No holder of a retailer's license issued by the Illinois Liquor Control Commission shall purchase or receive any alcoholic liquor, the order for which was solicited or offered for sale to such retailer by a broker unless the broker is the

holder of a valid broker's license.

The broker shall, upon the acceptance by a retailer of the broker's solicitation of an order or offer to sell or supply or deliver or have delivered alcoholic liquors, promptly forward to the Illinois Liquor Control Commission a notification of said transaction in such form as the Commission may by regulations prescribe.

A caterer retailer license shall allow the holder, a distributor, or an importing distributor to transfer any

inventory to and from the holder's retail premises and shall allow the holder to purchase alcoholic liquor from a distributor or importing distributor to be delivered directly to an off-site event.

Nothing in this Act prohibits a distributor or importing distributor from offering credit or a refund for unused, salable beer to a holder of a caterer retailer license or a caterer retailer licensee from accepting a credit or refund for unused, salable beer, in the event an act of God is the sole reason an off-site event is cancelled and if: (i) the holder of a caterer retailer license has not transferred alcoholic liquor from its caterer retailer premises to an off-site location; (ii) the distributor or importing distributor offers the credit or refund for the unused, salable beer that it delivered to the off-site premises and not for any unused, salable beer that the distributor or importing distributor delivered to the caterer retailer's premises; and (iii) the unused, salable beer would likely spoil if transferred to the caterer retailer's premises. A caterer retailer license shall allow the holder to transfer any inventory from any off-site location to its caterer retailer premises at the conclusion of an off-site event or engage a distributor or importing distributor to transfer any inventory from any off-site location to its caterer retailer premises at the conclusion of an off-site event, provided that the distributor or importing distributor issues bona fide charges to the caterer retailer licensee for fuel, labor, and

delivery and the distributor or importing distributor collects payment from the caterer retailer licensee prior to the distributor or importing distributor transferring inventory to the caterer retailer premises.

For purposes of this subsection (o), an "act of God" means an unforeseeable event, such as a rain or snow storm, hail, a flood, or a similar event, that is the sole cause of the cancellation of an off-site, outdoor event.

(p) An auction liquor license shall allow the licensee to sell and offer for sale at auction wine and spirits for use or consumption, or for resale by an Illinois liquor licensee in accordance with provisions of this Act. A special use

permit license may be granted for the following time periods: one day or less; 2 or more days to a maximum of 15 days per location in any 12-month period. An applicant for the special use permit license must also submit with the application proof satisfactory to the State Commission that the applicant will provide dram shop liability insurance to the maximum limits and have local authority approval.

A special use permit license shall allow the holder to transfer any inventory from the holder's special use premises to its retail premises at the conclusion of the special use event or engage a distributor or importing distributor to transfer any inventory from the holder's special use premises to its retail premises at the conclusion of an off-site event, provided that the distributor or importing distributor issues bona fide charges to the special use permit licensee for fuel, labor, and delivery and the distributor or importing distributor collects payment from the retail licensee prior to the distributor or importing distributor transferring inventory to the retail premises.

Nothing in this Act prohibits a distributor or importing distributor from offering credit or a refund for unused, salable beer to a special use permit licensee or a special use permit licensee from accepting a credit or refund for unused, salable beer at the conclusion of the event specified in the license if: (i) the holder of the special use permit license has not transferred alcoholic liquor from its retail licensed

premises to the premises specified in the special use permit license; (ii) the distributor or importing distributor offers the credit or refund for the unused, salable beer that it delivered to the premises specified in the special use permit license and not for any unused, salable beer that the distributor or importing distributor delivered to the retailer's premises; and (iii) the unused, salable beer would likely spoil if transferred to the retailer premises.

