If the court lacks sufficient information to make the determination required by paragraph (b)(2) of this Section immediately after trial, it may adjourn the hearing and order the Department to conduct a predisposition investigation or a supplementary mental examination, or both, to assist the court in framing the commitment order. A supplementary mental examination under this Section shall be conducted in accordance with Section 3-804 of the Mental Health and Developmental Disabilities Code.

(2) An order for commitment under this Section shall specify either institutional care in a secure facility, as provided under Section 50 of this Act, or conditional release. In determining whether commitment shall be for institutional care in a secure facility or for conditional release, the court shall consider the nature and circumstances of the behavior that was the basis of the allegation in the petition under paragraph (b)(1) of Section 15, the person's mental history and present mental condition, where the person will live, how the person will support himself or herself, and what arrangements are available to ensure that the person has access to and will participate in necessary treatment. All treatment, whether in institutional care, in a secure facility, or while on conditional release, shall be conducted in conformance with the standards developed

under the Sex Offender Management Board Act and conducted by a treatment provider approved by the Board. The Department shall arrange for control, care and treatment of the person in the least restrictive manner consistent with the requirements of the person and in accordance with the court's commitment order.

(3) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within 60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to develop the plan. The conditional release program operated under this Section is not subject to the provisions of the Mental Health and Developmental Disabilities Confidentiality Act.

(4) An order for conditional release places the person in the custody and control of the Department. A person on conditional release is subject to the conditions set by the court and to the rules of the Department. Before a person is placed on conditional release by the court under this Section, the court shall

so notify the municipal police department and county sheriff for the municipality and county in which the person will be residing. The notification requirement under this Section does not apply if a municipal police department or county sheriff submits to the court a written statement waiving the right to be notified. If the Department alleges that a released person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, he or she may be taken into custody under the rules of the Department.

At any time during which the person is on conditional release, if the Department determines that the person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, the Department may request the Attorney General or State's Attorney to request the court to issue an emergency ex parte order directing any law enforcement officer to take the person into custody and transport the person to the county jail. The Department may request, or the Attorney General or State's Attorney may request independently of the Department, that a petition to revoke conditional release be filed. When a petition is filed, the court may order the Department to issue a notice to the person to be present at the Department or other agency designated by the court, order a summons to the person to be present, or order a body attachment for all law enforcement officers to take the person into custody and transport him or her to the county jail, hospital, or treatment facility. The Department shall submit a statement showing probable cause of the detention and a petition to revoke the order for conditional release to the committing court within 48 hours after the detention. The court shall hear the

petition within 30 days, unless the hearing or time deadline is waived by the detained person. Pending the revocation hearing, the Department may detain the person in a jail, in a hospital or treatment facility. The State has the burden of proving by clear and convincing evidence that any rule or condition of release has been violated, or that the safety of others requires that the conditional release be revoked. If the court determines after hearing that any rule or condition of release has been violated, or that the safety of others requires that conditional release be revoked, it may revoke the order for conditional release and order that the released person be placed in an appropriate institution until the person is discharged from the commitment under Section 65 of this Act or until again placed on conditional release under Section 60 of this Act.

(5) An order for conditional release places the person in the custody, care, and control of the Department. The court shall order the person be subject to the following rules of conditional release, in addition to any other conditions ordered, and the person shall be given a certificate setting forth the conditions of conditional release. These conditions shall be that the person:

(A) not violate any criminal statute of any jurisdiction;

(B) report to or appear in person before such person or agency as directed by the court and the Department;

(C) refrain from possession of a firearm or other dangerous weapon;

(D) not leave the State without the consent of the court or, in circumstances in which the reason for the absence is of such an emergency nature, that

prior consent by the court is not possible without the prior notification and approval of the Department;

(E) at the direction of the Department, notify third parties of the risks that may be occasioned by his or her criminal record or sexual offending history or characteristics, and permit the supervising officer or agent to make the notification requirement;

(F) attend and fully participate in assessment, treatment, and behavior monitoring including, but not limited to, medical, psychological or psychiatric treatment specific to sexual offending, drug addiction, or alcoholism, to the extent appropriate to the person based upon the recommendation and findings made in the Department evaluation or based upon any subsequent recommendations by the Department;

(G) waive confidentiality allowing the court and Department access to assessment or treatment results or both;

