Section 15. The Cannabis Control Act is amended by changing Section 10 as follows:

(720 ILCS 550/10) (from Ch. 56 1/2, par. 710)

(Text of Section before amendment by P.A. 100-3)

Sec. 10. (a) Whenever any person who has not previously been convicted of, or placed on probation or court supervision for, any offense under this Act or any law of the United States

or of any State relating to cannabis, or controlled substances as defined in the Illinois Controlled Substances Act, pleads guilty to or is found guilty of violating Sections 4(a), 4(b), 4(c), 5(a), 5(b), 5(c) or 8 of this Act, the court may, without entering a judgment and with the consent of such person, sentence him to probation.

(b) When a person is placed on probation, the court shall enter an order specifying a period of probation of 24 months, and shall defer further proceedings in the case until the conclusion of the period or until the filing of a petition alleging violation of a term or condition of probation.

(c) The conditions of probation shall be that the person: (1) not violate any criminal statute of any jurisdiction; (2) refrain from possession of a firearm or other dangerous weapon; (3) submit to periodic drug testing at a time and in a manner as ordered by the court, but no less than 3 times during the period of the probation, with the cost of the testing to be paid by the probationer; and (4) perform no less than 30 hours of community service, provided community service is available in the jurisdiction and is funded and approved by the county board. The court may give credit toward the fulfillment of community service hours for participation in activities and treatment as determined by court services.

(d) The court may, in addition to other conditions, require that the person:

(1) make a report to and appear in person before or

participate with the court or such courts, person, or social service agency as directed by the court in the order of probation;

(2) pay a fine and costs;

(i) reside with his parents or in a foster home;

(ii) attend school;

(iii) attend a non-residential program for youth;

(iv) contribute to his own support at home or in a foster home.

(e) Upon violation of a term or condition of probation, the court may enter a judgment on its original finding of guilt and proceed as otherwise provided.

(f) Upon fulfillment of the terms and conditions of probation, the court shall discharge such person and dismiss the proceedings against him.

(g) A disposition of probation is considered to be a conviction for the purposes of imposing the conditions of probation and for appeal, however, discharge and dismissal under this Section is not a conviction for purposes of disqualification or disabilities imposed by law upon conviction of a crime (including the additional penalty imposed for subsequent offenses under Section 4(c), 4(d), 5(c) or 5(d) of this Act).

(h) Discharge and dismissal under this Section, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, or subsection (c) of Section 11-14 of the Criminal Code of 1961 or the Criminal Code of 2012 may occur only once with respect to any person.

(i) If a person is convicted of an offense under this Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act within 5 years subsequent to a discharge and dismissal under this Section, the discharge and dismissal under this Section shall be admissible in the

sentencing proceeding for that conviction as a factor in aggravation.

(j) Notwithstanding subsection (a), before a person is sentenced to probation under this Section, the court may refer the person to the drug court established in that judicial circuit pursuant to Section 15 of the Drug Court Treatment Act. The drug court team shall evaluate the person's likelihood of successfully completing a sentence of probation under this Section and shall report the results of its evaluation to the court. If the drug court team finds that the person suffers from a substance abuse problem that makes him or her substantially unlikely to successfully complete a sentence of probation under this Section, then the drug court shall set forth its findings in the form of a written order, and the person shall not be sentenced to probation under this Section, but may be considered for the drug court program.

Sec. 70. Probation.

(b) When a person is placed on probation, the court shall enter an order specifying a period of probation of 24 months and shall defer further proceedings in the case until the conclusion of the period or until the filing of a petition alleging violation of a term or condition of probation.

(c) The conditions of probation shall be that the person:

if community service is available in the jurisdiction and is funded and approved by the county board. The court may give credit toward the fulfillment of community service hours for participation in activities and treatment as determined by court services.

(d) The court may, in addition to other conditions, require that the person take one or more of the following actions:

(f) Upon fulfillment of the terms and conditions of probation, the court shall discharge the person and dismiss the proceedings against the person.

(g) A disposition of probation is considered to be a conviction for the purposes of imposing the conditions of probation and for appeal, however, discharge and dismissal under this Section is not a conviction for purposes of this Act or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime.