(r) A winery shipper's license shall allow a person with a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license or who is licensed to make wine under the laws of another state to ship wine made by that licensee directly to a resident of this State who is 21 years of age or older for that resident's personal use and not for resale. Prior to receiving a winery shipper's license, an applicant for the license must provide the Commission with a true copy of its current license in any state in which it is licensed as a manufacturer of wine. An applicant for a winery shipper's license must also complete an application form that provides any other information the Commission deems necessary. The application form shall include all addresses from which the applicant for a winery shipper's license intends to ship wine, including the name and address of any third party, except for a common carrier, authorized to ship wine on behalf of the manufacturer. The application form shall include an

acknowledgement consenting to the jurisdiction of the Commission, the Illinois Department of Revenue, and the courts of this State concerning the enforcement of this Act and any related laws, rules, and regulations, including authorizing the Department of Revenue and the Commission to conduct audits for the purpose of ensuring compliance with Public Act 95-634, and an acknowledgement that the wine manufacturer is in compliance with Section 6-2 of this Act. Any third party, except for a common carrier, authorized to ship wine on behalf of a first-class or second-class wine manufacturer's licensee, a first-class or second-class wine-maker's licensee, a limited wine manufacturer's licensee, or a person who is licensed to make wine under the laws of another state shall also be disclosed by the winery shipper's licensee, and a copy of the written appointment of the third-party wine provider, except for a common carrier, to the wine manufacturer shall be filed with the State Commission as a supplement to the winery shipper's license application or any renewal thereof. The winery shipper's license holder shall affirm under penalty of perjury, as part of the winery shipper's license application or renewal, that he or she only ships wine, either directly or indirectly through a third-party provider, from the licensee's own production.

Except for a common carrier, a third-party provider shipping wine on behalf of a winery shipper's license holder is the agent of the winery shipper's license holder and, as such,

a winery shipper's license holder is responsible for the acts and omissions of the third-party provider acting on behalf of the license holder. A third-party provider, except for a common carrier, that engages in shipping wine into Illinois on behalf of a winery shipper's license holder shall consent to the jurisdiction of the State Commission and the State. Any third-party, except for a common carrier, holding such an appointment shall, by February 1 of each calendar year and upon request by the State Commission or the Department of Revenue, file with the State Commission a statement detailing each shipment made to an Illinois resident. The statement shall include the name and address of the third-party provider filing the statement, the time period covered by the statement, and the following information:

- (1) the name, address, and license number of the winery shipper on whose behalf the shipment was made;
- (2) the quantity of the products delivered; and
- (3) the date and address of the shipment.

If the Department of Revenue or the State Commission requests a statement under this paragraph, the third-party provider must provide that statement no later than 30 days after the request is made. Any books, records, supporting papers, and documents containing information and data relating to a statement under this paragraph shall be kept and preserved for a period of 3 years, unless their destruction sooner is authorized, in writing, by the Director of Revenue, and shall be open and

available to inspection by the Director of Revenue or the State Commission or any duly authorized officer, agent, or employee of the State Commission or the Department of Revenue, at all times during business hours of the day. Any person who violates any provision of this paragraph or any rule of the State Commission for the administration and enforcement of the provisions of this paragraph is guilty of a Class C misdemeanor. In case of a continuing violation, each day's continuance thereof shall be a separate and distinct offense.

The State Commission shall adopt rules as soon as practicable to implement the requirements of Public Act 99-904 and shall adopt rules prohibiting any such third-party appointment of a third-party provider, except for a common carrier, that has been deemed by the State Commission to have violated the provisions of this Act with regard to any winery shipper licensee.

A winery shipper licensee must pay to the Department of Revenue the State liquor gallonage tax under Section 8-1 for all wine that is sold by the licensee and shipped to a person in this State. For the purposes of Section 8-1, a winery shipper licensee shall be taxed in the same manner as a manufacturer of wine. A licensee who is not otherwise required to register under the Retailers' Occupation Tax Act must register under the Use Tax Act to collect and remit use tax to the Department of Revenue for all gallons of wine that are sold by the licensee and shipped to persons in this State. If a

licensee fails to remit the tax imposed under this Act in accordance with the provisions of Article VIII of this Act, the winery shipper's license shall be revoked in accordance with the provisions of Article VII of this Act. If a licensee fails to properly register and remit tax under the Use Tax Act or the Retailers' Occupation Tax Act for all wine that is sold by the winery shipper and shipped to persons in this State, the winery shipper's license shall be revoked in accordance with the provisions of Article VII of this Act.