(H) work regularly at a Department approved occupation or pursue a course of study or vocational training and notify the Department within 72 hours of any change in employment, study, or training;

(I) not be employed or participate in any volunteer activity that involves contact with children, except under circumstances approved in advance and in writing by the Department officer;

(J) submit to the search of his or her person, residence, vehicle, or any personal or real property under his or her control at any time by the Department;

(K) financially support his or her dependents

and provide the Department access to any requested financial information;

(L) serve a term of home confinement, the conditions of which shall be that the person:

(i) remain within the interior premises of the place designated for his or her confinement during the hours designated by the Department;

(ii) admit any person or agent designated by the Department into the offender's place of confinement at any time for purposes of verifying the person's compliance with the condition of his or her confinement;

(iii) if deemed necessary by the Department, be placed on an electronic monitoring device;

(M) comply with the terms and conditions of an order of protection issued by the court pursuant to the Illinois Domestic Violence Act of 1986. A copy of the order of protection shall be transmitted to the Department by the clerk of the court;

(N) refrain from entering into a designated geographic area except upon terms the Department finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, others accompanying the person, and advance approval by the Department;

(O) refrain from having any contact, including written or oral communications, directly or indirectly, with certain specified persons including, but not limited to, the victim or the victim's family, and report any incidental contact with the victim or the victim's family to the Department within 72 hours; refrain from entering

onto the premises of, traveling past, or loitering near the victim's residence, place of employment, or other places frequented by the victim;

(P) refrain from having any contact, including written or oral communications, directly or indirectly, with particular types of persons, including but not limited to members of street gangs, drug users, drug dealers, or prostitutes;

(Q) refrain from all contact, direct or indirect, personally, by telephone, letter, or through another person, with minor children without prior identification and approval of the Department;

(R) refrain from having in his or her body the presence of alcohol or any illicit drug prohibited by the Cannabis Control Act or the Illinois Controlled Substances Act, unless prescribed by a physician, and submit samples of his or her breath, saliva, blood, or urine for tests to determine the presence of alcohol or any illicit drug;

(S) not establish a dating, intimate, or sexual relationship with a person without prior written notification to the Department;

(T) neither possess or have under his or her control any material that is pornographic, sexually oriented, or sexually stimulating, or that depicts or alludes to sexual activity or depicts minors under the age of 18, including but not limited to visual, auditory, telephonic, electronic media, or any matter obtained through access to any computer or material linked to computer access use;

(U) not patronize any business providing sexually stimulating or sexually oriented entertainment nor utilize "900" or adult telephone numbers or any other sex-related telephone numbers;

(V) not reside near, visit, or be in or about parks, schools, day care centers, swimming pools, beaches, theaters, or any other places where minor children congregate without advance approval of the Department and report any incidental contact with minor children to the Department within 72 hours;

(W) not establish any living arrangement or residence without prior approval of the Department;

(X) not publish any materials or print any advertisements without providing a copy of the proposed publications to the Department officer and obtaining permission prior to publication;

(Y) not leave the county except with prior permission of the Department and provide the Department officer or agent with written travel routes to and from work and any other designated destinations;

(Z) not possess or have under his or her control certain specified items of contraband related to the incidence of sexually offending items including video or still camera items or children's toys;

(AA) provide a written daily log of activities as directed by the Department;

(BB) comply with all other special conditions that the Department may impose that restrict the person from high-risk situations and limit access or potential victims.

(6) A person placed on conditional release and who during the term undergoes mandatory drug or alcohol testing or is assigned to be placed on an approved electronic monitoring device may be ordered to pay all costs incidental to the mandatory drug or alcohol testing and all costs incidental to the approved electronic

monitoring in accordance with the person's ability to pay those costs. The Department may establish reasonable fees for the cost of maintenance, testing, and incidental expenses related to the mandatory drug or alcohol testing and all costs incidental to approved electronic monitoring.

Sec. 55. Periodic reexamination; report.

(a) If a person has been committed under Section 40 of this Act and has not been discharged under Section 65 of this Act, the Department shall conduct an examination of his or her mental condition within 6 months after an initial commitment under Section 40 and then at least once every 12 months from the completion of the last evaluation for the purpose of determining whether the person has made sufficient progress to be conditionally released or discharged. At the time of a reexamination under this Section, the person who has been committed may retain or, if he or she is indigent and so requests, the court may appoint a qualified expert or a professional person to examine him or her.