The drug court team shall evaluate the person's likelihood of successfully completing a sentence of probation under this Section and shall report the results of its evaluation to the court. The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for the sentence credit;

(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow; and

The Director shall determine the form and content of the written determination required in this subsection.

The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and

shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15,

1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly

for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or

she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the sentence credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive

sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of sentence credit for good conduct under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World

Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded for good conduct under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in

subparagraph (a) (4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a) (3) (i) (B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or

federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a) (8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the

establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or

the Criminal Code of 2012, earlier than it otherwise would because of a grant of sentence credit, the Department, as a condition of release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

(A) successful completion of programming while in custody of the Department or while in custody prior to sentencing;

(B) compliance with the rules and regulations of the Department; or

(C) service to the institution, service to a community, or service to the State.

(2) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide, with respect to offenses listed in clause (i),

(ii), or (iii) of this paragraph (2) committed on or after June 19, 1998 or with respect to the offense listed in clause (iv) of this paragraph (2) committed on or after June 23, 2005 (the effective date of Public Act 94-71) or with respect to offense listed in clause (vi) committed on or after June 1, 2008 (the effective date of Public Act 95-625) or with respect to the offense of being an armed habitual criminal committed on or after August 2, 2005 (the effective date of Public Act 94-398) or with respect to the offenses listed in clause (v) of this paragraph (2) committed on or after August 13, 2007 (the effective date of Public Act 95-134) or with respect to the offense of aggravated domestic battery committed on or after July 23, 2010 (the effective date of Public Act 96-1224) or with respect to the offense of attempt to commit terrorism committed on or after January 1, 2013 (the effective date of Public Act 97-990), the following:

(2.1) For all offenses, other than those enumerated in subdivision (a)(2)(i), (ii), or (iii) committed on or after June 19, 1998 or subdivision (a)(2)(iv) committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) committed on or after July 23, 2010 (the effective date of Public Act 96-1224), and other than the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and other than the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), the rules and regulations shall provide that a prisoner who is serving a term of imprisonment shall receive one day of

sentence credit for each day of his or her sentence of imprisonment or recommitment under Section 3-3-9. Each day of sentence credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no sentence credit.

(2.3) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(2.4) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide with respect to the offenses of aggravated battery with a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm or aggravated discharge of a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm, committed on or after July 15, 1999 (the effective date of Public Act 91-121), that a prisoner serving a sentence for any of these offenses shall

receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(2.5) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after July 27, 2001 (the effective date of Public Act 92-176) shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(2.6) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230) shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(3) In addition to the sentence credits earned under paragraphs (2.1), (4), (4.1), and ~~Except as provided in paragraph~~ (4.7) of this subsection (a), the rules and regulations shall also provide that the Director may award up to 180 days of earned sentence credit for good conduct in specific instances as the Director deems proper. The good

conduct may include, but is not limited to, compliance with the rules and regulations of the Department, service to the Department, service to a community, or service to the State.

Eligible inmates for an award of earned sentence credit under this paragraph (3) may be selected to receive the credit at the Director's or his or her designee's sole discretion. Eligibility for the additional earned sentence credit under this paragraph (3) shall be based on, but is not limited to, the results of any available risk/needs assessment or other relevant assessments or evaluations administered by the Department using a validated instrument, the circumstances of the crime, any history of conviction for a forcible felony enumerated in Section 2-8 of the Criminal Code of 2012, the inmate's behavior and disciplinary history while incarcerated, and the inmate's commitment to rehabilitation, including participation in programming offered by the Department.

The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for the earned sentence credit;

(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow;

(B-1) has received a risk/needs assessment or other relevant evaluation or assessment administered by the Department using a validated instrument; and

(C) has met the eligibility criteria established ~~under paragraph (4) of this subsection (a) and~~ by rule for earned sentence credit.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of earned sentence credit no later than February 1 of each year. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

(A) the number of inmates awarded earned sentence credit;

(B) the average amount of earned sentence credit awarded;

(C) the holding offenses of inmates awarded earned sentence credit; and

(D) the number of earned sentence credit revocations.