A winery shipper licensee must collect, maintain, and submit to the Commission on a semi-annual basis the total number of cases per resident of wine shipped to residents of this State. A winery shipper licensed under this subsection (r) must comply with the requirements of Section 6-29 of this Act.

Pursuant to paragraph (5.1) or (5.3) of subsection (a) of Section 3-12, the State Commission may receive, respond to, and investigate any complaint and impose any of the remedies specified in paragraph (1) of subsection (a) of Section 3-12.

As used in this subsection, "third-party provider" means any entity that provides fulfillment house services, including warehousing, packaging, distribution, order processing, or shipment of wine, but not the sale of wine, on behalf of a licensed winery shipper.

(s) A craft distiller tasting permit license shall allow an Illinois licensed class 1 craft distiller or class 2 craft distiller to transfer a portion of its alcoholic liquor

inventory from its class 1 craft distiller or class 2 craft distiller licensed premises to the premises specified in the license hereby created and to conduct a sampling, only in the premises specified in the license hereby created, of the transferred alcoholic liquor in accordance with subsection (c) of Section 6-31 of this Act. The transferred alcoholic liquor may not be sold or resold in any form. An applicant for the craft distiller tasting permit license must also submit with the application proof satisfactory to the State Commission that the applicant will provide dram shop liability insurance to the maximum limits and have local authority approval.

(t) A brewer warehouse permit may be issued to the holder of a class 1 brewer license or a class 2 brewer license. If the holder of the permit is a class 1 brewer licensee, the brewer warehouse permit shall allow the holder to store or warehouse up to 930,000 gallons of tax-determined beer manufactured by the holder of the permit at the premises specified on the permit. If the holder of the permit is a class 2 brewer licensee, the brewer warehouse permit shall allow the holder to store or warehouse up to 3,720,000 gallons of tax-determined beer manufactured by the holder of the permit at the premises specified on the permit. Sales to non-licensees are prohibited at the premises specified in the brewer warehouse permit.

(u) A distilling pub license shall allow the licensee to only (i) manufacture up to 5,000 gallons of spirits per year only on the premises specified in the license, (ii) make sales

of the spirits manufactured on the premises or, with the approval of the State Commission, spirits manufactured on another distilling pub licensed premises that is wholly owned and operated by the same licensee to importing distributors and distributors and to non-licensees for use and consumption, (iii) store the spirits upon the premises, (iv) sell and offer for sale at retail from the licensed premises for off-premises consumption no more than 5,000 gallons per year so long as such sales are only made in-person, (v) sell and offer for sale at retail for use and consumption on the premises specified in the license any form of alcoholic liquor purchased from a licensed distributor or importing distributor, and (vi) with the prior approval of the State Commission, annually transfer no more than 5,000 gallons of spirits manufactured on the premises to a licensed distilling pub wholly owned and operated by the same licensee.

A distilling pub licensee shall not under any circumstance sell or offer for sale spirits manufactured by the distilling pub licensee to retail licensees.

A person who holds a class 2 craft distiller license may simultaneously hold a distilling pub license if the class 2 craft distiller (i) does not, under any circumstance, sell or offer for sale spirits manufactured by the class 2 craft distiller to retail licensees; (ii) does not hold more than 3 distilling pub licenses in this State; (iii) does not manufacture more than a combined 100,000 gallons of spirits per

year, including the spirits manufactured at the distilling pub; and (iv) is not a member of or affiliated with, directly or indirectly, a manufacturer that produces more than 100,000 gallons of spirits per year or any other alcoholic liquor.

(v) A craft distiller warehouse permit may be issued to the holder of a class 1 craft distiller or class 2 craft distiller license. The craft distiller warehouse permit shall allow the holder to store or warehouse up to 500,000 gallons of spirits manufactured by the holder of the permit at the premises specified on the permit. Sales to non-licensees are prohibited at the premises specified in the craft distiller warehouse permit.