(b) Any examiner conducting an examination under this Section shall prepare a written report of the examination no later than 30 days after the date of the examination. The examiner shall place a copy of the report in the person's health care records and shall provide a copy of the report to the court that committed the person under Section 40. The examination shall be conducted in conformance with the standards developed under the Sex Offender Management Board Act and by an evaluator approved by the Board.

(c) Notwithstanding subsection (a) of this Section, the court that committed a person under Section 40 may order a reexamination of the person at any time during the period in

which the person is subject to the commitment order.

(d) Petitions for discharge after reexamination must follow the procedure outlined in Section 65 of this Act.

(725 ILCS 207/60)

Sec. 60. Petition for conditional release.

(a) Any person who is committed for institutional care in a secure facility or other facility under Section 40 of this Act may petition the committing court to modify its order by authorizing conditional release if at least 6 months have elapsed since the initial commitment order was entered, the most recent release petition was denied or the most recent order for conditional release was revoked. The director of the facility at which the person is placed may file a petition under this Section on the person's behalf at any time.

(b) If the person files a timely petition without counsel, the court shall serve a copy of the petition on the Attorney General or State's Attorney, whichever is applicable and, subject to paragraph (c)(1) of Section 25 of this Act, appoint counsel. If the person petitions through counsel, his or her attorney shall serve the Attorney General or State's Attorney, whichever is applicable.

(c) Within 20 days after receipt of the petition, the court shall appoint one or more examiners having the specialized knowledge determined by the court to be appropriate, who shall examine the mental condition of the person and furnish a written report of the examination to the court within 30 days after appointment. The examiners shall have reasonable access to the person for purposes of examination and to the person's past and present treatment records and patient health care records. If any such

examiner believes that the person is appropriate for conditional release, the examiner shall report on the type of treatment and services that the person may need while in the community on conditional release. The State has the right to have the person evaluated by experts chosen by the State. Any examination or evaluation conducted under this Section shall be in conformance with the standards developed under the Sex Offender Management Board Act and conducted by an evaluator approved by the Board. The court shall set a probable cause hearing as soon as practical after the examiner's report is filed. If the court determines at the probable cause hearing that cause exists to believe that it is not substantially probable that the person will engage in acts of sexual violence if on release or conditional release, the court shall set a hearing on the issue.

(d) The court, without a jury, shall hear the petition within 30 days after the report of the court-appointed examiner is filed with the court, unless the petitioner waives this time limit. The court shall grant the petition unless the State proves by clear and convincing evidence that the person has not made sufficient progress to be conditionally released. In making a decision under this subsection, the court must consider the nature and circumstances of the behavior that was the basis of the allegation in the petition under paragraph (b)(1) of Section 15 of this Act, the person's mental history and present mental condition, where the person will live, how the person will support himself or herself and what arrangements are available to ensure that the person has access to and will participate in necessary treatment.

(e) Before the court may enter an order directing conditional release to a less restrictive alternative it must find the following: (1) the person will be treated by a Department approved treatment provider, (2) the treatment

provider has presented a specific course of treatment and has agreed to assume responsibility for the treatment and will report progress to the Department on a regular basis, and will report violations immediately to the Department, consistent with treatment and supervision needs of the respondent, (3) housing exists that is sufficiently secure to protect the community, and the person or agency providing housing to the conditionally released person has agreed in writing to accept the person, to provide the level of security required by the court, and immediately to report to the Department if the person leaves the housing to which he or she has been assigned without authorization, (4) the person is willing to or has agreed to comply with the treatment provider, the Department, and the court, and (5) the person has agreed or is willing to agree to comply with the behavioral monitoring requirements imposed by the court and the Department.

(f) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within 60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to

develop the plan.

(g) The provisions of paragraph (b)(4) of Section 40 of this Act apply to an order for conditional release issued under this Section.

(725 ILCS 207/65)

Sec. 65. Petition for discharge; procedure.

(a)(1) If the Secretary determines at any time that a person committed under this Act is no longer a sexually violent person, the Secretary shall authorize the person to petition the committing court for discharge. The person shall file the petition with the court and serve a copy upon the Attorney General or the State's Attorney's office that filed the petition under subsection (a) of Section 15 of this Act, whichever is applicable. The court, upon receipt of the petition for discharge, shall order a hearing to be held within 45 days after the date of receipt of the petition.

