling if the loan terms have been modified to meet another counseling standard in Section 73, or if the broker has increased the interest rate by more than 200 basis points.

(d) If the Department recommends counseling for the borrower under subsection (c), then the Department shall notify the borrower of all participating HUD-approved counseling agencies located within the State and direct the borrower to interview with a counselor associated with one of those agencies. Within 10 business days after receipt of the notice of HUD-approved counseling agencies, it is the borrower's responsibility to select one of those agencies and shall engage in an interview with a counselor associated with that agency. The borrower must supply all necessary documents, as set forth by the counselor, at least 72 hours before the scheduled interview. The selection must take place and the appointment

for the interview must be set within 10 business days, although the interview may take place beyond the 10 business day period. Within 7 business days after interviewing the borrower, the counselor must submit to the predatory lending database all of the information required under Section 74 and any other information required by the Department by rule. Reasonable and customary costs not to exceed \$300 associated with counseling provided under the program shall be paid by the broker or originator and shall not be charged back to, or recovered from, the borrower. The Department shall annually calculate to the nearest dollar an adjusted rate for inflation. A counselor shall not recommend or suggest that a borrower contact any specific mortgage origination company, financial institution, or entity that deals in mortgage finance to obtain a loan, another quote, or for any other reason related to the specific mortgage transaction; however, a counselor may suggest that the borrower seek an opinion or a quote from another mortgage origination company, financial institution, or entity that deals in mortgage finance. A counselor or housing counseling agency that in good faith provides counseling shall not be liable to a broker or originator or borrower for civil damages, except for willful or wanton misconduct on the part of the counselor in providing the counseling.

(e) The broker or originator and the borrower may not take any legally binding action concerning the loan transaction until the later of the following:

(1) the Department issues a determination not to recommend HUD-approved counseling for the borrower in accordance with subsection (c); or

(2) the Department issues a determination that HUD-approved counseling is recommended for the borrower and the counselor submits all required information to the database in accordance with subsection (d).

(f) Within 10 business days after closing, the title insurance company or closing agent must submit to the predatory lending database all of the information required under Section 76 and any other information required by the Department by rule.

(g) The title insurance company or closing agent shall attach to the mortgage a certificate of compliance with the requirements of this Article, as generated by the database. If the transaction is exempt, the title insurance company or closing agent shall attach to the mortgage a certificate of exemption, as generated by the database. Each certificate of compliance or certificate of exemption must contain, at a minimum, one of the borrower's names on the mortgage loan and the property index number for the subject property. If the title insurance company or closing agent fails to attach the certificate of compliance or exemption, whichever is required, then the mortgage is not recordable. In addition, if any lis pendens for a residential mortgage foreclosure is recorded on the property within the program area, a certificate of service

must be simultaneously recorded that affirms that a copy of the lis pendens was filed with the Department. A lis pendens filed after July 1, 2016 shall be filed with the Department electronically. If the certificate of service is not recorded, then the lis pendens pertaining to the residential mortgage foreclosure in question is not recordable and is of no force and effect.

(h) All information provided to the predatory lending database under the program is confidential and is not subject to disclosure under the Freedom of Information Act, except as otherwise provided in this Article. Information or documents obtained by employees of the Department in the course of maintaining and administering the predatory lending database are deemed confidential. Employees are prohibited from making disclosure of such confidential information or documents. Any request for production of information from the predatory lending database, whether by subpoena, notice, or any other source, shall be referred to the Department of Financial and Professional Regulation. Any borrower may authorize in writing the release of database information. The Department may use the information in the database without the consent of the borrower: (i) for the purposes of administering and enforcing the program; (ii) to provide relevant information to a counselor providing counseling to a borrower under the program; or (iii) to the appropriate law enforcement agency or the applicable administrative agency if the database information

demonstrates criminal, fraudulent, or otherwise illegal activity.

(i) Nothing in this Article is intended to prevent a borrower from making his or her own decision as to whether to proceed with a transaction.

(j) Any person who violates any provision of this Article commits an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act.

(j-1) A violation of any provision of this Article by a mortgage banking licensee or licensed mortgage loan originator shall constitute a violation of the Residential Mortgage License Act of 1987.

(j-3) A violation of any provision of this Article by a housing counselor shall be referred to the Department of Housing and Urban Development.