(4) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that the sentence credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged

full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention.

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit

may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section,

but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal

resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(4.7) On or after the effective date of this amendatory Act of the 100th General Assembly, sentence credit under paragraph (3), (4), or (4.1) of this subsection (a) may be awarded to a

prisoner who is serving a sentence for an offense described in paragraph (2), (2.3), (2.4), (2.5), or (2.6) for credit earned on or after the effective date of this amendatory Act of the 100th General Assembly; provided, the award of the credits under this paragraph (4.7) shall not reduce the sentence of the prisoner to less than the following amounts:

(i) 85% of his or her sentence if the prisoner is required to serve 85% of his or her sentence; or

(ii) 60% of his or her sentence if the prisoner is required to serve 75% of his or her sentence, except if the prisoner is serving a sentence for gunrunning his or her sentence shall not be reduced to less than 75%.

This paragraph (4.7) shall not apply to a prisoner serving a sentence for an offense described in subparagraph (i) of paragraph (2) of this subsection (a).

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of earned sentence credit under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a

hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor

against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the

accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a) (8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law

or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who

has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012, earlier than it otherwise would because of a grant of sentence credit, the Department, as a condition of release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the

discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high

(5) pay fines and costs;

(6) attend educational courses designed to prepare the defendant for obtaining a high school diploma or to work toward passing high school equivalency testing or to work toward completing a vocational training program;

(7) submit to periodic drug testing at a time and in a manner as ordered by the court, but no less than 3 times during the period of probation, with the cost of the testing to be paid by the defendant; and

(8) perform a minimum of 30 hours of community service. The court may give credit toward the fulfillment of community service hours for participation in activities and treatment as determined by court services.

(d) The court may, in addition to other conditions, require that the defendant:

(1) make a report to and appear in person before or participate with the court or such courts, person, or social service agency as directed by the court in the order of probation;

(2) undergo medical or psychiatric treatment, or

treatment or rehabilitation approved by the Illinois Department of Human Services;

(3) attend or reside in a facility established for the instruction or residence of defendants on probation;

(4) support his or her dependents; or

(e) Upon violation of a term or condition of probation, the court may enter a judgment on its original finding of guilt and proceed as otherwise provided by law.

(f) Upon fulfillment of the terms and conditions of probation, the court shall discharge the person and dismiss the proceedings against the person.

(g) A disposition of probation is considered to be a conviction for the purposes of imposing the conditions of probation and for appeal; however, a discharge and dismissal under this Section is not a conviction for purposes of this Code or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime.

(h) There may be only one discharge and dismissal under this Section, Section 410 of the Illinois Controlled Substances

Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 10 of the Cannabis Control Act, Treatment Alternatives for Criminal Justice Clients (TASC) under Article 40 of the Alcoholism and Other Drug Abuse and Dependency Act, the Offender Initiative Program under Section 5-6-3.3 of this Code, and subsection (c) of Section 11-14 of the Criminal Code of 2012 with respect to any person.

(i) If a person is convicted of any offense which occurred within 5 years subsequent to a discharge and dismissal under this Section, the discharge and dismissal under this Section shall be admissible in the sentencing proceeding for that conviction as evidence in aggravation.

(j) Notwithstanding subsection (a), if the court finds that the defendant suffers from a substance abuse problem, then before the person is placed on probation under this Section, the court may refer the person to the drug court established in that judicial circuit pursuant to Section 15 of the Drug Court Treatment Act. The drug court team shall evaluate the person's likelihood of successfully fulfilling the terms and conditions of probation under this Section and shall report the results of its evaluation to the court. If the drug court team finds that the person suffers from a substance abuse problem that makes him or her substantially unlikely to successfully fulfill the terms and conditions of probation under this Section, then the drug court shall set forth its findings in the form of a written order, and the person shall be ineligible to be placed

on probation under this Section, but may be considered for the drug court program.

Sec. 5-8A-4.2. Successful transition to the community.