(2) At a hearing under this subsection, the Attorney General or State's Attorney, whichever filed the original petition, shall represent the State and shall have the right to have the petitioner examined by an expert or professional person of his or her choice. The examination shall be conducted in conformance with the standards developed under the Sex Offender Management Board Act and by an evaluator approved by the Board. The committed person or the State may elect to have the hearing before a jury. The State has the burden of proving by clear and convincing evidence that the petitioner is still a sexually violent person.

(3) If the court or jury is satisfied that the State has not met its burden of proof under paragraph (a)(2) of this Section, the petitioner shall be discharged from the custody or supervision of the Department. If the court is satisfied that the State has met its burden of proof under paragraph

(a)(2), the court may proceed under Section 40 of this Act to determine whether to modify the petitioner's existing commitment order.

(b)(1) A person may petition the committing court for discharge from custody or supervision without the Secretary's approval. At the time of an examination under subsection (a) of Section 55 of this Act, the Secretary shall provide the committed person with a written notice of the person's right to petition the court for discharge over the Secretary's objection. The notice shall contain a waiver of rights. The Secretary shall forward the notice and waiver form to the court with the report of the Department's examination under Section 55 of this Act. If the person does not affirmatively waive the right to petition, the court shall set a probable cause hearing to determine whether facts exist that warrant a hearing on whether the person is still a sexually violent person. If a person does not file a petition for discharge, yet fails to waive the right to petition under this Section, then the probable cause hearing consists only of a review of the reexamination reports and arguments on behalf of the parties. The committed person has a right to have an attorney represent him or her at the probable cause hearing, but the person is not entitled to be present at the probable cause hearing. The probable cause hearing under this Section must be held within 45 days of the filing of the reexamination report under Section 55 of this Act.

(2) If the court determines at the probable cause hearing under paragraph (b)(1) of this Section that probable cause exists to believe that the committed person is no longer a sexually violent person, then the court shall set a hearing on the issue. At a hearing under this Section, the committed person is entitled to be present and to the benefit of the protections afforded to the person under Section 25 of this Act. The committed person or the State may elect to have

a hearing under this Section before a jury. A verdict of a jury under this Section is not valid unless it is unanimous. The Attorney General or State's Attorney, whichever filed the original petition, shall represent the State at a hearing under this Section. The State has the right to have the committed person evaluated by experts chosen by the State. The examination shall be conducted in conformance with the standards developed under the Sex Offender Management Board Act and by an evaluator approved by the Board. At the hearing, the State has the burden of proving by clear and convincing evidence that the committed person is still a sexually violent person.

(3) If the court or jury is satisfied that the State has not met its burden of proof under paragraph (b)(2) of this Section, the person shall be discharged from the custody or supervision of the Department. If the court or jury is satisfied that the State has met its burden of proof under paragraph (b)(2) of this Section, the court may proceed under Section 40 of this Act to determine whether to modify the person's existing commitment order.

(730 ILCS 5/3-6-2) (from Ch. 38, par. 1003-6-2)

Sec. 3-6-2. Institutions and Facility Administration.

(a) Each institution and facility of the Department shall be administered by a chief administrative officer appointed by the Director. A chief administrative officer shall be responsible for all persons assigned to the institution or facility. The chief administrative officer shall administer the programs of the Department for the custody and treatment of such persons.

(b) The chief administrative officer shall have such assistants as the Department may assign.

(c) The Director or Assistant Director shall have the emergency powers to temporarily transfer individuals without formal procedures to any State, county, municipal or regional correctional or detention institution or facility in the State, subject to the acceptance of such receiving institution or facility, or to designate any reasonably secure place in the State as such an institution or facility and to make transfers thereto. However, transfers made under emergency powers shall be reviewed as soon as practicable under Article 8, and shall be subject to Section 5-905 of the Juvenile Court Act of 1987. This Section shall not apply to transfers to the Department of Human Services which are provided for under Section 3-8-5 or Section 3-10-5.