Fees collected under this Section shall be paid into the Dram Shop Fund. On and after July 1, 2003 and until June 30, 2016, of the funds received for a retailer's license, in addition to the first \$175, an additional \$75 shall be paid into the Dram Shop Fund, and \$250 shall be paid into the General Revenue Fund. On and after June 30, 2016, one-half of the funds received for a retailer's license shall be paid into the Dram Shop Fund and one-half of the funds received for a retailer's license shall be paid into the General Revenue Fund. Beginning June 30, 1990 and on June 30 of each subsequent year through June 29, 2003, any balance over \$5,000,000 remaining in the Dram Shop Fund shall be credited to State liquor licensees and applied against their fees for State liquor licenses for the following year. The amount credited to each licensee shall be a proportion of the balance in the Dram Fund that is the same as the proportion of the license fee paid by the licensee under this Section for the period in which the balance was

accumulated to the aggregate fees paid by all licensees during that period.

No fee shall be paid for licenses issued by the State Commission to the following non-beverage users:

(235 ILCS 5/6-4) (from Ch. 43, par. 121)

Sec. 6-4. (a) No person licensed by any licensing authority as a distiller, or a wine manufacturer, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person shall be issued an importing distributor's or distributor's license, nor shall any person licensed by any licensing authority as an importing distributor, distributor or retailer, or any subsidiary or affiliate thereof, or any officer or associate, member, partner, representative, employee, agent or

shareholder owning more than 5% of the outstanding shares of such person be issued a distiller's license, a craft distiller's license, or a wine manufacturer's license; and no person or persons licensed as a distiller, craft distiller, class 1 craft distiller, or class 2 craft distiller by any licensing authority shall have any interest, directly or indirectly, with such distributor or importing distributor.

However, an importing distributor or distributor, which on January 1, 1985 is owned by a brewer, or any subsidiary or affiliate thereof or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of the importing distributor or distributor referred to in this paragraph, may own or acquire an ownership interest of more than 5% of the outstanding shares of a wine manufacturer and be issued a wine manufacturer's license by any licensing authority.

(b) The foregoing provisions shall not apply to any person licensed by any licensing authority as a distiller or wine manufacturer, or to any subsidiary or affiliate of any distiller or wine manufacturer who shall have been heretofore licensed by the State Commission as either an importing distributor or distributor during the annual licensing period expiring June 30, 1947, and shall actually have made sales regularly to retailers.

(c) Provided, however, that in such instances where a distributor's or importing distributor's license has been

issued to any distiller or wine manufacturer or to any subsidiary or affiliate of any distiller or wine manufacturer who has, during the licensing period ending June 30, 1947, sold or distributed as such licensed distributor or importing distributor alcoholic liquors and wines to retailers, such distiller or wine manufacturer or any subsidiary or affiliate of any distiller or wine manufacturer holding such distributor's or importing distributor's license may continue to sell or distribute to retailers such alcoholic liquors and wines which are manufactured, distilled, processed or marketed by distillers and wine manufacturers whose products it sold or distributed to retailers during the whole or any part of its licensing periods; and such additional brands and additional products may be added to the line of such distributor or importing distributor, provided, that such brands and such products were not sold or distributed by any distributor or importing distributor licensed by the State Commission during the licensing period ending June 30, 1947, but can not sell or distribute to retailers any other alcoholic liquors or wines.

(d) It shall be unlawful for any distiller licensed anywhere to have any stock ownership or interest in any distributor's or importing distributor's license wherein any other person has an interest therein who is not a distiller and does not own more than 5% of any stock in any distillery. Nothing herein contained shall apply to such distillers or their subsidiaries or affiliates, who had a distributor's or

importing distributor's license during the licensing period ending June 30, 1947, which license was owned in whole by such distiller, or subsidiaries or affiliates of such distiller.

(e) Any person licensed as a brewer, class 1 brewer, or class 2 brewer shall be permitted to sell on the licensed premises to non-licensees for on or off-premises consumption for the premises in which he or she actually conducts such business: (i) beer manufactured by the brewer, class 1 brewer, or class 2 brewer; (ii) beer manufactured by any other brewer, class 1 brewer, or class 2 brewer; and (iii) cider. Such sales shall be limited to on-premises, in-person sales only, for lawful consumption on or off premises. Such authorization shall be considered a privilege granted by the brewer license and, other than a manufacturer of beer as stated above, no manufacturer or distributor or importing distributor, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee or agent, or shareholder shall be issued a retailer's license, nor shall any person having a retailer's license, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative or agent, or shareholder be issued a manufacturer's license or importing distributor's license.