(a) The Department shall engage in reentry planning to include individualized case planning for persons preparing to be released to the community. This planning shall begin at intake and be supported throughout the term of incarceration, with a focused emphasis in the year prior to the inmate's mandatory statutory release date. All inmates within one year of their mandatory statutory release data shall be deemed to be in reentry status. The Department shall develop administrative directives to define reentry status based on the requirements of this Section.

(b) The Department shall develop incentives to increase program and treatment participation, positive behavior, and readiness to change.

(c) The Department shall coordinate with, and provide access at the point of release for, community partners and State and local government agencies to support successful transitions through assistance in planning and by providing appropriate programs to inmates in reentry status. The Department shall work with community partners and appropriate

state agencies to support the successful transitions through assistance in planning and by providing appropriate programs to persons prior to release. Release planning shall include, but is not limited to:

The Illinois Housing Development Authority, the Department of Human Services Statewide Housing Coordinator, stakeholders, and the Department of Corrections shall adopt policies and procedures for the FUSE Re-Entry rental subsidy supportive housing program including eligibility criteria, geographic distribution, and documentation requirements which are similar to the Rental Housing Support Program. The funding formula for this program shall be developed by calculating the number of prison bed days saved through the timely releases that would not be possible but for the Re-Entry rental subsidy supportive housing program. Funding shall include administrative costs for the Illinois Housing Development Authority to operate the program.

(e) The Department shall report to the General Assembly on or before January 1, 2019, and annually thereafter, on these activities to support successful transitions to the community. This report shall include the following information regarding persons released from the Department:

Section 35. The Crime Victims Compensation Act is amended by changing Section 6.1 as follows:

(740 ILCS 45/6.1) (from Ch. 70, par. 76.1)

Sec. 6.1. Right to compensation. A person is entitled to compensation under this Act if:

(a) Within 2 years of the occurrence of the crime, or within one year after a criminal charge of a person for an offense, upon which the claim is based, he files an application, under oath, with the Court of Claims and on a form prescribed in accordance with Section 7.1 furnished by the Attorney General. If the person entitled to

compensation is under 18 years of age or under other legal disability at the time of the occurrence or is determined by a court to be under a legal disability as a result of the occurrence, he may file the application required by this subsection within 2 years after he attains the age of 18 years or the disability is removed, as the case may be. Legal disability includes a diagnosis of posttraumatic stress disorder.

(b) For all crimes of violence, except those listed in subsection (b-1) of this Section, the appropriate law enforcement officials were notified within 72 hours of the perpetration of the crime allegedly causing the death or injury to the victim or, in the event such notification was made more than 72 hours after the perpetration of the crime, the applicant establishes that such notice was timely under the circumstances.

(b-1) For victims of offenses defined in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15, and 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012, the appropriate law enforcement officials were notified within 7 days of the perpetration of the crime allegedly causing death or injury to the victim or, in the event that the notification was made more than 7 days after the perpetration of the crime, the applicant establishes that the notice was timely under the circumstances. If the applicant or victim has obtained an

order of protection, a civil no contact order, or a stalking no contact order, or has presented himself or herself to a hospital for sexual assault evidence collection and medical care, such action shall constitute appropriate notification under this subsection (b-1) or subsection (b) of this Section.

(c) The applicant has cooperated with law enforcement officials in the apprehension and prosecution of the assailant. If the applicant or victim has obtained an order of protection, a civil no contact order, or a stalking no contact order or has presented himself or herself to a hospital for sexual assault evidence collection and medical care, such action shall constitute cooperation under this subsection (c). If the victim is under 18 years of age at the time of the commission of the offense, the following shall constitute cooperation under this subsection (c):

(1) the applicant or the victim files a police report with a law enforcement agency;

(2) a mandated reporter reports the crime to law enforcement; or

(3) a person with firsthand knowledge of the crime reports the crime to law enforcement.

(d) The applicant is not the offender or an accomplice of the offender and the award would not unjustly benefit the offender or his accomplice.

(e) The injury to or death of the victim was not substantially attributable to his own wrongful act and was not substantially provoked by the victim.

(f) For victims of offenses defined in Section 10-9 of the Criminal Code of 2012, the victim submits a statement under oath on a form prescribed by the Attorney General attesting that the removed tattoo was applied in connection with the commission of the offense.