(d) The Department shall provide educational programs for all committed persons so that all persons have an opportunity to attain the achievement level equivalent to the completion of the twelfth grade in the public school system in this State. Other higher levels of attainment shall be encouraged and professional instruction shall be maintained wherever possible. The Department may establish programs of mandatory education and may establish rules and regulations

for the administration of such programs. A person committed to the Department who, during the period of his or her incarceration, participates in an educational program provided by or through the Department and through that program is awarded or earns the number of hours of credit required for the award of an associate, baccalaureate, or higher degree from a community college, college, or university located in Illinois shall reimburse the State, through the Department, for the costs incurred by the State in providing that person during his or her incarceration with the education that qualifies him or her for the award of that degree. The costs for which reimbursement is required under this subsection shall be determined and computed by the Department under rules and regulations that it shall establish for that purpose. However, interest at the rate of 6% per annum shall be charged on the balance of those costs from time to time remaining unpaid, from the date of the person's parole, mandatory supervised release, or release constituting a final termination of his or her commitment to the Department until paid.

(e) A person committed to the Department who becomes in need of medical or surgical treatment but is incapable of giving consent thereto shall receive such medical or surgical treatment by the chief administrative officer consenting on the person's behalf. Before the chief administrative officer consents, he or she shall obtain the advice of one or more physicians licensed to practice medicine in all its branches in this State. If such physician or physicians advise:

(1) that immediate medical or surgical treatment is required relative to a condition threatening to cause death, damage or impairment to bodily functions, or disfigurement; and

(2) that the person is not capable of giving consent to such treatment; the chief administrative

officer may give consent for such medical or surgical treatment, and such consent shall be deemed to be the consent of the person for all purposes, including, but not limited to, the authority of a physician to give such treatment.

(f) In the event that the person requires medical care and treatment at a place other than the institution or facility, the person may be removed therefrom under conditions prescribed by the Department. The Department shall require the committed person receiving medical or dental services on a non-emergency basis to pay a \$2 co-payment to the Department for each visit for medical or dental services. The amount of each co-payment shall be deducted from the committed person's individual account. A committed person who has a chronic illness, as defined by Department rules and regulations, shall be exempt from the \$2 co-payment for treatment of the chronic illness. A committed person shall not be subject to a \$2 co-payment for follow-up visits ordered by a physician, who is employed by, or contracts with, the Department. A committed person who is indigent is exempt from the \$2 co-payment and is entitled to receive medical or dental services on the same basis as a committed person who is financially able to afford the co-payment. Notwithstanding any other provision in this subsection (f) to the contrary, any person committed to any facility operated by the Juvenile Division, as set forth in subsection (b) of Section 3-2-5 of this Code, is exempt from the co-payment requirement for the duration of confinement in those facilities.

(g) Any person having sole custody of a child at the time of commitment or any woman giving birth to a child after her commitment, may arrange through the Department of Children and Family Services for suitable placement of the child outside of the Department of Corrections. The Director

of the Department of Corrections may determine that there are special reasons why the child should continue in the custody of the mother until the child is 6 years old.

(h) The Department may provide Family Responsibility Services which may consist of, but not be limited to the following:

(1) family advocacy counseling;

(2) parent self-help group;

(3) parenting skills training;

(4) parent and child overnight program;

(5) parent and child reunification counseling, either separately or together, preceding the inmate's release; and

(6) a prerelease reunification staffing involving the family advocate, the inmate and the child's counselor, or both and the inmate.

(i) Prior to the release of any inmate who has a documented history of intravenous drug use, and upon the receipt of that inmate's written informed consent, the Department shall provide for the testing of such inmate for infection with human immunodeficiency virus (HIV) and any other identified causative agent of acquired immunodeficiency syndrome (AIDS). The testing provided under this subsection shall consist of an enzyme-linked immunosorbent assay (ELISA) test or such other test as may be approved by the Illinois Department of Public Health. If the test result is positive, the Western Blot Assay or more reliable confirmatory test shall be administered. All inmates tested in accordance with the provisions of this subsection shall be provided with pre-test and post-test counseling. Notwithstanding any provision of this subsection to the contrary, the Department shall not be required to conduct the testing and counseling required by this subsection unless sufficient funds to cover all costs of such testing and counseling are appropriated for

that purpose by the General Assembly.

(j) Any person convicted of a sex offense as defined in the Sex Offender Management Board Act shall be required to receive a sex offender evaluation prior to release into the community from the Department of Corrections. The sex offender evaluation shall be conducted in conformance with the standards and guidelines developed under the Sex Offender Management Board Act and by an evaluator approved by the Board.