A manufacturer of beer that imports or transfers beer into this State must comply with Sections 6-8 and 8-1 of this Act.

A person who holds a class 1 or class 2 brewer license and is authorized by this Section to sell beer to non-licensees shall not sell beer to non-licensees from more than 3 total brewer or commonly owned brew pub licensed locations in this State. The class 1 or class 2 brewer shall designate to the State Commission the brewer or brew pub locations from which it will sell beer to non-licensees.

A person licensed as a class 1 craft distiller or a class 2 craft distiller, including a person who holds more than one class 1 craft distiller or class 2 craft distiller license, not affiliated with any other person manufacturing spirits may be authorized by the State Commission to sell (1) up to 5,000 gallons of spirits produced by the person to non-licensees for on or off-premises consumption for the premises in which he or she actually conducts business permitting only the retail sale of spirits manufactured at such premises and (2) vermouth purchased through a licensed distributor for on-premises consumption. Such sales shall be limited to on-premises, in-person sales only, for lawful consumption on or off premises, and such authorization shall be considered a privilege granted by the class 1 craft distiller or class 2 craft distiller license. A class 1 craft distiller or class 2 craft distiller licensed for retail sale shall secure liquor liability insurance coverage in an amount at least equal to the

maximum liability amounts set forth in subsection (a) of Section 6-21 of this Act.

A class 1 craft distiller or class 2 craft distiller license holder shall not deliver any alcoholic liquor to any non-licensee off the licensed premises. A class 1 craft distiller or class 2 craft distiller shall affirm in its annual license application that it does not produce more than 50,000 or 100,000 gallons of distilled spirits annually, whichever is applicable, and that the craft distiller does not sell more than 5,000 gallons of spirits to non-licensees for on or off-premises consumption. In the application, which shall be sworn under penalty of perjury, the class 1 craft distiller or class 2 craft distiller shall state the volume of production and sales for each year since the class 1 craft distiller's or class 2 craft distiller's establishment.

A person who holds a class 1 craft distiller or class 2 craft distiller license and is authorized by this Section to sell spirits to non-licensees shall not sell spirits to non-licensees from more than 3 total distillery or commonly owned distilling pub licensed locations in this State. The class 1 craft distiller or class 2 craft distiller shall designate to the State Commission the distillery or distilling pub locations from which it will sell spirits to non-licensees.

(f) (Blank).

(g) Notwithstanding any of the foregoing prohibitions, a limited wine manufacturer may sell at retail at its

manufacturing site for on or off premises consumption and may sell to distributors. A limited wine manufacturer licensee shall secure liquor liability insurance coverage in an amount at least equal to the maximum liability amounts set forth in subsection (a) of Section 6-21 of this Act.

(h) The changes made to this Section by Public Act 99-47 shall not diminish or impair the rights of any person, whether a distiller, wine manufacturer, agent, or affiliate thereof, who requested in writing and submitted documentation to the State Commission on or before February 18, 2015 to be approved for a retail license pursuant to what has heretofore been subsection (f); provided that, on or before that date, the State Commission considered the intent of that person to apply for the retail license under that subsection and, by recorded vote, the State Commission approved a resolution indicating that such a license application could be lawfully approved upon that person duly filing a formal application for a retail license and if that person, within 90 days of the State Commission appearance and recorded vote, first filed an application with the appropriate local commission, which application was subsequently approved by the appropriate local commission prior to consideration by the State Commission of that person's application for a retail license. It is further provided that the State Commission may approve the person's application for a retail license or renewals of such license if such person continues to diligently adhere to all

representations made in writing to the State Commission on or before February 18, 2015, or thereafter, or in the affidavit filed by that person with the State Commission to support the issuance of a retail license and to abide by all applicable laws and duly adopted rules.
