

AN ACT concerning park districts.

Be it enacted by the People of the State of Illinois,
represented in the General Assembly:

Section 5. The Park District Code is amended by changing Sections 5-1, 5-2, 5-3, and 5-3a as follows:

(70 ILCS 1205/5-1) (from Ch. 105, par. 5-1)

Sec. 5-1. Each Park District has the power to levy and collect taxes on all the taxable property in the district for all corporate purposes. The commissioners may accumulate funds for the purposes of building repairs and improvements and may annually levy taxes for such purposes in excess of current requirements for its other purposes but subject to the tax rate limitation as herein provided.

All general taxes proposed by the board to be levied upon the taxable property within the district shall be levied by ordinance. A certified copy of such levy ordinance shall be filed with the county clerk of the county in which the same is to be collected not later than the last Tuesday in December in each year. The county clerk shall extend such tax; provided, the aggregate amount of taxes levied for any one year, exclusive of the amount levied for the payment of the principal and interest on bonded indebtedness of the district and taxes authorized by special referenda shall not exceed the rate of .10%, or the rate limitation in effect on July 1, 1967, whichever is greater, of the value, as equalized or assessed by the Department of Revenue.

Any funds on hand at the end of the fiscal year that are not pledged for or allocated to a particular purpose may, by action of the board of commissioners, be transferred to a capital improvement fund and accumulated therein, but the total amount accumulated in the fund may not exceed 1.5% of

the aggregate assessed valuation of all taxable property in the park district.

The foregoing limitations upon tax rates may be increased or decreased under the referendum provisions of the General Revenue Law of the State of Illinois.

Such tax shall be in addition to all other taxes authorized by law to be levied and collected in such district and shall not be included within any limitation of rate contained in this Code or any other law, but shall be excluded therefrom and be in addition thereto and in excess thereof.

The proceeds of the tax authorized by this Section shall be paid to the treasurer of such district and kept in a fund to be known as the recreational program fund. Such fund shall be used for the planning, establishing and maintaining recreational programs carried on by such district.

No such tax in excess of .075% shall be levied in any such district, until the question of levying such tax has first been submitted to the voters of such district at an election held in such district and has been approved by a majority of such voters voting thereon. The board shall certify such proposition to the proper election officials, who shall submit such proposition to the voters of the district regardless of whether or not a petition, signed by

The foregoing limitations upon tax rates may be increased or decreased under the referendum provisions of the General Revenue Law of the State of Illinois.