(k) Any minor committed to the Department of Corrections-Juvenile Division for a sex offense as defined by the Sex Offender Management Board Act shall be required to undergo sex offender treatment by a treatment provider approved by the Board and conducted in conformance with the Sex Offender Management Board Act.

(730 ILCS 5/3-9-7) (from Ch. 38, par. 1003-9-7)

Sec. 3-9-7. Sexual abuse counseling programs.

(a) The Juvenile Division shall establish and offer sexual abuse counseling to both victims of sexual abuse and sexual offenders in as many facilities as necessary to insure sexual abuse counseling throughout the State.

Sec. 5-3-1. Presentence Investigation. A defendant shall not be sentenced for a felony before a written presentence

report of investigation is presented to and considered by the court.

However, in cases other than felony sex offenses as defined in the Sex Offender Management Board Act, the court need not order a presentence report of investigation where both parties agree to the imposition of a specific sentence, provided there is a finding made for the record as to the defendant's history of delinquency or criminality, including any previous sentence to a term of probation, periodic imprisonment, conditional discharge, or imprisonment.

The court may order a presentence investigation of any defendant.

(b) The investigation shall include a physical and mental examination of the defendant when so ordered by the court. If the court determines that such an examination should be made, it shall issue an order that the defendant submit to examination at such time and place as designated by the court and that such examination be conducted by a physician, psychologist or psychiatrist designated by the court. Such an examination may be conducted in a court clinic if so ordered by the court. The cost of such examination shall be paid by the county in which the trial is held.

(730 ILCS 5/5-4-1) (from Ch. 38, par. 1005-4-1)

Sec. 5-4-1. Sentencing Hearing.

(a) Except when the death penalty is sought under hearing procedures otherwise specified, after a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense based upon a charge for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Programs conducting these evaluations shall be

licensed by the Department of Human Services. However, if the individual is not a resident of Illinois, the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court may in its sentencing order approve an eligible defendant for placement in a Department of Corrections impact incarceration program as provided in Section 5-8-1.1 or 5-8-1.3. At the hearing the court shall:

(1) consider the evidence, if any, received upon the trial;

(2) consider any presentence reports;

(3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;

(4) consider evidence and information offered by the parties in aggravation and mitigation;

(5) hear arguments as to sentencing alternatives;

(6) afford the defendant the opportunity to make a statement in his own behalf;

(7) afford the victim of a violent crime or a violation of Section 11-501 of the Illinois Vehicle Code, or a similar provision of a local ordinance, or a qualified individual affected by a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act, committed by the defendant the opportunity to make a statement concerning the impact on the victim and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation must first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Any sworn testimony offered by the victim is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7)

shall become part of the record of the court. For the purpose of this paragraph (7), "qualified individual" means any person who (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; and (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. For the purposes of this paragraph (7), "qualified individual" includes any peace officer, or any member of any duly organized State, county, or municipal peace unit assigned to the territorial jurisdiction where the offense took place when the offense took place; and

(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements; and-

(9) in cases involving a felony sex offense as defined under the Sex Offender Management Board Act, consider the results of the sex offender evaluation conducted pursuant to Section 5-3-2 of this Act.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug

or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for early release found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of

prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3 committed on or after June 19, 1998, and other than when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and other than when the sentence is imposed for aggravated arson if the offense was committed on or after the effective date of this amendatory Act of the 92nd General Assembly, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good

conduct credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated arson if the offense was committed on or after the effective date of this amendatory Act of the 92nd General Assembly, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of good conduct credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own

misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to good conduct credit. Therefore, this defendant will serve 100% of his or her sentence."

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

(1) the sentence imposed;

(2) any statement by the court of the basis for imposing the sentence;

(3) any presentence reports;

(3.5) any sex offender evaluations;

(4) the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;

(4.1) any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);

(5) all statements filed under subsection (d) of this Section;

(6) any medical or mental health records or summaries of the defendant;

(7) the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;

(8) all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and

(9) all additional matters which the court directs the clerk to transmit.

Unless the court orders otherwise, the particular times and conditions of release shall be determined by the Department of Corrections, the sheriff, or the Superintendent of the house of corrections, who is administering the program.
